PROXY STATEMENT

Annual Meeting of Stockholders
June 16, 2004

This Proxy Statement is furnished by the Board of Directors of American Home Mortgage Investment Corp., a Maryland corporation ("AHMIC" or the "Company"), in connection with the Company's solicitation of proxies for use at the 2004 Annual Meeting of Stockholders of AHMIC (the "Annual Meeting"), which will be held on June 16, 2004, commencing at 10:00 a.m. local time, at 520 Broadhollow Road, Melville, New York 11747, and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. All stockholders are entitled and encouraged to attend the Annual Meeting in person. This Proxy Statement and the accompanying Proxy Card are being mailed to stockholders of AHMIC on or about May 3, 2004.

SOLICITATION OF PROXIES

The proxy enclosed with this Proxy Statement is solicited by the Board of Directors of AHMIC. Proxies may be solicited by officers, directors and regular supervisory and executive employees of AHMIC, none of whom will receive any additional compensation for their services. Such solicitations may be made personally, or by mail, facsimile, telephone, telegraph or messenger. The Company may reimburse brokers and other persons holding shares in their names or in the names of nominees for expenses in sending proxy materials to beneficial owners and obtaining proxies from such owners. All of the costs of solicitation of proxies will be paid by AHMIC.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted in accordance with the directions given and, in connection with any other business that may properly come before the Annual Meeting, in the discretion of the persons named in the proxy.

In voting by proxy with regard to the election of directors, stockholders may vote in favor of each nominee or withhold their votes as to each or all of the nominees. If no instruction is given on a properly completed proxy, it will be voted FOR the election of each of the nominees for director named in this Proxy Statement, or, if any such nominee is unable or unwilling to serve for any reason, for such other person or persons as the Board of Directors may recommend.

In voting by proxy with regard to ratification of Deloitte & Touche LLP as the Company's external auditor for the fiscal year ending December 31, 2004, stockholders may vote in favor of ratification or against or may abstain from voting with respect to this proposal. If no instruction is given on a properly completed proxy, it will be voted FOR the ratification of Deloitte & Touche LLP.

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

As to any other matter of business that may be brought before the Annual Meeting, such proxy will be voted in accordance with the judgment of the persons named in the proxy.

A stockholder who has given a proxy may revoke it at any time before it is exercised by giving notice of revocation to the Secretary of AHMIC, by submitting a proxy bearing a later date or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

VOTING SECURITIES

The Board of Directors has fixed the close of business on April 23, 2004, as the record date (the "Record Date") for determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. Holders of record of the Company's common stock, par value \$0.01 per share ("Common Stock"), as of the Record Date will be entitled to one vote for each share held. On the Record Date, there were 39,877,412 shares of the Company's Common Stock outstanding and entitled to vote.

The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting.

Under Maryland law, stockholder abstentions and broker non-votes are considered present and entitled to vote for purposes of determining a quorum, but are not considered votes cast. Accordingly, stockholder abstentions and broker non-votes will have no effect on the outcome of the proposals. Broker non-votes exist when a broker who holds shares in street name does not receive voting instructions from the beneficial stockholder and such broker does not have discretionary authority to vote on the particular proposal. For purposes of the Annual Meeting, however, there should not be any broker non-votes because a broker who holds shares in street name and does not receive voting instructions from the beneficial stockholder has discretionary authority to vote on both of the proposals to be considered at the Annual Meeting.

Assuming the presence of a quorum at the Annual Meeting: (i) the affirmative vote of a plurality of the votes cast by holders of shares of Common Stock represented at the Annual Meeting and entitled to vote is required for the election of directors; and (ii) the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote is required for the ratification of Deloitte & Touche LLP as the Company's external auditor for the fiscal year ending December 31, 2004.

EXPLANATORY NOTE

AHMIC was incorporated in July, 2003, under the laws of the State of Maryland. On December 3, 2003, through an internal reorganization, AHMIC became the parent company of American Home Mortgage Holdings, Inc. ("AHM Holdings"), which was a publicly owned company whose common stock traded on the Nasdaq National Market under the symbol "AHMH." Concurrent with the reorganization, Apex Mortgage Capital, Inc., a Maryland corporation ("Apex"), which operated as a real estate investment trust ("REIT"), merged with and into AHMIC, with AHMIC as the surviving corporation. In connection with these transactions, the Common Stock of the Company was exchanged for the outstanding shares of common stock of AHM Holdings and Apex, and the Company commenced operating in a manner allowing it to qualify as a REIT for federal income tax purposes. The Company's common stock began trading on the New York Stock Exchange ("NYSE") under the symbol "AHH" on December 4, 2003.

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

As a result of the reorganization and merger, both completed on December 3, 2003, among other things: (i) AHM Holdings became a wholly owned subsidiary of the Company and ceased trading on the Nasdaq National Market, (ii) Apex ceased to exist, and (iii) the directors and executive officers of AHM Holdings at the time of completion of these transactions became the directors and executive officers of the Company. Accordingly, certain references in this Proxy Statement to the Company or to historical information relating to the Company, in each case relative to periods prior to December 3, 2003, generally apply to AHM Holdings.

