PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

August 20, 2003

This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by the Board of Directors of Daktronics, Inc. ("Daktronics" or the "Company") for use at the Annual Meeting of Shareholders to be held on Wednesday, August 20, 2003, at Daktronics, Inc., 331 32nd Avenue, Brookings, South Dakota at 7:00 p.m. Central Daylight Time, and at any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

Shares of Common Stock represented by proxies in the form solicited will be voted in the manner directed by a shareholder. If no direction is made, the proxy will be voted (1) for election of the three nominees for Directors for terms expiring in 2006, Frank J. Kurtenbach, Roland J. Jensen, James A. Vellenga, and (2) for ratification of appointment of Ernst & Young, LLP as independent auditors for the Company for the fiscal year ending May 1, 2004. A shareholder may revoke his or her proxy at any time before it is voted by delivering to the Secretary of the Company a written notice of termination of the proxy's authority, by filing with the Secretary of the Company another proxy bearing a later date, or by appearing and voting at the meeting. Attendance at the Annual Meeting will not itself revoke an earlier submitted proxy. You should direct any written notices of revocation and related correspondence to Daktronics, Inc., 331 32nd Avenue, Brookings, South Dakota 57006, Attention: Corporate Secretary. This Proxy Statement and the form of proxy enclosed are being mailed to shareholders commencing on or about July 22, 2003.

Edgar Filing: DAKTRONICS INC /SD/ - Form DEF 14A

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed by the Company for the meeting, and the number of shareholders present in person or by proxy will determine whether or not a quorum is present. The inspectors of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum for all matters. Shares abstaining will be treated as un-voted. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote by the inspectors of election with respect to that matter. The three persons receiving the most votes will be elected for directors and the other issues will be determined by a majority of the votes cast.

Only the holders of the Company's Common Stock whose names appear of record on the Company's books at the close of business on July 3, 2003 will be entitled to vote at the Annual Meeting. At the close of business on May 3, 2003, a total of 18,574,819 shares of Common Stock were outstanding. The holders of one-third of the shares of Common Stock issued and outstanding and entitled to vote at the 2003 Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business. If a quorum should not be present, the 2003 Annual Meeting may be adjourned from time to time until a quorum is present. Holders of Common Stock are entitled to one vote per share on all matters submitted to a vote of shareholders, except that with respect to the election for directors every shareholder shall have the right to vote, in person or by proxy, the number of shares owned by the holder for as many persons as there are directors to be elected, or to cumulate the holder's votes by giving one candidate the number of votes which is equal to the number of directors to be elected multiplied by the number of the holder's shares, or by distributing such cumulated votes among any number of candidates.

Participants in the Company's 401(k) plan who have Daktronics shares as one of their 401(k) investment selections are entitled to instruct the trustee of the 401(k) plan how to vote their shares of Common Stock. Each participant will receive a voting instruction card to direct the trustee to vote that participant's shares. If a participant does not timely return a completed voting instruction card, the trustee will vote the shares allocated to that participant in the same proportion as the shares which are voted by all participants under the 401(k) plan.

The Company will pay expenses in connection with the solicitation of proxies. Proxies are being solicited primarily by mail, but, in addition, officers and regular employees of the Company who will receive no extra compensation for their services may solicit proxies by telephone, email or personal calls. The Company may reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of Common Stock.

Committees and Meetings of the Board of Directors

The Board of Directors of the Company has an Audit Committee consisting of John Mulligan (chair), James Vellenga and Nancy Frame, and a Compensation Committee consisting of Roland Jensen (chair), Robert Dutcher, and Duane Sander. The Company has no standing nominating or governance committees. The Board as a whole performs the functions that would otherwise be delegated to a nominating committee. The six independent directors meet privately after each Board meeting, and those directors and the Audit Committee perform the functions that would otherwise be delegated to a governance committee.

The Board of Directors held four regular and one telephone meeting during the fiscal year ending May 3, 2003. All incumbent directors attended 100% of the Board meetings.

The Audit Committee held five meetings during the fiscal year ending May 3, 2003. The Audit Committee appoints the Company's independent accountants and reviews the results of audits made by these professionals. None of the members of the Audit Committee are employees of the Company.

