Item 1.01. Entry into a Material Definitive Agreement.

On March 30, 2010, First Merchants Corporation (the "Company") entered into securities purchase agreements with six (6) groups of institutional investors, pursuant to which the Company sold an aggregate of approximately 4,200,000 shares of its common stock in exchange for gross proceeds of approximately \$24.15 million. The purchase price for each share of common stock was \$5.75. The common stock was issued and registered pursuant to a prospectus supplement filed with the Securities and Exchange Commission (the "SEC"), in connection with a takedown from the Company's shelf registration statement on Form S-3 (File No. 333-158334), which was declared effective by the SEC on May 1, 2009. The issuance was a condition to the United States Department of the Treasury's willingness to consent to exchange certain of the Company's Fixed Rate Cumulative Perpetual Preferred Stock, Series A for trust preferred securities as previously disclosed by the Company in its Current Report on Form 8-K filed with the SEC on March 25, 2010.

A copy of the opinion of Bingham McHale LLP, special securities counsel to the Company, relating to the legality of the issuance and sale of the common stock is attached as Exhibit 5.1 hereto.

The definitive securities purchase agreements contain customary representations and warranties on behalf of the Company in favor of the investors. In addition, as a condition to the issuance under the agreements, the Company agreed to grant the investors certain pre-emptive rights with respect to any new public or nonpublic issuances of the Company's common stock or securities convertible into shares of the Company's common stock during the next year. The rights are only available to investor groups who purchased at least 750,000 shares of common stock through the agreement and will only cover so much of any future offering that permits the purchasers to increase their percentage ownership in the Company to 9.9% of the outstanding stock and are subject to all appropriate regulatory or shareholder approvals. The pre-emptive rights will not cover issuances: (i) related to any common stock or other securities issuable upon the exercise or conversion of any securities of the Company currently outstanding; (ii) pursuant to the granting or exercise of employee stock options or other stock incentives pursuant to the Company's stock incentive plans, employee stock purchase plans or similar plans where stock is being issued or offered to a trust, other entity or otherwise, for the benefit of any employees, officers or directors of the Company, in each case in the ordinary course of providing incentive compensation; or (iii) issuances of capital stock as full or partial consideration for a merger, acquisition, joint venture, strategic alliance, license agreement or other similar nonfinancing transaction. The pricing and other terms of the pre-emptive rights shall be consistent with the pricing and other terms being offered to other purchasers. The Company estimates that four of the investor groups will be eligible for the pre-emptive rights, which, for a future offering involving the maximum number of shares, would permit the investor groups to have pre-emptive rights on 39.6% of the Company's outstanding common stock. In the event the future offering is not sufficient to permit each eligible investor group to increase its percentage to 9.9% of the Company's outstanding stock, each investor group's

Edgar Filing: FIRST MERCHANTS CORP - Form 8-K

preemptive right will be proportionately reduced based on the amount of shares initially purchased pursuant to the securities purchase agreements.

A copy of the form of securities purchase agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing summary of the terms of the securities purchase agreement is subject to, and qualified in their entirety by, such documents. On March 30, 2010, the Company issued a press release announcing the offering. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 8.01. Other Events.

In connection with the due diligence process conducted with potential investors, management disclosed certain information regarding the first quarter of 2010 which could be considered material. Included in the discussions were estimates concerning net-interest margin, provision expense, non-interest income, non-interest expenses and fully diluted earnings per share available to common shareholders ("EPS"). Additionally, management provided guidance regarding non-performing asset statistics and updates regarding the completion of recent regulatory examinations by the Office of the Comptroller of the Currency and the Federal Reserve Board.

Management expects the Company's EPS to better the average of its four analyst estimates in the first quarter of 2010. Linked quarter operating trends include a continuation of strong net interest margin, improved non-interest income and reduced total expense levels during the quarter and should aid the Company in producing improved performance.

Non-performing assets ("NPA's") are expected to remain relatively flat (within a 5% variance) during the quarter as problem loan resolutions and new additions to NPA's are moving forward at a consistent pace. The Company expects provision expense and charge-off's to closely match one another during the quarter as steady problem asset migration has reduced the need for material increases to the allowance for loan losses.