The determination that there were no other persons, entities or groups known to the Company to beneficially own more than 5% of the Company's Common Stock was based on a review of all statements filed with respect to the Company since the beginning of the past fiscal year with the Securities and Exchange Commission (the "SEC") pursuant to Section 13(d) or 13(g) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

CORPORATE GOVERNANCE

BOARD OF DIRECTORS

The bylaws of the Company provide that the Board of Directors will consist of not less than three members nor more than 12 members, the exact number to be determined by resolution adopted by the affirmative vote of a majority of the Board of Directors of AHMIC. Currently, there are seven members on the Board of

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

Directors, which is divided into three classes. Directors in each class are elected for a three-year term in staggered years.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors of the Company held 12 meetings during 2003 and took action by written consent on 14 occasions. Each current director attended 75% or more of the aggregate number of meetings of the Board of Directors and Board committees on which he or she served that were held during such period. Those figures are based on meetings and written consents of the Board of Directors of both AHMIC and AHM Holdings, solely during the period in which each such company was publicly owned in 2003. As described above in this Proxy Statement under "Explanatory Note," on December 3, 2003, AHMIC became the parent company of AHM Holdings through an internal reorganization and acquired Apex by merger. Pursuant to the reorganization and merger, the members of the Board of Directors of AHM Holdings became the Board of Directors of AHMIC. Accordingly, the meetings of the Board of Directors and the actions by written consent referenced above include those by the Board of Directors of AHM Holdings until December 3, 2003, and include those by the Board of Directors of AHMIC from December 3, 2003 through December 31, 2003.

Directors are encouraged, but are not required, to attend the Company's annual meetings of stockholders. Two directors attended the Company's 2003 Annual Meeting of Stockholders.

INDEPENDENCE OF THE BOARD OF DIRECTORS

The Board of Directors of the Company has affirmatively determined that four of its seven directors, including all members of its Audit, Compensation and Nominating and Corporate Governance Committees, are "independent" as defined by the listing standards of the NYSE and all applicable rules and regulations of the SEC. The four independent directors are Nicholas R. Marfino, Michael A. McManus, Jr., C. Cathleen Raffaelli and Irving J. Thau.

EXECUTIVE SESSIONS OF NON-MANAGEMENT DIRECTORS

Meetings of non-management directors will be scheduled to be held regularly throughout the year. Additional meetings may be scheduled by any non-management director. These non-management executive sessions may be chaired by any of the chairpersons of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. In this regard, the Company's current policy is to rotate the chairperson position at such sessions among the various committee chairpersons.

COMMUNICATIONS WITH DIRECTORS

Stockholders and other interested parties may communicate directly with any director, including any non-management member of the Board of Directors, by writing to the attention of such individual at the following address: American Home Mortgage Investment Corp., 520 Broadhollow Road, Melville, New York 11747.

Communications that are intended for the non-management directors generally should be marked "Personal and Confidential" and sent to the attention of the Chair of the Nominating and Corporate Governance Committee. The Chair will distribute any communications received to the non-management member(s) to whom the communication is addressed. Communications that are intended for the whole Board should be sent to the attention of the Company's General Counsel and

Secretary.

The members and functions of these committees are described below. The Board of Directors has adopted written charters for each such committee, current versions of which are available on our website at <http://www.americanhm.com> and are attached to this Proxy Statement as Appendices A, B and C, respectively. The charters are also available in print to anyone who requests them by writing to the Company at the following address: 520 Broadhollow Road, Melville, New York 11747, Attention: General Counsel and Secretary.

The Audit Committee assists the Board of Directors in monitoring: (i) the integrity of the financial statements of the Company, (ii) the qualifications and independence of the Company's external auditor, (iii) the performance of the Company's internal audit function and external auditor, (iv) the compliance by the Company with legal and regulatory requirements and (v) the processes by which management assesses and manages risk. The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by the external auditor, subject to the exceptions for non-audit services which are approved by the Audit Committee prior to the completion of the audit. The Amended and Restated Charter of the Audit Committee, which describes all of the Audit Committee's responsibilities, is attached to this Proxy Statement as Appendix A and is posted on the Company's website.

During 2003, the Audit Committee held five meetings and did not take any action by written consent. The Audit Committee Report appears on page 16 of this

Thau was appointed to the Audit Committee and named as Chair of the Audit Committee.

The Board of Directors has determined that each member of the Audit Committee satisfies the independence standards for Audit Committee membership as set forth in Section 10A(m)(3) of the Exchange Act and the rules promulgated thereunder. In addition, the Board of Directors has determined that Mr. Thau satisfies the SEC's criteria for an "audit committee financial expert."

6

Compensation Committee

The primary purpose of the Compensation Committee is (i) to review and approve corporate goals and objectives relevant to compensation of the Company's Chief Executive Officer ("CEO"), evaluate the CEO's performance in light of such goals, and determine and approve the salary, benefits and other compensation of the CEO, (ii) to review, with the CEO, the salaries, benefits and other compensation of the Company's other executive officers, (iii) to make recommendations to the Company's Board of Directors regarding the other executive officers' salaries, benefits, and other compensation, and (iv) to administer the Company's employee benefit plans. The Charter of the Compensation Committee, which describes all of the Compensation Committee's responsibilities, is attached to this Proxy Statement as Appendix B and is posted on the Company's website.

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

Michael A. McManus, Jr. (Chair), Nicholas R. Marfino and C. Cathleen Raffaelli.

COMPENSATION OF THE BOARD OF DIRECTORS

Directors who are neither employees of the Company nor employees of its subsidiaries each will receive \$3,000 per Board of Directors or committee meeting attended (except for committee meetings held on the same day as a Board meeting). In addition, commencing in 2004, the chairperson of the Audit Committee will receive an additional fee of \$10,000 per year of service. Directors also are reimbursed for out-of-pocket expenses incurred in connection with their service as directors.

