Annual Meeting of Shareholders  
May 19, 2004**

Plumas Bancorp is providing this proxy statement to shareholders of Plumas Bancorp in connection with the annual meeting (the Meeting) of shareholders of Plumas Bancorp to be held at the Plumas Bank Credit Administration Building located at 32 Central Avenue, Quincy, California, on Wednesday, May 19, 2004 at 10:30 a.m. and at any and all adjournments thereof.

---

**Table of Contents**

It is expected that Plumas Bancorp will mail this proxy statement and accompanying notice and form of proxy to shareholders on or about April 10, 2004.

**Revocability of Proxies**

A proxy for use at the meeting is enclosed. Any shareholder who executes and delivers such proxy has the right to revoke it at any time before it is exercised, by filing with the Secretary of Plumas Bancorp an instrument revoking it, or a duly executed proxy bearing a later date. The Secretary of Plumas Bancorp is Terrance J. Reeson, and any revocation should be filed with him at Plumas Bancorp, 35 S. Lindan Avenue, Quincy, California 95971. In addition, the powers of the proxyholders will be revoked if the person executing the proxy is present at the meeting and elects to vote in person. Subject to such revocation or suspension, the proxyholders will vote all shares represented by a properly executed proxy received in time for the meeting in accordance with the instructions on the proxy. **If no instruction is specified with regard to the matter to be acted upon, the proxyholders will vote the shares represented by the proxy FOR each of the nominees for directors. If any other matter is presented at the meeting, the proxyholders will vote in accordance with the recommendations of management.**

**Persons Making the Solicitation**

The Board of Directors of Plumas Bancorp is soliciting proxies. Plumas Bancorp (the Company) will bear the expense of preparing, assembling, printing and mailing this proxy statement and the material used in the solicitation of proxies for the meeting. The Company contemplates that proxies will be solicited principally through the use of the mail, but officers, directors and employees of Plumas Bancorp may solicit proxies personally or by telephone, without receiving special compensation for the solicitation. Although there is no formal agreement to do so, the Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding these proxy materials to their principals. In addition, the Company may utilize the services of individuals or entities not regularly employed by Plumas Bancorp in connection with the solicitation of proxies, if management of the Company determines that this is advisable.

**Voting Securities**

Management of the Company has fixed March 31, 2004 as the record date for purposes of determining the shareholders entitled to notice of, and to vote at, the meeting. On March 26, 2004, there were 3,258,628 shares of Plumas Bancorp's common stock issued and outstanding. Each holder of Plumas Bancorp's common stock will be entitled to one vote for each share of the Company's common stock held of record on the books of Plumas Bancorp as of the record date. In connection with the election of directors, shares may be voted cumulatively if a shareholder present at the meeting gives notice at the meeting, prior to the voting for election of directors, of his or her intention to vote cumulatively. If any shareholder of Plumas Bancorp gives that notice, then all shareholders eligible to vote will be entitled to cumulate their shares in voting for election of directors. Cumulative voting allows a shareholder to cast a number of votes equal to the number of shares held in his or her name as of the record date, multiplied by the number of directors to be elected. These votes may be cast for any one nominee, or may be distributed among as many nominees as the shareholder sees fit. If cumulative voting is declared at the meeting, votes represented by proxies delivered pursuant to this proxy statement may be cumulated in the discretion of the proxyholders, in accordance with management's recommendation.

**Table of Contents**

The effect of broker nonvotes is that such votes are not counted as being voted; however such votes are counted for purposes of determining a quorum. The effect of a vote of abstention on any matter is that such vote is not counted as a vote for or against the matter, but is counted as an abstention.

**Shareholdings of Certain Beneficial Owners and Management**

Management of Plumas Bancorp knows of no person who owns, beneficially or of record, either individually or together with associates, 10 percent or more of the outstanding shares of the Company's common stock, except as set forth in the table below. The following table sets forth, as of March 26, 2004, the number and percentage of shares of Plumas Bancorp's outstanding common stock beneficially owned, directly or indirectly, by each of the Company's directors, named executive officers and principal shareholders and by the directors and executive officers of the Company as a group. ## **Table of Contents**

All nominees will continue to serve if elected at the meeting until the 2005 annual meeting of shareholders and until their successors are elected and have been qualified. None of the directors were selected pursuant to any arrangement or understanding other than with the directors and executive officers of Plumas Bancorp acting within their capacities as such. There are no family relationships between any of the directors of Plumas Bancorp. No director of the Company serves as a director of any company that has a class of securities registered under, or which is subject to the periodic reporting requirements of, the Securities Exchange Act of 1934, or of any company registered as an investment company under the Investment Company Act of 1940.

