Item 4. Purpose of Transaction.

On March 9, 2005, Brascan announced that it will support an issuer bid (the *Issuer Bid*) by Noranda, pursuant to which Noranda will offer to purchase approximately 63.4 million Common Shares in exchange for US\$1.25 billion aggregate issue price of junior preferred shares (the *Junior Preferred Shares*), consisting of US\$500 million aggregate issue price of Series 1 Shares, US\$500 million aggregate issue price of Series 2 Shares and US\$250 million aggregate issue price of Series 3 Shares.

Brascan also announced its support for a plan (the *Merger*) by Noranda to combine Noranda and Falconbridge Limited (*Falconbridge*). Following the Issuer Bid and the Merger, Brascan's common share ownership of Noranda will decline from approximately 41% to between 16% and 26%.

Junior Preferred Share Terms

The following is a summary of the material attributes of the Junior Preferred Shares:

Ranking. The Junior Preferred Shares will rank junior to the existing preferred shares of Noranda with respect to priority in the payment of dividends and the distribution of assets of Noranda in the event of any liquidation, dissolution or winding up of Noranda or other distribution of assets of Noranda among its shareholders for the purpose of winding up its affairs.

Dividends: Noranda may pay the dividends on the Junior Preferred Shares either in cash or, except in limited circumstances, in freely-tradable Common Shares (the number of shares determined by dividing the declared dividend amount by 95% of the US dollar equivalent of the weighted average trading price of the Common Shares on the Toronto Stock Exchange for a period of 20 consecutive trading days (the *Current Market Price*) ending on the fourth day prior to the date specified for payment of the dividend, less any tax required to be deducted and withheld).

No Extraordinary Dividends on Common Shares. For so long as Junior Preferred Shares having an aggregate issue price of at least US\$300 million remain outstanding, Noranda will not declare, pay or set apart for payment any extraordinary dividend without the prior approval of holders of not less than two-thirds of each series of Junior Preferred Shares present in person or by proxy at a duly called meeting of shareholders.

Redemption: The Series 1 Shares (i) are redeemable, in cash, by Noranda at any time on or before June 30, 2008 at US\$25.25 per share plus all accrued and unpaid dividends and thereafter at US\$25.00 per share plus all accrued and unpaid dividends and (ii) must be redeemed on the date that is five years from the date of issue (the *Series 1 Final Redemption Date*) at US\$25.00 per share plus all accrued and unpaid dividends.

SCHEDULE 13D

Page 6 of 17 pages

The Series 2 Shares (i) are redeemable, in cash, by Noranda at any time on or before June 30, 2010 at US\$25.25 per share plus all accrued and unpaid dividends and thereafter until June 29, 2012 at US\$25.00 per share plus all accrued and unpaid dividends and (ii) must be redeemed on June 30, 2012 the Series 2 Final Redemption Date) at US\$25.00 per share plus all accrued and unpaid dividends.

The Series 3 Shares (i) are redeemable, in cash, by Noranda at any time on or before June 30, 2013 at US\$25.25 per share plus all accrued and unpaid dividends and thereafter until June 29, 2015 at US\$25.00 per share plus all accrued and unpaid dividends and (ii) must be redeemed on June 30, 2015 the Series 3 Final Redemption Date) at US\$25.00 per share plus all accrued and unpaid dividends.

Conversion. Noranda will be entitled, at its option, in lieu of redemption, to convert all or a part of the applicable series of Junior Preferred Shares on the Series 1 Final Redemption Date, the Series 2 Final Redemption Date or the Series 3 Final Redemption Date (as applicable) into freely tradable Common Shares provided no change of control event has occurred, no extraordinary dividend has been paid and certain other events have not occurred. The number of Common Shares issued on such conversion would be determined by dividing US\$25.00, together with all accrued and unpaid dividends, by the greater of US\$2.00 (as may be adjusted for stock splits and similar occurrences) and 90% of the US dollar equivalent of the Current Market Price determined as at the date specified for conversion.

Retraction. In the event of a change of control event: (i) the holders of the Series 1 Shares will be entitled to require Noranda to redeem all of their Series 1 Shares for US\$25.25 per share plus accrued and unpaid dividends if so redeemed on or before June 30, 2008 and if so redeemed after such date for US\$25.00 per share plus accrued and unpaid dividends; (ii) the holders of the Series 2 Shares will be entitled to require Noranda to redeem all of their Series 2 Shares for US\$25.25 per share plus accrued and unpaid dividends if so redeemed on or before June 30, 2010 and for US\$25.00 per share plus accrued and unpaid dividends if so redeemed after June 30, 2010; and (iii) the holders of the Series 3 Shares will be entitled to require Noranda to redeem all of their Series 3 Shares for US\$25.25 per share plus accrued and unpaid dividends if so redeemed on or before June 30, 2013 and for US\$25.00 per share plus accrued and unpaid dividends if so redeemed after June 30, 2013.

Application of Net Proceeds. From and after June 30, 2010, Noranda will apply the full net proceeds from (i) the issuance of equity securities for cash (other than in certain limited circumstances) or (ii) the sale of any capital assets outside of the ordinary course of business with a sale price exceeding Cdn.\$250 million, to the redemption of the Junior Preferred Shares.

Voting: The Junior Preferred Shares will be entitled, voting collectively, to elect two directors to the board of directors of Noranda and, upon the occurrence of certain events, will be entitled, voting collectively, to elect three additional directors. Except as otherwise provided by law or as specifically provided above, and except for meetings of the holders of Junior Preferred Shares as a class and meetings of all holders of each series of Junior Preferred Shares as a series, the holders of the Junior Preferred Shares will not be entitled as such to receive notice of, or to attend, or to vote at, any meeting of shareholders of Noranda.

Lock Up Agreement

As a component of the Issuer Bid, Brascan and Noranda have entered into a lock up agreement, whereby Brascan has agreed to deposit to the Issuer Bid, within three business days of the date of the offer, and subject to withdrawal in certain circumstances, all of the Common Shares that it beneficially owns on such deposit date. Brascan may withdraw any and all Common Shares deposited under the Issuer Bid if Brascan receives (i) a bona fide offer from an arms length third party to acquire, directly or indirectly, any or all of the Common Shares beneficially owned by Brascan or (ii) a proposal for a merger, acquisition, take-over bid, sale of material assets, liquidation, material sale of shares or rights or interests therein or similar transactions; in either case, which the board of directors of Brascan considers would result in a transaction more favourable to Brascan than the Issuer Bid. In addition, Brascan may, on or before the deposit date, dispose of, or enter into an agreement to dispose of, any or all of the Common Shares that it beneficially owns.

A copy of the lock up agreement is attached hereto as Exhibit 5.

Registration Rights Agreement

Brascan and Noranda have entered into a registration rights agreement that takes effect on the date that the Issuer Bid is completed and provides that, upon Brascan's request and subject to certain conditions, Noranda will register or qualify Common Shares beneficially owned by Brascan under United States securities laws and/or Canadian securities laws. This agreement is designed to facilitate the sale of Brascan's Common Shares held after completion of the Issuer Bid.

A copy of the registration rights agreement is attached hereto as Exhibit 6.

Other than as described or contemplated above, none of the Reporting Persons and, to the Reporting Persons knowledge, the Scheduled Persons, has any current plans or proposals that relate to or would result in:

- (a) the acquisition by any person of additional securities of Noranda, or the disposition of securities of Noranda;
 - (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Noranda or any of its subsidiaries;
-

- (c) a sale or transfer of a material amount of assets of Noranda or any of its subsidiaries;
- (d) any change in the present board of directors or management of Noranda, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) any material change in the present capitalization or dividend policy of Noranda;
- (f) any other material change in Noranda's business or corporate structure;
- (g) changes in Noranda's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Noranda by any person;
- (h) causing a class of securities of Noranda to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) a class of equity securities of Noranda becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or
- (j) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

- (a)-(b) As of the date hereof, each of the Reporting Persons may be deemed to be the beneficial owner of 122,597,952 Common Shares. Such Common Shares constitute approximately 41.26% of the issued and outstanding Common Shares based on the number of Common Shares outstanding as of March 8, 2005. Brascan may be deemed to have the sole power to vote or direct the vote of the Common Shares beneficially owned by it with respect to those matters described above or to dispose of such Common Shares. Partners may be deemed to have shared power (with Brascan) to vote or direct the vote of the Common Shares beneficially owned by it with respect to those matters described above or to dispose of such Common Shares.

