99.1	Press Release dated June 21, 2001.

ITEM 9. REGULATION FD DISCLOSURE.

In its press release on June 21, 2001, Dynegy also reaffirmed its belief in the Company's ability to meet or exceed its 2001 earnings per share estimate of \$1.93 to \$1.98 and confirmed it expected to achieve a 2002 growth rate of at least 20 to 25 percent. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

The Company also stated that it believed that the Federal Energy Regulatory Commission's order to extend its spot market price mitigation plan to the 11-state western region is not expected to adversely impact the Company's earnings or strategy. Dynegy has committed virtually all of its capacity to the state through a long-term power contract between Dynegy and NRG Energy's affiliates, El Segundo Power LLC, Long Beach Generation LLC and Cabrillo I LLC, and the California Department of Water Resources.

UNCERTAINTY REGARDING FORWARD-LOOKING STATEMENTS

Certain statements included in this Current Report on Form 8-K are intended as "forward-looking statements" under the Private Securities Litigation Reform Act of 1995. These statements include assumptions, expectations, predictions, intentions or beliefs about future events. Dynegy cautions that actual future results may vary materially from those expressed or implied in any forward-looking statements. Some of the key factors that could cause actual results to vary from those Dynegy expects include changes in commodity prices for energy or communications products or services; the timing and extent of deregulation of energy markets in the U.S. and Europe; general capital market conditions; the effectiveness of the Company's risk management policies and procedures; the liquidity and competitiveness of wholesale trading markets for energy commodities, including the impact of electronic or online trading in these markets; operational factors affecting the Company's power generation or the Company's midstream natural gas facilities; uncertainties regarding the development of, and competition within, the market for broadband services in the U.S. and Europe; and uncertainties regarding environmental regulations or litigation and other legal or regulatory developments affecting the Company's business. More information about the risks and uncertainties relating to these forward-looking statements are found in the Company's SEC filings, which are available free of charge on the SEC's web site at <http://www.sec.gov>.