The Compensation Committee (with Ms. Raffaelli abstaining) voted to award a \$10,000 cash payment to Ms. Raffaelli in recognition of her outstanding service as Audit Committee Chair during 2003.

Each non-employee director is eligible to be awarded non-qualified stock options and shares of restricted stock under the Company's 1999 Omnibus Stock Incentive Plan (the "Plan"). A recipient of restricted stock under the Plan is entitled to vote such stock and is entitled to all dividends paid on such stock, except that dividends paid in Common Stock or other property also will be subject to the same restrictions. In 2003, the Company did not award any non-qualified stock options or shares of restricted stock to any member of the Board of Directors.

Directors who serve either as the Company's officers or employees or as officers or employees of any of its subsidiaries do not receive any additional compensation for their services as directors.

DIRECTOR NOMINATION PROCESS

Role of the Nominating and Corporate Governance Committee

In accordance with the Company's Corporate Governance Principles, the Nominating and Corporate Governance Committee considers director candidates based on criteria approved by the Board of Directors, including such individuals' backgrounds, skills, expertise, accessibility and availability to serve constructively and effectively on the Board. The Nominating and Corporate Governance Committee considers and evaluates director candidates based upon certain minimum qualifications set forth in the Charter of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee may retain a director search firm to assist the Nominating and Corporate Governance Committee in identifying qualified director nominees. In addition, the Nominating and Corporate Governance Committee will consider potential nominees proposed by the Chairman of the Board, the CEO, any member of the Nominating and Corporate Governance Committee and any search firm engaged by any of the foregoing for the purpose of identifying potential candidates for Board membership. After identifying qualified individuals and conducting interviews, as appropriate, the Nominating and Corporate Governance Committee will recommend the selected individuals to the Board. In the event there is a vacancy on the Board between stockholders' meetings, the Nominating and Corporate Governance Committee will recommend one or more of the qualified individuals for appointment to the Board.

Candidates Proposed by Stockholders

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

The Nominating and Corporate Governance Committee has a policy to consider recommendations for director candidates submitted in good faith by stockholders. A stockholder recommending an individual for consideration by the Nominating and Corporate Governance Committee must provide (i) evidence in accordance with Rule 14a-8 of the Exchange Act of compliance with the stockholder eligibility requirements, (ii) the written consent of the candidate(s) for nomination as a director, (iii) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director and (iv) all information regarding the candidate(s) and the stockholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board, including, without limitation, name, age, business and residence address and principal occupation or employment during the past five years. Stockholders should send the required information to the Company at 520 Broadhollow Road, Melville, New York 11747, Attention: General Counsel and Secretary.

In order for a recommendation to be considered by the Nominating and Corporate Governance Committee for the 2005 Annual Meeting of Stockholders, the Company's General Counsel and Secretary must receive the recommendation no later than 5:00 p.m. local time on January 4, 2005. Such recommendations must be sent via registered, certified or express mail (or other means that allows the stockholder to determine when the recommendation was received by the Company). The Company's General Counsel and Secretary will send properly submitted stockholder recommendations to the Nominating and Corporate Governance Committee for consideration at a future meeting of the Nominating and Corporate Governance Committee. Individuals recommended by stockholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the Nominating and Corporate Governance Committee.

Stockholder Nominations

In addition, the Company's bylaws permit stockholders to nominate directors to be voted upon at an annual meeting of stockholders or at a special meeting at which directors are to be elected in accordance with the notice of meeting. Stockholders intending to nominate a person for election as a director must comply with the requirements set forth in the Company's bylaws, which were filed as Exhibit 3.2 to the Company's Annual Report on Form 10-K for the period ended December 31, 2003, and can also be obtained, without charge, upon written request to the Company at 520 Broadhollow Road, Melville, New York 11747, Attention: General Counsel and Secretary. The

8

bylaws generally require, among other things, that the Company receive written notification from the record stockholder containing the information described in the section above and any other information required by the bylaws no earlier than February 16, 2005 or later than March 18, 2005.

PROPOSAL I - ELECTION OF DIRECTORS

John A. Johnston, whose term expires at the Annual Meeting, is a Class II director and has been nominated for re-election to the Board of Directors to hold office for a three-year term expiring at the 2007 Annual Meeting of Stockholders and until his successor has been duly elected and qualified. Mr. Johnston has consented to be named as a nominee and, if elected, to serve as a director.

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

Michael A. McManus, Jr., whose term expires at the Annual Meeting, is a Class II director and has been nominated for re-election to the Board of Directors to hold office for a three-year term expiring at the 2007 Annual Meeting of Stockholders and until his successor has been duly elected and qualified. Mr. McManus has consented to be named as a nominee and, if elected, to serve as a director.

Irving J. Thau was appointed to the Board of Directors on April 27, 2004, as a Class III director to fill a vacancy created on the Board of Directors resulting from an increase in the number of directors from six to seven. Under Section 2-407 of the Maryland General Corporation Law and AHMIC's charter, a director appointed by the Board of Directors to fill such a vacancy serves until the next annual meeting of stockholders and until his successor is duly elected and qualified. Accordingly, Mr. Thau's current term of office expires at the Annual Meeting, and he has been nominated for election to the Board of Directors to serve as a Class III director, whose term of office, if so elected, will expire at the 2005 Annual Meeting of Stockholders and until his successor has been duly elected and qualified. Mr. Thau has consented to be named as a nominee and, if elected, to serve as a director.