All capital ratios are expected to improve during the quarter through the addition of capital and the reduction of higher risk-weighted assets.

The Company's most recent regulatory examination findings do not include any type of capital directive or individual minimum capital requirement.

(a) Subsidiaries. The Company has no direct or indirect Subsidiaries other than those listed in Schedule 3.1(a) hereto. Except as disclosed in Schedule 3.1(a) hereto, the Company owns, directly or indirectly, all of the capital stock or comparable equity interests of each Subsidiary free and clear of any and all Liens, and all the issued and outstanding shares of capital stock or comparable equity interest of each Subsidiary are validly issued and are fully paid, non-assessable and free of preemptive and similar rights to subscribe for or purchase securities.

(b) Organization and Qualification. The Company and each of its “Significant Subsidiaries” (as defined in Rule 1-02 of Regulation S-X) is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization (as applicable), with the requisite power and authority to own or lease and use its properties and assets and to carry on its business as currently conducted. Neither the Company nor any Significant Subsidiary is in violation of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents. The Company and each of its Subsidiaries is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not in the reasonable judgment of the Company be expected to have a Material Adverse Effect. The Company is duly registered as a bank holding company under the Bank Holding Company Act of 1956, as amended. Each of the Company’s depository institution Subsidiaries’

deposit accounts are insured up to applicable limits by the Federal Deposit Insurance Corporation, and all premiums and assessments required to be paid in connection therewith have been paid when due. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents to which it is a party and otherwise to carry out its obligations hereunder and thereunder, including, without limitation, to issue the Shares in accordance with the terms hereof. The Company's execution and delivery of each of the Transaction Documents to which it is a party and the consummation by it of the transactions contemplated hereby and thereby (including, but not limited to, the sale and delivery of the Shares) have been duly authorized by all necessary corporate action on the part of the Company, and no further corporate action is required by the Company, its Board of Directors or its stockholders in connection therewith other than in connection with the Required Approvals. Each of the Transaction Documents to which it is a party has been (or upon delivery will have been) duly executed by the Company and is, or when delivered in accordance with the terms hereof, will constitute the legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except (i) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law. Except for Material Contracts, there are no stockholder agreements, voting agreements, or other similar arrangements with respect to the Company's capital stock to which the Company is a party or, to the Company's Knowledge, between or among any of the Company's stockholders. The Company has received a letter from the United States Department of the Treasury ("*Treasury*"), dated March 23, 2010, which indicates that the Treasury would be willing to consent to the exchange of certain of its Fixed Rate Cumulative Perpetual Preferred Stock, Series A, with trust preferred securities issued by an Affiliate of the Company, subject to the satisfaction of the terms and conditions set forth in such letter, a copy of which is attached hereto as Schedule 3.1(c).

(d) No Conflicts. The execution, delivery and performance by the Company of the Transaction Documents to which it is a party and the consummation by the Company of the transactions contemplated hereby or thereby (including, without limitation, the issuance of the Shares) do not and will not (i) conflict with or violate any provisions of the Company's or any Subsidiary's certificate or articles of incorporation, bylaws or otherwise result in a violation of the organizational documents of the Company or any Subsidiary, (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would result in a default) under, result in the creation of any Lien upon any of the properties or assets of the Company or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any Material Contract, or (iii) subject to the Required Approvals, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company is subject (including federal and state securities laws and regulations and the rules and regulations, assuming the correctness of the representations and warranties made by the Purchasers herein, of any self-regulatory organization to which the Company or its securities are subject, including all applicable Trading Markets), or by which any property or asset of the Company is bound or

affected, except in the case of clauses (ii) and (iii) such as would not have or reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(e) Filings, Consents and Approvals. Neither the Company nor any of its Subsidiaries is required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of the Transaction Documents (including, without limitation, the issuance of the Shares), other than (i) the filing with the Commission of the Prospectus Supplement, (ii) filings required by applicable state securities laws, (iii) the filing of any requisite notices and/or application(s) to the Principal Trading Market for the issuance and sale of the Shares and the listing of the Shares for trading or quotation, as the case may be, thereon in the time and manner required thereby, (iv) the filings required in accordance with Section 4.2 of this Agreement and (v) those that have been made or obtained prior to the date of this Agreement (collectively, the “*Required Approvals*”).

