Keystone.

Pursuant to the terms of the agreement, Pocono shareholders may elect to receive either .8994 shares of First Keystone common stock or \$16.10 for each share of Pocono common stock. Shareholder elections will be subject to allocation procedures, which are intended to ensure that at a minimum 51% of the Pocono common stock will be converted into shares of First Keystone common stock and up to 49% (including cash to be paid for the value of outstanding warrants and options) of the Pocono common stock will be paid in cash. The total value of the merger is approximately \$33.6 million.

The transaction is subject to shareholder approval by Pocono shareholders, customary regulatory approvals and other conditions provided for in the Merger Agreement. Prior to the Pocono shareholders' meeting, First Keystone will file a registration statement with the Securities and Exchange Commission to register the shares to be issued in connection with the merger. The transaction is expected to close late third or early fourth quarter of 2007.

A copy of the Merger Agreement is attached hereto as Exhibit 2.1 and incorporated herein by reference.