If any of the nominees named above is unable to or unwilling to serve as a director, the enclosed proxy will be voted for such other person or persons as the Board of Directors may recommend. Management of AHMIC does not anticipate that such an event will occur.

The agreement has an initial term of three years and will automatically renew for additional one-year terms, provided that either party may terminate the agreement upon 12-months' notice before the expiration date. The employment agreement contains covenants not to compete for a period ending on the first anniversary of the termination of Mr. Strauss' employment. If (i) the Company terminates the agreement for any reason other than for cause or upon Mr. Strauss' disability, (ii) Mr. Strauss terminates his employment for good reason or (iii) in connection with or following a change in control, Mr. Strauss' position is eliminated or Mr. Strauss no longer serves as the Company's Chief Executive Officer with power, authority and responsibility attendant to such office, then the Company must pay him a lump sum payment equal to 299% of his base salary, plus the average of his annual incentive award over the preceding

five years.

The Company's employment agreement with Stephen A. Hozie, its Executive Vice President and Chief Financial Officer, provides for (i) a base salary of not less than \$325,000 per year, (ii) a potential objective achievement bonus of not less than \$175,000, (iii) a management evaluation bonus targeted at \$75,000, and (iv) a potential company performance award of not less than \$75,000. Under the agreement, the minimum and maximum cumulative bonus paid to Mr. Hozie pursuant to (ii), (iii) and (iv) is \$162,500 and \$487,500, respectively. The term of employment is indefinite and employment is at will, terminating four weeks after Mr. Hozie's resignation or the Company's discharge of Mr. Hozie, as applicable. Mr. Hozie is entitled to certain fringe benefits and the reimbursement of work-related expenses. The agreement provides for an option grant of 20,000 shares of common stock upon execution and the grant of up to an additional 32,000 options under certain circumstances. The agreement also provides for severance payments upon Mr. Hozie's resignation after a "change of control" of the Company, but these provisions have expired and are no longer in effect. The employment agreement contains non-solicitation covenants for a period of six months following the termination of the agreement.

20

The Company's current employment agreement with Donald Henig, its Executive Vice President, Wholesale and Internet Lending, provides for (i) a base salary of not less than \$400,000 per year, (ii) a potential objective monthly achievement bonus of 0.001% of certain loans originated by the Company, and (iii) a performance award equal to 4% of the profits from certain loans originated by the Company. The term of employment is indefinite and employment is at will, terminating four weeks after the earlier of Mr. Henig's resignation or the Company's discharge of Mr. Henig. If the Company discharges Mr. Henig without cause, the Company will pay Mr. Henig a severance amount equal to three months of his base salary.

The Company entered into an employment agreement with Dena L. Kwaschyn, its Executive Vice President, Operations, on January 19, 2001. However, the term of Ms. Kwaschyn's employment under the agreement was February 26, 2001 through February 25, 2003 and, as such, neither Ms. Kwaschyn nor the Company are bound by the terms of the agreement.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The primary purpose of the Compensation Committee is (i) to review and approve corporate goals and objectives relevant to compensation of the Company's Chief Executive Officer ("CEO"), evaluate the CEO's performance in light of such goals, and determine and approve the salary, benefits, and other compensation of the CEO, (ii) to review, with the CEO, the salaries, benefits and other compensation of the Company's other executive officers, and (iii) to make recommendations to the Company's Board of Directors regarding the other executive officers' salaries, benefits and other compensation. The Compensation Committee also administers the Company's 1999 Omnibus Stock Incentive Plan, as amended (the "Plan"), and determines awards to be made under the Plan to the Company's directors and executive officers. Awards made under the Plan, including awards made to the Company's directors and executive officers, have been approved by the Company's Board of Directors.

The Compensation Committee met once in 2003. At that meeting, the Compensation Committee agreed to consider the engagement of an outside compensation consultant to review the CEO's compensation and agreed to review a cumulative report of awards made under the Plan.

The following Compensation Committee Report describes the considerations that have guided, or will guide, the Compensation Committee in assessing executive compensation.

Philosophy

The goal of the Compensation Committee is to provide competitive levels of compensation that integrate pay with the Company's short-term and long-term performance goals, reward corporate performance, and recognize individual initiative and achievement. It is anticipated that these policies will help the Company to continue to attract and retain quality personnel and thereby enhance the Company's long-term profitability and share value.

Executive compensation ranges will be designed to be competitive with (i) those amounts paid to senior executives at mortgage REITs and mortgage banks that compete with the Company, (ii) companies that are similar in size and profitability to the Company, and (iii) companies with which the Company competes for senior executives. Within this framework, individual executive compensation will continue to be based on personal and corporate achievement and the individual's level of responsibility and experience. However, in any particular year, the Company's executives may be paid more or less than executives in peer companies, depending on the Company's own performance.

The executive officers' compensation consists of three principal components: base salary, bonus and stock options and/or shares of restricted stock. Each of those components is discussed below.

Base Salary

The base salaries of the Company's executive officers will be based in part on comparative industry data and on various quantitative and qualitative considerations regarding corporate and individual performance. An executive's base salary will be determined only after an assessment of his or her sustained performance, current salary in relation to an objective salary range for the executive's job responsibilities, and his or her experience and potential for advancement. In recommending base salaries for the Company's executive officers, the Compensation Committee may consider several additional factors, including, but not limited to: (i) industry compensation trends; (ii) cost of living and other local and geographic considerations; (iii) industry-specific job skills and knowledge; (iv) historical and expected contributions to the Company's performance; and (v) level, complexity, breadth and difficulty of duties.