(f) Issuance of the Shares. The issuance of the Shares have been duly authorized and the Shares, when issued and paid for in accordance with the terms of the Transaction Documents, will be duly and validly issued, fully paid and non-assessable and free and clear of all Liens, and shall not be subject to preemptive or similar rights. The Company has reserved from its duly authorized capital stock the maximum number of shares of Common Stock issuable pursuant to this Agreement. The Shares are being issued pursuant to the Registration Statement and the issuance of the Shares has been registered by the Company under the Securities Act and will be issued in compliance with all applicable federal and state securities laws. Upon issuance in accordance with the terms of this Agreement, the Shares will be freely tradable on the Principal Trading Market without restriction. The Registration Statement was declared effective under the Securities Act on May 1, 2009 and no stop order or other order preventing, suspending or withdrawing the effectiveness of the Registration Statement or suspending or preventing the use of the Prospectus has been issued by the Commission and no proceedings for that purpose have, to the actual knowledge of the Company, been instituted or are threatened by the Commission. The Company shall file the Prospectus Supplement with the Commission pursuant to Rule 424(b). At the time the Registration Statement and any amendments thereto became effective, at the date of this Agreement and at the Closing Date, the Registration Statement and any amendments thereto conformed or will conform in all material respects to the requirements of the Securities Act and did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and the Prospectus and any amendments or supplements thereto, at the time the Prospectus or any amendment or supplement thereto was issued and at the Closing Date, conformed or will conform in all material respects to the requirements of the Securities Act and did not and will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The “Plan of Distribution” section under the Registration Statement permits the issuance of the Shares hereunder. The Company meets all of the requirements for the use of Form S-3 under the Securities Act for the offering and sale of the Shares, and the Commission has not notified the Company of any objection to the use of the form of the Registration Statement pursuant to Rule 401(g)(1) under the Securities Act. The issuance and sale of the Shares does not contravene the rules and regulations of the Principal Trading Market.

The execution, delivery and performance by such Purchaser of this Agreement and the consummation by such Purchaser of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of such Purchaser (if such Purchaser is an entity), (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Purchaser is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Purchaser, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Purchaser to perform its obligations hereunder.

(c) Investment Intent. Such Purchaser is acquiring the Shares hereunder in the ordinary course of its business solely for the purpose of passive investment, and has no present or future plan or intent to control the Company, to influence the management or board of directors of the Company or to take any other action that would require such Purchaser to file a Schedule 13D with respect to any securities of the Company. Such Purchaser does not presently have any agreement, plan or understanding, directly or indirectly, with any Person to distribute or effect any distribution of any of the Shares (or any securities which are derivatives thereof) to or through any person or entity, as such terms are defined for purposes of the Securities Act.

(d) Brokers and Finders. No Person will have, as a result of the transactions contemplated by this Agreement, any valid right, interest or claim against or upon the Company or any Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Purchaser.

(e) Residency. Such Purchaser's residence (if an individual) or office in which its investment decision with respect to the Shares was made (if an entity) are located at the address immediately below such Purchaser's name on its signature page hereto.

(f) Certain Transactions and Confidentiality. Other than consummating the transactions contemplated hereunder, such Purchaser has not, nor has any Person acting on behalf of or pursuant to any understanding with such Purchaser, directly or indirectly executed any purchases or sales, including Short Sales, of the securities of the Company during the period

commencing as of the time that such Purchaser first became aware of the proposed transactions contemplated hereunder and ending immediately prior to the execution hereof. Notwithstanding the foregoing, in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser's assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Shares covered by this Agreement. Such Purchaser has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction), other than disclosure to its representatives, agents and advisors (including its investment adviser and its and their legal advisers) and other Persons party to this Agreement. Notwithstanding the foregoing, for avoidance of doubt, nothing contained herein shall constitute a representation or warranty, or preclude any actions, with respect to the identification of the availability of, or securing of, available shares to borrow in order to effect Short Sales or similar transactions in the future.

