Pursuant to the terms of the limited liability company operating agreement governing VGG and the terms of a Redemption Agreement among VGG and certain members of VGG that did not include the Reporting Persons (the "Redeeming Members"), on December 27, 2012, VGG redeemed from the Redeeming Members all of their class A membership interests of VGG in exchange for an aggregate of 963,447 shares of Common Stock. Immediately following such exchange, pursuant to the Redemption Agreement, VGG purchased these 963,447 shares of Common Stock from the Redeeming Members. The redemption of the Redeeming Members' class A membership interests, and the prior reduction in outstanding Class B and B-1 membership interests of VGG, increased the percentage of the membership interests of VGG held by the Reporting Persons and the other holders of class A membership interests of VGG on a pro rata basis.

The figures reported in Item 11 of the attached cover pages are based upon the number of outstanding shares of Common stock reported in the quarterly report on Form 10-Q filed with the Securities and Exchange Commission by the Company on February 6, 2013, which reported the total outstanding shares of Common Stock, as of February 6, 2013, as 84,930,237.

ITEM 8 INFORMATION

Veritas Capital Partners III, L.L.C. is the general partner of The Veritas Capital Fund III, L.P. and an affiliate of AX Holding LLC. The Veritas Capital Fund III, L.P. owns 30.7% of the Class A membership interests of VGG. AX Holding LLC owns 14.4% of the Class A membership interests of VGG. The Class A membership interests of VGG are held by a private investor group, which includes The Veritas Capital Fund III, L.P. and AX Holding LLC. The aggregate number of shares of Common Stock of the Company held by VGG is 65,000,000, or 76.5% of the outstanding Common Stock of the Company based on 84,930,237 shares of Common Stock outstanding as of February 6, 2013.

VGG is a party to a Director Designation Agreement, dated as of November 24, 2010, by and between VGG and the Company (the "Director Designation Agreement"). The Director Designation Agreement provides VGG with the right to nominate individuals to the Company's board of directors at each meeting of stockholders where directors are to be elected and, subject to limited exceptions, the Company is required to include in the slate of nominees recommended to its stockholders for election as directors the number of individuals designated by VGG as follows: (1) until such time as the Company is required to comply with the requirement under the New York Stock Exchange corporate governance standards that a majority of its board of directors consist of independent directors, such number of individuals as are designated by VGG; and (2) during such time as (i) VGG owns less than a majority but at least one share of the Company's outstanding common stock and (ii) the Company is required to comply with the requirement under the New York Stock Exchange corporate governance standards that a majority of the Company's board of directors consist of independent directors, four individuals designated by VGG. The Amended and Restated Limited Liability Company Agreement of VGG, dated as of August 15, 2007, as amended to date, by and among VGG and the other parties thereto (the "LLC Agreement"), provides that The Veritas Capital Fund III, L.P. and AX Holding LLC (collectively, "Veritas") will have certain rights to select the individuals that VGG has the right to nominate under the Director Designation Agreement, as follows: (1) until such time as the Company is required to comply with the requirement under the New York Stock Exchange corporate governance standards that a majority of its board of directors consist of independent directors, VGG is required to nominate to the Company's board of directors each member of the board of managers of VGG appointed by Veritas; and (2) during such time as (i) VGG owns less than a majority but at least one share of the Company's outstanding common stock and (ii) the Company is required to comply with the requirement under the New York Stock Exchange corporate governance standards that a majority of its board of directors consist of independent directors, Veritas will have the right to select two nominees. The Director Designation Agreement and the LLC Agreement also provide certain other holders of equity interests of VGG with rights to nominate specified numbers of persons to the board of directors of the Company.

In addition, the LLC Agreement includes provisions governing the rights and obligations of VGG and its equityholders.

Certain members of the Company's management own Class B membership interests in VGG and certain members of the Company's management and employees own Class B-1 membership interests in VGG. The percentage of Class A membership interests owned by the Reporting Persons assumes that holders of Class B and Class B-1 membership interests are currently entitled under the LLC Agreement to receive certain distributions made by VGG, if any. Pursuant to the terms of the LLC Agreement, the holders of Class B and Class B-1 membership interests are entitled to receive a percentage of all distributions, if any, made by VGG after (x) the holders of the Class A membership interests, including The Veritas Capital Fund III, L.P. and AX Holding LLC, have received a return of their invested

capital plus a 12% per annum internal rate of return (compounded quarterly) on their invested capital and (y) certain members of the Company's management that purchased Class A membership interests receive a special distribution in the aggregate amount of approximately \$3.2 million, together with a 12% per annum internal rate of return (compounded quarterly).

The share ownership reported for the Reporting Persons does not include any shares of Common Stock owned by any party to the LLC Agreement other than VGG, The Veritas Capital Fund III, L.P. and AX Holding LLC.