If all holders of Common Shares deposit their common shares under the Issuer Bid, and assuming that (i) the Brascan deposits (and do not withdraw) all the Common Shares it owns as of the date of this statement under the Issuer, and (ii) Noranda is successful in completing the Merger (and by virtue of the Merger acquires all outstanding common shares of Falconbridge) immediately following the completion of these transactions, Brascan will hold approximately 26%, or 96.6 million, of the Common Shares and approximately 41%, or 20.5 million, of the Junior Preferred Shares. If none of the other holders of the Common Shares deposit their shares to the Issuer Bid and Noranda is successful in completing the

Merger, immediately following the completion of these transactions, Brascan would own approximately 16%, or 59.2 million, of the Common Shares and 100%, or 50 million, of the Junior Preferred Shares.

- (c) None of the Reporting Persons and, to the Reporting Persons' knowledge, the Scheduled Persons, has effected any transaction in the Common Shares during the past 60 days, other than as disclosed herein.
- (d) No person is known to any of the Reporting Persons or, to the Reporting Persons' knowledge, the Scheduled Persons, to have the right to receive or the power to direct the receipt of dividends from, or proceeds from the sale of, any such Common Shares.

(4) **Notice.** Noranda shall give written notice of the occurrence of any **Change of Control Event** to all holders within five Business Days of the date on which Noranda first becomes aware of such occurrence.

5. Conversion into Common Shares at the Option of Noranda On the Final Redemption Date.

(1) **Conversion Right.** Subject to section 7, applicable law and any requirement to obtain regulatory relief, Noranda, at its option (the **Conversion Right**), may, upon giving written notice (the **Conversion Notice**) at least 30 days but no more than 60 days prior to the **Final Redemption Date**, convert all or any part of the then outstanding Series 1 Shares into that number of freely-tradeable, fully paid and non-assessable Common Shares per Series 1 Share determined by dividing the aggregate of \$25.00, plus an amount equal to accrued and unpaid dividends up to but excluding the **Final Redemption Date** and calculated in accordance with subsection 2(1)(c) (the whole

constituting the Cash Conversion Price), by the greater of \$2.00 (as adjusted from time to time by the Board of Directors acting in good faith to give effect to any split, division, consolidation, combination or similar change in the capital of Noranda that affects the number of Common Shares then outstanding) and 90% of the U.S. Dollar Equivalent of the Current Market Price as of the Final Redemption Date.

(2) **Conversion Notice.** The Conversion Notice must set out the number of Series 1 Shares held by the person to whom it is addressed which are to be converted. The Conversion Notice also must advise the holder that the Common Shares will be registered in the name of the holder of Series 1 Shares to be converted unless the Transfer Agent receives from the holder, at least 10 Business Days before the Final Redemption Date, at any principal office of the Transfer Agent, written notice in form and substance satisfactory to the Transfer Agent directing Noranda to arrange for the registration of such Common Shares in some other name or names (the Transferee or the Transferees) and stating the name or names (with addresses), accompanied by payment to the Transfer Agent of any transfer tax which may be payable by reason of the transfer and a written declaration, if required by any applicable law or by Noranda, as to the residence of the Transferee(s) and such other matters as may be required by law or requested by Noranda in order to determine the entitlement of the Transferee(s) to such Common Shares, in which case such Common Shares will be registered in the name or names so directed in the written notice. Such conversion will be deemed to have been made at 5:00 p.m. (Toronto time) on the Final Redemption Date, so that the rights of the holder of such Series 1 Shares as the holder thereof will cease at such time and the person or persons entitled to receive Common Shares upon such conversion will be treated for all purposes as having become the holder or holders of record of such Common Shares at such time.

(3) **Pro Rata Conversion.** If less than all of the then outstanding Series 1 Shares are at any time to be converted at the option of Noranda, then: (i) the particular Series 1 Shares to be so converted will be selected on a pro rata basis; and (ii) any Series 1 Shares not converted pursuant to this section 5 will be redeemed pursuant to subsection 3(3).

(4) **Prohibition on Conversion.** Noranda cannot exercise the Conversion Right hereunder if: (i) subject to Section 5(7), a Change of Control Event has occurred; (ii) an Extraordinary Dividend has been paid; or (iii) any one or more of the following events has occurred:

- (a) the issuance or delivery of such Common Shares is prohibited pursuant to any agreement or arrangement entered into by Noranda to assure Noranda's solvency or continued operation;
 - (b) the issuance or delivery of such Common Shares is prohibited by law or by any regulatory or other authority having jurisdiction over Noranda and acting in conformity with law;
 - (c) for any reason beyond its control, Noranda is unable to issue Common Shares or is unable to deliver such Common Shares; or
 - (d) such Common Shares are not listed on each exchange on which the Common Shares are then listed for trading.

(5) **Fractional Shares.** Where the aggregate number of Common Shares to be delivered to a holder of Series 1 Shares pursuant to Noranda's exercise of the Conversion Right includes a fraction of a Common Share, Noranda, in lieu of delivering such fractional share, will pay by cheque an amount equal to the balance of the Cash Conversion Price not otherwise satisfied by the delivery of the Common Shares.

(6) **Delivery of Shares and Share Certificates.**

- (a) On any conversion of Series 1 Shares pursuant to the exercise of the Conversion Right, the share certificates for Common Shares resulting therefrom will be delivered in the name of the holder of the Series 1 Shares converted or, if applicable, in the name of the Transferee; provided that such holder of Series 1 Shares will (i) pay any applicable security transfer taxes including, without limitation, any documentary, stamp, transfer or other taxes that may be payable in respect of any transfer involved in the issuance or delivery of such shares to a person other than such holder of Series 1 Shares or (ii) will have evidenced to the satisfaction of Noranda that such taxes, if any, have been paid.
- (b) Subject to these Series 1 Provisions, upon the exercise of the Conversion Right, any holder of Series 1 Shares to be converted (or, if applicable, any Transferee) will be deemed to have become a holder of Common Shares of record for all purposes on the Final Redemption Date, notwithstanding any delay in the delivery of certificates representing the Common Shares for which such Series 1 Shares have been converted.
- (c) Upon exercise of the Conversion Right, Noranda is not required to issue Common Shares to any person whose address is in, or whom Noranda or its transfer agent has reason to believe is a resident of, any jurisdiction outside of Canada, to the extent that such issue would require compliance by Noranda with the securities or other laws of such jurisdiction.

(7) **Exception.** Notwithstanding section 5(4)(i), Noranda shall be entitled to exercise its Conversion Right hereunder in accordance with its terms if the applicable Change of Control Event prohibiting such conversion is the occurrence of (ii) or (iii) under the definition of "Change of Control Event" and the applicable Take-over Bid or Control Transaction made or announced is withdrawn or terminated or expires without any person becoming an Acquiring Person, upon any such withdrawal, termination or expiry.

6. Purchase for Cancellation

Subject to section 7 and to applicable law, Noranda may, at any time, if obtainable, purchase for cancellation, by private agreement or otherwise, at the lowest price or prices at which, in the opinion of the Board of Directors, such shares are obtainable, all or from time to time any part of the then outstanding Series 1 Shares.

7. Restrictions on Dividends and Retirement of Shares

(1) **General Restrictions.** As long as any Series 1 Shares are outstanding, Noranda will not at any time, without the approval of the holders of the Series 1 Shares given as provided in section 11:

- (d) except pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching thereto, redeem or call for redemption, purchase or otherwise pay off, retire or make any return of capital in respect of any Preferred Shares, ranking on a parity with the Series 1 Shares; or

(e) issue any additional Series 1 Shares or any shares ranking senior to or on a parity with the Series 1 Shares, unless, in each such case, all accrued dividends up to and including those payable on the Dividend Payment Date for the last completed period for which dividends are payable on the Series 1 Shares in respect of which the rights of holders have not been extinguished, and all dividends then accrued on all other shares ranking senior to or on a parity with the Series 1 Shares with respect to the payment of dividends up to the immediately preceding respective date or dates for payment in respect of which the rights of holders of those shares have not been extinguished, have been declared, paid or set apart for payment.

