USE OF PROCEEDS

All of the shares of common stock to which this prospectus relates may be sold by the selling stockholder. The selling stockholder will receive the proceeds from the resale of the shares of common stock. We will not receive any proceeds from the resale of the shares of common stock by the selling stockholder.

SELLING STOCKHOLDER

This prospectus relates to the resale of our common stock by the selling stockholder, Delv, L.P., a Delaware limited partnership. Of the shares now held by the selling stockholder, 500,000 shares were initially acquired by our Chairman, Jack Farber, either in connection with the merger of Philadelphia Industries, Inc. (PII) into our company in 1993 or in connection with a 2-for-1 stock split in the form of a stock dividend later in 1993. Mr. Farber contributed the 500,000 shares to the selling stockholder in 1997. In July 2003, Mr. Farber sold the limited partnership interests in the selling stockholder, constituting 99.9 percent of its outstanding limited partnership interests, to the 2003 Farber Family Trust, of which his daughter, Ellen B. Farber (formerly known as Ellen B. Kurtzman), is the sole trustee. In addition, Mr. Farber sold all of the outstanding shares of stock of Delv, Inc., the general partner of the selling stockholder (the General Partner), in equal share amounts to each of the Trust FBO Ellen B. Farber under the 2002 Farber Children s Trusts dated December 12, 2002 (the Ellen Farber Trust) and the Trust FBO David M. Farber under the 2002 Farber Children s Trusts dated December 12, 2002 (collectively with the Ellen Farber Trust, the Children s Trusts). The General Partner owns a 0.1 percent limited partnership interest in the selling stockholder. Ms. Farber is the sole trustee of each of the trusts identified above, and is the President, Secretary and Treasurer of the General Partner. As a result of a 3-for-2 stock split in the form of a stock dividend we paid to our stockholders in July 2003, the selling stockholder holds 750,000 shares of our common stock.

Under the terms of a Registration Rights Grant that we provided to former holders of PII shares, including Mr. Farber, his heirs and certain related entities, we will pay all expenses of the registration of the common stock held by the selling stockholder, except that the selling stockholder will pay all underwriting discounts and commissions. Our expenses for registration of the shares of common stock are estimated to be \$24,152.

The table below sets forth certain information known to us, based upon information provided by the selling stockholder, with respect to the beneficial ownership of our shares of common stock held by the selling stockholder as of December 5, 2008. Because the selling stockholder may sell, transfer or otherwise dispose of all, some or none of the shares of our common stock covered by this prospectus, we cannot determine the number of such shares that will be sold, or the amount or percentage of shares of our common stock that will be held by the selling stockholder upon termination of any particular offering. See Plan of Distribution. For the purposes of the table below, we assume that the selling stockholder will sell all of its shares of common stock covered by this prospectus. The shares may be sold by the selling stockholder or its donees, pledgees, assignees and other successors-in-interest.

Name of Selling Stockholder	Number of Shares Beneficially Owned ⁽¹⁾	Percent of Shares Outstanding ⁽²⁾	Maximum Number of Shares Being Offered	Beneficial Ownership After Resale of Shares	
				Number of Shares	Percent
Delv, L.P. ⁽³⁾	750,000	7.7%	750,000	0	0

(1) Beneficial ownership is determined in accordance with SEC regulations. Therefore, the table lists all shares as to which a person listed has or shares voting power or investment power.

(2) This percentage is calculated based upon a total of 9,686,084 shares of our common stock outstanding at November 30, 2008.

(3) Ellen B. Farber exercises voting and investment power through the General Partner, which has the sole voting and investment power with regard to shares of common

stock owned by the selling stockholder.

One-half of the outstanding common stock of the General Partner is held by each of the Children's Trusts, for which Ellen B. Farber serves as sole trustee. As a result, the Children's Trusts may be deemed to have shared voting and investment power with regard to the shares held by the selling stockholder.

