PROXY STATEMENT

This statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Eltek Ltd. to be voted at the Annual General Meeting of Shareholders, or the Meeting, to be held on Thursday, December 29, 2002 and any adjournment thereof. Shareholders will be asked to vote upon: (i) the adoption of our Amended and Restated Articles of Association (ii) the election of one Class I director, two Class II directors and two Class III directors; (iii) the terms of compensation for our outside directors; (iv) the terms of compensation for our independent director; (v) the grant of 30,000 stock options to the Chairman of our Board of Directors (vi) the grant of bonus to the Chairman of our Board of Directors (vii) the compensation of the Chairman of our Board of Directors and reimbursement of expenses to be incurred by him; (viii) appointment of Somekh Chaikin, a member of KPMG, as our independent auditors for the year ending December 31, 2002; and (ix) consideration and receipt of our Auditor's Report, Directors' Report and Consolidated Financial Statements for the fiscal year ended December 31, 2001. Our 2001 Annual Report on Form 20-F, including our audited financial statements for the fiscal year ended December 31, 2001, and the proxy card enclosed with this Proxy Statement are being mailed to shareholders on or about November 29, 2002.

Shares eligible to be voted and for which a proxy card is properly signed and returned at least 48 hours prior to the beginning of the Meeting will be voted as directed. If directions are not given or directions are not in accordance with the options listed on a signed and returned proxy card, such shares will be voted FOR the nominees for director and each proposition for which the Board of Directors recommends a vote FOR. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes. You may revoke your proxy at any time prior to the exercise of authority granted in the proxy by giving a written notice of revocation to our Corporate Secretary, by submitting a subsequently dated, validly executed proxy, or by voting in person.

As of November 26, 2002, the record date for determination of shareholders entitled to vote at the Meeting, there were outstanding 4,855,651 ordinary shares. Each ordinary share entitles the holder to one vote. The ordinary shares have a par value of NIS 0.6 per share. The presence of two shareholders, holding at least fifty percent of our share capital voting rights, represented in person or by proxy at the Meeting, will constitute a quorum. Proposal 1 requires the affirmative vote of the holders of seventy-five percent (75%) of the ordinary shares represented at the Meeting in person or by proxy and voting thereon. Except with respect to proposal 1, an affirmative vote of the holders of a majority of the ordinary shares represented at the Annual

Edgar Filing: ELTEK LTD - Form 6-K

General Meeting, in person or by proxy and voting thereon is required to approve each of the proposals to be presented at the Meeting.

A broker who is the record owner of ordinary shares beneficially owned by a customer will have discretionary authority to vote such ordinary shares in the election of directors and all other proposals herein if the broker has not received voting instructions from the beneficial owner by the tenth day before the Meeting, provided that this Proxy Statement was transmitted to the beneficial owner at least 15 days before the Meeting. Abstentions and broker "non-votes" are not counted in determining outcomes of matters being acted upon. They are counted only for determining a meeting quorum. A broker "non-vote" occurs when a nominee holding ordinary shares of our company for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

We have received indications from our principal shareholders (including Joseph A. Maiman, Integral International Inc., A. Sariel Ltd., Ohad Maiman and Michele Yankielowicz) and directors and officers, who together hold approximately 42.3% of our issued and outstanding ordinary shares, that they presently intend to vote for all of the nominees for director and in favor of all of the proposals to be acted upon at the Meeting.

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited personally or by telephone by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in accordance with the regulations of the Securities and Exchange Commission concerning the sending of proxies and proxy material to the beneficial owners of our stock.

You may vote by submitting your proxy with voting instructions by mail if you promptly complete, sign, date and return the accompanying proxy card in enclosed self-addressed envelope to our transfer agent or to our registered office in Israel at least 48 hours prior to the Meeting.

ADOPTION OF THE COMPANY'S AMENDED AND RESTATED ARTICLES OF ASSOCIATION (Item 1 on the Proxy Card)

Our existing Articles of Association were filed with the Israeli Companies Registrar on September 25, 1996. However, due to changes in Israel's business and legal environment and the effectiveness of the new Israeli Companies Law as of February 1, 2000, our Articles of Association are outdated, and we believe that they do not provide us or our shareholders with the flexibility required to conduct our operations in the most efficient and productive manner. Therefore we are adopting the new Articles of Association. The proposed Articles of Association may be inspected without charge and copied at our offices located at Sgoola Industrial Zone, P.O. Box 159 Petach Tikva, 49101, Israel.

Some of the more significant changes relative to the existing Articles of Association, which are not intended to be exhaustive, include the following:

The Board of Directors, excluding the outside directors, will be divided into three classes, with member of each class elected for staggered terms of three years.

The Board of Directors will have the ability to declare dividends (in cash or in kind) to shareholders without shareholder approval.

As permitted under the new Companies Law, the proposed Amended and

Edgar Filing: ELTEK LTD - Form 6-K

Restated Articles of Association will allow the Company, subject to certain limitation, to indemnify and/or exempt in advance the Company's officers and directors from liability due to a breach of their duty of care.

