#### PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Bioanalytical Systems, Inc. (the "Company") is unable to file its Form 10-K for the fiscal year ended September 30, 2003, within the prescribed time period without unreasonable effort and expense. Specifically, the resignation of the Company's controller, which was effective in the fourth quarter of 2003, and the resignation of the Company's Chief Financial Officer in November 2003 have resulted in a disruption of the Company's normal processes for preparing its Form 10-K. Although the Company has appointed an interim Chief Financial Officer and has retained a consulting firm, the loss of accounting personnel has prevented the Company from producing all of the information required to be provided in the Form 10-K despite the Company's best efforts. The Company is currently in the process of recruiting a new controller and a new Chief Financial Officer.