(2) **Extraordinary Dividends.** As long as 123 Shares having an aggregate issue price of at least \$300 million remain outstanding, Noranda will not at any time, without the approval of the holders of the Series 1 Shares given as provided in section 10 declare, pay or set apart for payment any Extraordinary Dividends.

8. Voting Rights and Election of Directors

(1) **Election of Directors.** The holders of Series 1 Shares together with the holders of the Series 2 Shares and the holders of the Series 3 Shares will have at all times the right, voting collectively, to elect two directors to the Board of Directors at each meeting of shareholders of Noranda at which directors are to be elected. Forthwith upon the occurrence of a Board Event, the holders of the Series 1 Shares together with the holders of the Series 2 Shares and the holders of the Series 3 Shares will, but only for so long as a Board Event is continuing, be entitled, voting collectively, to elect three additional directors (for a total of five). Upon the occurrence of a Board Event, the Board of Directors will, at its election and subject to applicable law, either (i) appoint such additional number

The holders of Series 1 Shares are entitled to receive notice of and to attend all annual and special meetings of the Shareholders of Noranda called for the purpose of electing directors as provided in this subsection 8(1) and, for such purpose only, to one vote in respect of each Series 1 Share held at all such meetings.

(2) **Vacancies.** If a Series 123 Director ceases to be a director for any reason other than as a result of a Board Event ceasing to continue, the Board of Directors will fill the vacancy thereby created by appointing as soon as reasonably possible that individual who is nominated by the remaining Series 123 Directors, provided that if there are no remaining 123 Directors then in office, the Board of Directors will select the individuals to be appointed.

(3) **Meeting of Shareholders.** Except as otherwise provided by law or as specifically provided herein and except for meetings of the holders of Junior Preference Shares as a class and meetings of all holders of Series 1 Shares as a series, the holders of the Series 1 Shares will not be entitled as such to receive notice of, or to attend, or to vote at, any meeting of shareholders of Noranda.

(4) **Meeting of Holders of Series 1 Shares as a Series or Junior Preference Shares as a Class.** At any meeting of holders of Series 1 Shares as a series or together with one or more other series or Junior Preference Shares as a class, each such holder will be entitled to one vote in respect of each Series 1 Shares held.

10. Approval of Holders of Series 1 Shares

In addition to any other approvals required by law, the approval of all amendments to the rights, privileges, restrictions and conditions attaching to the Series 1 Shares as a series and any other approval to be given by the holders of Series 1 Shares as a series will be deemed to have been sufficiently given if given by a resolution carried by the affirmative vote of not less than 66²/₃% of the votes cast at a meeting of the holders of Series 1 Shares duly called and held on not less than 21 days' notice at which the holders of at least a majority of the outstanding Series 1 Shares are present or are represented by proxy, or if no quorum is present at such meeting, at an adjourned meeting at which the holders of the Series 1 Shares then present would form the necessary quorum. If at the meeting the holders of a majority of the outstanding Series 1 Shares are not present or represented by proxy within 30 minutes after the time appointed for the meeting, the meeting will be adjourned to such date, not less than 15 days afterwards, and to such time and place as the chairman may designate, and not less than 10 days' written notice will be given of the adjourned meeting. 12. Notices

(1) **Notice to Noranda.** Subject to applicable law, any notice, request or other communication to be given to Noranda by a holder of Series 1 Shares must be in writing and will be valid and effective if given by mail (postage prepaid) or by electronic communication or by delivery to the registered office of Noranda and addressed to the attention of the Secretary. Any such notice, request or other communication, if given by mail, electronic communication or delivery, will be deemed to have been given and received only on actual receipt by Noranda.

(2) **Presentation and Surrender of Certificates.** Any presentation and surrender by a holder of Series 1 Shares to Noranda or the Transfer Agent of certificates representing Series 1 Shares in connection with the redemption of Series 1 Shares must be made by registered mail (postage prepaid) or by delivery to the registered office of Noranda or to such office of the Transfer Agent as may be specified by Noranda, in each case addressed to the attention of the Secretary of Noranda. Any such presentation and surrender of certificates will be deemed to have been made and to be effective only on actual receipt by Noranda or the Transfer Agent, as the case may be. Any such presentation and surrender of certificates made by registered mail will be at the sole risk of the holder mailing the same.

Accidental failure or omission to give any notice, request or other communication to one or more holders of Series 1 Shares, or any defect in such notice, will not invalidate or otherwise alter or affect any action or proceeding to be taken by Noranda pursuant to that notice, request or other communication.

14. Return of Unclaimed Funds to Noranda

Subject to applicable laws, Noranda will have the right, with respect to any funds deposited by Noranda to any chartered bank or trust company in respect of amounts due to holders of Series 1 Shares, on or after the second anniversary date of the deposit of such funds to any chartered bank or trust company, to require that such chartered bank or trust company return to Noranda any funds which remain unclaimed by holders of the Series 1 Shares. If at any time following the return of the unclaimed funds to Noranda, either Noranda or the chartered bank or trust company receives a request from a holder of Series 1 Shares for the holder's unclaimed entitlement to any amount due to the holder in respect of the holder's Series 1 Shares, Noranda will promptly arrange for the payment of such amount to the holder.

In the event that a payment is made by way of a wire or electronic transfer of funds, Noranda will be responsible for any applicable charges or fees relating to the making of such transfer. As soon as practicable following the determination by Noranda that a payment is to be made by way of a wire or electronic transfer of funds, Noranda will notify each registered holder of Series 1 Shares at the address of such holder as it appears on the register of holders. Such notice by Noranda will request that each registered holder of Series 1 Shares provide the particulars of an account of such holder with a chartered bank or trust company in Canada to which the wire or electronic transfer of funds will be directed. In the event that Noranda does not receive account particulars from a registered holder of Series 1 Shares prior to the date such payment is to be made, Noranda will deposit the funds otherwise payable to such holder in a special account or accounts in trust for each respective holder. The making of a payment by way of a wire or electronic transfer of funds or, in the case where a registered holder of the Series 1 Shares has not provided Noranda with account particulars for a wire or electronic transfer of funds, the deposit by Noranda of the funds otherwise payable to such holder in a special account or accounts in trust for such holder, will be deemed to constitute payment by Noranda on the date thereof and will satisfy and discharge all liabilities of Noranda for such payment to the extent of the amount represented by such transfer.

(2) **Conversion Notice.** The Conversion Notice must set out the number of Series 2 Shares held by the person to whom it is addressed which are to be converted. The Conversion Notice also must advise the holder that the Common Shares will be registered in the name of the holder of Series 2 Shares to be converted unless the Transfer Agent receives from the holder, at least 10 Business Days before the Final Redemption Date, at any principal office of the Transfer Agent, written notice in form and substance satisfactory to the Transfer Agent directing Noranda to arrange for the registration of such Common Shares in some other name or names (the Transferee or the Transferees) and stating the name or names (with addresses), accompanied by payment to the Transfer Agent of any transfer tax which may be payable by reason of the transfer and a written declaration, if required by any applicable law or by Noranda, as to the residence of the Transferee(s) and such other matters as may be required by law or requested by Noranda in order to determine the entitlement of the Transferee(s) to such Common Shares, in which case such Common Shares will be registered in the name or names so directed in the written notice. Such conversion will be deemed to have been made at 5:00 p.m. (Toronto time) on the Final Redemption Date, so that the rights of the holder of such Series 2 Shares as the holder thereof will cease at such time and the person or persons entitled to receive Common Shares upon such conversion will be treated for all purposes as having become the holder or holders of record of such Common Shares at such time.

(3) **Pro Rata Conversion.** If less than all of the then outstanding Series 2 Shares are at any time to be converted at the option of Noranda, then: (i) the particular Series 2 Shares to be so converted will be selected on a pro rata basis; and (ii) any Series 2 Shares not converted pursuant to this section 5 will be redeemed pursuant to subsection 3(3).

 - (b) Subject to these Series 2 Provisions upon the exercise of the Conversion Right any holder of Series 2 Shares to be converted (or, if applicable, any Transferee) will be deemed to have become a holder of Common Shares of record for all purposes on the Final Redemption Date, notwithstanding any delay in the delivery of certificates representing the Common Shares for which such Series 2 Shares have been converted.
 - (c) Upon exercise of the Conversion Right, Noranda is not required to issue Common Shares to any person whose address is in, or whom Noranda or its transfer agent has reason to believe is a resident of, any jurisdiction outside of Canada, to the extent that such issue would require compliance by Noranda with the securities or other laws of such jurisdiction.

