In accordance with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the Company notes that certain statements set forth in this Current Report on Form 8-K provide other than historical information and are forward looking. The actual achievement of any forecasted results, or the unfolding of future economic or business developments in a way anticipated or projected by the Company, involve numerous risks and uncertainties. Among those risks and uncertainties, many of which are beyond the control of the Company, are: fluctuations in oil and gas prices; level of fleet additions by competitors; changes in levels of capital spending in domestic and international markets by customers in the energy industry for exploration, development and production; unsettled political conditions, civil unrest and governmental actions, especially in higher risk countries of operations; foreign currency fluctuations; and environmental and labor laws. Readers should consider all of these risk factors as well as other information contained in this report.

On April 1, 2003, the Company issued the following press release:

FOR RELEASE TUESDAY, APRIL 1, 2003, at 11:00 a.m. CST
