Section 5.

Corporate Governance and Management

Item 5.02

Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At the 2007 Annual Meeting of Shareholders of Northeast Utilities (the Company) held on May 8, 2007, the Company's shareholders approved the Northeast Utilities Incentive Plan, as amended and restated (the Plan). The Plan was adopted by the Compensation Committee of the Company's Board of Trustees (the Board) on February 13, 2007, upon delegation of authority from the Board, subject to shareholder approval, and became effective upon such approval on May 8, 2007. As approved, the Plan replaces the former Northeast Utilities Incentive Plan and provides for the issuance of up to 4,500,000 shares of Northeast Utilities common shares over a ten-year period. The Plan has been designed to comply with the qualified performance-based compensation requirements under Internal Revenue Code (the Code) Section 162 (m). That Code section requires shareholder approval of performance measures used in incentive compensation plans so that Northeast Utilities can deduct for income tax purposes all performance-based compensation.

The material amendments to the former Northeast Utilities Incentive Plan include:

- elimination of the former plan's evergreen feature that allowed the number of shares available for equity grants each year to equal one percent of outstanding Northeast Utilities common shares as of the preceding December 31;
- elimination of the option repricing feature of the former plan. The amended plan will not permit option repricing without shareholder approval; and
- inclusion of minimum vesting rules. The amended plan provides for minimum vesting of three years for restricted shares and restricted share units and one year for options, except as determined by the Compensation Committee or the Board for non-employee Trustees, new hires, death, disability, retirement or change of control.

A more detailed description of the terms of the Plan can be found in the Company's definitive proxy statement for the 2007 Annual Meeting of Shareholders dated March 20, 2007 and filed with the Securities and Exchange Commission on March 26, 2007 (the Proxy Statement), in the section entitled Approval of the Amended Incentive Plan. The foregoing summary and the summary contained in the Proxy Statement are qualified in their entirety by the full text of the Plan, filed herewith as Exhibit 10.
