This Amendment No. 1 (the “Amendment”) amends the Schedule 13D (the “Original 13D”) filed with the Securities and Exchange Commission (“SEC”) on February 18, 2011. Unless otherwise stated herein, the Original 13D remains in full force and effect. Terms used herein and not defined herein shall have the meanings ascribed thereto in the Original 13D.

Item 2. Identity and Background

Item 2 of the Schedule 13D is hereby amended, restated and replaced in its entirety by the following:

(a) — (c) This Statement is being filed by Cassa depositi e prestiti S.p.A. (the “Reporting Person” or “CDP”) pursuant to Rule 13d-1 under the Securities and Exchange Act of 1934, as amended.

CDP is a corporation (società per azioni) organized under the laws of the Republic of Italy. The principal business of CDP is to finance public investments, specifically infrastructure and other major public works sponsored by the Republic of Italy, regions, local authorities, public agencies and other public bodies, and to promote initiatives in support of the Italian economy generally, pursuant to specific Italian laws by using funds collected from third parties. CDP’s principal place of business and principal office is located at Via Goito, 4, 00185 Rome, Italy.

The Republic of Italy (acting through the Ministry of Economy and Finance (the “MEF”)) owns 70.0% of the shares of CDP and therefore controls the Reporting Person. By virtue of a special provision of Law Decree No. 269 of September 30, 2003 (as subsequently amended), the MEF will always be able to exercise its control over CDP.

To the best of CDP’s knowledge as of the date hereof, set forth in Schedule I to this Amendment and incorporated herein by reference is the following information with respect to each director and executive officer of CDP:

- (i) name;
- (ii) business address;
- (iii) present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted; and
- (iv) citizenship.

(d) During the last five years, neither CDP nor, to the best of its knowledge, the MEF or any of the persons listed on Schedule I hereto has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, neither CDP nor, to the best of its knowledge, the MEF or any of the persons listed on Schedule I hereto has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) See Schedule I to this Amendment which is incorporated herein by reference.

Item 4. Purpose of Transaction

Item 4 of the Schedule 13D is hereby amended, restated and replaced in its entirety by the following:

The information set forth in Item 3 of the Schedule 13D is incorporated by reference into this Item 4.

The share exchange between the MEF and CDP pursuant to the November Decree, as described in Item 3, was intended to allow CDP to transfer its shareholding in ENEL, in compliance with Direction of the Italian Antitrust Authority No. 14542 of August 5, 2005, which had authorized the acquisition by CDP of an Italian corporation named Terna S.p.A. subject to the transfer of its shareholding in ENEL.

---

Pursuant to Law Decree No. 269 of September 30, 2003 and to Decree of the MEF No. 59627 of June 18, 2004, CDP must coordinate in advance with the MEF regarding each managerial decision relating to the Issuer and must consult and comply with the MEF's instructions regarding all managerial operations of the Issuer.

The sale by CDP of 61,744,750 Ordinary Shares pursuant to the Market Transactions, as defined and further described in Item 5(c) of this Amendment, was carried out for the purpose of funding CDP's acquisition of 30% less one share of the outstanding shares of Snam S.p.A pursuant to an agreement between the Issuer and CDP, which was entered into on June 15, 2012. CDP intends to fund such acquisition in part through the proceeds of the sale of Ordinary Shares held by it, which, together with the Ordinary Shares held by the MEF, exceed 30% plus one Ordinary Share of the share capital of the Issuer. The total number of Ordinary Shares to be sold by CDP, including Ordinary Shares sold as of the date hereof as described further in Item 5(c) of this Amendment, represent approximately 3.3% of the Issuer's share capital. Accordingly, CDP intends to sell Ordinary Shares representing a further 1.6% of the Issuer's share capital at the time and in the manner that it will deem appropriate.

Except as described herein, neither the Reporting Person nor, to the best of its knowledge, the MEF or any of the persons listed on Schedule I hereto has present plans or proposals that relate to or would result in any of the events, actions or conditions specified in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D under Rule 13d-1(a).

Item 5. Interest in Securities of the Issuer

Item 5 of the Schedule 13D is hereby amended, restated and replaced in its entirety by the following:

(a) The responses of the Reporting Person with respect to Rows 11, 12 and 13 of the cover page of this Schedule 13D that relate to the aggregate number and percentage of Ordinary Shares of the Issuer beneficially owned are incorporated herein by reference. Because (i) the MEF controls CDP, as described in Item 2 to this Statement, and (ii) CDP must consult and comply with the MEF's instructions regarding the Issuer's managerial operations, the MEF may be deemed to beneficially own Ordinary Shares of the Issuer owned by CDP.

Mr. Franco Bassanini, the Chairman of CDP's Board of Directors, beneficially owns 4,825 Ordinary Shares, representing less than 0.1% of the Issuer's capital stock.

Mr. Cristian Chizzoli, a director of CDP, beneficially owns 61 Ordinary Shares, representing less than 0.1% of the Issuer's capital stock.