Under the existing Articles of Association and the Israeli law which was in force until February 1, 2000, actions such as increases in the share capital of the company, share splits and other recapitalizations required the approval of at least 75% of the shareholders present and voting at a special meeting of shareholders. As permitted under the new Companies Law, the proposed Amended and Restated Articles of Association will require only a simple majority of shareholders present and voting at any shareholders meeting for approval of such actions.

As permitted under the new Companies Law, the Company will be permitted to purchase its own shares under certain circumstances, which was previously prohibited.

It is proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, that the Amended and Restated Articles of Association of the Company, be, and the same hereby are, adopted and approved."

The affirmative vote of the holders of seventy-five percent (75%) of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote will be necessary for approval of the proposal.

The Board of Directors recommends a vote FOR the foregoing resolution

ELECTION OF DIRECTORS (Item 2 on the Proxy Card)

Subject to the approval of our Amended and Restated Articles Of Association, our board of directors will be divided into three (3) classes. The three classes are to be designated Class I, Class II, and Class III and will consist of one director, two directors and the remaining directors (other than outside directors), respectively. The term of office of the director in Class I will expire at the end of the first Annual General Meeting after his or her initial election; the term of office of the directors in Class II will expire at the end of the second Annual General Meeting after their initial election; and the term of office of the directors in Class III will expire at the end of the third Annual General Meeting after their initial election. At each Annual General Meeting after the initial classification of the Board, the class of directors whose term expires at the time of such election will be elected to hold office until the third succeeding Annual General Meeting. Each director will hold office until the end of the Annual General Meeting at which his or her term ends, or until his or her office is vacated pursuant to these Articles or the Israeli Companies Law, which ever occurs first. In addition to these three classes of directors, we have two "outside directors" as defined by the Israeli Companies Law who hold office for a term of three years. All the members of our board of directors, except the outside directors, may be reelected upon completion of their term of office.

The Board of Directors proposes the election of (i) Mr. Jack Bigio to serve as Class I director to hold office for one year until the Annual General Meeting of Shareholders to be held in 2003, and until his successors are elected and qualified, (ii) Messrs. David Banitt and Leo Malamud, to serve as Class II directors to hold office for two years until the Annual General Meeting of Shareholders to be held in 2004, and until their successors are elected and

Edgar Filing: ELTEK LTD - Form 6-K

qualified, and (iii) Messrs. Joseph A. Maiman and Nissim Gilam, to serve as Class III directors to hold office for three years until the Annual General Meeting of Shareholders to be held in 2005, and until their successors are elected and qualified and. Each nominee is currently serving as a member of the Board of Directors.

In the event the proposal to adopt the Amended and Restated Articles of Association is not approved, the nominees for directors will be elected for a one-year term.

Should any of the nominees be unavailable for election, the proxies will be voted for a substitute nominee designated by the Board of Directors. None of the nominees are expected to be unavailable.

Under the Company's Articles of Association, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the election as directors of Messrs. Gilam, Banitt, Bigio, Maiman and Malamud. Set forth below is information about each nominee, including age, position(s) held with our company, principal occupation, business history and other directorships held.

BOARD OF DIRECTORS AND COMMITTEES

Independent and Outside Directors

The Israeli Companies Law requires Israeli companies that have offered their shares to the public in or outside of Israel to appoint at least two outside directors. No person may be appointed as an outside director if the person or the person's relative, partner, employer or any entity under the person's control has or had, on or within the two years preceding the date of the person's appointment to serve as outside director, any affiliation with the company or any entity controlling, controlled by or under common control with the company.

Edgar Filing: ELTEK LTD - Form 6-K

No person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as an outside director or may otherwise interfere with the person's ability to serve as an outside director. If, at the time outside directors are to be appointed, all current members of the Board of Directors are of the same gender, then at least one outside director must be of the other gender.

Audit Committee

The Companies Law provides that public companies must appoint an audit committee. The responsibilities of the audit committee include identifying irregularities in the management of the company's business and approving related-party transactions as required by law. An audit committee must consist of at least three members, and include all of the company's outside directors. However, the chairman of the board of directors, any director employed by the company or providing services to the company on a regular basis, any controlling shareholder and any relative of a controlling shareholder may not be a member of the audit committee. An audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two outside directors are serving as members of the audit committee and at least one of the outside directors was present at the meeting in which an approval was granted. Our audit committee is currently composed of Ms. Revital Dgani and Messrs. David Banitt and Erez Shachar.

In addition, the Nasdaq Stock Market requires us to have at least three independent directors on our board of directors and to establish an audit committee independent of management. All of the directors serving on our audit committee qualify as independent directors under the Nasdaq Stock Market requirements and Ms. Dgani and Mr. Shachar as independent directors under the Israeli Companies Law.

