Item 3. Source and Amount of Funds or Other Consideration

On the Effective Date, the Plan became effective under chapter 11 ("Chapter 11") of the United States Bankruptcy Code (the "Bankruptcy Code"). Pursuant to the Plan, on the Effective Date, (1) Old Lorai transferred its

assets and liabilities not discharged in the Chapter 11 cases to the Issuer and its subsidiaries, and (2) the Debtors underwent certain restructuring transactions contemplated by the Plan and thereupon emerged from Chapter 11 of the Bankruptcy Code.

Pursuant to the Plan, holders of certain claims against certain of the Debtors became entitled to receive, in exchange for their claims, a pro rata share of the 20,000,000 Shares that were issued by the Issuer on the Effective Date. Holders of certain claims against certain of the Debtors also received on the Effective Date, in exchange for their claims, their pro rata share of shares of Series A 12% Non-Convertible Preferred Stock, \$0.01 par value per share ("New Skynet Preferred Stock"), issued by Loral Skynet Corporation, an indirect wholly-owned subsidiary of the Issuer ("New Skynet"). Additionally, holders of certain claims against certain of the Debtors received their pro rata share of rights to purchase an aggregate of \$120,000,000 initial principal amount of 14% Cash/PIK Senior Secured Notes due 2015 issued by New Skynet ("New Skynet Notes") in connection with a rights offering under the Plan. In connection with the rights offering, one or more of the affiliates of the Reporting Persons purchased, pursuant to a backstop commitment agreement, additional New Skynet Notes not subscribed for by other holders of rights to purchase the New Skynet Notes. The purchase of all of the New Skynet Notes was consummated concurrently with the consummation of other transactions pursuant to the Plan on the Effective Date.

The claims owned by the reporting Persons, which were converted in part into Shares upon the Effective Date, were as follows:

\$1,525,000 of the 12.5% senior discount notes due 2007 issued by a predecessor-in-interest to Loral Orion, Inc.

\$268,015,000 of the 10% senior notes due 2006 issued by a predecessor in interest to Loral Orion, Inc.

\$65,960,000 of the 9.5% senior notes due 2006 issued by Old Loral.

All such claims were acquired by the Reporting Persons in the ordinary course of the Reporting Persons' business. The source of the funds for such acquisitions was the Reporting Persons' working capital.

Item 4. Purpose of Transaction

All of the Shares reported herein as having been acquired for the accounts of Capital Partners (500), Capital Partners (100), Institutional Partners, Institutional Partners II, Institutional Partners IIA, MHRM and MHRA were acquired for investment purposes. Except as otherwise set forth in this statement, none of the Reporting Persons currently has plans or proposals which relate to or which would result in any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to Schedule 13D. However, from time to time the Reporting Persons may evaluate the possibility of disposing of or acquiring Shares, or entering into various corporate transactions involving the Issuer. The Reporting Persons reserve the right to formulate plans or proposals regarding the Issuer or any of its securities and to carry out any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to this Schedule 13D, to the extent deemed advisable by the Reporting Persons.

From time to time each of the Reporting Persons may lend portfolio securities to brokers, banks or other financial institutions. These loans typically obligate the borrower to return the securities, or an equal amount of securities of the same class, to the lender and typically provide that the borrower is entitled to exercise voting rights and retain dividends during the term of the loan. From time to time, to the extent permitted by applicable law, each of the Reporting Persons may borrow securities, including the Shares, for the purpose of effecting, and may effect, short sale transactions, and may purchase securities for the purpose of closing out short sale positions in such securities.

New Skynet Notes

Pursuant to the rights offering under the Plan, and in their role as backstop purchasers under the Plan, on the Effective Date, Capital Partners (500), Capital Partners (100), Institutional Partners II and Institutional Partners IIA, collectively acquired approximately 44% of the \$126,000,000 aggregate principal amount of the New Skynet Notes issued on the Effective Date. The Indenture (defined below), pursuant to which the New Skynet Notes were issued, is attached hereto as Exhibit 2 and incorporated herein by reference.

