Report of Independent Registered Public Accounting Firm

SBC Communications Inc.,
Plan Administrator for SBC PAYSOP

We have audited the accompanying statements of net assets available for benefits of SBC PAYSOP as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2003. The preparation of these statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB), which are based on standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003 and 2002, and the changes in its net assets available for benefits for the year ended December 31, 2003, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedules of assets (held at end of year) as of December 31, 2003, and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements. This information is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. These supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements, and we believe they are fairly stated in all material respects in relation to the financial statements taken as a whole.

SBC PAYSOP

Notes to Financial Statements
December 31, 2003 and 2002
(Dollars in Thousands)

1. Plan Description

The SBC PAYSOP (the Plan) was established by SBC Communications Inc. (SBC) during 1983 as a result of the System Employee Stock Ownership Plan. The Plan was established to provide shares of SBC common stock to participating SBC companies.

The following description of the Plan provides only general information. The Plan text and prospectus contain the full text of Plan provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions for years prior to the 1987 plan year were in amounts equal to the credit claimed on the participant's income tax return pursuant to Section 41 of the Internal Revenue Code of 1954 (IRC). This credit was limited to the compensation paid or accrued for all participants during the plan year up to a maximum of \$100 per participant.

The Tax Reform Act of 1986 repealed the income tax credit on employee stock ownership plan contributions accrued after December 31, 1986. No contributions were made to the Plan beginning with the 1987 plan year. Participants in the Plan on December 31, 1986 are eligible for participation in the Plan and continue to maintain their balances in the Plan. Employees who did not have a balance in the Plan at that time are not eligible to participate.

Although it has not expressed any intent to do so, SBC has the right under the Plan to terminate the Plan at any time. In the event that the Plan is terminated, subject to the conditions set forth in the Plan, the net assets will be distributed to participants in amounts equal to their respective interests in the Plan.

Edgar Filing: SBC COMMUNICATIONS INC - Form 11-K

2. Summary of Significant Accounting Policies

The fair value of SBC common stock is determined on the basis of the closing price per share on the official close of the New York Stock Exchange. Temporary cash investments are valued at cost, which includes purchases and sales of securities are reflected as of the trade date. Dividend income is recognized on the accrual basis. Interest earned on investments is recognized on the accrual basis.

The Plan provides for investments in investment securities, which in general, are exposed to various market risks, including credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near future that may materially affect the amounts reported in the statements of net assets available for benefits and expenses.

Expenses incurred to administer the Plan are paid by SBC. A portion of these expenses, up to \$100,000 per year, is paid by the Plan to SBC.

The preparation of financial statements in conformity with accounting principles generally accepted requires management to make estimates that affect the amounts reported in the financial statements and actual results could differ from those estimates.

3. Allocations and Distributions to Participants

The Plan maintains an account for each participant. Distribution of the shares allocated to a participant is made to a participant after termination of employment but no later than April of the plan year following the participant's termination. If a participant attains age 70 1/2, or to a beneficiary as soon as practicable after the participant's death, or if an active employee beyond the year the participant turns age 70 1/2, the participant's account will be distributed no later than April of the following year. For each distribution, the participant or beneficiary receives the fair market value of the shares.

All quarterly dividends for a year earned on shares in participants' accounts are held in an interest-bearing account for participants on an annual basis in November of each year. Effective January 1, 2002, the Plan was amended to give participants the option to reinvest dividends on SBC common stock held in their accounts. Reinvested dividends are used to purchase additional shares of SBC common stock. Earnings attributable to dividends pending distribution which exceed administrative expenses are used to purchase additional shares of SBC common stock. These shares are proportionately allocated to each participant's account.

4. Tax Status

The Internal Revenue Service (IRS) issued a determination letter on March 26, 2004, stating that the Plan is a qualified plan designed in accordance with applicable sections of the IRC. The Plan has been amended since the determination letter. The Plan Administrator believes that the Plan is currently designed and is operating in compliance with the requirements of the IRC.

5. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2003	

Net assets available for benefits per the financial statements	\$ 82,431	\$
Less: Distributions payable to participants	(780)	

Net assets available for benefits per the Form 5500	\$ 81,651	\$
	=====	

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500:

Edgar Filing: SBC COMMUNICATIONS INC - Form 11-K

December 31, 2003:

Distributions to participants per the financial statements	\$
Add: distributions payable to participants at December 31, 2003	
Less: distributions payable to participants at December 31, 2002	-----
Distributions to participants per the Form 5500	\$ =====

Distributions payable to participants are recorded on the Form 5500 for benefit claims that have payment prior to December 31, but not yet paid as of that date.