(5) **Fractional Shares.** Where the aggregate number of Common Shares to be delivered to a holder of Series 3 Shares pursuant to Noranda's exercise of the Conversion Right includes a fraction of a Common Share, Noranda, in lieu of delivering such fractional share, will pay by cheque an amount equal to the balance of the Cash Conversion Price not otherwise satisfied by the delivery of the Common Shares.

(6) **Delivery of Shares and Share Certificates.**

- (a) On any conversion of Series 3 Shares pursuant to the exercise of the Conversion Right, the share certificates for Common Shares resulting therefrom will be delivered in the name of the holder of the Series 3 Shares converted or, if applicable, in the name of the Transferee; provided that such holder of Series 3 Shares will (i) pay any applicable security transfer taxes including, without limitation, any documentary, stamp, transfer or other taxes that may be payable in respect of any transfer involved in the issuance or delivery of such shares to a person other than such holder of Series 3 Shares or (ii) will have evidenced to the satisfaction of Noranda that such taxes, if any, have been paid.
 - (b) Subject to these Series 3 Provisions upon the exercise of the Conversion Right any holder of Series 3 Shares to be converted (or, if applicable, any Transferee) will be deemed to have become a holder of Common Shares of record for all purposes on the Final Redemption Date, notwithstanding any delay in the delivery of certificates representing the Common Shares for which such Series 3 Shares have been converted.
 - (c) Upon exercise of the Conversion Right, Noranda is not required to issue Common Shares to any person whose address is in, or whom Noranda or its transfer agent has reason to believe is a resident of, any jurisdiction outside of Canada, to the extent that such issue would require compliance by Noranda with the securities or other laws of such jurisdiction.

(7) **Exception.** Notwithstanding section 5(4)(i), Noranda shall be entitled to exercise its Conversion Right hereunder in accordance with its terms if the applicable Change of Control Event prohibiting such conversion is the occurrence of (ii) or (iii) under the definition of Change of Control Event and the applicable Take-over Bid or Control Transaction made or announced is withdrawn or terminated or expires without any person becoming an Acquiring Person, upon any such withdrawal, termination or expiry.

6. Purchase for Cancellation

Subject to section 7 and to applicable law, Noranda may, at any time, if obtainable, purchase for cancellation, by private agreement or otherwise, at the lowest price or prices at which, in the opinion of the Board of Directors, such shares are obtainable, all or from time to time any part of the then outstanding Series 3 Shares.

7. Restrictions on Dividends and Retirement of Shares

(1) **General Restrictions.** As long as any Series 3 Shares are outstanding, Noranda will not at any time, without the approval of the holders of the Series 3 Shares given as provided in section 11:

- (a) declare, pay or set apart for payment any dividends (other than stock dividends payable in shares of Noranda ranking junior to the Series 3 Shares) on shares of Noranda ranking junior to the Series 3 Shares;
- (b) except out of the net cash proceeds of a substantially concurrent issue of shares of Noranda ranking junior to the Series 3 Shares, redeem or call for redemption, purchase or otherwise pay off, retire or make any return of capital in respect of any shares of Noranda ranking as to capital junior to the Series 3 Shares;
- (c) redeem or call for redemption, purchase or otherwise retire for value or make any return of capital in respect of less than all of the Series 3 Shares then outstanding;

(e) issue any additional Series 3 Shares or any shares ranking senior to or on a parity with the Series 3 Shares, unless, in each such case, all accrued dividends up to and including those payable on the Dividend Payment Date for the last completed period for which dividends are payable on the Series 3 Shares in respect of which the rights of holders have not been extinguished, and all dividends then accrued on all other shares ranking senior to or on a parity with the Series 3 Shares with respect to the payment of dividends up to the immediately preceding respective date or dates for payment in respect of which the rights of holders of those shares have not been extinguished, have been declared, paid or set apart for payment.

(2) **Extraordinary Dividends.** As long as 123 Shares having an aggregate issue price of at least \$300 million remain outstanding, Noranda will not at any time, without the approval of the holders of the Series 3 Shares given as provided in section 10 declare, pay or set apart for payment any Extraordinary Dividends.

8. Voting Rights and Election of Directors

(1) **Election of Directors.** The holders of Series 3 Shares together with the holders of the Series 1 Shares and the holders of the Series 2 Shares will have at all times the right, voting collectively, to elect two directors to the Board of Directors at each meeting of shareholders of Noranda at which directors are to be elected. Forthwith upon the occurrence of (i) a Board Event, the holders of the Series 3 Shares together with the holders of the Series 1 Shares and the holders of the Series 2 Shares will, but only for so long as a Board Event is continuing, be entitled, voting collectively, to elect three additional directors (for a total of five). Upon the occurrence of a Board Event, the Board of Directors will, at its election and subject to applicable law, either (i) appoint such additional number of directors to which the holders of the Series 3 Shares (together with the holders of the Series 1 Shares and holders of the Series 2 Shares) are entitled to elect as a result of such occurrence and as may be proposed by the Series 123 Directors, or (ii) forthwith call a special meeting of the applicable shareholders of Noranda for the purpose of electing such additional number of directors and, if necessary, increasing the maximum number of directors that may be elected. The holders of Series 3 Shares are entitled to receive notice of and to attend all annual and special meetings of the Shareholders of Noranda called for the purpose of electing directors as provided in this subsection 8(1) and, for such purpose only, to one vote in respect of each Series 3 Share held at all such meetings.

(2) **Vacancies.** If a Series 123 Director ceases to be a director for any reason other than as a result of a Board Event ceasing to continue, the Board of Directors will fill the vacancy thereby created by appointing as soon as reasonably possible that individual who is nominated by the remaining Series 123 Directors, provided that if there are no remaining 123 Directors then in office, the Board of Directors will select the individuals to be appointed.

(3) **Meeting of Shareholders.** Except as otherwise provided by law or as specifically provided herein and except for meetings of the holders of Junior Preference Shares as a class and meetings of all holders of Series 3 Shares as a series, the holders of the Series 3 Shares will not be entitled as such to receive notice of, or to attend, or to vote at, any meeting of shareholders of Noranda.

(4) **Meeting of Holders of Series 3 Shares as a Series or Junior Preference Shares as a Class.** At any meeting of holders of Series 3 Shares as a series or together with one or more other series or Junior Preference Shares as a class, each such holder will be entitled to one vote in respect of each Series 3 Shares held.

10. Approval of Holders of Series 3 Shares

In addition to any other approvals required by law, the approval of all amendments to the rights, privileges, restrictions and conditions attaching to the Series 3 Shares as a series and any other approval to be given by the holders of Series 3 Shares as a series will be deemed to have been sufficiently given if given by a resolution carried by the affirmative vote of not less than $66\frac{2}{3}\%$ of the votes cast at a meeting of the holders of Series 3 Shares duly called and held on not less than 21 days' notice at which the holders of at least a majority of the outstanding Series 3 Shares are present or are represented by proxy, or if no quorum is present at such meeting, at an adjourned meeting at which the holders of the Series 3 Shares then present would form the necessary quorum. If at the meeting the holders of a majority of the outstanding Series 3 Shares are not present or represented by proxy within 30 minutes after the time appointed for the meeting, the meeting will be adjourned to such date, not less than 15 days afterwards, and to such time and place as the chairman may designate, and not less than 10 days' written notice will be given of the adjourned meeting. Subject to the foregoing, the formalities to be observed in respect of the giving of notice of any meeting or adjourned meeting and the conduct of any such meeting will be those prescribed from time to time in the by-laws of Noranda with respect to meetings of shareholders.

11. Capital Reorganizations and Amalgamations of Noranda

In the event of a capital reorganization, merger or amalgamation of Noranda or comparable transaction affecting the Series 3 Shares, holders of the Series 3 Shares will be entitled to receive pursuant to the exercise of the Conversion Right, and each such holder will accept, the number of shares or other securities or consideration of Noranda or a corporation resulting, surviving or continuing from the capital reorganization, merger, amalgamation or comparable transaction that such holder would have received had such holder been a holder of Common Shares immediately prior to the record date of the capital reorganization, merger, amalgamation or comparable transaction.