## **The Board of Directors and Committees**

During 2003, the Company's Board of Directors met 15 times. None of Plumas Bancorp's directors attended less than 75 percent of all Board of Directors' meetings and committee meetings of which they were members. The Company does not have a policy requiring director attendance at its annual meeting. However, most directors attend the meeting as a matter of course. All ten directors attended the annual meeting of shareholders in 2003.

## **Shareholder Communication with the Board of Directors**

If you wish to communicate with the Board of Directors you may send correspondence to the Corporate Secretary, Plumas Bancorp, 35 S. Lindan Avenue, Quincy, California 95971. The Corporate Secretary will submit your correspondence to the Board of Directors or the appropriate committee, as applicable.

## **Code of Ethics**

The Board of Directors has adopted a code of business conduct and ethics for directors, officers (including Plumas Bancorp's principal executive officer, principal financial officer and controller) and financial personnel, known as the Corporate Governance Code of Ethics Policy. This Code of Ethics Policy is available on Plumas Bancorp's website at [www.plumasbank.com](http://www.plumasbank.com). ## **Audit Committee**

Plumas Bancorp has an Audit Committee composed of Mr. Reeson, Chairman and Messrs. Grohs, Sphar and Watson. The Board has determined that each member of the Audit Committee is independent within the meaning of the rules and regulations of the Securities and Exchange Commission (the SEC). The Board has determined that the Audit Committee does not have an audit committee financial expert, as that term is defined in Item 401(h) of SEC Regulation S-K, because (i) none of the members of the Audit Committee possesses all the requisite qualifications to be considered an audit committee financial expert and (ii) thus far, the Board has not recruited an individual who qualifies as an audit committee financial expert and who would be willing to serve on the Audit Committee in that capacity. In the future as a Board vacancy occurs, the Board of Directors will attempt to recruit a member who will meet the SEC definition of a financial expert.

The Audit Committee met five times during 2003. The Audit Committee reviews all internal and external audits including the audit by Perry-Smith LLP, the Company's independent auditor, report any significant findings of audits to the Board of Directors, and ensure that the internal audit plans are met, programs are carried out, and weaknesses are addressed. The Audit Committee meets annually to discuss and review the overall audit plan. The Board of Directors has outlined the Audit Committee's duties and responsibilities but has not yet adopted a written charter for the Audit Committee.

The Audit Committee's policy is to pre-approve all recurring audit and non-audit services provided by the independent auditors through the use of engagement letters. These services may include audit services,

## **Table of Contents**

audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the full Audit Committee regarding all services provided by the independent auditors and fees associated with those services performed to date. Other than some ancillary audit and accounting services and some ancillary tax and accounting consulting services the fees paid to the independent auditors in 2003 and 2002 were approved per the Audit Committee's pre-approval policies.

## **Audit Committee Report**

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Plumas Bancorp specifically incorporates this information by reference, and shall not otherwise be deemed filed under the Acts.

The Board of Directors and the Audit Committee has reviewed Plumas Bancorp's audited financial statements and discussed such statements with management. The Board of Directors and the Audit Committee has discussed with Perry-Smith LLP, the Company's independent auditors during the year 2003, the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit and Finance Committees, as amended).

The Audit Committee received written disclosures and a letter from Perry-Smith LLP, required by Independence Standards Board Standard No. 1 and has discussed with them their independence from management. The Audit Committee has also considered whether the independent auditors' provision of other non-audit services is compatible with the auditors' independence.

Based on the review and discussions noted above, the Audit Committee recommended to the Board of Directors that Plumas Bancorp's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

This report is submitted by the directors of Plumas Bancorp's Audit Committee, consisting of Mr. Reeson, Chairman and Messrs. Grohs, Sphar and Watson.