The MEF holds 157,552,137 Ordinary Shares, representing 4.3% of the Issuer's capital stock.

In accordance with Italian law and the Issuer's bylaws, no person may own more than 3% of the Ordinary Shares. Any shareholdings in excess of this limit results in a ban on exercising voting and other rights, except for the right to participate in profits, relative to any shareholding that exceeds the limit. However, the Ordinary Shares owned by the MEF and public bodies or organizations controlled by the MEF are exempt from this ban. This rule provides that the clause regarding shareholding limits will lose effect if the limit is exceeded as a result of a take-over bid, provided that, as a result of the takeover, the bidder will own a shareholding of at least 75% of the share capital with the right to vote on resolutions concerning the appointment or dismissal of Directors.

Pursuant to Article 6.2 of the bylaws of the Issuer and to the special rules set out in Law No. 474/1994, the MEF, in agreement with the Ministry of Economic Development, holds special powers that can be exercised in accordance with the criteria set out in the Prime Ministerial Decree of June 10, 2004. The special powers are as follows:

- (i) objection to the purchase, by parties who are subject to the shareholding limit, of shareholdings that represent at least 3% of the share capital consisting of shares with the right to vote in ordinary shareholders' meetings, where there is a prejudicial effect caused by the transaction to the vital interests of the State. In the event of a failure to comply with directions to assign these shares, the Regional Administrative Court of Lazio, at the request of the MEF, will order the sale of the shares representing the significant shareholding;
- (ii) objection to the signing of certain finance agreements in the event that at least 3% of the share capital consisting of shares with the right to vote in ordinary shareholders' meetings is represented in the agreements;
- (iii) appointment of a Director with no right to vote in Board meetings; and

(iv) vetoing, if duly justified by an actual prejudicial effect to the vital interests of the State, of resolutions to dissolve the Company, transfer the company, merge, demerge, transfer the registered office overseas, change the company purpose, amend the bylaws in a way that withdraws or modifies the powers detailed above.

Decisions to exercise the powers detailed in items (i), (ii) and (iv) above may be challenged within sixty days, by the parties entitled to do so, before the Regional Administrative Court of Lazio.

With respect to all other persons referenced in Item 2 above, to the best of CDP's knowledge, as of the date hereof, no such person beneficially owns Ordinary Shares of the Issuer.

(b) The responses of the Reporting Person with respect to Rows 7, 8, 9 and 10 of the cover page of this Schedule 13D that relate to the number of shares which CDP has sole power to vote or to direct the vote, shared power to vote or to direct the vote and sole or shared power to dispose or to direct the disposition are incorporated herein by reference.

The MEF has the sole power to vote and to dispose of the Ordinary Shares it holds directly.

To the best of CDP's knowledge, each of Franco Bassanini and Cristian Chizzoli has the sole power to vote or to direct the vote and to dispose of all of the Ordinary Shares beneficially owned by him.

(c) In the period from August 7, 2012 to September 13, 2012, CDP sold a total of 61,744,750 Ordinary Shares through open market transactions on the Mercato Telematico Azionario ("MTA"), the automated screen-based trading system managed by Borsa Italiana S.p.A., the Italian stock exchange (the "Market Transactions") through JP Morgan Securities Plc ("JP Morgan") as broker, as set forth in Exhibit 99.1 hereto. Market Transactions in the period from August 7, 2012 to September 4, 2012 were carried out based on daily sale orders given by CDP to JP Morgan. Market Transactions in the period from September 5, 2012 to September 13, 2012 were carried out by JP Morgan on behalf of CDP pursuant to the arrangement described in Item 6 of this Amendment. Ordinary Shares sold in the Market Transactions together represent in aggregate approximately 1.7% of the Issuer's share capital. Except for the Market Transactions, during the past 60 days there have been no other transactions in the securities of the Issuer effected by CDP or, to the best of CDP's knowledge, the persons or entities referenced in Item 2 above.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of Issuer

Item 6 of the Schedule 13D is hereby amended, restated and replaced in its entirety by the following:

The information set forth in Item 3 of the Schedule 13D and Items 2, 4 and 5 of this Amendment is incorporated by reference into this Item 6.

On September 4, 2012, CDP and JP Morgan entered into an oral arrangement whereby CDP issued, and JP Morgan accepted, a sale order pursuant to which JP Morgan agreed to endeavor to sell up to 30,000,000 Ordinary Shares between September 5, 2012 and September 13, 2012 (inclusive) through open market transactions on the MTA within certain pre-defined volume and price limits. Except as described herein, neither the Reporting Person nor, to the knowledge of the Reporting Person, the MEF or any of the persons listed on Schedule I has any contracts, arrangements, understandings or relationships (legal or otherwise) with any persons with respect to any securities of the Issuer, including, but not limited to, transfers or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.

Item 7. Material to be Filed as Exhibits

Item 7 of the Schedule 13D is hereby amended, restated and replaced in its entirety by the following:
