Item 2.01. Completion of Acquisition or Disposition of Assets

On November 30, 2012, Validus Holdings, Ltd. (Validus) completed its acquisition of Flagstone Reinsurance Holdings, S.A. (Flagstone), pursuant to that certain Agreement and Plan of Merger (the Merger Agreement), dated as of August 30, 2012, by and among Validus, Flagstone, Flagstone Reinsurance Holdings (Bermuda) Limited (Flagstone Bermuda) and Validus UPS, Ltd. (Validus UPS). Pursuant to the terms of the Merger Agreement, the acquisition was completed by means of two mergers. First, Flagstone became a Bermuda entity through a first-step merger with and into Flagstone Bermuda, a newly-formed subsidiary of Flagstone (the First-Step Merger). Second, immediately following the First-Step Merger, Flagstone Bermuda merged through a second-step merger with and into Validus UPS, a newly-formed Validus subsidiary (the Second-Step Merger, and together with the First-Step Merger, the Mergers). Following the Second-Step Merger, the successor-in-interest to Flagstone became wholly owned by Validus. Upon completion of the Mergers, each share of Flagstone issued and outstanding immediately prior to the First-Step Merger was converted into the right to receive 0.1935 Validus common shares, \$2.00 in cash, without interest, and cash in lieu of any fractional share to which the holder was entitled (the Merger Consideration).

Validus expects to issue a total of approximately 14,202,665 common shares, and to pay approximately \$152.4 million pursuant to the terms of the Merger Agreement, based on the number of Flagstone shares deemed to have been outstanding on November 29, 2012, as calculated under the Merger Agreement.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached as Exhibit 2.1 to Validus Current Report on Form 8-K filed on September 4, 2012 and incorporated by reference herein.

A copy of the press release dated November 30, 2012 announcing the completion of the Mergers is attached hereto as Exhibit 99.1 and incorporated by reference herein.

For important information regarding the Mergers, including the risks of the Mergers and the businesses of Validus and Flagstone, investors are urged to read Validus Registration Statement on Form S-4/A, dated October 23, 2012, filed with the Securities and Exchange Commission (the SEC).

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information provided in Item 2.01 of this Current Report on Form 8-K is incorporated by reference herein.

Citi Credit Facility

After the effectiveness of the Mergers, Validus newly acquired indirect wholly-owned subsidiaries, Flagstone Reassurance Suisse, SA and Flagstone Capital Management Luxembourg SICAF FIS, retained an uncommitted, secured \$550 million standby letter of credit facility with Citibank Europe PLC. Flagstone Reassurance Suisse, SA and Flagstone Capital Management Luxembourg SICAF FIS are parties to the Insurance Letters of Credit Master Agreement, dated April 28, 2010, as amended on December 21, 2010 (as so amended, the Citi Facility). The Citi Facility comprises a \$275 million facility for letters of credit with an expiration date up to 15 months from the date of

Edgar Filing: VALIDUS HOLDINGS LTD - Form 8-K

issuance and a \$275 million facility for letters of credit issued in respect of Funds at Lloyds with an expiration date up to 60 months from the date of issuance, and in each case if requested, subject to automatic extension for successive periods up to one year. The Citi Facility will continue to be used to support the reinsurance obligations of certain subsidiaries of Validus. As of November 27, 2012, approximately \$373 million face amount letters of credit had been issued under the Citi Facility.

The foregoing description of the Citi Facility does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment Letter and Revised Summary of Terms, a copy of which is attached as Exhibit 99.1 to Flagstone's Current Report on Form 8-K filed on December 23, 2010 and is incorporated by reference herein, as well as the Insurance Letters of Credit Master Agreement, the Pledge Agreement and the Account Control Agreement, copies of which are attached as Exhibits 99.1, 99.2, and 99.3, respectively, to Flagstone's Current Report on Form 8-K filed on May 4, 2010 and are incorporated by reference herein.

BNY Mellon Supplemental Indentures

In connection with the Mergers, on November 30, 2012, Validus and Validus UPS entered into supplemental indentures (the BNY Mellon Supplemental Indentures) to each of the BNY Mellon Indentures (as defined below) providing for (i) the assumption by Validus UPS of the obligation to pay the principal of, premium, if any, and any interest on all of the notes outstanding under the applicable BNY Mellon Indenture (the BNY Mellon Notes) according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions under the applicable BNY Mellon Indenture to be performed by Flagstone Bermuda and, concurrently with Validus UPS' assumption of the BNY Mellon Indentures, (ii) subordinated guarantees by Validus of the obligations of Validus UPS under each of the BNY Mellon Notes described below.

Validus UPS' assumptions and Validus' guarantees are in respect of:

Flagstone Bermuda's Floating Rate Deferrable Interest Subordinated Notes due 2036 (US Dollar Denominated) (the US Dollar Notes due 2036), of which \$120 million aggregate principal amount were outstanding as of November 30, 2012; and

Flagstone Bermuda's Floating Rate Deferrable Interest Junior Subordinated Notes due 2037 (the Notes due 2037) and, together with the US Dollar Notes due 2036, the BNY Mellon Notes), of which \$25 million aggregate principal amount were outstanding as of November 30, 2012.