The Company and each of the Purchasers acknowledge and agree that no party to this Agreement has made or makes any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in this Article III and the Transaction Documents.

ARTICLE IV.

OTHER AGREEMENTS OF THE PARTIES

4.1 Acknowledgment of Dilution. The Company acknowledges that the issuance of the Shares may result in dilution of the outstanding shares of Common Stock. The Company further acknowledges that its obligations under the Transaction Documents, including without limitation its obligation to issue the Shares pursuant to the Transaction Documents, are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against any Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of the Company.

4.2 Securities Laws Disclosure; Publicity. By 9:00 a.m., New York City time, on the Trading Day immediately following the execution of this Agreement, the Company shall issue one or more press releases (each, a "*Press Release*") reasonably acceptable to the Purchasers disclosing all material terms of the transactions contemplated hereby and any other material, nonpublic information that the Company may have provided any Purchaser at any time prior to the filing of the Press Release. On or before 9:00 a.m., New York City time, on the second Trading Day immediately following the execution of this Agreement, the Company will file a Current Report on Form 8-K with the Commission describing the terms of the Transaction Documents (and including as exhibits to such Current Report on Form 8-K the material Transaction Documents (including, without limitation, this Agreement)). Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Purchaser or any Affiliate or investment adviser of any Purchaser, or include the name of any Purchaser or any Affiliate or investment adviser of any Purchaser in any press release or filing with the Commission (other than the Registration Statement) or any regulatory agency or Trading Market, without the prior written consent of such Purchaser, except (i) as required by federal securities law in connection with the filing of final Transaction Documents with the Commission and (ii) to the extent such disclosure is required by law, at the request of the Staff of the Commission or Trading Market regulations, in which case the Company shall provide the Purchasers with prior written notice of such disclosure permitted under this subclause (ii). From and after the issuance of the Press

Release(s), no Purchaser shall be in possession of any material, non-public information received from the Company, any Subsidiary or any of their respective officers, directors or employees, that is not disclosed in the Press Release(s). Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company as described in this Section 4.2, such Purchaser will maintain the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction).

4.3 Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, and except with the express written consent of such Purchaser and unless prior thereto such Purchaser shall have executed a written agreement regarding the confidentiality and use of such information, the Company shall not, and shall cause each Subsidiary and each of their respective officers, directors, employees and agents, not to, and each Purchaser shall not directly solicit the Company, any of its Subsidiaries or any of their respective officers, directors, employees or agents to provide any Purchaser with any material, non-public information regarding the Company or any of its Subsidiaries from and after the filing of the Press Release(s).

4.4 Indemnification.

(a) Indemnification of Purchasers. The Company will indemnify and hold each Purchaser and its directors, officers, stockholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls such Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, stockholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling person (each, a "*Purchaser Party*") harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that any such Purchaser Party may suffer or incur as a result of (i) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (ii) any action instituted against a Purchaser Party in any capacity, or any of them or their respective affiliates, by any stockholder of the Company who is not an affiliate of such Purchaser Party, with respect to any of the transactions contemplated by this Agreement. The Company will not be liable to any Purchaser Party under this Agreement to the extent, but only to the extent that a loss, claim, damage or liability is attributable to any Purchaser Party's breach of any of the representations, warranties, covenants or agreements made by such Purchaser Party in this Agreement or in the other Transaction Documents.