## **Corporate Governance Committee**

During 2003, the Board of Director formed a Corporate Governance Committee which met two times. The Corporate Governance committee consists of Mr. Grohs, Chairman and Messrs. Kehr, Blickenstaff and Watson and Ms. McArthur. The Board has determined that each member of the Corporate Governance Committee is independent within the meaning of the rules and regulations of the Securities and Exchange Commission (the "SEC"). The Corporate Governance committee provides assistance to the Board by identifying qualified individuals as prospective Board members, recommends to the Board the director nominees for election at the annual meeting of shareholders, oversees the annual review and evaluation of the performance of the Board and its committees and develops and recommends corporate governance guidelines to the Board of Directors. The Board has outlined the Corporate Governance Committee's duties and responsibilities but has not yet adopted a written charter for the committee.

The Corporate Governance Committee does not have any written specific minimum qualifications or skills that the committee believes must be met by either a committee-recommended or a security holder-recommended candidate in order to serve on the committee. The Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of

obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Corporate Governance Committee or the Board decided not to re-

## **Table of Contents**

nominate a member for re-election, the Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the following criteria. When identifying and evaluating new directors, the Corporate Governance Committee considers the diversity and mix of the existing Board of Directors, including, but not limited to, such factors as: the age of the current directors, their geographic location (being a community bank, there is a strong preference for local directors), background and employment experience. Among other things, when examining a specific candidate's qualifications, the Corporate Governance Committee considers: the ability to represent the best interest of the Company, existing relationships with the Company, interest in the affairs of the Company and its purpose, the ability to fulfill director responsibilities, leadership skill, reputation within the Company's community, community service, integrity, business judgment, ability to develop business for the Plumas Bancorp and the ability to work as a member of a team. All nominees to be considered at the Meeting were recommended by the Corporate Governance Committee.

The Corporate Governance Committee will consider nominees to the Board proposed by shareholders, although the Board has no formal policy with regard to shareholder nominees as it considers all nominees on their merits as aforementioned. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership and should be addressed to:

Corporate Secretary  
Plumas Bancorp  
35 S. Lindan Avenue  
Quincy, CA 95971

In addition, the bylaws of Plumas Bancorp permit stockholders to nominate directors for consideration at an annual shareholder meeting. For a description of the process for nominating directors in accordance with the bylaws, please see the notice to this proxy statement.

## **Personnel Committee**

Plumas Bancorp has a Personnel Committee that met six times in 2003. The Personnel Committee consists of Mr. Grohs, Chairman and Messrs. Kehr and Blickenstaff. The Personnel Committee reviews human resource policies, establishes the compensation for the Chief Executive Officer and other executive officers, reviews salary recommendations, grants stock options and approves other personnel matters, which are in excess of management's authority.

## **Personnel Committee Interlocks and Insider Participation**

Mr. William E. Elliott, President and Chief Executive Officer, served as an advisor to the Personnel Committee during 2003. There are no Personnel Committee interlocks between Plumas Bancorp and other entities involving Plumas Bancorp's executive officers or board members.

## **Personnel Committee Report**

The Personnel Committee establishes the overall executive compensation guidelines of Plumas Bancorp and establishes the compensation plans and specific compensation levels of the Chief Executive Officer and other executive officers. The Personnel Committee reviews its approach to executive compensation annually.

The Personnel Committee believes that executive officer compensation should be closely aligned with the performance of Plumas Bancorp on a short-term and long-term basis, and that such compensation should be structured to assist the Company in attracting and retaining key executives critical to its long-term success. To that end, the

Personnel Committee's policy for compensation packages of executive officers consists of three components: (i) an annual base salary; (ii) the potential to earn incentive bonuses dependent on Plumas Bancorp's performance and, in certain cases, individual performance as well, and (iii) stock option awards and salary continuation plans designed to link shareholder interests with those of executive management by providing long-term incentives to executive officers of the Company, and (iv) long-term incentives similar to

## **Table of Contents**

those received by non-executives, including a 401(k) match. The performance based aspects, items (ii) and (iii) above, are considered major elements of the overall compensation program.

Annual base salary is determined by considering the overall performance of Mr. William E. Elliott, President and Chief Executive Officer of both Plumas Bancorp and its subsidiary Plumas Bank with respect to the duties and responsibilities assigned. Salary surveys of other California community banks, including the California Bankers Association and California Department of Financial Institutions Annual Salary Surveys, are reviewed and factored into the process to insure fair rates of compensation in an increasingly competitive labor market. All outside Plumas Bancorp directors individually complete a written evaluation of the performance of Mr. Elliott for 2003. The evaluations are summarized by the Mr. Grohs and discussed by Messrs. Grohs and Kehr with Mr. Elliott. Mr. Elliott with the concurrence of the Board of Directors reviews annually other executive officers of Plumas Bancorp and Plumas Bank, including Douglas N. Biddle, Executive Vice President and Chief Financial Officer of Plumas Bancorp and Chief Administrator of Plumas Bank, Dennis C. Irvine, Executive Vice President and Chief Information Technology Officer of Plumas Bank and Robert T. Herr, Executive Vice President and Loan Administrator of Plumas Bank.

Incentive bonuses are linked to specific objectives for each executive. In 2003, Mr. Elliott could earn a percentage of his base salary based on the achievement of specific goals tied to (1) return on equity; (2) growth in earnings; and, (3) five individual performance goals. Each goal is also assigned a range of target levels. At year-end, the target level achieved for each performance measure is combined to arrive at the final bonus compensation award. In 2003, Mr. Elliott earned bonus compensation in the amount of \$76,500, or 42% of total base compensation of \$181,250. Bonus compensation for other executive officers is based on a similar quantitative formula as Mr. Elliott s.

The Board of Directors at its discretion periodically awards incentive compensation in the form of stock option grants to executive officers and other employees. The Board employed qualitative criteria in awarding stock options to the executive officers. In 2003, Mr. Elliott received an option to purchase 5,625 shares. The other above named executive officers received options to purchase 11,250 shares in total. All options were granted at fair market value as of the date of the award.

In 2003, the salary continuation agreement for Mr. Elliott was modified to increase the length of time benefits will be paid from 15 years to 20 years and provide for a 2% per year annual increase in the benefit amount. Similar salary continuation agreements exist with the other executive officers. The purpose of the salary continuation agreements with Mr. Elliott and the other executive officers is to provide incentives for key personnel to remain in the employ of Plumas Bank. In connection with the agreements, Plumas Bank has purchased certain cash surrender value life insurance policies ( BOLI ).

The Personnel Committee believes that the programs for executive officer compensation serve well the interests of Plumas Bancorp s shareholders by providing the motivation for executives to contribute to the overall long-term success and value of Plumas Bancorp and Plumas Bank.

This report is submitted by the outside directors of the Plumas Bank s Personnel Committee, consisting of Mr. Grohs, Chairman and Messrs. Kehr, Blickenstaff.

provide a board member an opportunity to defer his or her director fees as an incentive to continue service with the Company. The agreement provides for deferral of director fees to the earlier of an agreed upon distribution date or the termination of director services for any reason. The Company will accrue interest on all deferred director fees at an annual floating percentage rate of the current Prime Rate minus 1%. In the event of death prior to retirement, the beneficiary will receive full-deferred fee benefits. In the event of disability wherein the director does not continue service with the Company, the director is entitled to the full-deferred fee benefit accrued up to the point of director's termination of service.

**Non-Qualified Stock Options:** The Board of Directors of Plumas Bank adopted the 1991 Stock Option Plan (the 1991 Plan ) in March 1991. The 1991 Plan was approved by the shareholders at the 1991 Annual Meeting. Non-qualified stock options representing 5,625 shares of stock were granted to a director of the Company at an exercise price of \$7.72 per share in November 1997. Non-qualified stock options representing 23,805 shares of stock were granted to directors of the Company at an exercise price of \$7.44 per share in November 1998. The Board of Directors of Plumas Bank adopted the 2001 Stock Option Plan (the 2001 Plan ) in March 2001. The 2001 Plan was approved by the shareholders at the 2001 Annual Meeting. Non-qualified stock options representing 3,750 shares were granted to a director of the Company at an exercise price of \$8.29 per share in November 2001. Non-qualified stock options representing 33,750 shares of stock were granted to directors of the Company at an exercise price of \$16.13 per share in December 2002. Non-qualified stock options representing 16,875 shares of stock were granted to directors of the Company at an exercise price of \$19.79 per share in December 2003.

