Item 2.02 - Results of Operations and Financial Condition.

On July 22, 2013, Park National Corporation (“Park”) issued a news release (the “Financial Results News Release”) announcing financial results for the three and six months ended June 30, 2013. A copy of this Financial Results News Release is included as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

Park's management uses certain non-U.S. GAAP (U.S. generally accepted accounting principles) financial measures to evaluate Park's performance. Specifically, management reviews return on average tangible common equity, return on average tangible assets, tangible common equity to tangible assets and tangible common book value per common share. Management has included in the Financial Results News Release information relating to the return on average tangible common equity, return on average tangible assets, tangible common equity to tangible assets and tangible common book value per common share for the three and six month periods ended June 30, 2013 and 2012. For purposes of calculating the return on average tangible common equity, a non-U.S. GAAP financial measure, net income available to common shareholders for each period is divided by average tangible common equity during the period. Average tangible common equity equals average stockholders' equity during the applicable period less (i) average goodwill and other intangible assets during the applicable period and (ii) average preferred stock during the applicable period. For the purpose of calculating the return on average tangible assets, a non-U.S. GAAP financial measure, net income available to common shareholders for each period is divided by average tangible assets during the period. Average tangible assets equals average assets during the applicable period less average goodwill and other intangible assets during the applicable period. For the purpose of calculating tangible common equity to tangible assets, a non-U.S. GAAP financial measure, tangible common equity is divided by tangible assets. Tangible common equity equals stockholders' equity less preferred stock and goodwill and intangible assets, in each case at period end. Tangible assets equals total assets less goodwill and intangible assets, in each case at period end. For the purpose of calculating tangible common book value per common share, a non-U.S. GAAP financial measure, tangible common equity is divided by common shares outstanding at period end. Management believes that the disclosure of return on average tangible common equity, return on average tangible assets, tangible common equity to tangible assets and tangible common book value per common share presents additional information to the reader of the consolidated financial statements, which, when read in conjunction with the consolidated financial statements prepared in accordance with U.S. GAAP, assists in analyzing Park's operating performance and ensures comparability of operating performance from period to period while eliminating certain non-operational effects of acquisitions and, in the case of return on average common equity and tangible common book value per common share, the impact of preferred stock. In the Financial Results News Release, Park has provided a reconciliation of average tangible common equity to average stockholders' equity, average tangible assets to average assets, tangible common equity to stockholders' equity and tangible assets to total assets solely for the purpose of complying with SEC Regulation G and not as an indication that return on average tangible common equity, return on average tangible assets, tangible common equity to tangible assets and tangible common book value per common share are substitutes for return on average equity, return on average assets, common equity to assets and common book value per common share, respectively, as determined by U.S. GAAP.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On July 22, 2013, Park issued a news release (the “CEO Transition News Release”) announcing that C. Daniel DeLawder, the Chairman of the Board and Chief Executive Officer (the “CEO”) of each of Park and its wholly-owned subsidiary PNB, formally informed the Board of Directors of Park on July 22, 2013, of Mr. DeLawder's intent to retire from his positions as CEO of Park and PNB, effective January 1, 2014. Mr. DeLawder will continue to serve as the Chairman of the Board of each of Park and PNB and as a full-time executive employee of PNB following his retirement as CEO.

Also, on July 22, 2013, the Board of Directors of Park took action to name the current President of each of Park and PNB, David L. Trautman, as successor to Mr. DeLawder. Mr. Trautman will become CEO, as well as continuing to serve as President, of each of Park and PNB effective January 1, 2014. Mr. Trautman, who is 52, has served as President of each of Park and PNB since January 2005 and as Secretary of Park since July 2002. He also serves as a director of each of Park and PNB. Mr. Trautman served as Chairman of the Board from March 2001 to March 2006, a member of the Board of Directors from May 1997 to March 2006, and President and Chief Executive Officer from May 1997 to February 2002, of the First-Knox National Bank Division of PNB (which had been a separate national banking association subsidiary of Park known as The First-Knox National Bank of Mount Vernon prior to its merger with PNB effective September 5, 2008). Mr. Trautman served as Executive Vice President from February 2002 to December 2004 and Vice President from July 1993 to June 1997, of PNB. Mr. Trautman does not have any family relationship with any member of Park's Board of Directors or any of Park's executive officers. Mr. Trautman and members of his immediate family are customers of and have had banking relationships with PNB in the ordinary course of business and in compliance with applicable federal and state laws and regulations. In addition to being a shareholder of Park, Mr. Trautman holds a 10% Subordinated Note due December 23, 2019 issued by Park on December 23, 2009 in the original principal amount of \$200,000.

