On August 15, 2002, Accrue Software, Inc. announced that it received a letter from the Nasdaq staff on August 14, 2002 stating that the Company has failed to comply with the \$1.00 minimum bid price required for continued listing of its common stock on the Nasdaq SmallCap Market, as required by Nasdaq Marketplace Rule 4450(a), and as a result the common stock is subject to delisting. The Company intends to request a hearing before a Nasdaq Listing Qualifications Panel to review the staff determination. Although there can be no assurance that the Panel will grant the request for continued listing by the Company, the hearing request will stay the delisting of the Company's common stock pending the Panel's decision. A copy of the press release of the Company is attached hereto as Exhibit 99.1 and incorporated herein by reference.
