Item 4.01. Changes in Registrant's Certifying Accountant.

(a) Dismissal of Independent Registered Public Accounting Firm

On March 20, 2014, ION Geophysical Corporation (the "Company") dismissed Ernst & Young LLP ("E&Y") as the Company's independent registered public accounting firm for the year ended December 31, 2014. The decision was recommended and approved by the Audit Committee of the Board of Directors of the Company (the "Audit Committee").

The reports of E&Y on the Company's financial statements for the years ended December 31, 2012 and 2013 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. The report of E&Y on the effectiveness of the Company's internal control over financial reporting for the year ended December 31, 2013, which was included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, was not qualified and did not contain an adverse opinion thereon.

During the years ended December 31, 2012 and 2013 and through March 20, 2014, there were no disagreements as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference thereto in its reports on the Company's financial statements for such years.

During the years ended December 31, 2012 and 2013 and through March 20, 2014, there were no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K, except the Company reported a material weakness in its internal control over financial reporting as of March 31, 2013, June 30, 2013 and September 30, 2013, in Item 4 of the Company's Quarterly Reports on Form 10-Q/A for the three months ended March 31, 2013 and the six months ended June 30, 2013, and in the Company's Quarterly Report on Form 10-Q for the nine months ended September 30, 2013. The material weakness related to the incorrect presentation of the investments in the Company's SPANs in the Company's condensed consolidated statements of cash flows for the three months ended March 31, 2013 and the six months ended June 30, 2013. The material weakness was reported as remediated as of December 31, 2013, in the Company's Annual Report on Form 10-K for the year ended December 31, 2013.

The Audit Committee has discussed the above reportable event with E&Y. The Company has authorized E&Y to respond fully to any inquiries of the Company's successor independent registered public accounting firm concerning the subject matter of each of the above reportable event.

The Company has provided E&Y with a copy of the disclosures it is making in this Form 8-K in response to Item 304(a) of Regulation S-K, and requested E&Y to furnish a letter addressed to the SEC stating whether or not E&Y agrees with the statements made above. A

copy of E&Y's letter dated March 20, 2014 is attached as Exhibit 16.1 to this Current Report on Form 8-K.

(b) Engagement of Independent Registered Public Accounting Firm

On March 19, 2014, the Company engaged Grant Thornton LLP ("Grant Thornton") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014. During the years ended December 31, 2012 and 2013 and through March 19, 2014, the Company has not consulted with Grant Thornton regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that Grant Thornton concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to that Item) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

In deciding to engage Grant Thornton, the Audit Committee reviewed auditor independence issues and existing commercial relationships with Grant Thornton and concluded that Grant Thornton has no commercial relationship with the Company that would impair its independence.