In addition, on July 22, 2013, the Board of Directors of Park took action to name Brady T. Burt as Secretary of Park effective January 1, 2014. Mr. Burt currently serves as Chief Financial Officer of Park and PNB and Treasurer of Park. He will continue to serve in those capacities going forward.

A copy of the CEO Transition News Release is included as Exhibit 99.2 to this Current Report on Form 8 K and incorporated herein by reference.

Item 7.01 - Regulation FD Disclosure

Projection of fiscal 2013 results

The information below begins with Park's projected consolidated pre-tax, pre-provision income and incorporates a projected range for provision for loan losses, income before income tax, income taxes and net income for Park on a consolidated basis in 2013.

(In thousands)	Original projection for 2013		50% of midpoint	Six months YTD 2013	Current projection for 2013	
Pre-tax, pre-provision income	\$113,000	\$131,000	\$61,000	\$55,600	\$108,000	\$114,000
Provision for loan losses	20,000	15,000	8,750	1,002	10,000	6,000
Income before income tax	\$93,000	\$116,000	\$52,250	\$54,598	\$98,000	\$108,000
Federal income taxes	23,250	30,160	13,353	13,854	24,300	27,600
Net income	\$69,750	\$85,840	\$38,897	\$40,744	\$73,700	\$80,400

The decline in pre-tax, pre-provision income (from management's original projection) results from the continued low interest rate environment, resulting in lower than previously projected net interest income. Conversely, management currently projects that the provision for loan losses will be lower than originally projected as a result of positive credit experience at both The Park National Bank ("PNB") and SE Property Holdings, LLC ("SEPH"). See detailed segment information below.

First half of 2013 - Financial Results by segment

The table below reflects the net income (loss) by segment for the first and second quarters of 2013, for the first half of 2013, for the first half of 2012 and results for each of the fiscal years ended December 31, 2012 and 2011. Park's segments include PNB, Guardian Financial Services Company ("GFSC"), SEPH and "All Other" which primarily consists of Park as the "Parent Company."

(In thousands)	Q2 2013	Q1 2013	Six months YTD 2013	Six months YTD 2012	2012	2011
PNB	\$20,322	\$19,940	\$40,262	\$45,044	\$87,106	\$106,851

Total Park	\$20,034	\$20,710	\$40,744	\$50,361	\$78,630	\$82,140

The "Park Parent Company" above excludes the results for SEPH, an entity which is winding down commensurate with the disposition of its problem assets. Management considers the "Ongoing operations" results to be reflective of the business of Park and its subsidiaries on a going forward basis. The discussion below provides some additional information regarding the segments that make up the "Ongoing operations", followed by additional information on SEPH.

Vision Bank ("Vision") merged with and into SEPH, a non-bank subsidiary of Park, following the sale of the Vision business to Centennial Bank ("Centennial") on February 16, 2012. The sale of the Vision business in the first quarter of 2012 resulted in a pre-tax gain of \$22.2 million (\$14.4 million after-tax), which is included in the six months year-to-date 2012 SEPH results presented in the table above. SEPH holds the remaining assets and liabilities retained

by Vision subsequent to the sale. SEPH assets consist primarily of performing and nonperforming loans and other real estate owned (“OREO”). This segment represents a run-off portfolio of the legacy Vision assets.

* Annualized for the six months ended June 30, 2013 and 2012.

Through the first six months of 2013, loan balances increased by \$72.4 million, or an annualized 3.34%. Loans outstanding at June 30, 2013 of \$4.44 billion represented an increase of \$160 million, or 3.74%, compared to the loans outstanding of \$4.28 billion at June 30, 2012. The \$160 million increase in loans experienced at PNB over the last twelve months is related to continued growth in PNB's retained mortgage loan portfolio of approximately \$58 million, growth in the consumer loan portfolio of approximately \$56 million and increases in the commercial loan portfolio of approximately \$46 million.