Bonus Program

Eligible executive officers of the Company may also be awarded bonuses for achieving certain performance levels. These bonuses are based on various quantitative and qualitative performance criteria for these executive officers and are designed to attract and retain qualified individuals and also encourage

them to meet the Company's desired performance goals.

Stock Options, Stock Appreciation Rights and Restricted Stock

The Company provides long-term executive compensation incentives in the form of stock option awards, stock appreciation rights and restricted stock to more closely align the interests of management with the Company's stockholders. The Compensation Committee believes that grants of stock option awards, stock appreciation rights and restricted stock are an effective means of advancing the long-term interests of the Company's stockholders by integrating executive compensation with the long-term value of the Company's common stock. Stock options are granted at the prevailing market price on the date of grant and are valuable to executives only if the Company's common stock appreciates. During 2003, the Company granted 324,376 stock options among 58 individuals and issued 113,210 shares of restricted stock among 37 individuals. Awards, including awards made to the Company's directors and executive officers, have been approved by the Company's Compensation Committee and its Board of Directors.

Chief Executive Officer

Pursuant to his employment agreement, Michael Strauss, the Company's CEO, earns an annual base salary of \$350,000. In addition to his base salary earned in 2003, the Compensation Committee awarded Mr. Strauss a cash bonus of \$600,000 and options to purchase 162,813 shares of the Company's common stock. In determining the fairness and adequacy of Mr. Strauss' compensation for 2003, the Compensation Committee reviewed and approved the Company's short- and long-term goals and objectives relevant to the CEO's compensation and evaluated Mr. Strauss' performance in light of those goals and objectives, including the Company's actual financial performance as well as Mr. Strauss' continued contributions to the growth and success of the Company. Other factors that guided the Compensation Committee in its evaluation of the CEO's performance are Mr. Strauss' ability to lead the Company through its continuing growth as a public company, Mr. Strauss' leadership and vision in connection with the Company's evolving business strategy, including its merger with Apex Mortgage Capital, Inc. and conversion into a real estate investment trust, the market performance of the Company's stock, the integration of acquired businesses and continued recruiting of valuable personnel throughout the Company. The Compensation Committee also retained an executive compensation consultant to review and evaluate Mr. Strauss' salary in light of his contributions to the Company and the compensation awarded to CEOs at comparable companies. Based on the Compensation Committee's evaluation of the standards set forth above, and after consultation with the executive compensation consultant retained, the Compensation Committee approved Mr. Strauss' compensation level, bonus payment and award of options to purchase common stock.

Respectfully submitted,
The Compensation Committee

As described in this Proxy Statement under "Explanatory Note," on December 3, 2003, the Company became the parent company of AHM Holdings through an internal reorganization and merged with Apex. The Company's Common Stock began trading on the NYSE under the symbol "AHH" on December 4, 2003.

Before the Company's internal reorganization and merger with Apex, AHM Holdings' common stock traded on the Nasdaq National Market under the symbol "AHMH." Set forth below is a graph comparing the cumulative total stockholder return on AHM Holdings' common stock with the S&P 500 Index and the Nasdaq Financial Index. The graph assumes an investment of \$100.00 on October 1, 1999 in (i) AHM Holdings' common stock, (ii) the stocks comprising the S&P 500 Index and (iii) a "peer group" selected by management. The peer group includes Countrywide Credit Industries, Inc., Flagstar Bancorp, Inc., Resource Bancshares Mortgage Group, Inc., Irwin Financial Corporation, E Loan, Inc., and Finet.com, Inc. The peer group used in 1999 also included Mortgage.com, Inc., which ceased doing business in 1999 and thus is not included in the peer group for 2000, 2001, 2002 or 2003.

After the reorganization and merger with Apex, completed on December 3, 2003, the Company commenced operations as a REIT. Accordingly, the Company anticipates that subsequent performance graphs will be based on a peer group that consists of other mortgage REITs with operations that are similar to those of the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Kenneth P. Slosser, one of the Company's non-employee directors, is a Managing Director of Friedman, Billings, Ramsey & Co., Inc. ("Friedman Billings"), an investment bank that has from time to time in the past provided, and may from time to time in the future provide, investment banking and general financing services to the Company for which Friedman Billings has in the past received, and may in the future receive, fees and commissions. In 2003, Friedman Billings received approximately \$1.3 million for services provided in connection with the Company's reorganization and merger with Apex completed on December 3, 2003. In addition, the Company completed a secondary public offering of 14,375,000 shares of its Common Stock in March, 2004, in which Friedman Billings acted as the sole bookrunning and joint-lead manager and received fees and commissions in the amount of approximately \$10 million. The Company also agreed to indemnify Friedman Billings and its officers and directors against certain liabilities in connection with the offering.

