## SECTION 2 – FINANCIAL INFORMATION

### Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On September 15, 2010, FPL Group Capital Inc (FPL Group Capital), a wholly-owned subsidiary of NextEra Energy, Inc. (NextEra Energy), entered into an agreement to sell FPL Group Capital's 2.625% Guaranteed Senior Notes due September 30, 2030 in the aggregate principal amount of 10 billion Japanese Yen (Notes). Interest on the Notes is payable semiannually in arrears in Japanese Yen. The Notes are guaranteed by NextEra Energy. Upon its issuance of the Notes, which is expected to occur on September 30, 2010, FPL Group Capital will convert the 10 billion Japanese Yen purchase price into United States Dollars (approximately \$120 million). FPL Group Capital entered into a currency swap to hedge against currency movements with respect to both interest and principal payments on the Notes. The Notes contain default and related acceleration provisions relating to failure to make required payments and certain events in bankruptcy, insolvency or reorganization relating to FPL Group Capital or NextEra Energy, as well as failures by FPL Group Capital and/or NextEra Energy to comply with other covenants and provisions applicable to FPL Group Capital and/or NextEra Energy under the Notes. The proceeds from the Notes will be used by FPL Group Capital for general corporate purposes.

Each stock purchase contract will require the holder to purchase NextEra Energy common stock for cash, based on a price per share range of \$55.02 to \$68.78. Total annual distributions on the equity units will be at the rate of 7%, consisting of interest on the debentures and payments under the stock purchase contracts.