As noted above, PNB's allowance for loan losses has declined by \$437,000, or 0.8%, to \$52.7 million at June 30, 2013, compared to \$53.1 million at December 31, 2012. The small decline in PNB's allowance for loan losses is due to continued improvement in the credit metrics across the PNB loan portfolio. Refer to the "Credit Metrics and Provision for Loan Losses" section below for additional information regarding the improvements in the credit metrics of PNB's loan portfolio.

PNB's investment securities portfolio has declined by \$237.0 million, or 15.0%, over the course of the 2013 year, as PNB made a decision not to reinvest cash received from prepayments on certain of the investments in the securities portfolio. PNB's investment securities portfolio had a balance of \$1.34 billion at June 30, 2013, compared to \$1.58

billion and \$1.69 billion at December 31, 2012 and June 30, 2012, respectively. Rather than reinvesting these funds into investment securities with longer duration in the current low interest rate environment, PNB had \$235.0 million in federal funds sold at June 30, 2013, compared to \$36.9 million and \$74.0 million of federal funds sold at December 31, 2012 and June 30, 2012, respectively.

The net recoveries during the first half consisted of charge-offs of \$1.4 million offset by recoveries of \$6.1 million. Fee income in the first six months of 2013 at SEPH of \$1.5 million was primarily related to gains on the sale of OREO of \$1.3 million and OREO valuation adjustments of \$195,000.

On February 16, 2012, when Vision merged with and into SEPH, the loans then held by Vision were transferred to SEPH by operation of law at their fair market value and no allowance for loan loss is carried at SEPH. Credit Metrics and Provision for (Recovery of) Loan Losses

The provision for loan losses for the first half of 2013 was \$1.0 million, compared to \$13.6 million for the same period in 2012. The table below shows a breakdown of the loan loss provision by reportable segment:

(In thousands)	Q2 2013	Q1 2013	Six months YTD 2013	Six months YTD 2012
PNB	\$2,122	\$3,130	\$5,252	\$8,428
GFSC	210	210	420	450
Park Parent	—	—	—	—
Total Ongoing Operations	\$2,332	\$3,340	\$5,672	\$8,878
Vision Bank	—	—	—	1,180
SEPH	(1,659)	(3,011)	(4,670)	(3,518)
Total Park	\$673	\$329	\$1,002	\$13,576

As previously discussed, SEPH had net recoveries of \$4.7 million during the first half of 2013, resulting in the recovery of loan losses. Provision for loan losses for Park's Ohio operations (PNB and GFSC) decreased by \$3.2 million, or 36%, when comparing the first six months of 2013 with the same period in 2012. This decline is largely due to continued improvement in credit metrics for PNB and GFSC. The following table shows the trends in the Park Ohio commercial loan portfolio.

Commercial loans * (In thousands)	June 30, 2013	December 31, 2012	December 31, 2011
Pass rated	\$2,248,378	\$2,225,702	\$2,131,007
Special Mention	44,333	49,275	66,254
Substandard	13,203	16,843	29,604
Impaired	84,531	89,365	95,109
Total	\$2,390,445	\$2,381,185	\$2,321,974

* Commercial loans include: (1) Commercial, financial and agricultural loans, (2) Commercial real estate loans, (3) Commercial related loans in the construction real estate portfolio and (4) Commercial related loans in the residential real estate portfolio.

The commercial loan table above demonstrates the improvement experienced over the last 18 months in the Park Ohio commercial portfolio. Pass rated commercial loans have grown \$117.4 million, or 5.5% since December 2011. Over this period, special mention loans have declined by \$21.9 million, or 33.1% and substandard loans have declined by \$16.4 million, or 55.4%. These improved credit metrics in the special mention and substandard categories of the commercial loan portfolio have a significant impact on the general reserves that are established to cover incurred losses on performing commercial loans. As these credit metrics have improved over the past 18 months, general reserves have declined.

Delinquent and accruing loan trends (includes all outstanding loans, consumer and commercial) for Park's Ohio-based operations have also improved over the past 18 months. Delinquent and accruing loans were \$29.2 million or 0.65% of total loans at June 30, 2013, compared to \$39.6 million (0.90%) at December 31, 2012 and \$40.1 million (0.96%) at December 31, 2011.

Impaired commercial loans for Park's Ohio-based operations were \$84.5 million as of June 30, 2013, a reduction from the balances of impaired loans of \$89.4 million at December 31, 2012 and \$95.1 million at December 31, 2011. Impaired commercial loans are individually evaluated for impairment and specific reserves are established to cover incurred losses.