Michael Strauss, the Company's Chairman of the Board, Chief Executive Officer and President, is permitted to beneficially own up to 20% of the value of the total number of shares of Common Stock and preferred stock of the Company. Typically, in order to maintain REIT status, a REIT imposes general limitations on the ownership of its voting securities. However, the Company's charter excepts Mr. Strauss from those general ownership limitations and, thus, Mr. Strauss is permitted to beneficially own up to 20% of the value of the total number of shares of Common Stock and preferred stock of the Company. The Company believes that as the Company's founder, Chief Executive Officer and President and significant stockholder, Mr. Strauss has played an integral role in the growth and success of the Company and has effectively led the Company through its first years as a public company, acquired and integrated multiple businesses and recruited valuable members of management and other personnel. Accordingly, the Company's Board of Directors believes that permitting Mr. Strauss to maintain significant ownership in the Company is appropriate and is beneficial to the Company because it will provide an incentive for Mr. Strauss to continue to lead the Company and provide his services to it.

Acquisition of Marina

In connection with the Company's acquisition of Marina on December 29, 1999, the Company agreed to make certain future payments to the stockholders of Marina in exchange for their interests in the company. Ronald L. Bergum, currently an executive officer of the Company, received a note in the amount of approximately \$1.2 million, of which approximately \$139,000 remains outstanding as of March 31, 2004. John A. Johnston, currently a director and executive officer of the Company, received a note in the amount of approximately \$1.3 million, of which approximately \$154,000 remains outstanding as of March 31, 2004. The notes bear interest at a rate of 10% per annum. Payments due on the notes have been, or will be, made on February 15, May 15, August 15 and November 15 of each of the calendar years of 2000, 2001, 2002, 2003 and 2004.

In addition, in connection with the Company's acquisition of Marina, the Company issued restricted shares of its Common Stock to Messrs. Bergum and Johnston and certain other Marina stockholders as initial consideration in exchange for their interests in Marina. The former Marina stockholders may receive additional consideration, consisting of restricted shares of the Company's Common Stock, periodically until May, 2006, based on the earnout provisions contained in the merger agreement. Under these earnout provisions, former Marina stockholders may receive an annual earnout consisting of restricted shares of Common Stock of the Company based on the profitability of

the acquired business. During the years 2003, 2002, 2001 and 2000, Mr. Bergum received an aggregate of 93,127 restricted shares of Common Stock (with a value of approximately \$964,000), 68,864 shares of restricted shares of Common Stock (with a value of approximately \$914,000), 60,260 restricted shares of Common Stock (with a value of approximately \$370,000), and 76,684 restricted shares of Common Stock (with a value of approximately \$370,000), respectively. During the years 2003, 2002, 2001 and 2000, Mr. Johnston received an aggregate of 103,202 restricted shares of Common Stock (with a value of approximately \$1.1 million), 76,314 restricted shares of Common Stock (with a value of approximately \$1 million), 66,780 restricted shares of Common Stock (with a value of approximately \$410,000), and 84,980 restricted shares of Common Stock (with a value of approximately \$410,000), respectively.

Acquisition of First Home

On June 30, 2000, the Company acquired First Home. In connection with the Company's acquisition of First Home, the Company issued restricted shares of its Common Stock to Thomas J. Fiddler and John A. Manglardi, currently two of the Company's executive officers, and the other First Home stockholders, as initial consideration for their interests in First Home. In addition, the former stockholders of First Home, including Messrs. Fiddler and Manglardi, may receive additional consideration, consisting of cash and restricted shares of Common Stock, pursuant to the earnout provisions contained in the merger agreement.

Under the merger agreement's earnout provisions, former stockholders of First Home may receive two quarterly payments. One of these quarterly payments, which is automatically paid to the former First Home stockholders on a pro rata basis based on their former stock ownership in First Home regardless of the profitability of the acquired business, is equal to an aggregate of \$75,000 in restricted shares of Common Stock (or cash, before 2002). The other quarterly payment to which former First Home stockholders may be entitled is equal to an aggregate of \$150,000, one half of which will be paid in cash and the other half of which will be paid in restricted shares of Common Stock, and which, if earned, also will be paid on a pro rata basis.

The cash payment of the other quarterly earnout depends on the acquired business being profitable and having positive cash income for the applicable quarter.

In addition to the quarterly earnouts, the former First Home stockholders may be entitled to an annual earnout, consisting of cash and restricted shares of Common Stock, based on the profitability of the acquired business. The previous stockholders of First Home may receive such earnouts during a five-year period ending in May, 2005. During 2003, Mr. Fiddler received an aggregate of 32,812 restricted shares of Common Stock (with a value of approximately \$596,000). During 2003, Mr. Manglardi received an aggregate of 41,167 restricted shares of Common Stock (with a value of approximately \$710,000). With respect to earnouts paid in cash during 2003, Mr. Fiddler received aggregate payments of \$571,603. During 2003, Mr. Manglardi received aggregate payments of \$638,103.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and 10% stockholders to file reports of ownership and reports of changes in ownership of AHMIC's Common Stock and other equity securities with the SEC. Directors, executive officers and 10% stockholders are required to furnish AHMIC with copies of all Section 16(a) forms they file. Based on a review of the copies of such reports furnished to it, AHMIC believes that, since its formation in 2003, AHMIC's directors, executive officers and 10% stockholders complied with all Section 16(a) filing requirements applicable to them, except that (i) each of Kenneth Alverson, Dena L. Kwaschyn and Michael A. McManus, Jr., failed to timely file a Form 3 upon becoming an insider of the

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

Company, (ii) Kenneth Alverson failed to timely file a Form 4 to reflect his purchase of 350 shares of Common

26

Stock; and (iii) Kenneth P. Slosser failed to timely file a Form 4 to reflect the exercise of warrants exercisable into shares of Common Stock. Each of these reports subsequently has been filed with the SEC.