12. Notices

(1) **Notice to Noranda.** Subject to applicable law, any notice, request or other communication to be given to Noranda by a holder of Series 3 Shares must be in writing and will be valid and effective if given by mail (postage prepaid) or by electronic communication or by delivery to the registered office of Noranda and addressed to the attention of the Secretary. Any such notice, request or other communication, if given by mail, electronic communication or delivery, will be deemed to have been given and received only on actual receipt by Noranda.

(3) **Notice to Holders of Series 3 Shares.** Subject to applicable law, any notice, including but not limited to the Redemption Notice and the Conversion Notice, request or other communication to be given to a holder of Series 3 Shares by or on behalf of Noranda must be in writing and will be valid and effective if given by ordinary unregistered first class mail (postage prepaid) or by electronic communication or by delivery to the address of the holder recorded in the securities register of Noranda or, in the case of joint holders, to the address of that one whose name appears first in the register of holders as one of such joint holders. Any such notice, request or other communication, if given by mail, will be deemed to have been given and received on the fifth Business Day following the date of mailing and, if given by electronic communication or by delivery, will be deemed to have been given and received on the date of electronic communication or delivery. Accidental failure or omission to give any notice, request or other communication to one or more holders of Series 3 Shares, or any defect in such notice, will not invalidate or otherwise alter or affect any action or proceeding to be taken by Noranda pursuant to that notice, request or other communication.

13. Tax Election

Noranda will elect, in the manner and within the time provided under Section 191.2 in Part VI.1 of the Tax Act or any successor or replacement provision of similar effect, and take all other necessary action under the Tax Act, to pay or cause payment of the tax under Part VI.1 of the Tax Act at a rate such that the corporate holders of the Series 3 Shares will not be required to pay tax under Part IV.1 of the Tax Act on dividends received on such shares.

14. Return of Unclaimed Funds to Noranda

Subject to applicable laws, Noranda will have the right, with respect to any funds deposited by Noranda to any chartered bank or trust company in respect of amounts due to holders of Series 3 Shares, on or after the second anniversary date of the deposit of such funds to any chartered bank or trust company, to require that such chartered bank or trust company return to Noranda any funds which remain unclaimed by holders of the Series 3 Shares. If at any time following the return of the unclaimed funds to Noranda, either Noranda or the chartered bank or trust company receives a request from a holder of Series 3 Shares for the holder's unclaimed entitlement to any amount due to the holder in respect of the holder's Series 3 Shares, Noranda will promptly arrange for the payment of such amount to the holder.

15. Wire or Electronic Transfer of Funds

Notwithstanding any other right, privilege, restriction or condition attaching to the Series 3 Shares, Noranda may, at its option, make any payment due to a holder of Series 3 Shares hereunder by way of a wire or electronic transfer of funds to each registered holder of Series 3 Shares. In the event that a payment is made by way of a wire or electronic transfer of funds, Noranda will be responsible for any applicable charges or fees relating to the making of such transfer. As soon as practicable following the determination by Noranda that a payment is to be made by way of a wire or electronic transfer of funds, Noranda will notify each registered holder of Series 3 Shares at the address of such holder as it appears on the register of holders. Such notice by Noranda will request that each registered holder of Series 3 Shares provide the particulars of an account of such holder with a chartered bank or trust company in Canada to which the wire or electronic transfer of funds

will be directed. In the event that Noranda does not receive account particulars from a registered holder of Series 3 Shares prior to the date such payment is to be made, Noranda will deposit the funds otherwise payable to such holder in a special account or accounts in trust for each respective holder. The making of a payment by way of a wire or electronic transfer of funds or, in the case where a registered holder of the Series 3 Shares has not provided Noranda with account particulars for a wire or electronic transfer of funds, the deposit by Noranda of the funds otherwise payable to such holder in a special account or accounts in trust for such holder, will be deemed to constitute payment by Noranda on the date thereof and will satisfy and discharge all liabilities of Noranda for such payment to the extent of the amount represented by such transfer.

16. Additional Series

As long as any of the 123 Shares are outstanding, Noranda may not issue any additional Preferred Shares, other than Cumulative Redeemable Preferred Shares, Series F issuable upon the conversion of Cumulative Redeemable Preferred Shares, Series G and Cumulative Redeemable Preferred Shares, Series G issuable upon the conversion of Cumulative Redeemable Preferred Shares, Series F, without the approval of the holders of the 123 Shares expressed by resolution of the holders of all such shares voting together. For this purpose, the approval to be given will be deemed to have been sufficiently given if given by a resolution carried by the affirmative vote of not less than $66\frac{2}{3}\%$ of the votes cast at a meeting of the holders of 123 Shares duly called and held on not less than 21 days' notice at which the holders of at least a majority of the outstanding 123 Shares are present or are represented by proxy, or if no quorum is present at such meeting, at an adjourned meeting at which the holders of the 123 Shares then present would form the necessary quorum. If at the meeting the holders of a majority of the outstanding 123 Shares are not present or represented by proxy within 30 minutes after the time appointed for the meeting, the meeting will be adjourned to such date, not less than 15 days afterwards, and to such time and place as the chairman may designate, and not less than 10 days' written notice will be given of the adjourned meeting. Subject to the foregoing, the formalities to be observed in respect of the giving of notice of any meeting or adjourned meeting and the conduct of any such meeting will be those prescribed from time to time in the by-laws of Noranda with respect to meetings of shareholders.

2.1 Requests for Registration. At any time and from time to time after the Closing Date, any Holder may request registration of all or part of its Registrable Shares for sale in Canada and/or the United States (provided, in the case of a United States registration, that the Corporation is, at such time, eligible to use the United States Multijurisdictional Disclosure System), provided, however, that:

2.1.1 the Corporation shall not be obligated to register, pursuant to this section 2.1, Registrable Shares with a Current Stock Market Value of less than C\$200,000,000, determined as of the date of the applicable request for registration hereunder;

2.1.2 the Corporation shall not be obligated to register Registrable Shares pursuant to this section 2.1 on more than three occasions in the aggregate;

2.1.3 the Corporation shall not be obligated to register Registrable Shares pursuant to this section 2.1 if the Corporation delivers notice to the holders of Registrable Shares as soon as practicable after any request hereunder that the Corporation in good faith believes that it will file a registration statement for a public offering of Common Shares within 90 days of such request, provided, however, that the Corporation shall have the right to refuse a registration on such grounds only one time during any period of 12 consecutive months;

2.1.4 the Corporation shall not be required to cause a registration statement pursuant to this section 2.1 to be declared effective within a period of (i) 180 days after the effective date of any registration statement of the Corporation filed pursuant to a Demand Registration or (ii) 90 days after the effective date of any other registration statement of the Corporation filed pursuant to section 3.1;

2.1.5 if the Corporation in good faith believes that any registration or continued registration of Registrable Shares would require the disclosure of information that would

be materially detrimental to the Corporation and its shareholders or the disclosure of which would materially adversely affect the Corporation's ability to consummate a material acquisition, corporate reorganization or merger or other transaction involving the Corporation (a **Valid Business Reason**):

2.1.5.1 the Corporation may postpone filing a registration statement relating to a Demand Registration until such Valid Business Reason no longer exists, but in no event for more than 90 days, and