The Compensation Committee held two meetings in the fiscal year ending May 3, 2003. The Compensation Committee is responsible for making recommendations to the Board of Directors regarding compensation of the Company's executive officers and stock option awards under the Company's 2001 Incentive Stock Option Plan. None of the members of the Compensation Committee are employees of the Company and all executive officers that serve on the Board of Directors abstain from voting on compensation affecting those executive officers that are Board members.

Compensation Committee Interlocks and Insider Participation

There are no Compensation Committee interlocks with other companies and none of the members of the committee is currently an officer, employee or insider of the Company or its subsidiaries. Mr. Sanders is co-founder of the Company, was a part-time employee during the Company's early years, and through the fiscal year ending 2001, served as Corporate Secretary.

REPORT OF THE COMPENSATION COMMITTEE

Cash Compensation

The Company's compensation philosophy is to target executive salaries close to the median market rate paid for comparable positions within the Midwest region for similar size companies. The Company's performance as a whole for the fiscal year is also considered. Salaries are reviewed annually.

The management salary increases recommended in November 2001 were never implemented because management felt it was inappropriate given the business situation. Furthermore, management took an additional voluntary 10% temporary pay reduction through June 2002.

The Compensation Committee reviewed base salaries for executive officers in November 2002. Management recommended no increase in base salary for Aelred Kurtenbach, Jim Morgan, Frank Kurtenbach, or Bill Retterath, because of the Company's continued efforts for cost containment. The Committee approved this recommendation.

For fiscal year ending May 3, 2003, the Committee approved the same formula based performance bonus plan for executive officers as in previous years, consisting of one month's salary if after tax earnings exceed 14.5% of beginning stockholders equity, and increasing linearly with performance to a maximum bonus of three month's salary if after tax earnings exceed 18.5% of beginning stockholders equity. The plan for Carla Gatzke is at half the rate as for the other officers, but allows for an additional discretionary bonus. For the fiscal year ending May 3, 2003, the executive officers earned the maximum bonus under the plan.

Equity Based Compensation

In August 2001, the shareholders approved Daktronics 2001 Incentive Stock Option Plan. The Compensation Committee determines awards under this plan for executive officers and approves awards for other employees based upon the recommendation of the Company's executive officers.

In November 2002, the Committee approved the allotment of 170,000 shares for granting of stock options to Daktronics employees, with the shares to be allotted as follows: 5,000 shares to Aelred Kurtenbach; 10,000 shares to James Morgan; 155,000 shares for the granting of stock options to selected employees as determined by James Morgan, including up to 10,000 shares for William R. Retterath. Aelred Kurtenbach declined his shares, in favor of providing more shares to other employees.

The Committee's basis for these awards was the Company's performance, as measured in increased net sales and results of operations over the last three years, and its review of awards by comparable companies and by the Company in previous years. The terms of these options, including duration, vesting, and exercise price were similar to that of comparable companies.

The exercise price per share of these options was established as the average between the high and low reported sale prices for the Common Stock on the Option Date on November 21, 2002, which was \$11.545. Subject to accelerated vesting upon change in control of the Company as defined in the Option Plan, the outstanding options generally vest 20% each year commencing November 21, 2003.

Compensation of Chief Executive Officer

The Committee determined the CEO compensation in the manner described above.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934 requires executive officers and directors and persons who beneficially own more than ten percent (10%) of the Company's Common Stock to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission (SEC) and furnish copies of those reports to the Company. Based on a review of the copies of such forms furnished to the Company, and written representations from the executive officers and directors, the Company believes that Section 16(a) filing requirements were complied with during the fiscal year ending May 3, 2003, except for the following transactions where the Form 4 reports were inadvertently filed not timely: one report including gifts to child by Carla Gatzke, one report for sale by Frank Kurtenbach, one report for a gift by James Morgan, and one report for a gift by James Vellenga.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, in accordance with the amended and restated Audit Committee Charter adopted by the Board of Directors effective May 22, 2003, a copy of which is attached as Appendix A.

Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal control, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended May 3, 2003 for filing with the Securities and Exchange Commission. The Committee has also approved the selection of the Company's independent auditors, and requests shareholder ratification.

PROPOSAL #2 RATIFY APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee recommends that the shareholders ratify the appointment of Ernst & Young, LLP as independent auditors for the Company for the year ending May 1, 2004.