With respect to Section 16(a) filings required with regard to the beneficial ownership of the stock of AHM Holdings prior to December 3, 2003, directors, executive officers and 10% stockholders of AHM Holdings complied with all Section 16(a) filing requirements applicable to them, except that (i) each of Kenneth Alverson, Alan B. Horn, Stephen A. Hozie and Michael A. McManus, Jr., failed to timely file a Form 3 upon becoming an insider of the Company, (ii) each of John A. Johnston and Michael A. McManus, Jr. on two occasions failed to timely file a required Form 4, and (iii) each of Stephen A. Hozie, Nicholas A. Marfino, Cathleen C. Raffaelli and Kenneth P. Slosser failed to timely file one required Form 4. Each of these reports subsequently has been filed with the SEC.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As described above under "Corporate Governance," the current members of the Compensation Committee are Nicholas R. Marfino (Chair), Michael A. McManus, Jr., and C. Cathleen Raffaelli. No interlocking relationship exists between the Company's Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

Until February 24, 2003, the members of the Compensation Committee were Ms. Raffaelli, Kenneth P. Slosser and Michael Strauss. From February 24, 2003 until November 11, 2003, the members of the Compensation Committee were Ms. Raffaelli and Mr. Slosser. Mr. Strauss is the Company's Chief Executive Officer and President. Mr. Slosser is a Managing Director of Friedman Billings, as described above under "Certain Relationships and Related Transactions." Neither Mr. Strauss nor Mr. Slosser is currently a member of the Compensation Committee.

PROPOSAL II - RATIFICATION OF EXTERNAL AUDITOR

The Board of Directors has appointed the firm of Deloitte & Touche LLP, independent accountants, to be the Company's external auditor for the fiscal year ending December 31, 2004, and recommends to stockholders that they vote for ratification of that appointment.

Deloitte & Touche LLP served in this capacity for the fiscal years ended December 31, 1999, December 31, 2000, December 31, 2001, December 31, 2002 and December 31, 2003. A representative of Deloitte & Touche LLP will be present at the Annual Meeting and will have an opportunity to make a statement and be available to respond to appropriate questions. The appointment of the Company's external auditor is approved annually by the Board of Directors of AHMIC and subsequently submitted to the stockholders for ratification. The decision of the Board is based on the recommendation of the Audit Committee, which reviews and approves in advance the scope of the audit, the types of non-audit services that AHMIC will need and the estimated fees for the coming year. The Audit Committee also reviews and approves non-audit services to ensure that these services will

not impair the independence of the external auditor.

Before making its recommendation to the Board of Directors for appointment of Deloitte & Touche LLP, the Audit Committee carefully considered that firm's qualifications as external auditor for the Company, which included a review of Deloitte & Touche LLP's performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with Deloitte & Touche LLP in these respects.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF
DELOITTE & TOUCHE LLP
AS THE COMPANY'S EXTERNAL AUDITOR FOR THE FISCAL YEAR ENDING
DECEMBER 31, 2004.

28

EXTERNAL AUDITOR

Audit and Non-Audit Fees

The following table presents the aggregate fees billed for professional services rendered by Deloitte & Touche LLP in 2002 and 2003. Other than as set forth below, no professional services were rendered or fees billed by Deloitte & Touche LLP during 2002 or 2003.

Service	2002	2003
Audit Fees (1)	\$ 957,750	\$ 1,134,260
Audit-Related Fees (2)	397,703	102,660
Tax Fees (3)	200,000	500,925
All Other Fees (4)	0	0
TOTAL	\$1,555,453	\$1,737,845

(1) Audit fees consist of professional services rendered for the audit of the Company's annual financial statements, reviews of the quarterly financial statements and issuance of comfort letters, consents and assistance with and review of documents filed with the SEC. Audit fees paid to the external auditor in 2002 has been revised to reflect an additional fee of \$151,500 attributable to the audit of the Company's 2002 financial statements that was not billed until after the filing of the Company's 2003 proxy statement and \$187,500 of fees related to comfort letters and review of documents filed with the SEC previously included in audit-related fees for 2002.

(2) Audit-related fees include fees related to assurance and related services. This category also includes fees for audits of employee benefit plans, due

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

diligence services related to acquisitions and consultations and attest services concerning financial accounting and reporting standards. Audit-related fees paid to the external auditor in 2002 has been revised to include \$299,453 of due diligence services related to acquisitions, which was previously included in the category "all other fees" for 2002.

- (3) Tax fees consist of fees for services rendered to the Company for tax compliance, tax planning and advice.
- (4) No services were performed by Deloitte & Touche LLP in connection with financial information systems design and implementation or otherwise.

Pre-Approved Services

Prior to engaging Deloitte & Touche LLP to render the above services, and pursuant to its charter, the Audit Committee approved the engagement for each of the services and determined that the provision of such services by the external auditor was compatible with the maintenance of Deloitte & Touche LLP's independence in the conduct of its auditing services.

The Audit Committee will use the following procedures for the pre-approval of all audit and permissible non-audit services provided by the external auditor.

Before engagement of the external auditor for the next year's audit, the external auditor will submit a detailed description of services expected to be rendered during that year within each of four categories of services to the Audit Committee for approval.

Audit Services include audit work performed on the Company's financial statements, as well as work that generally only the external auditor can reasonably be expected to provide, including statutory audits, comfort letters, consents and assistance with and review of documents filed with the SEC.