The New Skynet Notes are governed by the Indenture (the "Indenture"), dated as of the Effective Date, between Loral Skynet and The Bank of New York, in its capacity as Trustee (the "Indenture Trustee"). The New Skynet Notes mature in 2015, subject, in certain instances, to earlier repayment in whole or in part. The New Skynet Notes bear interest at a rate of 14% per annum payable in cash semi-annually, provided that, if the amount of any interest payment would exceed certain thresholds calculated as specified in the Indenture, or under other circumstances, at the determination of the Board of Directors of New Skynet unless two-thirds of the holders of principal amount of the New Skynet Notes duly object, interest will be paid in kind by the issuance of additional New Skynet Notes. The New Skynet Notes are guaranteed by certain subsidiaries of New Skynet. The obligations of New Skynet and the subsidiary guarantors are secured by a first priority lien on certain specified assets of New Skynet and the guarantors pursuant to a Security Agreement (the "Security Agreement"), dated as of the Effective Date, by and between New Skynet and The Bank of New York, as collateral agent and trustee, and a Share Mortgage Agreement (the "Hong Kong Security Agreement"), dated as of the Effective Date, by and among Loral Skynet and the Bank of New York, as collateral agent and trustee. The Security Agreement and the Hong Kong Security Agreement are attached hereto as Exhibit 5 and Exhibit 6, respectively, and are incorporated herein by reference.

The Indenture contains restrictive covenants that limit, subject to certain exceptions, New Skynet's and its subsidiaries' ability to take certain actions, including restricted payments, incurrence of debt, incurrence of liens, payment of certain dividends or distributions, issuance or sale of capital stock of subsidiaries, sale of assets, affiliate transactions and sale/leaseback and merger transactions. The Indenture contains events of default relating to (1) New Skynet's failure to make payments of principal of or interest on the New Skynet Notes when due (subject to a 30-day grace period in the case of interest payments), (2) New Skynet's failure to purchase any New Skynet Notes when required, (3) New Skynet's failure to comply with certain restrictions contained in the Indenture relating to certain merger and sale transactions, (4) New Skynet's or certain of its subsidiaries' failure to comply with the covenants or agreements of the Indenture or the Security Agreement (subject in most instances to a 30-day grace period), (5) a payment default by New Skynet or certain of its subsidiaries in respect of indebtedness that exceeds \$50 million, (6) certain bankruptcy events in respect of New Skynet or certain of its subsidiaries, (7) the entry of a judgments against New Skynet or certain of its subsidiaries in excess of \$50 million that remain outstanding for a period of 30 consecutive days, (8) any subsidiary guarantee ceasing to be in full force and effect or being disaffirmed by the subsidiary guarantor, and (9) the Security Agreement or any other collateral documents ceasing to be in full force and effect.

New Skynet Preferred Stock

Pursuant to the Plan, on the Effective Date, Capital Partners (500), Capital Partners (100), Institutional Partners II, Institutional Partners IIA, Institutional Partners, MHRM and MHRA collectively acquired approximately 38% of the shares of New Skynet Preferred Stock. Exhibit A to the Restated Certificate of Incorporation of Loral Skynet, pursuant to which the shares of New Skynet Preferred Stock were issued, is attached hereto as Exhibit 3 and incorporated herein by reference.

On the Effective Date, Loral Skynet issued 1,000,000 shares of New Skynet Preferred Stock. The issued shares have an aggregate liquidation preference of \$200,000,000 plus accrued and unpaid dividends and will be distributed to holders of Allowed Claims in Orion Class 4, as such term is used in the Plan. Dividends on the New Skynet Preferred Stock (if not paid or accrued as permitted under certain circumstances) are payable in kind (in additional shares of New Skynet Preferred Stock) if the amount of any dividend payment would exceed certain thresholds calculated as specified in Exhibit A to the Restated Certificate of Incorporation of New Skynet, attached hereto as Exhibit 3. The

shares of New Skynet Preferred Stock were issued pursuant to the exemption from the registration requirements of the Securities Act afforded by Section 1145 of the Bankruptcy Code.