2.1.5.2 in case a registration statement has been filed relating to a Demand Registration, if the Valid Business Reason has not resulted from actions taken by the Corporation, the Corporation may cause such registration statement to be withdrawn or may postpone amending or supplementing such registration statement until such Valid Business Reason no longer exists, but in no event for more than 60 days (such period of postponement or withdrawal under sections 2.1.5.1 and 2.1.5.2, the **Postponement Period**);

and the Corporation shall give written notice of its determination to postpone or withdraw a registration statement and of the fact that the Valid Business Reason for such postponement or withdrawal no longer exists, in each case, promptly after the occurrence thereof. If the Corporation gives any notice of postponement or withdrawal of any registration statement, the Corporation shall not, during the period of postponement or withdrawal, register or continue the registration of any Common Shares. Each Holder of Registrable Shares agrees that, upon receipt of any notice from the Corporation that the Corporation has determined to withdraw any registration statement pursuant to clause 2.1.5.2 above, such party will discontinue its disposition of Registrable Shares pursuant to such registration statement and, if so directed by the Corporation, will deliver to the Corporation (at the Corporation's expense) all copies, other than permanent file copies, then in such party's possession, of the prospectus covering such Registrable Shares that was in effect at the time of receipt of such notice. If the Corporation shall have withdrawn a registration statement filed under this section 2.1, the Corporation shall pay all expenses incurred by the Holders in connection with such registration statement and shall not be considered to have effected an effective registration for the purposes of this Agreement until the Corporation shall have filed a new registration statement covering the Registrable Shares covered by the withdrawn registration statement and such registration statement shall have been declared effective and shall not have been withdrawn. If the Corporation shall give any notice of withdrawal or postponement of a registration statement, the Corporation shall, at such time as the Valid Business Reason that caused such withdrawal or postponement no longer exists (but in no event later than 60 days after the date of the withdrawal or postponement), use its best efforts to effect the registration of the Registrable Shares covered by the withdrawn or postponed registration statement in accordance with this section 2.1 (unless the initiating Holders shall have withdrawn such request, in which case the Corporation shall not be considered to have effected an effective registration for the purposes of this Agreement). The Corporation agrees that it shall have the right to postpone or withdraw a registration statement pursuant to this section 2.1.5 only one time during any period of 12 consecutive months.

2.1.6 All registrations requested pursuant to this section 2.1 shall be referred to herein as **"Demand Registrations"**.

2.2 Priority on Demand Registrations. The Holders of a majority of the Registrable Shares to be sold pursuant to a Demand Registration shall, upon mutual agreement, designate a managing underwriter of recognized standing, if applicable, for such offering, which underwriter shall be acceptable to the Corporation, acting reasonably. If the managing underwriter advises the Corporation in writing that in its opinion the number of Registrable Shares (i) creates a substantial risk that the price per share in such registration will be materially and adversely affected, or (ii) exceeds the number of Registrable Shares that can be sold in such offering, then the Corporation will include in such registration, prior to the inclusion of any securities that are not Registrable Shares, the number of Registrable Shares requested to be included that, in the opinion of such underwriter, can be sold, pro rata among the respective Holders on the basis of the number of Registrable Shares owned by such Holders.

ARTICLE 3

PIGGYBACK REGISTRATIONS

3.1 Right to Piggyback. At any time and from time to time after the Closing Date, whenever the Corporation proposes to register any of its Common Shares (including, without limitation, a Demand Registration) in Canada, the United States or both and the registration form to be used may be used for the registration of Registrable Shares (a **"Piggyback Registration"**), the Corporation will give prompt written notice to all Holders of Registrable Shares of its intention to effect such a registration (which notice shall be given not less than (i) in the case of a Demand Registration, ten days after receipt by the Corporation of a request therefor pursuant to section 2.1, and (ii) in all other cases, 20 days prior to the date the registration statement is to be filed) and, subject to the terms hereof, will include, subject to sections 3.3, 3.4 and 3.5, in such registration and in such jurisdictions as it proposed to effect the registration all Registrable Shares with respect to which the Corporation has received written requests for inclusion therein within 15 days after the receipt of the Corporation's notice.

3.2 Determination not to Register and Delays in Registration. If at any time after giving written notice of its intention to register any Common Shares and prior to the effective date of the registration statement filed in connection with such registration, the Corporation shall determine for any reason not to register or to delay registration of such Common Shares, the Corporation may, at its election, give written notice of such determination to all Holders, and (i) in the case of a determination not to register, shall be relieved of its obligation to register any Registrable Shares in connection with such abandoned registration, without prejudice, however, to the rights of Holders under section 2.1 and (ii) in the case of a determination to delay such registration of Common Shares, shall be permitted to delay the registration of such Registrable Shares for the same period as the delay in registering such other Common Shares.

Table of Contents

- 3.3 Priority on Primary Registrations.** If a Piggyback Registration is an underwritten primary registration on behalf of the Corporation, and the managing underwriter advises the Corporation in writing that in its opinion the number of Registrable Shares and other securities requested to be included in such registration (i) creates a substantial risk that the price per share in such registration will be materially and adversely affected, or (ii) exceeds the number of Registrable Shares and other securities that can be sold in such offering, then the Corporation will include in such registration: first, the securities the Corporation proposes to sell; second, the Registrable Shares requested to be included in such registration to the extent that, in the opinion of such underwriter, they can be sold, pro rata among the Holders of such Registrable Shares on the basis of the number of Registrable Shares owned by such Holders and requested to be so registered, and third, other securities requested to be included in such registration to the extent that, in the opinion of such underwriter, they can be sold; provided, however, that in the case of any Demand Registration, the terms of section 2.2 shall supersede and control the terms of this section 3.3.
- 3.4 Priority on Secondary Registrations.** If a Piggyback Registration is not an underwritten primary registration but is an underwritten secondary registration on behalf of holders of the Corporation's Common Shares, and the managing underwriter advises the Corporation in writing that in its opinion the number of securities requested to be included in such registration (i) creates a substantial risk that the price per share in such registration will be materially and adversely affected, or (ii) exceeds the number of Registrable Shares and other securities that can be sold in such offering, then the Corporation will include in such registration only: first, the securities requested to be included therein by the holders requesting such registration, second, any Registrable Shares requested to be included in such registration to the extent that, in the opinion of such underwriter, they can be sold, pro rata among the Holders of such Registrable Shares on the basis of the number of Registrable Shares owned by such Holders and requested to be so registered, and third, other securities requested to be included in such registration to the extent that, in the opinion of such underwriter, they can be sold; provided, however, that in the case of any Demand Registration, the terms of section 2.2 shall supersede and control the terms of this section 3.4.
- 3.5 Other Registrations.** If the Corporation has previously received a request for a Demand Registration pursuant to Article 2 or has previously filed a registration statement with respect to Registrable Securities pursuant to this Article 3, and if such previous request or registration has not been withdrawn or abandoned, the Corporation will not, except (i) after receiving Holder Approval or (ii) as otherwise contemplated by section 3.5, file or cause to be effected any other registration of any of its Common Shares or securities convertible or exchangeable into Common Shares (except on Form F-4, Form F-7, Form F-8, Form S-8 or any successor forms or except pursuant to a similar registration under Canadian Securities Laws), whether on its own behalf or at the request of any holder or holders of such securities, until a period of 90 days has elapsed from the effective date of such Demand Registration or previous registration.
- 3.6 Holders Withdrawal Right.** Any Holder shall have the right to withdraw its request for inclusion of its Registrable Shares in any registration statement pursuant to section 3.1 by

Table of Contents

giving written notice to the Corporation of its request to withdraw; provided, however, that (i) such request must be made in writing prior to the execution of the underwriting agreement (or such other similar agreement) with respect to such registration and (ii) such withdrawal shall be irrevocable and, after making such withdrawal, a Holder shall no longer have any right to include Registrable Shares in the registration as to which such withdrawal was made.

**ARTICLE 4
HOLDBACK AGREEMENTS**

4.1 Holders of Registrable Shares. If requested by the managing underwriter of any registration effected pursuant to an underwriting agreement pursuant to section 2.1 or 3.1, each of the Holders of Registrable Shares agrees (and shall sign an agreement to such effect in the form mutually agreed with the managing underwriter, if the managing underwriter requests such agreement), not to effect any public sale or distribution of Common Shares, or any securities convertible into or exchangeable or exercisable for Common Shares, or any hedging or similar transactions, during the 15 days prior to and a period of up to 180 days following the effective date of any underwritten Demand Registration or any underwritten Piggyback Registration (except as part of such underwritten registration); provided that all directors, officers and holders of at least 5% of any class of capital stock of the Corporation agree to the same.