Related Party Transactions

During 1994, our manufacturing facility experienced a mechanical failure, for which we filed a claim with our insurer in the amount \$815,461 to cover damages flowing from this failure. In December 1994, we agreed to sell the claim against the insurer for \$467,000 to certain of our shareholders which included Integral International, Inc., Zilnat Holdings B.V., Dr. Ehud Geller (our former chairman of the board of directors), Samuel Friedrich, Litani Capital Management Ltd. (a former shareholder which transferred its rights under this agreement to LCM Holdings LDC), Mahir Reiss and Herve Debache. Under the agreement with these shareholders, as amended, they have the right to receive, after deduction of legal expenses, up to a maximum of \$650,000 of any funds recovered from our insurer. Any remaining funds will belong to us. In 1997 the District Court of Tel Aviv dismissed the complaint for lack of standing based on the fact that we had sold the right to claim damages from our insurer to our shareholders. We appealed the decision to the Supreme Court, which overruled the decision on January 20, 1999, allowing the parties to amend their pleadings, and remanded the case to the District Court. The district court dismissed the case for lack of evidence of the cause of the mechanical failure, and awarded trial expenses and legal fees to the insurer. Both parties filed motions to appeal with the Supreme Court that are currently pending.

During 2001, we obtained travel services worth NIS 132,000 (\$30,000) from Tour Darom Travel and Tours Ltd., a travel agency that was owned by Mr. Joseph Maiman, our principal beneficial shareholder and director. In July 2001, Mr. Maiman sold his interest in Tour Darom Travel and Tours Ltd.

COMPENSATION FOR THE COMPANY'S OUTSIDE DIRECTORS (Item 3 on the Proxy Card)

Pursuant to the Companies Law, an outside director is entitled to compensation and to reimbursement of expenses as provided in the Companies Regulations (Rules Regarding Compensation to an Outside Director), 5760-2000, or the Companies Regulations, promulgated under the Companies Law. The Companies Regulations provide that an outside director is entitled to receive from the company an annual fee and a per meeting attendance fee for his or her participation at a meeting of the board of directors or any board committee (including written resolutions, meetings of committees of the Board of Directors, or convened by our Chief Executive Officer), up to the amounts specified in the Companies Regulations. An outside director is otherwise prohibited from receiving any other consideration, directly or indirectly, in connection with his or her service as an outside director.

Ms. Revital Dgani and Mr. Erez Shachar were elected to serve as our outside directors at our Annual General Meeting of Shareholders held on December 6, 2000. They will serve for a term of three years until the Annual General Meeting of Shareholders to be held in 2003 and until their successors are elected and qualified.

During the year 2000, each of Ms. Dgani and Mr. Shachar were paid an annual fee of NIS 12,700 (\$2,700) and a per meeting attendance fee of NIS 1,125 (\$230). During the year 2001 each of Ms. Dgani and Mr. Shachar were paid an annual fee of NIS 18,200 (\$3,890) and a per meeting attendance fee of NIS 1,200 (\$260). During the year 2002 each of Ms. Dgani and Mr. Shachar were paid an annual fee of NIS 16,050 (\$3,430) and a per meeting attendance fee of NIS 1,200 (\$260).

Edgar Filing: ELTEK LTD - Form 6-K

Our audit committee and board of directors ratified and approved the payments to our outside directors for the years 2000, 2001 and 2002.

For the year ending December 31, 2003, our board of directors determined to compensate Ms. Dgani and Mr. Shachar, by paying each of them an annual fee and a per meeting attendance according to the fixed amount specified in the Companies Regulations.

The Israeli Companies Law requires that the terms of compensation to outside directors be approved by the audit committee, the board of directors, and thereafter, the General Meeting of Shareholders, unless such payments are determined according to the fixed amount specified in the Companies Regulations.

It is therefore proposed that at the Annual General Meeting the shareholders adopt the following resolution:

"RESOLVED, that payments to our outside directors during the years 2000, 2001 and 2002, are hereby ratified, confirmed and approved."

Under the Companies Law the affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

COMPENSATION FOR THE COMPANY'S INDEPENDENT DIRECTOR (Item 4 on the Proxy Card)

The Israeli Companies Law requires that the terms of compensation to directors, be approved by the audit committee, the board of directors, and thereafter, the General Meeting of Shareholders.

Mr. David Banitt has served as our director since March, 1997, and is a member of our Audit Committee. Mr. Banitt qualifies as independent director under the Nasdaq Stock Market requirements. Our audit committee and board of directors determined to compensate Mr. Banitt by paying him an annual fee and a per meeting attendance fee equal to the compensation received by our outside directors.

During the year 2000 Mr. Banitt was paid an annual fee of NIS 12,700 (\$2,715) and a per meeting attendance fee of NIS 1,125 (\$240). During the year 2001 Mr. Banitt was paid an annual fee of NIS 18,200 (\$3,890) and a per meeting attendance fee of NIS 1,200 (\$260). During the year 2002 Mr. Banitt was paid an annual fee of NIS 1,200 (\$260) and a per meeting attendance fee of NIS 1,200 (\$260).

Our audit committee and board of directors ratified and approved the payments to our independent director for 2000, 2001 and 2002 fiscal years, and approved, subject to his election by our shareholders at this Meeting, to pay our independent director annual remuneration of NIS 18,960 (\$4,050) and a per meeting (including written resolutions, meetings of committees of the Board of Directors, or convened by our Chief Executive Officer) attendance fee of NIS 949 (\$205).

It is proposed that at the Meeting the shareholders adopt the following resolution:
