DECKERS’ ACTIONS TO ADDRESS AND RESOLVE
LITIGATION INITIATED BY MARCATO

As further described in the Proxy Statement, on October 23, 2017, an affiliate of Marcato Capital Management LP (“Marcato”) filed a lawsuit in the Court of Chancery of the State of Delaware that names Deckers and each member of the Board as defendants. To ensure that stockholders can focus on what matters—choosing the right stewards to lead Deckers forward and continue to execute on its transformation—on November 10, 2017, the Board took the following actions:

As previously announced, Deckers will hold the Annual Meeting on December 14, 2017, subject only to the Board’s ability, in the exercise of its fiduciary duties to stockholders, to adjust the date of the meeting should circumstances require that action. The Board also authorized Deckers to enter into a stipulation with Marcato regarding this commitment.

•The Board approved an amendment to Deckers’ credit facility to prevent an “event of default” from occurring under the credit facility if a majority of Marcato’s director nominees were to be elected at the Annual Meeting. Deckers is working with JPMorgan Chase Bank, the administrative agent under its credit facility, to obtain the necessary lender

consents to implement this amendment as soon as possible. The Board approved Marcato's director nominees as director candidates under the credit facility solely for this purpose.

The Board disabled the acceleration of equity awards and compensation arrangements under certain of Decker's equity and deferred compensation plans that would have otherwise occurred if a majority of Marcato's director nominees were to be elected at the Annual Meeting. In order to effect this change, the Board determined that Marcato's director nominees, if elected, would be "continuing directors" solely for this purpose under the relevant equity and deferred compensation plans.

In light of these actions, Deckers and the Board believe that Marcato's lawsuit is moot and will promptly pursue dismissal of Marcato's lawsuit.