The US Dollar Notes due 2036 were originally issued under a Junior Subordinated Indenture, dated as of August 23, 2006, between Flagstone Bermuda (as successor in interest to Flagstone) and The Bank of New York Mellon Trust Company, National Association (as successor in interest to JPMorgan Chase Bank, National Association), as trustee (as previously supplemented, the US Dollar Notes due 2036 Indenture). The Notes due 2037 were originally issued under a Junior Subordinated Indenture, dated as of September 20, 2007, between Flagstone Bermuda (as successor in interest to Flagstone) and The Bank of New York Mellon Trust Company, National Association, as trustee (as previously supplemented, the Notes due 2037 Indenture) and, together with the US Dollar Notes due 2036 Indenture, the BNY Mellon Indentures).

Edgar Filing: VALIDUS HOLDINGS LTD - Form 8-K

The US Dollar Notes due 2036 have a floating rate of interest equal to LIBOR plus 354 basis points per annum, reset quarterly for the dollar-denominated principal amount. The US Dollar Notes due 2036 mature on September 15, 2036, and may be called at par by Validus UPS at any time.

The Notes due 2037 have a floating rate of interest equal to LIBOR plus 310 basis points per annum, reset quarterly for the dollar-denominated principal amount. The Notes due September 2037 mature on September 15, 2037, and may be called at par by Validus UPS at any time.

Each of the BNY Mellon Indentures contains certain restrictions, including a limitation that restricts Validus UPS ability to declare or pay dividends on its capital stock, make payment of principal of or any interest or premium on any debt security that ranks equal or junior to the BNY Mellon Notes, or enter into certain contracts with a greater than 10% shareholder if any Covenant Significant Subsidiary (as defined in the BNY Mellon Indentures) of Validus UPS that is an insurance company rated by A.M. Best, (i) is downgraded by A.M. Best to a financial strength rating below A- and, during any twelve-month period, either fails to renew more than 51% of its net premiums written or sells more than 51% of its rights to renew net premiums written, (ii) is downgraded by A.M. Best to a financial strength rating below B++ or (iii) withdraws its financial strength rating by A.M. Best.

Each of the BNY Mellon Indentures contains customary covenants relating to restrictions on the ability of Validus UPS to consolidate, merge or convey or transfer substantially all of its assets. The BNY Mellon Indentures also contain customary events of default.

The BNY Mellon Notes assumed by Validus UPS and the Validus guarantees thereof are unsecured obligations of the respective party, ranking equal in right of payment with all the respective party's existing and future unsecured and subordinated indebtedness. Interest on each series of BNY Mellon Notes is payable quarterly.

Wilmington Trust Supplemental Indenture

Validus and Validus UPS also entered into a supplemental indenture (the Wilmington Trust Supplemental Indenture) to a Junior Subordinated Indenture, dated as of June 8, 2007, among Flagstone Finance S.A. (Flagstone Finance), Flagstone Bermuda (as successor-in-interest to Flagstone in the First-Step Merger) and Wilmington Trust Company, as trustee (as previously supplemented, the Wilmington Trust Indenture), governing Flagstone Finance's Floating Rate Deferrable Interest Junior Subordinated Notes due 2037 (the Wilmington Trust Notes), of which \$88.75 million aggregate principal amount were outstanding as of November 30, 2012. The Wilmington Trust Supplemental Indenture provides for (i) the assumption by Validus UPS of all of the obligations of Flagstone Bermuda to be performed or observed by Flagstone Bermuda under the Wilmington Trust Indenture and the related guarantee by Flagstone Bermuda (the Flagstone Bermuda Guarantee) issued under the Wilmington Trust Indenture and, concurrently with Validus UPS assumption of the Flagstone Bermuda Guarantee, (ii) subordinated guarantees by Validus of the obligations of Flagstone Finance under the Wilmington Trust Notes.

Interest on the Wilmington Trust Notes is payable quarterly.

Amendment to Merrill Lynch Note Purchase Agreement

Additionally, Validus and Validus UPS entered into an amendment (the "Merrill Lynch Amendment") to a Note Purchase Agreement, dated as of August 23, 2006, between Flagstone Bermuda (as successor-in-interest to Flagstone in the First-Step Merger) and Merrill Lynch International, as purchaser (as previously amended, the "Merrill Lynch Note Purchase Agreement"), governing Flagstone Bermuda's Floating Rate Deferrable Interest Subordinated Notes due 2036 (Euro Denominated) (the "Merrill Lynch Notes"), of which \$13.0 million aggregate principal amount were outstanding as of November 30, 2012. The Merrill Lynch Amendment provides for (i) the assumption by Validus UPS of the obligation to pay the principal of, premium, if any, and any interest on all of the notes outstanding under the Merrill Lynch Notes according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions under the Merrill Lynch Note Purchase Agreement to be performed by Flagstone Bermuda and, concurrently with Validus UPS' assumption of the Merrill Lynch Note Purchase Agreement, (ii) subordinated guarantees by Validus of the obligations of Validus UPS under the Merrill Lynch Notes.
