The information set forth in or incorporated by reference in Items 4, 5 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 3.

On May 22, 2017 (the "Closing Date"), TPG Growth Sidewall acquired 140,202 Series A Preferred Shares and 9,798 Series B Preferred Shares pursuant to the Investment Agreement (the "Investment Agreement"), dated as of March 22, 2017, by and among the Issuer and TPG Growth Sidewall. The purchase of the Preferred Shares under the Investment Agreement had been subject to certain conditions, including the completion of the Issuer's tender offer for all (but not less than 75% of) the outstanding shares of Uniwheels AG (the "Issuer's Target"). The aggregate purchase price of the Preferred Shares was \$150,000,000 and was funded by equity contributions of the limited partners of TPG Growth Sidewall.

The Issuer and TPG Growth Sidewall made certain customary representations, warranties and covenants to each other in the Investment Agreement.

References to and the description of the Investment Agreement set forth above are not intended to be complete and are qualified in their entirety by reference to the full text of the Investment Agreement, which is filed as an exhibit hereto and incorporated by reference herein.

Item 4. Purpose of Transaction.

The information set forth in Items 3, 5 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 4.

Series A Preferred

Pursuant to the Certificate of Designations, Preferences and Rights of the Preferred Shares (the "Certificate of Designations"), each Series A Preferred Share is convertible at any time after the Closing Date into a number of shares of Common Stock determined by dividing (i) the sum of the Stated Value (as defined below) and any accrued and unpaid dividends by (ii) \$28.162 (the "Conversion Price"). The Stated Value (the "Stated Value") of each Series A Preferred Share is equal to \$1,000 plus (i) any dividends paid in the form of an increase in the Stated Value and (ii) all accumulated and unpaid dividends. The Conversion Price is subject to adjustment upon the occurrence of certain corporate events. The Preferred Shares may not be convertible into more than 19.99% of the total number of shares of Common Stock outstanding immediately prior to the Closing Date (the "Conversion Cap") until the Issuer receives the stockholder approval ("Stockholder Approval") required under Rule 312.03 of the New York Stock Exchange Listed Company Manual for the removal of the Conversion Cap.

The Issuer has the right to cause the conversion of all the Preferred Shares if, for a period of 30 consecutive trading days, the volume-weighted average price of the Common Stock (as displayed on Bloomberg) exceeds a 200% premium of the Conversion Price.

The Series A Preferred Shares have the right to vote together with the holders of Common Stock on all matters on which the holders of Common Stock are entitled to vote. The holders of Series A Preferred Shares are entitled to one vote per share of Common Stock that would be issuable to the holder upon conversion of all shares of Series A Preferred Shares held by such holder.

The Series A Preferred Shares will rank senior to the Common Stock with respect to rights on liquidation, winding-up and dissolution.

From and after May 22, 2017, the Series A Preferred Shares will accrue dividends at a rate of 9% per annum, payable at the Issuer's election either as an increase in the Stated Value of the Series A Preferred Shares or in cash.

The Issuer will have the right to redeem all (but not less than all) of the Series A Preferred Shares at its option with at least thirty days' notice to the holders of the Series A Preferred Shares for a per share redemption price equal to (a) for any redemption occurring prior to October 22, 2018, the product of the Stated Value and 1.75 and (b) for any redemption occurring on or after October 22, 2018, the greater of (x) the product of the Stated Value and 2.00 and (y) an amount equal to the number of shares of Common Stock such Preferred Share is convertible into at the time of the redemption, multiplied by the 30-day volume weighted average price of the Common Stock prior to such redemption.

Series B Preferred

Pursuant to the Certificate of Designations, each Series B Preferred Share is convertible, subject to the Conversion Cap, at any time after the Closing Date into a Series A Preferred Share and will automatically convert into a Series A Preferred Share upon receipt of Stockholder Approval. The Series B Preferred Shares have the same designations, preferences and other rights (and the same qualifications, limitations and restrictions) as do the Series A Preferred Shares, except (i) a Series B Preferred Share may not be converted into a Series A Preferred Share and then into shares of Common Stock if doing so would breach the Conversion Cap, (ii) the Series B Preferred Shares generally do not entitle their holders to vote on any matters submitted to a vote of the Issuer's stockholders, and (iii) the Series B Preferred Shares will accrue dividends at a rate of 11% per annum if Stockholder Approval is not obtained by September 19, 2017.

Investor Rights Agreement

In connection with the acquisition of the Preferred Shares, the Issuer and TPG Growth Sidewall entered into Investor Rights Agreement, dated as of May 22, 2017 (the "Investor Rights Agreement").

Pursuant to the Investor Rights Agreement, TPG Growth Sidewall, for as long as it holds at least 50% of the Preferred Shares issued to it on the Closing Date (including any shares of Common Stock into which the Preferred Shares are converted), shall be entitled to designate a nominee to the board of directors of the Issuer. On the Closing Date, TPG Growth Sidewall designated Ransom Langford, an affiliate of TPG Growth Sidewall, and Mr. Langford was appointed to the board of directors.

The Investor Rights Agreement provides for customary demand and piggyback registration rights for TPG Growth Sidewall and its transferees beginning one year after the Closing Date. The Investor Rights Agreement also contains customary transfer restrictions for one year, subject to certain exceptions, and provides TPG Growth Sidewall pre-emptive rights to participate in future equity issuances of the Issuer for so long as it holds at least 50% of the Preferred Shares issued to it on the Closing Date (including any shares of Common Stock into which the Preferred Shares are converted).

Other than as described above, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, without independent verification, any of the persons listed in Schedule I hereto, currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)–(j) of Schedule 13D, although the Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto. As a result of these activities, one or more of the Reporting Persons may suggest or take a position with respect to potential changes in the operations, management or capital structure of the Issuer as a means of enhancing shareholder value. Such suggestions or positions may include one or more plans or proposals that relate to or would result in any of the actions required to be reported herein, including, without limitation, such matters as acquiring additional securities of the Issuer or disposing of securities of the Issuer; entering into an extraordinary corporate transaction such as a merger, reorganization or liquidation,

involving the Issuer or any of its subsidiaries; selling or transferring a material amount of assets of the Issuer or any of its subsidiaries; changing the present board of directors or management of the Issuer, including changing the number or term of directors or filling any existing vacancies on the board of directors of the Issuer; materially changing the present capitalization or dividend policy of the Issuer; materially changing the Issuer's business or corporate structure; changing the Issuer's certificate of incorporation, bylaws or instruments corresponding thereto or taking other actions which may impede the acquisition of control of the Issuer by any person; causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act of 1933, as amended; and taking any action similar to any of those enumerated above.

References to and the description of the Certificate of Designations and Investor Rights Agreement set forth above are not intended to be complete and are qualified in their entirety by reference to the full text of the Certificate of Designations and Investor Rights Agreement, which are filed as exhibits hereto and incorporated by reference herein.