Ernst & Young, LLP served as independent auditors for the Company for the fiscal year ending May 3, 2003, and therefore provided services in connection with the audit of the financial statements of the Company, assistance with the Company's Annual Report submitted to the Securities and Exchange Commission on Form 10-K and quarterly reports filed with the Securities and Exchange Commission, and selected other services that were pre-approved by the Audit Committee.

The Company's Audit Committee has considered whether provision of the above non-audit services is compatible with maintaining the Ernst & Young, LLP's independence and has determined that such services are compatible with maintaining Ernst & Young, LLP's independence.

Ernst & Young, LLP did not provide any services to or receive any fees from the Company for services in the fiscal year ended April 27, 2002. The aggregate fees billed by Ernst & Young, LLP for services in the fiscal year ended May 3, 2003 were:

Audit	\$55,000
Audit-Related	-
Tax	20,000
All Other	22,800

In the above table, in accordance with new SEC definitions and rules which the Company chose to adopt for this year's proxy statement, *audit* fees are for the audit of the Company's consolidated financial statements included in the Form 10-K and review of financial statements included in Form 10-Qs, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; *audit-related* fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements; *tax* fees are for tax compliance, tax advice, and tax planning; and *all other* fees are for any services not included in the first three categories. Ernst & Young, LLP or associated entities provided no systems design or implementation services for the Company.

Edgar Filing: DAKTRONICS INC /SD/ - Form DEF 14A

The Audit Committee has also adopted policies and procedures for pre-approving the non-audit work performed by Ernst & Young, LLP after February 22, 2003. Specifically, each engagement under \$30,000 is pre-approved by the Chairman or alternate of the Audit Committee and each engagement over \$30,000 is pre-approved by the full Audit Committee.

Representatives of Ernst & Young, LLP are expected to be present at the Annual Meeting, and will have the opportunity to make a statement if they so desire and be available to respond to appropriate stockholder questions.

McGladrey & Pullen, LLP served as independent auditors for the Company for the fiscal year ended April 27, 2002. Effective July 1, 2002, McGladrey & Pullen, LLP, the independent auditors previously engaged as the principal accountants to audit the financial statements of the Company, were dismissed by the Company. There were no disagreements with McGladrey & Pullen, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion on the subject matter of the disagreement.

SHAREHOLDER PROPOSALS FOR THE NEXT ANNUAL MEETING

To be considered for inclusion in next year's Proxy Statement, stockholder proposals must be received at our principal executive offices no later than the close of business on March 24, 2004. Proposals should be addressed to Corporate Secretary, Daktronics, Inc., 331 32nd Avenue, Brookings, South Dakota 57006.

For any proposal that is not submitted for inclusion in next year's Proxy Statement, but is instead sought to be presented directly at the 2004 Annual Meeting, management may vote proxies in its discretion if we: (a) receive notice of the proposal before the close of business on June 6, 2004, and advise shareowners in the 2004 Proxy Statement about the nature of the matter and how management intends to vote on such matter; or (b) do not receive notice of the proposal prior to the close of business on June 6, 2004. Notices of intention to present proposals at the 2004 Annual Meeting should be addressed to: Corporate Secretary, Daktronics, Inc., 331 32nd Avenue, Brookings, South Dakota 57006.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters that may come before the meeting. However, if any matters other than those referred to above should properly come before the meeting calling for a vote of the shareholders, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their best judgment.

The Company is sending, prior to or concurrently with this Proxy Statement, to all of its stockholders of record as of July 3, 2003, a copy of its Annual Report to Stockholders for the fiscal year ended May 3, 2003. The Annual Report to Stockholders contains a copy of the Company's Annual Report on Form 10-K (excluding exhibits) for the fiscal year ended May 3, 2003, filed with the Securities and Exchange Commission, which includes the Company's audited consolidated financial statements for the fiscal year ended May 3, 2003.

A copy of the Company's Annual Report may also be obtained by stockholders without charge by making a request through the Company's website Investors Contact Investor Relations pages at www.daktronics.com or by written request addressed to: Investor Relations, Daktronics, Inc., 331 32nd Avenue, Brookings, South Dakota 57006.
