PRESS RELEASE

FOR IMMEDIATE RELEASE

**CGI-AMS wins Filing and Payment Compliance Release 1.1
Contract with the Internal Revenue Service (IRS)**

Fairfax, Virginia, June 6, 2005 - CGI-AMS Inc., the wholly-owned U.S. operating subsidiary of CGI Group Inc. (CGI) (TSX: GIB.SV.A; NYSE: GIB), announced today that it won a US\$2.7 million contract with the Internal Revenue Service (IRS) to assist the agency with the first

Edgar Filing: CGI GROUP INC - Form 6-K

phase of its Filing and Payment Compliance initiative.

As part of its contract with the IRS, CGI-AMS will implement its Computer Assisted Collection System for Government (CACS-G) software, a Web-based automated workflow and case management system specifically designed for government compliance operations and related implementation services.

We are excited to have the opportunity to build on our longstanding partnership with the IRS by helping them with the first phase of this critical project, said Donna Morea, CGI-AMS president. We look forward to implementing a system that will help streamline their collections process.

The CGI-AMS Tax and Revenue Management Service Line provides systems, solutions, and consulting expertise to tax agencies worldwide. Its unique CACS-G solution is specifically designed and maintained for use by tax agencies and other government agencies responsible for collecting on a variety of government debt, such as taxes, student loans and courts' receivables. The company has successfully implemented its CACS-G solution in 20 tax and revenue and student loan government agencies. CGI-AMS's efforts with various tax agencies have resulted in major revenue gains and increased productivity. Five states that implemented CACS-G, as well as related technology and process reengineering, have collected over \$1.5 billion dollars in additional measured revenue.

PRESS RELEASE

FOR IMMEDIATE RELEASE

Uni-Select selects CGI for end-to-end IT outsourcing contract

Boucherville, Quebec June 6, 2005 Uni-Select Inc. (TSX: UNS), a leading distributor of aftermarket auto parts in North America, and CGI Group Inc. (CGI) (TSX: GIB.SV.A; NYSE: GIB), among the largest independent information technology and business process services firms, today announced the signing of a 10-year, end-to-end IT (information technology) outsourcing contract valued at CDN\$35 million. As part of the contract, CGI will manage all infrastructure support, applications support and special IT projects. Up to 23 Uni-Select professionals will be joining CGI as part of this contract.

Through this agreement, we will be able to further focus on our strategic IT orientation and future growth initiatives. As one of the largest purchasing groups in the North American automotive aftermarket industry, we are always seeking new ways of being more effective and efficient for our merchants. We feel strongly that this initiative will contribute to that goal, said Jacques Landreville, president and CEO of Uni-Select.

Serge Godin, chairman and CEO of CGI added: We are pleased to welcome our new professionals to the CGI team and welcome Uni-select as a new client. We are excited about building upon our distribution expertise as well as serving such a long-established firm. We are confident that in working together we will achieve desired business results.

About Uni-Select