(b) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (the "*Indemnified Person*") of notice of any demand, claim or circumstances which would or might give rise to a claim or the commencement of any action, proceeding or investigation in respect of which indemnity may be sought pursuant to Section 4.4(a), such Indemnified Person shall promptly notify the Company in writing and the Company shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person, and shall assume the payment of all fees and expenses; *provided, however*, that the failure of any Indemnified Person so to notify the Company shall not relieve the Company of its obligations hereunder except to the extent that the Company is actually and materially and adversely prejudiced by such failure to notify. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless: (i) the Company and the Indemnified Person shall

have mutually agreed to the retention of such counsel; (ii) the Company shall have failed promptly to assume the defense of such proceeding and to employ counsel reasonably satisfactory to such Indemnified Person in such proceeding; or (iii) in the reasonable judgment of counsel to such Indemnified Person, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. The Company shall not be liable for any settlement of any proceeding effected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. Without the prior written consent of the Indemnified Person, which consent shall not be unreasonably withheld, delayed or conditioned, the Company shall not effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Person from all liability arising out of such proceeding.

4.5 Listing of Common Stock. The Company shall promptly secure the listing of all of the Shares for quotation on the Principal Trading Market and each other Trading Market, if any, upon which the shares of Common Stock are then listed, and maintain the listing of the Shares and on the Principal Trading Market and such other Trading Market, as applicable. The Company shall maintain the Common Stock's authorization for quotation on the Principal Trading Market and shall not take any action which could be reasonably expected to result in the delisting or suspension of the Common Stock on the Principal Trading Market. The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 4.5.

4.6 Use of Proceeds. The Company intends to use the net proceeds from the sale of the Shares hereunder as described in the Prospectus Supplement.

4.7 Securities Law Compliance. The Prospectus Supplement, containing all information required by the Commission's rules and regulations, shall be filed in accordance with Rule 424 under the Securities Act. The Company shall take all other necessary action and proceedings as may be required and permitted by applicable law, rule and regulation, for the legal and valid issuance of the Shares (and the issuance of the Shares pursuant to the Registration Statement) to the Purchasers or subsequent holders. The Company shall, on or before the Closing Date, take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to, qualify the Shares for sale to the Purchasers at the Closing pursuant to this Agreement under applicable securities or "Blue Sky" laws of the states of the United States (or to obtain an exemption from such qualification), and shall provide evidence of any such action so taken to the Purchasers on or prior to the Closing Date. The Company shall make all filings and reports relating to the offer and sale of the Shares required under applicable securities or "Blue Sky" laws of the states of the United States following the Closing Date.

4.8 Reporting Status. Until the date on which the Purchasers shall have sold all of the Shares, the Company shall timely file all reports required to be filed with the Commission pursuant to the Exchange Act, and the Company shall not terminate its status as an issuer required to file reports under the Exchange Act even if the Exchange Act or the rules and regulations thereunder would no longer require or otherwise permit such termination.

4.9 Pre-emptive rights.

(a) Sale of New Securities. If at any time after the date hereof the Company makes any public or nonpublic offering or sale of Common Stock, or securities convertible into Common Stock (any such security, a "New Security") (other than (i) any Common Stock or other

securities issuable upon the exercise or conversion of any securities of the Company issued or agreed or contemplated to be issued as of the date hereof; (ii) pursuant to the granting or exercise of employee stock options or other stock incentives pursuant to the Company's stock incentive plans approved by the Board of Directors or the issuance of stock pursuant to the Company's employee stock purchase plan approved by the Board of Directors or similar plan where stock is being issued or offered to a trust, other entity or otherwise, for the benefit of any employees, officers or directors of the Company, in each case in the ordinary course of providing incentive compensation; or (iii) issuances of capital stock as full or partial consideration for a merger, acquisition, joint venture, strategic alliance, license agreement or other similar nonfinancing transaction), then each Designated Purchaser shall be afforded the opportunity to acquire from the Company for the same price (net of any underwriting discounts or sales commissions) and on the same terms as such securities are proposed to be offered to others, up to the amount of New Securities in the aggregate required to enable it and the other members of its Designated Purchaser Group to own, in the aggregate 9.9% of the outstanding shares of Common Stock (calculated after giving effect to the Offering and on an as-converted basis, if applicable).