29

Audit-Related Services are for assurance and related services that are traditionally performed by the external auditor, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements and discussions surrounding the proper application of financial accounting and/or reporting standards.

Tax Services include all services, except those services specifically related to the audit of the financial statements, performed by the external auditor's tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting.

Other Services are those associated with services not captured in the other categories. The Company generally does not request such services from the external auditor.

Prior to engagement, the Audit Committee pre-approves external auditor services within each category. The fees are budgeted and the Audit Committee requires the external auditor to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the external auditor for additional services not contemplated in the original pre-approval

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

categories. In those instances, the Audit Committee requires specific pre-approval before engaging the external auditor.

In addition, the Company's bylaws have an advance notice procedure for stockholders to bring business before the next Annual Meeting of Stockholders. The advance notice procedure generally requires that a stockholder proposal for the 2005 Annual Meeting of Stockholders must be delivered in writing to the Company's General Counsel and Secretary, together with certain required information relating to such stockholder's stock ownership and identity, not earlier than February 16, 2005 or later than March 18, 2005. I. STATUS

The Audit Committee is a committee of the Board of Directors of American Home Mortgage Investment Corp. (the "Company").

II. PURPOSE

The purpose of the Audit Committee shall be to assist the Board of Directors in

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

monitoring: (1) the integrity of the financial statements of the Company, (2) the qualifications and independence of the Company's independent auditor, (3) the performance of the Company's internal audit function and independent auditor and (4) the compliance by the Company with legal and regulatory requirements and the processes by which management assesses and manages risk.

In addition, the Audit Committee shall submit the report required by the rules of the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

While the Audit Committee has the responsibilities set forth in this Charter, the Audit Committee relies on the expertise and knowledge of management, the internal auditors and the independent auditor in carrying out its oversight responsibilities. Management of the Company is responsible for determining that the Company's financial statements are complete and accurate and are prepared in accordance with generally accepted accounting principles ("GAAP"). The independent auditor of the Company is responsible for auditing the Company's financial statements. It is not the duty of the Audit Committee to plan or conduct audits, to determine that the Company's financial statements are complete and accurate and are in accordance with GAAP or to assure compliance with laws and regulations or the Company's internal policies, procedures and controls.

III. COMPOSITION

The Audit Committee shall consist of no fewer than three members, all of whom, in the judgment of the Board of Directors, shall be independent in accordance with the requirements of the New York Stock Exchange, any other exchange on which the Company's securities are traded, Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the rules and regulations of the SEC. Each member of the Audit Committee shall, in the judgment of the Board of Directors, have the ability to read and understand the Company's financial statements, or acquire such ability within a reasonable period of time after appointment to the Audit Committee. At least one member of the Audit Committee shall, in the judgment of the Board of

Directors, be an "audit committee financial expert" in accordance with the rules and regulations of the SEC and at least one member shall have accounting or related financial management expertise, as the Board of Directors interprets such qualification in its business judgment.

Prospective members of the Audit Committee shall be recommended by the Nominating and Governance Committee of the Board and appointed by the full Board of Directors. One member shall be designated by the Board as the Chairperson of the Audit Committee.

Audit Committee members shall not serve simultaneously on the audit committees of more than two public companies without the approval of the full Board.

IV. MEETINGS

The Audit Committee shall meet as often as it determines is necessary, but not less frequently than quarterly. The Audit Committee shall meet periodically with management, the internal auditors and the independent auditor in separate executive sessions. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Upon the recommendation of the Audit Committee, or if requested by the Board, the independent auditor shall be requested to attend any meeting of the full Board to assist in reporting the results of the annual audit

Edgar Filing: AMERICAN HOME MORTGAGE INVESTMENT CORP - Form DEF 14A

or to answer directors' questions. The Audit Committee shall report regularly to the full Board with respect to its activities and make recommendations to the Board as appropriate.

V. AUDIT COMMITTEE AUTHORITY AND RESPONSIBILITIES

In furtherance of its purposes described in Section II above, the Audit Committee shall have the authority and responsibilities set forth in this Section V.

INDEPENDENT AUDITOR

The Audit Committee shall have the sole authority to appoint, retain or replace the independent auditor (subject, if applicable, to shareholder ratification). The Audit Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Audit Committee.

The Audit Committee shall pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by the independent auditor, subject to the exceptions for non-audit services which are approved by the Audit Committee prior to the completion of the audit. The Audit Committee may

-2-

form and delegate to a subcommittee consisting of one or more members (provided that such person(s) are independent directors) its authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

OUTSIDE ADVISORS

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain outside legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services and to any advisors employed by the Audit Committee and for ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

CHARTER; SELF-EVALUATION

The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval. The Audit Committee shall conduct an annual performance self-evaluation.

OTHER RESPONSIBILITIES

In addition, the Audit Committee, to the extent it deems necessary or appropriate, shall:

Financial Statement and Disclosure Matters

1. Review and discuss with management and the independent auditor the Company's annual audited financial statements, including disclosures

4. Review and discuss quarterly reports from the independent auditor regarding:
 - (a) All critical accounting policies and practices to be used;
 - (b) All alternative treatments within GAAP for policies and procedures related to material items that have been discussed with management, including the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and
 - (c) Other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.
5. Discuss with management and the independent auditor, as appropriate, the Company's earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussion of the types of information to be disclosed and the type of presentations to be made).

The Audit Committee shall present its conclusions with respect to the independent auditor to the full Board.
4. Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditing firm on a regular basis.