As of December 31, 2003, the Company had 76,255 non-qualified stock options outstanding to directors of the Company, of which 34,380 were exercisable. All stock options were granted at an exercise price of not less than one hundred percent (100%) of the fair market value of the stock on the date of the grant. The amount of options outstanding at December 31, 2003 (as well as the original option grant information presented above) has been adjusted to reflect the 3-for-2 stock split effective June 15, 1999 and the 3-for-2 stock split effective November 26, 2002.

Each option granted under both the 1991 and 2001 Plans expires no later than ten (10) years from the date the option was granted. Both Plans allows the options granted to be exercised by the optionee according to a vesting schedule. The vesting of stock options typically occurs at a rate that provides for a 20% vesting for each completed year of service from the anniversary of the option grant date, for a total vesting of 100% after the completion of five years of service. All of the non-qualified stock options outstanding to directors of the Company, vest over a five-year period as described above, with the exception of 15,000 non-qualified stock options granted in December 2002 to four directors of the Company that are nearing retirement. Messrs. Blickenstaff, Kehr, Grohs and Sphar, each were granted 3,750 non-qualified stock options at an exercise price of \$16.13 per share. These options vest at a rate that provides for a 33% vesting for each completed year of service from the anniversary of the option grant date, for a total vesting of 100% after the completion of three years.

## **Director Emeritus Plans**

**Director Retirement Agreement:** Effective March 1, 1998 the Company entered into Director Retirement (fee continuation) Agreements with board members Blickenstaff, Fletcher, Grohs, Kehr, McArthur, Reeson, Schoensee (currently retired), Sphar, Wellenbrock (currently retired) and West. The purpose of the fee continuation agreements is to provide a retirement benefit to the board members as an incentive to continue service with the Company. The agreement provides for fee continuation benefits of up to \$8,100 per year for 5 years after retirement. In the event of death prior to retirement, the beneficiary will receive full fee continuation benefits. In the event of disability wherein the director does not continue service with the Company, the director is entitled to fee continuation benefits, at a

reduced amount depending on the length of service with the Company, beginning the month following termination of service. If the director terminates

**Table of Contents**

service with the Company for a reason other than death or disability prior to the retirement age of 75, he/she will be entitled to fee continuation benefits at a reduced amount depending on the length of service with the Company. The fee continuation benefits are informally funded by single premium life insurance policies. The directors are the insured parties and the Company is the beneficiary of the policies.

During April and May of 2000, the Director Retirement Agreements for the directors described above were modified to increase the amount of the annual benefit to \$10,000 and extend the term to 12 years after retirement with these benefits beginning after the third anniversary of the director's retirement. This increase in benefits was informally funded by single premium life insurance policies. The directors are the insured parties and the Company is the beneficiary of the policies.

**Post-Retirement Consulting Agreement:** In May 2000, the Company entered into Post-Retirement Consulting Agreements with board members Blickenstaff, Fletcher, Grohs, Kehr, McArthur, Reeson, Schoensee (currently retired), Sphar, Wellenbrock (currently retired) and West. The purpose of the Agreements is to provide consideration to the board members in exchange for consulting services after their retirement from the Board. The agreements provide for consulting fees of \$10,000 per year for 3 years after retirement. In the event of death prior to completion of the consulting services, the beneficiary will receive death benefits equal to the remaining unpaid consulting fee benefits. In the event of disability wherein the retired director is unable to continue consulting services with the Company, the Company may terminate the director's post-retirement consulting services. If the retired director voluntarily terminates his or her consulting services for other than good reason or if the Company terminates the director's post-retirement consulting services for cause, the Post-Retirement Consulting Agreement shall terminate.

The Board of Directors of the Company entered into an employment agreement with Mr. Elliott dated February 9, 1990, subsequently restated on October 15, 1999 and April 17, 2002. Under the terms of the agreement the Company has provided and will provide employment to Mr. Elliott from April 17, 2002 to July 1, 2007. His current annual base salary is \$185,000 with future base salary increases to be granted at the sole discretion of the Board. The Company also provides a \$100,000 term life insurance policy on behalf of Mr. Elliott. Mr. Elliott is entitled to participate in any and all other employee benefits and plans existing or developed by the Company. The Company has the right to terminate the agreement for cause, as defined in the agreement. If the Board of Directors of the Company determines that Mr. Elliott's continued employment would be detrimental to the best interests of the shareholders, he will be entitled to termination pay of one (1) year's salary or the balance due per the employment agreement, whichever is less.