New Skynet may (to the extent that there exist at the time assets or funds of New Skynet legally available therefor in accordance with the Delaware General Corporation Law) at any time and from time to time, at its option, redeem any or all issued and outstanding shares of the New Skynet Preferred Stock by paying, in cash, a redemption price for each share of New Skynet Preferred Stock equal to the sum of (i) the liquidation preference thereon and (ii) an amount equal to the amount, if any, of all unpaid dividends accumulated thereon to the date of actual payment of the redemption price, whether or not such dividends have been declared, but only to the extent that any such accrued and unpaid dividends are not reflected in the liquidation preference.

Registration Rights Agreement

On the Effective Date, in connection with and as contemplated by the Plan, the Issuer and New Skynet, on the one hand, and Capital Partners (500), Capital Partners (100), Institutional Partners II, Institutional Partners IIA, Institutional Partners, MHRA and MHRM, on the other hand, entered into a Registration Rights Agreement (the "Registration Rights Agreement"). The Registration Rights Agreement is attached hereto as Exhibit 4 and incorporated herein by reference.

Pursuant to the Plan, each holder ("Holder") of an Allowed Claim, as that term is used in the Plan, that receives a distribution pursuant to the Plan of ten percent (10%) or greater of any of (i) the Shares, (ii) New Skynet Preferred Stock or (iii) New Skynet Notes (collectively, the "Registrable Securities") received certain registration rights under the Registration Rights Agreement (each such Holder and any future holder of Registrable Securities who becomes a party to the Registration Rights Agreement a "Registration Rights Holder"). Pursuant to the Registration Rights Agreement, in addition to certain piggy-back registration rights granted to the Registration Rights Holders, certain Registration Rights Holders can also demand under certain circumstances that the Registrable Securities be registered under the Securities Act of 1933, as amended (the "Securities Act"), in each case subject to the terms and conditions of the Registration Rights Agreement.

The Registration Rights Holders (or any group of affiliated Registration Rights Holders) who hold a minimum of 25% of such class of Registrable Securities as of the Effective Date (each, a "Major Holder") may demand the following number of registrations under the Securities Act: (i) three registration statements with respect to Shares, (ii) three registration statements with respect to New Skynet Preferred Stock and (iii) three registration statements with respect to New Skynet Notes, plus an aggregate of two additional registration statements with respect to any class of Registrable Securities. In no event will a Registration Rights Holder have the right to demand more than two registration statements be filed in any twelve-month period with respect to each class of Registrable Securities. Subject to certain exceptions, within thirty days following the issuance by the Issuer's independent public accountants of their audit report covering the Issuer's post-emergence "fresh-start" financial statements, the Issuer is required to file a shelf registration statement with the Securities and Exchange Commission covering the Shares subject to the Registration Rights Agreement. Subject to certain exceptions, following the demand by any Major Holder, New Skynet is required to file a shelf registration statement with the Securities and Exchange Commission covering the New Skynet Preferred Stock or New Skynet Notes subject to the Registration Rights Agreement; provided that New Skynet shall in no event be required to effect more than one shelf registration statement with respect to the New Skynet Preferred Stock and more than one shelf registration statement with respect to the New Skynet Notes. All rights granted under the Registration Rights Agreement shall terminate with respect to any Registration Rights Holder at such time as such Registration Rights Holder ceases to own any Registrable Securities and the entire Registration Rights Agreement shall terminate when all Registration Rights Holders cease to own any Registrable Securities.

Board of Directors of the Issuer

Pursuant to the Plan, the statutory committee of unsecured creditors appointed pursuant to Section 1102 of the Bankruptcy Code in the Debtors' reorganization cases (the "Creditors' Committee") designated five of the nine initial directors of Issuer's Board of Directors. Two such designees were nominated and elected to the Issuer's Board of Directors on the Effective Date, one as a Class 1 director and the other as a Class 2 director. The remaining three initial directors, Dr. Rachesky, Hal Goldstein and Sai S. Devabhaktuni, who are affiliates of the Reporting Persons, were nominated and elected to the Issuer's Board of Directors as Class 3 directors on November 23, 2005, pursuant to and as contemplated by the Plan. All such five designees were also nominated and elected, at the same times, as directors of the boards of directors of certain of the Issuer's direct and indirect subsidiaries. An affiliate of the Reporting Persons was the Chairman of the Creditor's Committee and, in such capacity, influenced these directors designations by the Creditors' Committee.
