### Item. 8.01 Other Events.

On January 6, 2006, BNP Residential Properties, Inc. issued a press release announcing and describing refinance transactions for five property-based loans. A copy of this press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

During the last week in December 2005, the Company completed refinance transactions for five property-based first deed of trust loans in which the Company prepaid five loans totaling \$47.8 million. Each of these loans carried an interest rate of 6.97% and was set to mature in December 2007. The loans were replaced by five new loans totaling \$73.8 million. Two of the new loans (totaling \$26.0) have a fixed interest rate of 5.58%, require interest-only payments for a period of six years with thirty-year amortization thereafter and mature in January 2016. Three of the new loans (totaling \$47.8) have a fixed interest rate of 5.497%, require interest-only payments for a period of seven years with thirty-year amortization thereafter and mature in January 2016. Each of the new loans, representing separate transactions, is secured by an individual apartment property. As a result of the transactions the operating partnership will incur an aggregate one-time charge of approximately \$1.7 million in the fourth quarter of 2005. The Company realized net proceeds of approximately \$23.9 million from the refinancing transactions. Of this amount, the Company used approximately \$22.3 million to pay-down its operating lines of credit. The balance of approximately \$1.6 million was used for other corporate purposes.