A Designated Purchaser shall be entitled to apportion the purchase rights granted pursuant to this Section 4.9 among itself and its Affiliates in such proportions as it deems appropriate. Notwithstanding the foregoing, in the event that the Offering (as hereinafter defined) is insufficient to enable each Designated Purchaser Group to purchase, in the aggregate 9.9% of the outstanding shares of Common Stock as contemplated above, then such right of each such Designated Purchaser Group shall be reduced, on a proportionate basis, in relation to such Designated Purchaser Group's aggregate Subscription Amount hereunder.

(b) **Notice.** In the event the Company proposes to offer or sell New Securities (the "**Offering**"), it shall give each Designated Purchaser written notice of its intention, describing the price (or range of prices), anticipated amount of securities, timing, and other terms upon which the Company proposes to offer the same (including, in the case of a registered public offering and to the extent possible, a copy of the prospectus included in the registration statement filed with respect to such offering), no later than five (5) Business Days, as the case may be, after the initial filing of a registration statement with the Commission with respect to an underwritten public offering, after the commencement of marketing with respect to a Rule 144A offering or after the Company commences any other offering. If the information contained in the notice constitutes material non-public information (as defined under the applicable securities laws), the Company shall deliver such notice only to the individuals identified on the Designated Purchaser's signature page hereto, and shall not communicate the information to anyone else acting on behalf of the Designated Purchaser without the consent of one of the designated individuals. The Designated Purchaser shall have five (5) Business Days from the date of receipt of such a notice to notify the Company in writing that it intends to exercise its rights provided in this Section 4.9 and as to the amount of New Securities the Designated Purchaser desires to purchase, up to the maximum amount calculated pursuant to Section 4.9. Such notice shall constitute a nonbinding indication of interest of the Designated Purchaser to purchase the amount of New Securities so specified at the price and other terms set forth in the Company's notice to it. The failure of the Designated Purchaser to respond within such five (5) Business Day period shall be deemed to be a waiver of such Designated Purchaser's rights under this Section 4.9 only with respect to the Offering described in the applicable notice.

(c) **Purchase Mechanism.** If the Designated Purchaser exercises its rights provided in this Section 4.9, the closing of the purchase of the New Securities in connection with the closing of the Offering with respect to which such right has been exercised shall take place within thirty (30) calendar days after the giving of notice of such exercise, which period of time shall be extended for a maximum of sixty (60) days in order to comply with applicable laws and

regulations (including receipt of any applicable regulatory or stockholder approvals). Notwithstanding anything to the contrary herein, the closing of the purchase of the New Securities by the Designated Purchasers will occur no earlier than the closing of the Offering triggering the right being exercised by the Designated Purchaser. Each of the Company and the Designated Purchaser agrees to use its commercially reasonable efforts to secure any regulatory or stockholder approvals or other consents, and to comply with any law or regulation necessary in connection with the offer, sale and purchase of, such New Securities. No underwriting fees, sales commissions or similar fees or payments shall be made with respect to any securities acquired by a Designated Purchaser pursuant to this Section 4.9.

(d) Failure of Purchase. In the event the Designated Purchaser fails to exercise its rights provided in this Section 4.9 within said five (5) Business Day period or, if so exercised, the Designated Purchaser is unable to consummate such purchase within the time period specified in Section 4.9 above because of its failure to obtain any required regulatory or stockholder consent or approval, the Company shall thereafter be entitled (during the period of sixty (60) days following the conclusion of the applicable period) to sell or enter into an agreement (pursuant to which the sale of the New Securities covered thereby shall be consummated, if at all, within ninety (90) days from the date of said agreement) to sell the New Securities not elected to be purchased pursuant to this Section 4.9 by the Designated Purchaser or which the Designated Purchaser is unable to purchase because of such failure to obtain any such consent or approval, at a price and upon terms no more favorable in the aggregate to the purchasers of such securities than were specified in the Company's notice to the Designated Purchaser. Notwithstanding the foregoing, if such sale is subject to the receipt of any regulatory or stockholder approval or consent or the expiration of any waiting period, the time period during which such sale may be consummated shall be extended until the expiration of five (5) Business Days after all such approvals or consents have been obtained or waiting periods expired, but in no event shall such time period exceed one hundred eighty (180) days from the date of the applicable agreement with respect to such sale. In the event the Company has not sold the New Securities or entered into an agreement to sell the New Securities within said sixty (60)-day period (or sold and issued New Securities in accordance with the foregoing within ninety (90) days from the date of said agreement (as such period may be extended in the manner described above for a period not to exceed one hundred eight (180) days from the date of said agreement)), the Company shall not thereafter offer, issue or sell such New Securities without first offering such securities to the Designated Purchaser in the manner provided above.