On October 13, 1993, the Company's Board of Directors entered into a salary continuation agreement with Mr. Elliott. The purpose of the salary continuation agreement is to provide special incentive to Mr. Elliott for his continuing employment with the Company on a long-term basis. The agreement provides Mr. Elliott with salary continuation benefits of up to \$75,000 per year for 15 years after retirement. In the event of death prior to retirement, Mr. Elliott's beneficiary will receive the full salary continuation benefits. In the event of disability wherein Mr. Elliott does not continue employment with the Company, Mr. Elliott is entitled to salary continuation benefits (which are reduced if at the time of disability he does not have 12 years of service with the Company) beginning at age 65 or on the date on which he is no longer entitled to disability benefits under the Company's group disability insurance, whichever is earlier. If Mr. Elliott terminates employment with the Bank for a reason other than death or disability prior to the retirement age of age 65, he will be entitled to salary continuation benefits at a reduced amount depending on the length of service with the Company. The vesting of salary continuation benefits is at the rate of 5% per year for the first four years of service, 10% per year for the next four years of service, 15% per year for the next two years of service and 5% per year for the next two years of service, for a total vesting of 100%.

**Table of Contents**

Mr. Biddle and Mr. Irvine are entitled to salary continuation benefits, at a reduced amount depending on the length of service with the Company, beginning at age 65 or on the date on which he is no longer entitled to disability benefits under the Company's group disability insurance, whichever is earlier. If Mr. Biddle or Mr. Irvine terminates employment with the Company for a reason other than death or disability prior to the retirement age of age 65, such person will be entitled to salary continuation benefits at a reduced amount depending on the length of service with the Company. The vesting of salary continuation benefits occurs at a rate that provides for a 90% vesting at age 60 and 2% per year for the next five years of service, for a total vesting of 100%. The salary continuation benefits are informally funded by single premium life insurance policies with Mr. Biddle and Mr. Irvine as the insured parties and the Company as the beneficiary of the policies.

As of December 28, 1999, the salary continuation agreements for Messrs. Elliott, Biddle and Irvine were modified to increase the amount of the annual benefit to \$110,000, \$62,000 and \$62,000, respectively. This increase in benefits is informally funded by single premium life insurance policies. Messrs. Elliott, Biddle and Irvine are the insured parties and the Company is the beneficiary of the policies. The agreements were also modified so that in the event of a change in control and Messrs. Elliott, Biddle or Irvine terminate their employment with Plumas Bancorp or its successor within a period of 5 years after such change in control, then they may elect full vesting of their salary continuation payments and the payment of the salary continuation benefits beginning with the month after their termination, subject to the reduction of benefits if the benefits result in a limitation of deductibility of such benefits for Plumas Bancorp under Section 280G of the Internal Revenue Code.

On June 4, 2002, the Company's Board of Directors entered into salary continuation agreements with Mr. Herr. The purpose of the salary continuation agreements is to provide special incentive to Mr. Herr to continue employment with the Company on a long-term basis. The agreement provides Mr. Herr with salary continuation benefits of up to \$62,000 per year for 15 years after retirement. In the event of death prior to retirement, Mr. Herr's beneficiary will receive salary continuation benefits at a reduced amount depending on the length of service with the Company. The vesting of salary continuation benefits occurs at a rate that provides for a 55% vesting at age 60 and 9% per year for the next five years of service, for a total vesting of 100%. In the event of a change of control of Plumas Bancorp and Mr. Herr terminates employment with Plumas Bancorp or its successor within a period of 5 years after such change in control, then Mr. Herr may elect full vesting of his salary continuation payments and the payment of the salary continuation benefits beginning with the month after his termination, subject to the reduction of benefits if the benefits result in a limitation of deductibility of such benefits for Plumas Bancorp under Section 280G of the Internal Revenue Code. The salary continuation benefits are informally funded by single premium life insurance policies with Mr. Herr as the insured parties and the Company as the beneficiary of the policies.

The salary continuation agreement of Mr. Elliott was amended in November 2003 to increase the salary continuation payments by a 2% increase each year and increase the term of the salary continuation payments from 15 years to 20 years. The salary continuation benefits are informally funded by single premium life insurance policies with Mr. Elliott as the insured party and the Company as the beneficiary of the policies.
