Item 1.01. Entry into a Material Definitive Agreement.

On October 4, 2016 (the “Effective Date”), Stratus Properties Inc.’s (“Stratus”) wholly owned subsidiary Stratus Lakeway Center, LLC (“Seller”) entered into an agreement of sale and purchase (the “Purchase Agreement”) with TA Realty, LLC, a Massachusetts limited liability company (“Purchaser”), pursuant to which Seller has agreed to sell The Oaks at Lakeway to Purchaser for \$114.0 million in cash, subject to adjustment as set forth in the Purchase Agreement.

The Oaks at Lakeway is a HEB Grocery Company, L.P. (“HEB”)-anchored retail project planned for 236,739 square feet of commercial space and is located in Lakeway, Texas in the Lake Travis community. The project, the tracts for which were acquired by Stratus between May 2013 and September 2014, is 100% owned by Seller. The sale does not include approximately 34.7 acres of undeveloped property in the back portion of the development, which is zoned for residential, hotel, and civic uses.

Stratus expects net cash proceeds at closing to approximate \$50 million, after payment of estimated transaction expenses, a net profits participation payment due to HEB, and payoff of the projected balance of the Lakeway construction loan. Stratus expects to use these projected net cash proceeds to pay indebtedness outstanding under its revolving line of credit and its term loan with Diversified Real Asset Income Fund (“DRAIF”), which would result in Stratus having substantially no debt outstanding except for other project-specific debt.

Stratus has agreed to guarantee the obligations of Seller under the Purchase Agreement, up to a liability cap of two percent of the purchase price. This cap does not apply to Stratus’ obligation to satisfy Seller’s indemnity obligations for Seller’s broker commissions or similar compensation or Stratus’ liability in guaranteeing Seller’s obligations under master leases to be entered into with Purchaser at closing, which are described below.

The transaction is expected to close on December 15, 2016, subject to the satisfaction or waiver of closing conditions. The Purchase Agreement is subject to a 45-day inspection period during which Purchaser can terminate the Purchase Agreement in its sole discretion, and is conditioned on HEB agreeing to a specified amendment to its lease, which HEB may grant in its sole discretion. The Purchase Agreement also contains representations, warranties, covenants, closing conditions, and termination provisions customary for transactions of this type.

Additionally, as a condition to closing, Seller is required to enter into three master lease agreements with Purchaser: (1) one covering unleased in-line retail space, with a five-year term, (2) one covering four unleased pad sites, three of which have 10-year terms, and one of which has a 15-year term, and (3) one covering the hotel pad with a 99-year term. The hotel pad is currently leased and the master hotel lease will become effective only if the current hotel lessee defaults prior to completion of the hotel. As specified conditions are met, primarily consisting of the tenant executing a lease, commencing payment of rent and taking occupancy, leases will be assigned to Purchaser and the corresponding property will be removed from the master lease, reducing Seller’s master lease payment obligation. Stratus projects that, as of the closing, its master lease payment obligation will approximate \$132,445 per month and will decline over time until leasing is complete and all leases are assigned to Purchaser, which is projected to occur by December 2018. To secure its obligations under the master leases, Stratus is required to provide a \$1.5 million irrevocable letter of credit with a three-year term.

With respect to the master leases, if Stratus is not successful in leasing unleased space as projected, or tenants currently paying rent default prior to their leases being assigned to Purchaser, Seller would be responsible for the attributable lease payments to Purchaser through the earlier of (1) the time alternative lease arrangements can be made and the lease is assigned to Purchaser and (2) the end of the term of the applicable master lease.

In the event of a default by Purchaser after the 45-day inspection period, earnest money of \$5.0 million would be delivered to Seller as liquidated damages in full satisfaction of Seller's claims against Purchaser for the default.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, which will be filed in accordance with the rules of the Securities and Exchange Commission.