(e) Non-Cash Consideration. In the case of the offering of securities for a consideration in whole or in part other than cash, including securities acquired in exchange therefor (other than securities by their terms so exchangeable), the consideration other than cash shall be deemed to be the fair value thereof as determined by the Board of Directors; *provided, however*, that such fair value as determined by the Board of Directors shall not exceed the aggregate market price of the securities being offered as of the date the Board of Directors authorizes the offering of such securities.

(f) Termination. A Designated Purchaser's rights hereunder shall expire on the one (1) year from the Closing Date.

(g) Cooperation. The Company and the Designated Purchaser shall cooperate in good faith to facilitate the exercise of the Designated Purchaser's rights under this Section 4.9, including to secure any required approvals or consents.

(h) No Assignment of Rights. The rights of a Designated Purchaser described herein shall be personal to the Designated Purchaser and the transfer, assignment and/or conveyance of said rights from Purchaser to any other person and/or entity is prohibited and shall be void and of no force or effect.

(i) Minimum Purchase. Notwithstanding anything contained herein to the contrary, the rights granted in this Section 4.9 shall only be granted by the Company to Designated Purchaser Groups that purchase, in the aggregate, a minimum of Seven Hundred Fifty Thousand (750,000) Shares pursuant to this Agreement (without giving effect to future purchases of New Securities hereunder).

No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right. No consideration shall be offered or paid to any Purchaser to amend or consent to a waiver or modification of any provision of any Transaction Document unless the same consideration is also offered to all Purchasers who then hold Shares.

6.5 Construction. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. This Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement or any of the Transaction Documents.

6.6 Successors and Assigns. The provisions of this Agreement shall inure to the benefit of and be binding upon the parties and their successors and permitted assigns. This Agreement, or any rights or obligations hereunder, may not be assigned by the Company without the prior written consent of the Purchasers. Any Purchaser may assign its rights hereunder in whole or in part to any Person to whom such Purchaser assigns or transfers any Shares in compliance with the Transaction Documents and applicable law, provided such transferee shall agree in writing to be bound, with respect to the transferred Shares, by the terms and conditions of this Agreement that apply to the "Purchasers".

6.7 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

6.8 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of

Each party hereto hereby irrevocably submits to the exclusive jurisdiction of any such New York court for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Proceeding, any claim that it is not personally subject to the jurisdiction of any such New York court, or that such Proceeding has been commenced in an improper or inconvenient forum. Each party hereto hereby irrevocably waives personal service of process and consents to process being served in any such Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.**

6.9 Survival. Subject to applicable statute of limitations, the representations, warranties, agreements and covenants contained herein shall survive the Closing and the delivery of the Shares for a period of six months following the Closing Date.

6.10 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

6.11 Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

6.12 Replacement of Shares. If any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company and the Transfer Agent of such loss, theft or destruction and the execution by the holder thereof of a customary lost certificate affidavit of that fact and an agreement to indemnify and hold harmless the Company and the Transfer Agent for any losses in connection therewith or, if required by the Transfer Agent, a bond in such form and amount as is required by the Transfer Agent. The applicants for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs associated with the issuance of such replacement Shares. If a replacement certificate or instrument evidencing any Shares is requested due to a mutilation

thereof, the Company may require delivery of such mutilated certificate or instrument as a condition precedent to any issuance of a replacement.

6.13 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of the Purchasers and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agree to waive in any action for specific performance of any such obligation (other than in connection with any action for a temporary restraining order) the defense that a remedy at law would be adequate.