4.2 The Corporation. If requested by the managing underwriter of any registration effected pursuant to an underwriting agreement pursuant to section 2.1 or 3.1, the Corporation agrees (and shall sign an agreement to such effect in the form mutually agreed with the managing underwriter, if the managing underwriter requests such agreement), (i) not to effect any public sale or distribution of its Common Shares, or any securities convertible into or exchangeable or exercisable for Common Shares, during the 15 days prior to and a period of up to 180 days following the effective date of any underwritten Demand Registration or any underwritten Piggyback Registration (except as part of such underwritten registration), and (ii) to use all commercially reasonable efforts to cause each holder of at least 5% (on a fully-diluted basis) of its Common Shares (other than Common Shares acquired in a public trading market), or any securities convertible into or exchangeable or exercisable for Common Shares, purchased from the Corporation at any time after the date of this Agreement to agree (and to sign an agreement to such effect in the form mutually agreed with the managing underwriter, if the managing underwriter requests such agreement), not to effect any public sale or distribution of any such securities during such period (except as part of such underwritten registration).

**ARTICLE 5
REGISTRATION PROCEDURES**

5.1 Corporation's Obligations. If and whenever required to register any Registrable Shares pursuant to sections 2.1 and 3.1 of this Agreement, the Corporation will use its best efforts to effect the registration and the sale of such Registrable Shares in accordance

with the intended method of disposition thereof, and pursuant thereto the Corporation will as expeditiously as possible:

5.1.1 prepare and file with the Commission and/or Canadian securities regulatory authorities within 60 days of the date of such request a registration statement with respect to such Registrable Shares and cause such registration statement to become and remain effective for such period as may be reasonably necessary to effect the sale of such securities as described in such request;

5.1.2 prepare and file with the Commission and/or Canadian securities regulatory authorities such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective and comply with the provisions of the Securities Act and/or Canadian Securities Laws, as applicable, with respect to the disposition of all securities covered by such registration statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such registration statement;

5.1.3 furnish to each seller of Registrable Shares and the underwriters of the securities being registered such number of copies of such registration statement, each amendment and supplement thereto, the prospectus included in such registration statement (including each preliminary prospectus) and such other documents as such seller or underwriters may reasonably request in order to facilitate the disposition of the Registrable Shares owned by such seller or the sale of such securities by such underwriters;

5.1.4 use its commercially reasonable efforts to register or qualify such Registrable Shares under such other securities or blue sky laws of such jurisdictions as any seller or, in the case of an underwritten public offering, the managing underwriter, reasonably requests and do any and all other acts and things which may be reasonably necessary to enable such seller to consummate the disposition in such jurisdictions of the Registrable Shares owned by such seller; provided, however, that the Corporation will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this subsection or (ii) consent to general service of process in any such jurisdiction;

5.1.5 use its commercially reasonable efforts to cause all such Registrable Shares to be listed not later than five business days after the effective date of the registration statement on each securities exchange on which similar securities issued by the Corporation are then listed;

5.1.6 provide a transfer agent and registrar for all such Registrable Shares not later than the effective date of such registration statement;

5.1.7 enter into such customary agreements (including underwriting agreements in customary form) and take all such other actions as the Holders of a majority of the Registrable Shares being sold or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Shares;

5.1.8 make available for inspection by any seller of Registrable Shares, any underwriter participating in any disposition pursuant to such registration statement, and any attorney, accountant or other agent retained by any such seller or underwriter, all financial and other records, pertinent corporate documents and properties of the Corporation, and cause the Corporation's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with the preparation of such registration statement;

5.1.9 notify each seller of such Registrable Shares, promptly after it shall receive notice thereof, of the time when such registration statement has become effective or a supplement to any prospectus forming a part of such registration statement has been filed;

5.1.11 prepare and file with the Commission and/or Canadian securities regulatory authorities, promptly upon the request of any seller of such Registrable Shares, any amendments or supplements to such registration statement or prospectus which, in the written opinion of counsel selected by the holders of a majority of the Registrable Shares being registered, may be required under the Securities Act or Canadian Securities Laws in connection with the distribution of Registrable Shares by such seller;

5.1.12 prepare and promptly file with the Commission and/or Canadian securities regulatory authorities and promptly notify each seller of such Registrable Shares of the filing of such amendment or supplement to such registration statement or prospectus as may be necessary to correct any statements or omissions if, at the time when a prospectus relating to such securities is required to be delivered under the Securities Act and/or Canadian Securities Laws, any event shall have occurred as the result of which any such prospectus or any other prospectus as then in effect would include a misleading or untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

5.1.13 advise each seller of such Registrable Shares, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission or any Canadian securities regulatory authorities suspending the effectiveness of such registration statement or the initiation or threatening of any proceeding for such purpose and promptly use its best efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order is issued;

5.1.14 at least 72 hours prior to the filing of any registration statement or prospectus or any amendment or supplement to such registration statement or prospectus furnish a copy thereof to each seller of such Registrable Shares and refrain from filing any such registration statement, prospectus, amendment or supplement to which counsel selected by the Holders of a majority of the Registrable Shares being registered shall have objected in writing on the grounds that such amendment or supplement may not comply

in all material respects with the requirements of the Securities Act and/or Canadian Securities Laws;

5.1.15 at the request of any seller of such Registrable Shares furnish on the date or dates provided for in the underwriting agreement, if any, or upon the effective date of the registration statement: (i) an opinion of counsel, addressed to the underwriters, if any, and the sellers of Registrable Shares, covering such matters as such underwriters, if any, and sellers may reasonably request and as are customarily covered by the issuer's counsel in an underwritten offering; and (ii) a letter or letters from the independent certified public accountants of the Corporation addressed to the underwriters, if any, and the sellers of Registrable Shares, covering such matters as such underwriters, if any, and sellers may reasonably request and as are customarily covered in accountant's letters in connection with an underwritten offering;

5.1.16 during such time as any Holders of Registrable Securities may be engaged in a distribution of Registrable Shares under the Securities Act, comply with Regulation M promulgated under the Exchange Act or any equivalent provision under Canadian Securities Laws, in each case to the extent applicable;

5.1.17 participate with the Holders of Registrable Securities and make available at reasonable times its senior executives, including its chief executive officer and chief financial officer, at any road show in connection with an underwritten offering; and

5.1.18 otherwise use its best efforts to comply with the provisions of the Securities Act and/or Canadian Securities Laws with respect to the disposition of all securities covered by such registration statement in accordance with the intended method of disposition and, if applicable, to make generally available to its security holders, as soon as reasonably practicable, an earnings statement satisfying the provisions of section 11(a) of the Securities Act and Rule 158 thereunder or any equivalent provision under Canadian Securities Laws.

5.2 Holders' Obligations. Each Holder of Registrable Shares that sells Registrable Shares pursuant to a registration under this Agreement agrees as follows:

5.2.1 such seller shall cooperate as reasonably requested by the Corporation with the Corporation in connection with the preparation of the registration statement, and for so long as the Corporation is obligated to file and keep effective the registration statement, shall provide to the Corporation, in writing, for use in the registration statement, all such information regarding such seller and its plan of distribution of the Registrable Shares as may be reasonably necessary to enable the Corporation to prepare the registration statement and prospectus covering the Registrable Shares, to maintain the currency and effectiveness thereof and otherwise to comply with all applicable requirements of law in connection therewith; and

5.2.2 during such time as such seller may be engaged in a distribution of the Registrable Shares, such seller shall (i) comply with Regulation M promulgated under the Exchange Act or any equivalent provision under Canadian Securities Laws, in each case to the

extent applicable, (ii) distribute the Registrable Shares under the registration statement solely in the manner described in the registration statement and (iii) cease distribution of such Registrable Shares pursuant to such registration statement upon receipt of written notice from the Corporation that the prospectus covering the Registrable Shares contains any misleading or untrue statement of a material fact or omits a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading.

5.3 Failure to Comply. Any Holder who shall fail to provide the Corporation with any of the information required by section 5.2.1 shall be deemed to have requested that its Registrable Shares be withdrawn from such registration statement and (i) in the case of a registration pursuant to section 3.1, the deemed withdrawal shall be irrevocable and the Holder shall no longer have any right to include Registrable Shares in the registration (as set forth in section 3.6) and (ii) in the case of a registration pursuant to section 2.1, the Corporation shall be deemed to have registered Registrable Shares for the purpose of calculating the number of Demand Registrations to which the Holders are still entitled pursuant to section 2.1.2.