Ms. Farber also is the sole director of the General Partner and serves as the President, Secretary and Treasurer of the General Partner. In that capacity, Ms. Farber has the power to act on behalf of the General Partner to vote and dispose of shares held by the selling stockholder.

Ms. Farber may be deemed to be the beneficial owner of 1,098,233 shares of our common stock,

including the shares held by the selling stockholder. Of the remaining shares, Ms. Farber owns 83,667 shares directly and may be deemed to beneficially own the following: 66,457 shares held by BLK Investments L.P., of which the sole General Partner is the Ellen Farber Trust, of which Ms. Farber is the sole trustee; 66,732 shares held by Oliver Ernest LP (OELP); and 131,377 shares held by the Farber Family Foundation, Inc., a charitable foundation, the members, officers and directors of which are Ms. Farber, her mother, her father and her brother. Ms. Farber has sole voting and investment power over the shares owned by the Farber Family Foundation, Inc. As a matter of policy, the

Farber Family Foundation, Inc. will not vote the shares of common stock that it owns.

With regard to the shares held by OELP,

Ms. Farber has voting and investment power over these shares in her capacity as manager of a limited liability company that serves as the general partner of OELP.

Ms. Farber disclaims beneficial ownership of all shares held by the selling stockholder, the Farber Family Foundation, Inc., OELP and the aforementioned trusts to the extent that she does not have a pecuniary interest in them.

Ms. Farber has a business address at 801 Cassatt Road, Suite 111, Berwyn, PA 19312.

PLAN OF DISTRIBUTION

The shares of common stock listed in the table appearing in the Selling Stockholder section of this prospectus are being registered to permit public secondary trading of these shares by the holder of such shares from time to time after the date of this prospectus. This does not mean, however, that those shares of common stock necessarily will be offered or sold.

The selling stockholder and any of its donees, pledgees, assignees and successors-in-interest may, from time to time, sell any or all of its respective shares of common stock on any stock exchange, market or trading facility on

which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling stockholder may use any one or more of the following methods when selling shares:

6

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;

broker-dealers may agree with the selling stockholder to sell a specified number of such shares at a stipulated price per share;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law.

The selling stockholder may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholder may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholder (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholder does not expect these commissions and discounts to exceed what is customary in the types of transactions involved.

In connection with the sale of the common stock or interests therein, the selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholder also may sell shares of the common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholder also may enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities that require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholder may from time to time pledge or grant a security interest in some or all the shares of common stock it owns and, if it defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors-in-interest as selling stockholders under this prospectus.

The selling stockholder and any broker-dealers or agents that are involved in selling the shares of common stock may be deemed to be underwriters, within the meaning of the Securities Act, in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares of common stock purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

The selling stockholder has advised us that it has not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the distribution of its shares of common stock, nor is there an underwriter or coordinating broker acting in connection with a proposed sale of shares of common stock by the selling stockholder. If we are notified by the selling stockholder that any material arrangement has been entered into with an underwriter or a broker-dealer for the sale of shares of common stock, if required, we will file a supplement to this prospectus. If the selling stockholder uses this prospectus for any sale of the shares of common stock, it will be subject to the prospectus delivery requirements of the Securities Act, including Rule 172 thereunder.

The selling stockholder and any other person participating in such distribution will be subject to applicable provisions of the Securities Exchange Act, and the rules and regulations thereunder, including, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the shares of common stock by the selling stockholder and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares of common stock to engage in market-making activities with respect to the shares of common stock.

In order to comply with the securities laws of some states, if applicable, the shares of common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers.

We are required to pay certain fees and expenses incurred by us incident to the registration of the shares. We have agreed to indemnify the selling stockholder against certain losses, claims, damages, and liabilities, including liabilities under the Securities Act.

LEGAL MATTERS

The validity of the shares of common stock that may be offered by this prospectus will be passed upon for us by Morgan, Lewis & Bockius LLP, Philadelphia, Pennsylvania.
