The Company has not nominated any candidates for election as directors at the Annual Meeting. According to the Company's proxy statement, [MatlinPatterson FA Acquisition LLC] has stated that it may propose its own director nominees at the Annual Meeting, but we do not know whether it will in fact nominate individuals for election as directors at the Annual Meeting or solicit proxies for that purpose.

THIS PROXY SOLICITATION IS BEING MADE BY THE PARTICIPANTS AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY, [MATLINPATTERSON FA ACQUISITION LLC] OR ANY OTHER THIRD PARTY. THE PARTICIPANTS ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING OTHER THAN AS DESCRIBED HEREIN. SHOULD OTHER MATTERS, WHICH THE PARTICIPANTS ARE NOT AWARE OF A REASONABLE TIME BEFORE THE DATE OF THIS PROXY STATEMENT, BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED GREEN PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

CLINTON URGES YOU TO SIGN, DATE AND RETURN THE GREEN PROXY CARD IN FAVOR OF THE ELECTION OF ITS NOMINEES.

IF YOU HAVE ALREADY SENT A PROXY CARD FURNISHED BY MANAGEMENT OF THE COMPANY, BY [MATLINPATTERSON FA ACQUISITION LLC] OR BY ANY OTHER THIRD PARTY, YOU MAY REVOKE THAT PROXY AND VOTE FOR THE ELECTION OF CLINTON'S NOMINEES, FOR THE PROPOSAL TO AMEND THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT, FOR THE PROPOSAL TO, IF AND WHEN THE REVERSE STOCK SPLIT IS EFFECTED, PROPORTIONALLY DECREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK, ABSTAIN ON THE ADVISORY VOTE ON EXECUTIVE COMPENSATION, AND FOR THE RATIFICATION OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY, BY SIGNING, DATING AND RETURNING THE ENCLOSED GREEN PROXY CARD. THE LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS. ANY PROXY MAY BE REVOKED AT ANY TIME PRIOR TO THE ANNUAL MEETING BY DELIVERING A WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY FOR THE ANNUAL MEETING TO CLINTON RELATIONAL OPPORTUNITY MASTER FUND, L.P., C/O OKAPI PARTNERS LLC, 437 MADISON AVENUE, 28TH FLOOR, NEW YORK, NEW YORK 10022, WHICH IS ASSISTING IN THIS

PROXY SOLICITATION, OR TO THE SECRETARY OF THE COMPANY, OR BY VOTING IN PERSON AT THE ANNUAL MEETING.

**IMPORTANT
PLEASE READ THIS CAREFULLY**

If your shares of Common Stock are registered in your own name, please vote today by signing, dating and returning the enclosed GREEN proxy card in the postage-paid envelope provided.

If you hold your shares of Common Stock in “street” name with a bank, broker firm, dealer, trust company or other nominee, only that nominee can exercise the right to vote with respect to the shares of Common Stock that you beneficially own through such nominee and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, broker firm, dealer, trust company or other nominee to vote in favor of the election of the Nominees and the other Proposals. Please follow the instructions to proxy provided on the enclosed GREEN proxy card. If your bank, broker firm, dealer, trust company or other nominee provides for proxy instructions to be delivered to them by telephone or Internet, instructions will be included on the enclosed GREEN proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to Clinton Relational Opportunity Master Fund, L.P., c/o Okapi Partners LLC, 437 Madison Avenue, 28th Floor, New York, New York 10022, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

Execution and delivery of a proxy by a record holder of shares of Common Stock will be presumed to be a proxy with respect to all shares held by such record holder unless the proxy specifies otherwise.

Only holders of record of shares of Common Stock as of the close of business on the Record Date will be entitled to vote on the Proposals. If you are a stockholder of record as of the close of business on the Record Date, you will retain your right to vote even if you sell your shares of Common Stock after the Record Date.

The Company intends to count “broker non-votes” as present for purposes of determining the presence or absence of a quorum for the transaction of business. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. According to the Company’s proxy statement, abstentions and “broker non-votes” will not be treated as votes cast. Accordingly, for Proposals 2 and 3, abstentions and “broker non-votes” will have the same effect as an “AGAINST” vote but will have no effect on the outcome of voting on the other Proposals.

If you have any questions regarding your GREEN proxy card or need assistance in executing your proxy, please contact Okapi Partners LLC at (212) 297-0720 or Toll-Free at (877) 629-6355.

REASONS FOR OUR SOLICITATION

The Company has concisely summarized its current, tenuous state of affairs in its Annual Report on Form 10-K for the year ended December 31, 2012:

“In recent years, we have incurred losses and experienced significant turnover, including among our senior management and business leaders of our operating segments, as well as a number of departures, generally, throughout the ranks of our organization. Most recently, we have experienced several events that have adversely affected business operations and resulted in a further deterioration of our financial results.... [U]ncertainties regarding the implications of our net losses and management and employee turnover have been aggravated by the absence of a strategic alternative, the departure of [Former Chairman Eric] Gleacher, the departures of key personnel and a prospective turnover on our Board, resulting in further questions regarding the stability and strategic direction of the Company and adversely affecting relations with both our clients and our employees. A number of our trading customers have reduced or suspended trading activities with us, adversely impacting our revenues. Moreover, at least in part because of the perceived instability of our business, new investment banking mandates have dwindled. These events have weakened employee morale, which may lead to additional resignations. As a result, we have experienced a significant decline in revenue, and we cannot predict when, or if, we will be able to reduce or reverse this decline and associated losses.”

Stockholders have suffered a precipitous decline in the value of their investment in the Company. On March 31, 2013, the Company’s stock closed at \$0.60, down 55.9% and 85.0% over the past one- and three-year periods, respectively, and over 93.0% from its five-year high of \$9.02.

We believe that Gleacher is a broken company, but not one that is beyond repair.

The current business plan has not been and is not working. Management is now exiting some of the businesses the Company had been pursuing, such as its fixed income business. We believe this is a good first step. But more needs to be done.

In our view, there are only two viable alternatives to help stockholders protect their value. The first is a liquidation and distribution of the Company’s assets. We understand that some stockholders favor this approach. We believe it is not optimal because of the significant long-term lease, compensation, and data services obligations, plus the destruction of value and goodwill associated with the Company’s brand, vendor and client relationships, tax attributes (such as the Company’s net operating loss carryforwards), public company status and infrastructure.

We favor a second alternative. We believe that new, objective and highly qualified directors can help the Company execute a rapid rebirth, driving profitability through a fast turnaround plan that focuses on new areas of financial services. If elected, and subject to their fiduciary duties to all stockholders, we expect that our Nominees would expeditiously pursue a strategy to:

- re-build the Company around money management and proprietary investing, with some related investment banking and other services;
- raise additional capital;
- liquidate residual positions from the Company’s legacy business;
- reduce overhead and expenses; and
-

preserve and maximize the value of the Company's meaningful net operating loss carryforwards and other tax attributes.

We firmly believe that Gleacher has a valuable brand and that there is a significant opportunity to use the brand and other corporate attributes to establish a differentiated and successful investment manager. In our view, Gleacher's strong brand, valuable and liquid assets, significant tax attributes, and public company status, coupled with favorable market and regulatory conditions, offer a unique and attractive opportunity to create a publicly-traded asset manager with the capacity to generate a consistent source of revenue and profitability.

We have nominated a slate of highly qualified individuals, all but one of whom does not work for the Company, to consider all of the facts objectively and to determine, in the due exercise of their estimable business judgment, the best course forward to maximize value of the Company's equity. The Nominees together have decades of experience and expertise from their financial, investment, regulatory and directorship roles and will endeavor to take the steps necessary to reverse the Company's downward trajectory, with the aim of swiftly returning Gleacher to profitability and maximizing value for all stockholders.

BACKGROUND OF THE PROXY SOLICITATION

We initially invested in Gleacher because we believed the stock was undervalued and represented a potentially profitable investment opportunity, including through the pursuit of a new strategic direction for the Company. We believed then, and believe now, that significant value can be created for all stockholders through our proposed strategic plan, which we believe our Nominees have the experience and expertise to execute successfully for the benefit of all stockholders.

In the fall of 2012, George E. Hall, Chief Executive Officer of CGI, had an in-person meeting with John Griff, the Company's Chief Operating Officer, to discuss the Company's performance and future prospects.

In November 2012, Mr. Hall spoke with a representative of the Company's financial advisor which had been engaged to assist the Company in exploring and evaluating strategic alternatives. Mr. Hall inquired about the strategic alternatives process and requested that Clinton be included in the process. Clinton did not receive any further response from the Company's financial advisor following this discussion.

In early March 2013, representatives of Clinton spoke with representatives of Gleacher to discuss Clinton's views about the Company's business plan and strategic direction.

On March 20, 2013, Clinton sent a letter to the Board requesting that the Company reopen the period during which stockholders of the Company may submit advance notice of an intention to nominate directors at the Annual Meeting.

On March 22, 2013, representatives of Clinton had an in-person meeting with Mark R. Patterson and Christopher R. Pechock, both directors of the Company, to discuss Clinton's views regarding the Company's strategic direction.

On March 28, 2013, Clinton sent a letter to the Board urging the Board to adopt a tax benefit preservation plan to help preserve the value of the Company's significant net operating loss carryforwards and other tax attributes.

On April 8, 2013, in accordance with the Company's Bylaws, CREL delivered a notice to the Company indicating its intent to nominate candidates to stand for election to the Board at the Annual Meeting.

On April 9, 2013, representatives of Clinton participated in a telephone conference with Henry S. Bienen, Robert A. Gerard and Bruce Rohde, directors of the Company, and Patricia A. Arciero-Craig, the Company's General Counsel, to discuss Clinton's views regarding the Company's strategic direction and the importance of adopting a tax benefit preservation plan.

PROPOSAL 1
ELECTION OF DIRECTORS

The Board consists of nine seats, currently with one vacancy. According to the Company's preliminary proxy statement on Schedule 14A filed with the SEC on April 11, 2013 in connection with the Annual Meeting (the "Company's Proxy Statement"), the terms of nine directors expire at the Annual Meeting. If it remains the case that the terms of only nine directors will expire at the Annual Meeting, we will withdraw three of our Nominees.

The Company has not nominated any candidates for election as directors at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our Nominees in opposition to [MatlinPatterson FA Acquisition LLC's] director nominees. If successful in our Proxy Solicitation, then the Board will be composed solely of the Nominees.

Morgan, The Boston Company, and Northern Trust Company. From 1973 to 1978, he designed quantitative investment products and other trust services at Bankers Trust Company.

Mr. Putnam's qualifications as a director include his 30+ years of experience in the investment industry and with sophisticated financial products and services.

Each of the Nominees other than Lee Fensterstock and Thomas J. Hughes presently is, and if elected as a director of the Company would be, an "independent director" within the meaning of (i) applicable Nasdaq listing standards applicable to board composition, and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. Mr. Hughes is the current Chief Executive Officer of the Company and is a party to an employment letter agreement and certain equity award agreements with the Company.

The Nominees (other than Scott Arnold and Joseph De Perio) have each entered into a nominee agreement pursuant to which CGI has agreed to pay the costs of soliciting proxies in connection with the Annual Meeting, and to defend and indemnify such Nominees against, and with respect to, any losses that may be incurred by them in the event they become a party to litigation based on their nomination as candidates for election to the Board and the solicitation of proxies in support of their election. The Nominees will not receive any compensation from CGI or its affiliates for their services as directors of the Company if elected. If elected, the Nominees will be entitled to such compensation from the Company as is consistent with the Company's practices for services of directors.

Each of the Nominees has agreed to being named as a nominee in this proxy statement and has confirmed his or her willingness to serve on the Board if elected. Clinton does not expect that any of the Nominees will be unable to stand for election, but in the event that a Nominee is unable to or for good cause will not serve, the shares of Common Stock represented by the GREEN proxy card will be voted for a substitute candidate selected by Clinton. If Clinton

determines to add nominees, whether because the Company expands the size of the Board subsequent to the date of this proxy statement or for any other reason, Clinton will supplement this proxy statement. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Clinton that any attempt to increase the size of the current Board or to classify the Board constitutes an unlawful manipulation of the Company's corporate machinery.

The election of each Nominee pursuant to this Proposal requires a plurality of votes cast by the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

WE URGE YOU TO VOTE YES TO THE ELECTION OF OUR NOMINEES PURSUANT TO PROPOSAL 1.

PROPOSAL 2
AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT

As discussed in further detail in the Company's Proxy Statement, the Board has declared advisable and approved, and is soliciting stockholder approval of, an amendment to the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split at a ratio of between one-for-ten and one-for-twenty (the "Reverse Stock Split Amendment"). A vote for Proposal 2 will constitute approval of the Reverse Stock Split Amendment, which provides for the combination of any whole number of shares of Common Stock between and including ten and twenty into one share of Common Stock, and will grant the Board the authority to select which ratio within that range to implement. If the stockholders approve this proposal, the Board will have the authority, but not the obligation, in its sole discretion, and without further action on the part of the stockholders, to select the reverse stock split ratio within the approved range and effect the reverse stock split by filing the Reverse Stock Split Amendment with the Delaware Secretary of State at any time after the approval of the Reverse Stock Split Amendment and prior to the close of business on September 30, 2013. If the reverse stock split is implemented, the number of authorized shares will be decreased in the same ratio as the reverse stock split, subject to stockholder approval. (See Proposal 3)

The Reverse Stock Split Amendment would have no effect on the par value of a share of Common Stock. Except for any changes as a result of the treatment of fractional shares, each stockholder will hold the same percentage of Common Stock outstanding immediately after the reverse stock split as such stockholder held immediately prior to the reverse stock split.

The Board has authorized the submission of the proposal to amend the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split as a potential means of increasing the per share trading price of the Common Stock and regaining compliance with the continued listing requirements set forth in NASDAQ Listing Rule 5450(a)(1). Any determination to effect the reverse stock split will be made by the Board and will be based on a number of factors, including market conditions, existing and expected trading prices for the Common Stock and the continued listing requirements of The NASDAQ Global Market. The Board reserves the right to elect not to proceed with, and to abandon, the reverse stock split if it determines, in its sole discretion, that this proposal is no longer in the Company and its stockholders' best interests.

Approval of this Proposal requires the affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote thereon.

WE RECOMMEND YOU VOTE YES TO PROPOSAL 2.

PROPOSAL 3

AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO PROPORTIONALLY DECREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

As discussed in further detail in the Company's Proxy Statement, the Board has approved a proposed amendment to the Amended and Restated Certificate of Incorporation of the Company that would reduce the number of shares of Common Stock the Company is authorized to issue in the same ratio as the reverse stock split, provided that Proposal 2 above is approved by the stockholders and the Reverse Stock Split Amendment is implemented (the "Proportional Decrease in Authorized Shares Amendment").

Approval of the Proportional Decrease in Authorized Shares Amendment is conditioned on the approval of the Reverse Stock Split Amendment. If the Reverse Stock Split Amendment is not approved, then the Proportional Decrease in Authorized Shares Amendment will automatically be deemed to not have been approved, regardless of the number of shares actually voted "FOR" that proposal. In the event that stockholders approve the Reverse Stock Split Amendment but do not approve the Proportional Decrease in Authorized Shares Amendment, the Board will retain the discretion to implement the Reverse Stock Split Amendment.

If the Reverse Stock Split Amendment is approved by stockholders and implemented by the Board, and the Proportional Decrease in Authorized Shares Amendment is approved by stockholders, the decrease would become effective upon the filing of the amendment to the Company's Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware, or at the later time set forth in the amendment, but in any event simultaneous with the effectiveness of the reverse stock split. The exact timing of the amendment will be determined by the Board based on its evaluation as to when such action will be the most advantageous to the Company and its stockholders

Approval of this Proposal requires the affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote thereon.

WE RECOMMEND YOU VOTE YES TO PROPOSAL 3.

PROPOSAL 4
ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

As discussed in further detail in the Company's Proxy Statement, in accordance with Section 14A of the Exchange Act, the Company provides its stockholders with the opportunity to cast an advisory vote to approve the compensation for the Company's named executive officers (commonly known as the "say on pay" vote). Accordingly, the Company is asking stockholders to vote, on an advisory basis, on the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the "Compensation Discussion and Analysis," compensation tables and narrative discussion and any related material contained in [the Company's] Proxy Statement, is hereby APPROVED.

Because this vote is only advisory in nature, it will not be binding on the Company. The Board will consider the results of this stockholder vote in determining future compensation programs for the Company's named executive officers. However, these programs may not change even if stockholders vote against this proposal.

Approval of this Proposal requires such Proposal to receive "FOR" votes constituting a majority of the votes cast at the Annual Meeting with respect to shares entitled to vote thereon.

Given the Company's unusual circumstances and the expected turnover on the compensation committee, we do not believe the prior compensation practices of the Company are particularly noteworthy or relevant. Therefore, we do not believe stockholders should express a view on those practices. Accordingly, we intend to vote ABSTAIN on this proposal.

WE RECOMMEND YOU VOTE ABSTAIN ON PROPOSAL 4.

PROPOSAL 5
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

According to the Company's Proxy Statement, the Audit Committee of the Board has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013. The Company is submitting this appointment for stockholder ratification at the Annual Meeting.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from stockholders.

If stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain PricewaterhouseCoopers LLP, but still may retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

According to the Company's Proxy Statement, the Audit Committee, or a designated member thereof, has pre-approved each audit and non-audit service rendered by PricewaterhouseCoopers LLP to the Company.

Approval of this Proposal requires such Proposal to receive "FOR" votes constituting a majority of the votes cast at the Annual Meeting with respect to shares entitled to vote thereon.

WE RECOMMEND YOU VOTE YES TO PROPOSAL 5.

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote. Stockholders who sell shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, including the Company's Proxy Statement, we believe that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed GREEN proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees to the Board, FOR the proposal to amend the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split, FOR the proposal to, if and when the reverse stock split is effected, proportionally decrease the number of authorized shares of Common Stock, ABSTAIN on the advisory vote on executive compensation, FOR the ratification of the appointment of PricewaterhouseCoopers LLP, and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

According to the Company's Proxy Statement, the terms of nine directors expire at the Annual Meeting. The Company has not nominated any candidates for election as directors at the Annual Meeting. This proxy statement is soliciting votes to elect only our Nominees, [Scott Arnold, Joseph A. De Perio, Russell P. Echlov, Lee Fensterstock, Bruce M. Greenwald, Kenneth Grossman, Frederick W. Hatfield, Thomas J. Hughes, Adrian P. Kingshott, Tracy B. McKibben, Raymond C. Mikulich and Donald H. Putnam]. Accordingly, the enclosed GREEN proxy card may only be voted for our Nominees and does not confer voting power with respect to any other nominees, including any nominees of [MatlinPatterson FA Acquisition LLC]. The Participants intend to vote all of their shares of Common Stock in favor of the Nominees.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

According to the Company's Proxy Statement, the presence, in person or by proxy, of the holders of at least a majority of the shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions and "broker non-votes" (as described below) will be counted in determining whether a quorum has been reached.

A "broker non-vote" occurs when a custodian does not vote on a particular Proposal because it has not received voting instructions from the applicable beneficial owner and does not have discretionary voting power on the matter in question.

According to the Company's proxy statement, abstentions and "broker non-votes" will not be treated as votes cast. Accordingly, for Proposals 2 and 3, abstentions and "broker non-votes" will have the same effect as an "AGAINST" vote but will have no effect on the outcome of voting on the other Proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors According to the Company's Proxy Statement, the nine nominees for director receiving the most "FOR" votes (among votes properly cast in person or by proxy) will be elected as directors of the Company. Withheld votes will have no impact on the election of directors.

Reverse Stock Split and Proportionate Decrease of Authorized Shares According to the Company's Proxy Statement, the proposal to amend the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split (Proposal 2) and the proposal to, if and when the reverse stock split is effected, proportionally decrease the number of authorized shares of Common Stock (Proposal 3) will each require the receipt of "FOR" votes constituting a majority of the shares of Common Stock outstanding and entitled to vote thereon.

Advisory Vote on Executive Compensation and Ratification Of Independent Registered Public Accounting Firm
According to the Company's Proxy Statement, the advisory vote on executive compensation (Proposal 4) and approval of the ratification of the appointment of the Company's independent registered public accounting firm (Proposal 5) will each require the receipt of "FOR" votes constituting a majority of the votes cast.

IF YOU WISH TO VOTE FOR THE ELECTION OF OUR NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GREEN PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

APPRAISAL/DISSENER RIGHTS

Stockholders are not entitled to appraisal or dissenters' rights under Delaware law in connection with the Proposals or this proxy statement.

SOLICITATION OF PROXIES

Clinton will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. In the event that we decide to seek reimbursement of our expenses, we do not intend to submit the matter to a vote of the Company's stockholders. The Board, which will consist solely of our Nominees, would be required to evaluate the requested reimbursement consistent with their fiduciary duties to the Company and its stockholders. Costs related to the Proxy Solicitation include expenditures for attorneys, advisors, printing, advertising, postage and related expenses and fees.

Clinton has retained Okapi Partners LLC ("Okapi") to provide solicitation and advisory services in connection with the Proxy Solicitation. Okapi will receive a fee not to exceed \$[], together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified by CGI against certain liabilities and expenses, including certain liabilities under the federal securities laws. Okapi will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. It is anticipated that Okapi will employ approximately [] persons to solicit the Company's stockholders as part of this Proxy Solicitation. Okapi does not believe that any of its directors, officers, employees, affiliates or controlling persons, if any, is a "participant" in this Proxy Solicitation.