**ARTICLE 6
REGISTRATION EXPENSES.**

6.1 Corporation's Expenses on a Demand Registration. All expenses incident to the Corporation's performance of or compliance with Article 2 of this Agreement, including, without limitation, all registration, listing and filing fees, fees of transfer agents and registrars, fees and expenses of compliance with securities or blue sky laws, fees of the National Association of Securities Dealers, Inc. (and any Canadian equivalent), printing expenses, road show expenses, fees and disbursements of counsel for the Corporation, fees and expenses of the Corporation's independent certified public accountants, the expenses and fees for listing the securities to be registered on each securities exchange on which any Common Shares are then listed and the fees and expenses of any underwriters (excluding underwriting discounts and commissions attributable to the Registrable Shares included in such registration) and other Persons retained by the Corporation (all such expenses being herein called **Registration Expenses**), will be borne by the Holders. The Corporation will pay its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review and the expense of any liability insurance obtained by the Corporation.

6.2 Corporation's Expenses on a Piggyback Registration. All expenses incident to the Corporation's performance of or compliance with Article 3 of this Agreement, including, without limitation, all Registration Expenses will be borne pro rata by the Corporation and the Holders, based on the number of Registrable Shares included in the applicable offering relative to the number of Registrable Shares included in such offering by the Corporation and the Holders. The Corporation will pay its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing

legal or accounting duties), the expense of any annual audit or quarterly review and the expense of any liability insurance obtained by the Corporation.

- 6.3 Withdrawal.** Notwithstanding section 6.1 above, the Holders of the Registrable Shares agree that in the event any such Holders withdraw any registration demand, such Holders shall either pay the Registration Expenses incurred in such registration or count such withdrawn demand toward their three permitted demands, as set forth in section 2.1.

**ARTICLE 7
INDEMNIFICATION.**

- 7.1 Indemnification by the Corporation.** In the event of a registration of the Registrable Shares pursuant to the terms hereof, the Corporation agrees to indemnify, hold harmless and defend, to the fullest extent permitted by law, each seller of Registrable Shares, its officers, directors and partners and each Person who controls such seller (within the meaning of the Securities Act, the Exchange Act or Canadian Securities Laws) against all losses, claims, damages, liabilities and expenses (including, without limitation, legal and other expenses except as limited by section 7.4), including any of the foregoing incurred in settlement of any litigation, commenced or threatened, caused by (i) any misleading or untrue or alleged misleading or untrue statement of a material fact contained in any registration statement under which such Registrable Shares were registered, any prospectus or preliminary prospectus contained therein or any amendment thereof or supplement thereto, (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading, or (iii) any violation by the Corporation of the Securities Act, the Exchange Act and Canadian Securities Laws or any rule or regulation promulgated under such laws applicable to the Corporation and relating to action or inaction required of the Corporation. In connection with an underwritten offering, the Corporation will indemnify such underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act, the Exchange Act or Canadian Securities Laws) to the same extent as provided above with respect to the indemnification of the sellers of Registrable Shares (and with the same exception above with respect to information furnished by such underwriter or controlling person thereof) and in connection therewith the Corporation shall enter into an underwriting agreement in customary form containing such provisions for indemnification and contribution as shall be reasonably requested by the underwriters. The reimbursements required by this section 7.1 will be made by periodic payments during the course of the investigation or defense, as and when bills are received or expenses incurred. Notwithstanding the foregoing, the Corporation shall not be liable to any such indemnified party in any such case to the extent such claim arises solely out of any untrue statement or alleged untrue statement of a material fact or omission or alleged omission of a material fact made in such registration statement or amendment thereof or supplement thereto or in any such prospectus or any preliminary, final or summary prospectus or amendment or supplement thereto in reliance upon, and in conformity with, written information furnished to the Corporation by, or on behalf of, such indemnified party specifically for use therein.

7.2 Indemnification by the Holders. In the event of a registration of the Registrable Shares pursuant to the terms hereof, each Holder that sells any Registrable Shares pursuant thereto agrees to jointly and severally indemnify, hold harmless and defend, to the fullest extent permitted by law, the Corporation, its directors and officers and each Person who controls the Corporation (within the meaning of the Securities Act, the Exchange Act or Canadian Securities Laws) and each underwriter and controlling person thereof against all losses, claims, damages, liabilities and expenses (including, without limitation, legal and other expenses except as limited by section 7.4), including any of the foregoing incurred in settlement of any litigation, commenced or threatened, caused by (i) any misleading or untrue or alleged misleading or untrue statement of a material fact contained in any registration statement under which such Registrable Shares were registered, any prospectus or preliminary prospectus contained therein, or any amendment thereof or supplement thereto, (ii) any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading, or (iii) any violation by the Corporation of the Securities Act, the Exchange Act and Canadian Securities Laws or any rule or regulation promulgated under such laws applicable to the Corporation and relating to action or inaction required of the Corporation, but only to the extent that such misleading or untrue or alleged misleading or untrue statement or omission or alleged omission is contained in any information so furnished in writing to the Corporation or any managing underwriter by such seller or a controlling person thereof expressly for use therein. The reimbursements required by this section 7.2 will be made by periodic payments during the course of the investigation or defense, as and when bills are received or expenses incurred.

7.3 Procedure. Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give such notice shall not limit the rights of such Person except to the extent such failure to give notice shall materially prejudice the rights of the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment (with written advice of counsel) a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party will not enter into any settlement without the indemnified party's prior written consent unless such settlement includes an unconditional release of the indemnified party from liability relating to the claim. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment (with written advice of counsel) of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim.

7.4 Alternative Contribution. Each party hereto agrees that, if for any reason the indemnification provisions contemplated by section 7.1 or section 7.2 are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to therein, then

Table of Contents

each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contribution pursuant to this section 7.4 were determined by pro rata allocation (even if the holders or any underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this section 7.4. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or, except as provided in section 7.3, defending any such action or claim. Notwithstanding the provisions of this section 7.4, no holder shall be required to contribute an amount greater than the dollar amount of the proceeds received by such holder with respect to the sale of any Registrable Shares. No person guilty of fraudulent misrepresentation (within the meaning of section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The holders' obligations in this section 7.4 to contribute shall be several in proportion to the amount of Registrable Shares registered by them and not joint.

7.5 Full Force and Effect. The indemnification and contribution provided for under this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party.

**ARTICLE 8
OTHER COVENANTS AND AGREEMENTS**

8.1 Compliance with Rule 144. The Corporation shall (i) make and keep public information available, as those terms are understood and defined in Rule 144, (ii) file with the Commission and Canadian securities regulatory authorities in a timely manner all reports and other documents required of the Corporation under the Securities Act, the Exchange Act and Canadian Securities Laws and (iii) at the request of any holder who proposes to sell securities in compliance with Rule 144 or an equivalent prospectus exemption under Canadian Securities Laws, forthwith furnish to such holder a written statement of compliance with the reporting requirements of the Commission as set forth in Rule 144 and compliance with equivalent provisions of Canadian Securities Laws and make available to such holders such information as will enable the holders to make sales

pursuant to Rule 144 or an equivalent prospectus exemption under Canadian Securities Laws.

8.2 Participation in Underwritten Registrations. No Person may participate in any registration hereunder which is underwritten unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

8.3 No Inconsistent Agreements. The Corporation will not hereafter enter into any agreement with respect to its securities which is inconsistent with the rights granted to the holders of the Registrable Shares in this Agreement.

8.4 Transfer of Registration Rights. The rights and obligations granted to each Holder under this Agreement may not be assigned to any Person.

8.5 Termination of Registration Rights. The registration rights hereunder shall terminate on such date as the Holders together, directly or indirectly, own less than 5% of the then issued and outstanding Common Shares.

**ARTICLE 9
GENERAL**

9.1.1 **Remedies.** Any Person having rights under any provision of this Agreement will be entitled to enforce such rights specifically, to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law.

9.1.2 **Amendments and Waivers.** Except as otherwise expressly provided herein, the provisions of this Agreement may be amended or waived at any time only by the written agreement of the Corporation and Holder Approval; provided that any such amendment or waiver shall apply equally to all Holders of Registrable Shares. Any waiver, permit, consent or approval of any kind or character on the part of any such holders of any provision or condition of this Agreement must be made in writing and shall be effective only to the extent specifically set forth in writing.

9.1.3 **Successors and Assigns.** Except as otherwise expressly provided herein, all covenants and agreements contained in this Agreement by or on behalf of any of the parties hereto will bind and inure to the benefit of the respective successors and assigns of the parties hereto.