6.14 Payment Set Aside. To the extent that the Company makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

6.15 Adjustments in Common Stock Numbers and Prices . In the event of any stock split, subdivision, dividend or distribution payable in shares of Common Stock (or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly shares of Common Stock), combination or other similar recapitalization or event occurring after the date hereof and prior to the Closing, each reference in any Transaction Document to a number of shares or a price per share shall be deemed to be amended to appropriately account for such event.

6.16 Independent Nature of Purchasers' Obligations and Rights. The obligations of each Purchaser under any Transaction Document are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser under any Transaction Document. The decision of each Purchaser to purchase Shares pursuant to the Transaction Documents has been made by such Purchaser independently of any other Purchaser and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company or any Subsidiary which may have been made or given by any other Purchaser or by any agent or employee of any other Purchaser, and no Purchaser and any of its agents or employees shall have any liability to any other Purchaser (or any other Person) relating to or arising from any such information, materials, statement or opinions. Nothing contained herein or in any Transaction Document, and no action taken by any Purchaser pursuant thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser acknowledges that no other Purchaser has acted as agent for such Purchaser in connection with making its investment hereunder and that no Purchaser will be acting as agent of such Purchaser in connection with monitoring its investment in the Shares or enforcing its rights under the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose. Each Purchaser has been represented by its

own separate legal counsel in its review and negotiation of the Transaction Documents. The Company has elected to provide all Purchasers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any Purchaser.

6.17 Termination. This Agreement may be terminated and the sale and purchase of the Shares abandoned at any time prior to the Closing by either the Company or any Purchaser (with respect to itself only) upon written notice to the other, if the Closing has not been consummated on or prior to 5:00 p.m., New York City time, on the Outside Date; *provided, however*, that the right to terminate this Agreement under this Section 6.17 shall not be available to any Person whose failure to comply with its obligations under this Agreement has been the cause of or resulted in the failure of the Closing to occur on or before such time. Nothing in this Section 6.17 shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or the other Transaction Documents or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement or the other Transaction Documents. In the event of a termination pursuant to this Section, the Company shall promptly notify all non-terminating Purchasers. Upon a termination in accordance with this Section, the Company and the terminating Purchaser(s) shall not have any further obligation or liability (including arising from such termination) to the other, and no Purchaser will have any liability to any other Purchaser under the Transaction Documents as a result therefrom.

6.18 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) the Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

IN WITNESS WHEREOF, the parties hereto have caused this Share Purchase Agreement to be duly executed by their respective authorized signatories as of the date first indicated above.

First Merchants Builds Tangible Common Equity, Receives Approval to Exchange TARP Securities with U.S. Treasury

First Merchants Corporation (NASDAQ: FRME) today announced that it has completed a registered direct private placement of common equity totaling 4.2 million shares raising \$24.1 million.

The equity offering is a continuation of the Corporation's capital plan as discussed in its 2009 quarterly conference calls. Management and the Board believe the actions completed under this plan will prove to be the least dilutive path to an improved capital mix.

The Corporation announced on form 8-K filed on March 25, 2010 that it received a response from the United States Department of the Treasury expressing its willingness to consent to management's proposed exchange of up to \$58 million of the company's cumulative perpetual preferred stock for trust preferred securities. Upon completion of the exchange with the Treasury, expected early in the second quarter of 2010, First Merchants anticipates recording a gain between \$10 million to \$14 million.

Mark K. Hardwick, Chief Financial Officer stated, "The successful addition of \$24.1 million of tangible common equity will serve as the catalyst necessary to close our Treasury exchange." Hardwick also added, "We are pleased to have worked directly with the participating investors and feel we have added several of the finest institutional bank stock investors to our shareholder base."

Michael C. Rechin, Chief Executive Officer stated, "While First Merchants has always maintained regulatory ratios in excess of "well capitalized" requirements, the combination of our current transactions provides us with the opportunity to further strengthen our capital. In addition, the transactions allow our management to remain solely focused on the fundamentals of our business, serving the communities in our franchise."

The Corporation's SEC counsel, Bingham McHale, LLP and a prominent investment bank, Sandler O'Neill & Partners, LP aided management by serving as legal and financial advisors, respectively on the completion of the transaction.
