Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Explanatory Note

On December 6, 2018, Lam Research Corporation (the “Company”) filed a Form 8-K (the “Original Filing”) under Items 5.02, 7.01 and 9.01. This Amendment No. 1 (“Amendment”) to Form 8-K is filed solely to amend Item 5.02. This Amendment speaks as of the filing date of the Original Filing and corrects a disclosure contained in the Original Filing. Accordingly, this Amendment should be read in conjunction with the Original Filing.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The formula set forth in the fourth sentence of the third paragraph of the Original Filing was incorrect. Accordingly, that sentence is corrected to read: “The number of shares covered by each stock option, which will expire seven years from the grant date, shall be determined by dividing 50% of the above nominal value of the equity award by the average closing price of the Company’s common stock for the 30 trading days prior to the grant date, multiplying the result by approximately 4.2 and rounding down to the nearest whole share, which yields 71,430 shares.”

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
