## **LEAP ACQUISITION BY AT&T**

### **SUMMARY OF IMPACT TO LONG-TERM INCENTIVE AWARDS**

The following is a summary of the impact of the merger with AT&T (the "Transaction") on certain long-term incentive awards issued by Leap prior to July 12, 2013.

**Fully-Vested Shares of Leap Stock** At the closing of the Transaction, each fully vested share of Leap stock held by an employee (whether received in connection with a prior option exercise, vesting of restricted stock, settlement of stock units etc.) will be cancelled and the holder will be entitled to receive (A) \$15 in cash and (B) one non-transferable contingent value right ("CVR").

Each CVR will entitle the holder to a pro rata share of the net proceeds resulting from the future sale of the 700MHz License as described in the Company's preliminary proxy statement filed with the Securities and Exchange Commission on July 30, 2013.

**Unexercised Stock Options** Employees will continue to vest in their stock option awards on their current vesting schedule until the closing of the Transaction.

At the closing of the Transaction, each unexercised option (whether vested or unvested) with an exercise price of \$15 per share or less will be cancelled and the holder will be entitled to receive a cash payment equal to the excess of \$15 over the applicable per share exercise price (less applicable withholdings) plus one CVR.

Holders of unexercised options (whether vested or unvested) with an exercise price greater than \$15 per share will have the opportunity to exercise such options during a period of time prior to the closing of the Transaction, and subject to the closing the Transaction. Holders who choose to exercise such options will pay the difference between the per share exercise price and \$15, which will entitle them to receive one CVR per share underlying such exercised options. Any such options not exercised prior to closing will be cancelled for no consideration.

**Unvested Restricted Stock Awards** Employees will continue to vest in their restricted stock awards on their current vesting schedule until the closing of the Transaction.

At the closing of the Transaction, each share of restricted stock will be cancelled and the holder will be entitled to receive \$15 per share in cash (less applicable withholdings) plus one CVR.

<b>Unvested Restricted Stock Units</b>	Employees will continue to vest in their restricted stock units, deferred stock units and deferred cash units on their current vesting schedule until the closing of the Transaction.
<b>Unvested Deferred Stock Units</b>	At the closing of the Transaction, each unit with a value that is determined on the price of a share of Leap stock will be cancelled and the holder thereof will be entitled to receive \$15 per unit (less applicable withholdings) plus one CVR. With respect to each such outstanding unit that is subject to performance conditions at the closing of the Transaction, any share price gating condition (if applicable) shall be deemed met and any performance goals will be deemed met at the target level of performance.
<b>Unvested Deferred Cash Units</b> (with a value that is determined based on the price of a share of Leap stock)	Employees will continue to vest in their performance-based cash awards on their current vesting schedule, with the amount of the awards determined based upon Leap's performance against certain operational and financial objectives for 2013 and 2014.
<b>Unvested Performance-Based Cash Award</b> (with a value that is not determined based on the price of a share of Leap stock)	At the closing of Transaction, the performance-based cash awards with values that are not determined based on the price of a share of Leap stock will remain outstanding, but any share price gating condition (to the extent applicable) shall be deemed met and any performance goals will be deemed met at the target level of performance. Performance-based cash awards will pay out (less applicable withholdings) on the normal schedules provided an employee remains employed in good standing on those dates; <u>however</u> , such awards would immediately vest and be paid (less applicable withholdings) to an employee who was terminated without "cause", or who resigned for "good reason", within 90 days prior to or 12 months following the closing of the Transaction.

---

Holders of the awards described above should refer to the definitive agreements for their awards for more information. To the extent there is any inconsistency between the summary provided above and the definitive agreements, the definitive agreements (as modified by the merger agreement) will govern.
