**REPORT OF INDEPENDENT AUDITORS**

Shareholders and Board of Directors  
Wells Real Estate Investment Trust, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the Harcourt Austin Building (the Building ) for the year ended December 31, 2001. This statement is the responsibility of the Building s management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues over certain operating expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues over certain operating expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the Building s revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the Harcourt Austin Building for the year ended December 31, 2001 in conformity with accounting principles generally accepted in the United States.

**1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

*Description of Real Estate Property Acquired*

On August 15, 2002, the Wells Operating Partnership, L.P. ( Wells OP ) acquired the Harcourt Austin Building from Carr Development & Construction, LP ( Carr ). Wells OP is a Delaware limited partnership formed to acquire, own, lease, operate, and manage real properties on behalf of Wells Real Estate Investment Trust, Inc., a Maryland corporation. As the sole general partner of Wells OP, Wells Real Estate Investment Trust, Inc. possesses full legal control and authority over the operations of Wells OP.

Harcourt, Inc. ( Harcourt ) currently occupies the entire 195,230 rentable square feet of the seven-story office building under a lease agreement (the Harcourt Lease ). Harcourt is a Delaware corporation owned equally by Reed Elsevier PLC and Reed Elsevier NV whose shares are traded on the New York Stock Exchange. Carr 's interest in the Harcourt Lease was assigned to Wells OP upon acquisition of the building. The initial term of the Harcourt Lease commenced in July 2001 and expires in June 2016. Under the Harcourt Lease, Harcourt is required to pay, as additional rent, all operating costs, including but not limited to electricity, water, sewer, insurance, taxes and a management fee not to exceed 3.5% of rent. Furthermore, Harcourt will be required to reimburse the landlord for costs of capital improvements that are intended to reduce operating costs or improve safety and any replacement or capital repairs to the Building 's HVAC systems. Wells OP will be responsible for maintaining and repairing the Building 's roof, structural elements and mechanical systems.

*Rental Revenues*

Rental income is recognized on a straight-line basis over the term of the lease. The accompanying statements of revenues over certain operating expenses include rental revenues from the date of commencement of the Harcourt Lease in July 2001.

**2. BASIS OF ACCOUNTING**

The accompanying statements of revenues over certain operating expenses are presented in conformity with accounting principles generally accepted in the United States and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, these statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as depreciation and interest. Therefore, these statements are not comparable to the statement of operations of the Harcourt Austin Building after its acquisition by Wells OP.
