PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held July 28, 2004

This Proxy Statement is furnished in connection with the solicitation, on behalf of the Board of Directors of ITLA Capital Corporation (we, our, us or ITLA Capital), of proxies to be used at the Annual Meeting of Shareholders of ITLA Capital (the Meeting), and all adjournments or postponements of the Meeting. The Meeting will be held at the Estancia La Jolla, 9700 North Torrey Pines Road, La Jolla, California, on July 28, 2004 at 2:00 p.m., California time. The accompanying Notice of Annual Meeting of Shareholders and form of proxy and this Proxy Statement are first being mailed to shareholders on or about June 28, 2004. Certain of the information provided herein relates to Imperial Capital Bank, a wholly owned subsidiary of ITLA Capital (sometimes referred to below as the Bank).

At the Meeting, our shareholders are being asked to consider and vote upon: (i) the election of two directors of ITLA Capital; and (ii) the ratification of the appointment of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2004.

VOTING RIGHTS AND PROXY INFORMATION

All shares of our common stock, par value \$.01 per share (Common Stock), represented at the Meeting by properly executed proxies received prior to or at the Meeting and not revoked will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted FOR the election of both nominees named in this Proxy Statement and FOR the ratification of the appointment of Ernst & Young LLP. We do not know of any matters, other than as described in the Notice of Annual Meeting of Shareholders, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, our Board of Directors, as proxy for the shareholder, will have the discretion to vote on such matters in accordance with its best judgment.

Directors will be elected by a plurality of the votes cast. The ratification of the appointment of Ernst & Young LLP as our independent auditors requires the affirmative vote of a majority of the votes cast on the matter. In the election of directors, shareholders may either vote FOR both nominees for election or withhold their votes from either nominee for election. Votes that are withheld and shares held by a broker, as nominee, that are not voted (so-called broker non-votes) in the election of directors will not be included in determining the number of votes cast. For the proposal to ratify the appointment of the independent auditors, shareholders may vote FOR, AGAINST or ABSTAIN with respect to this proposal. Proxies marked to abstain will have the same effect as votes against the proposal, and broker non-votes will have no effect on the proposal. The holders of at least one-third of the outstanding shares of our Common Stock, present in person or represented by proxy, will constitute a quorum for purposes of the Meeting. Proxies marked to abstain and broker non-votes will be counted for purposes of determining a quorum.

A proxy given pursuant to this solicitation may be revoked at any time before it is voted. Proxies may be revoked by: (i) duly executing and delivering to the Secretary of ITLA Capital a subsequent proxy relating to the same shares prior to the exercise of such proxy; (ii) filing with the Secretary of ITLA Capital at or before the Meeting a written notice of revocation bearing a later date than the proxy; or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered to Anthony A. Rusnak, Esq., Secretary of ITLA Capital, at ITLA Capital Corporation, 888 Prospect Street, Suite 110, La Jolla, California 92037.

Our Board of Directors generally meets every other month and may have additional special meetings from time to time. During the year ended December 31, 2003, our Board of Directors met six times. No current director attended fewer than 75% of the aggregate of (i) the total number of Board meetings held during the period for which he was a director and (ii) the total number of meetings held by all committees of the Board on which he served during the periods that he served. In addition, all of our Board members are expected to attend our annual meeting of shareholders, although we do not have any written policy as to Board members attendance at the annual meeting of shareholders. Last year s annual meeting of shareholders was attended by the entire Board of Directors.

Our Board of Directors has determined that Messrs. Lipscomb, Oribe, Martin, Mayuga and Reed, constituting a majority of the Board members, are independent directors as that term is defined in the National Association of Securities Dealers (NASD) listing standards for the Nasdaq Stock Market. Shareholders may communicate directly with the Board of Directors by sending written communications to ITLA Capital, addressed to the Audit Committee Chairman.

Board Committees

The Board of Directors principal standing committees are the Audit, Compensation and Executive Committees. During 2003, the Compensation and Audit Committees were composed of independent

directors. The Board of Directors has adopted a written charter for the Audit Committee, as well as a written code of business conduct and ethics that applies to all of our directors, officers and employees. You may obtain copies of these documents free of charge by writing to Anthony A. Rusnak, Esq., Secretary of ITLA Capital, at ITLA Capital Corporation, 888 Prospect Street, Suite 110, La Jolla, California 92037 or by calling (858) 551-0511. In addition, our code of business conduct and ethics is available on our website located at www.itlacapital.com. Our Audit Committee charter is attached to this proxy statement as Appendix A.

The principal standing committees are described below.

Audit Committee. The Audit Committee is currently comprised of Messrs. Martin (Chairman), Lipscomb and Reed. Our Board of Directors has determined that Mr. Martin is an audit committee financial expert as defined in Item 401(h) of Regulation S-K of the Securities and Exchange Commission, and that all of the Audit Committee members meet the independence requirements as set forth in the NASD's listing standards. The Audit Committee met four times during fiscal year 2003. The Audit Committee assists our Board in its oversight responsibility relating to the integrity of our financial statements and the financial reporting process, the systems of internal accounting and financial controls and compliance with legal and regulatory requirements. The Audit Committee, among other things:

- oversees the entire audit function for ITLA Capital, both internal and independent;
- hires, terminates and/or reappoints our independent auditors;
- ensures the existence of effective accounting and internal control systems;
- approves non-audit and audit services to be performed by the independent auditors;
- reviews and approves all related party transactions for potential conflict of interest situations; and
- reviews and assesses the adequacy of the Audit Committee charter on an annual basis.

The report of the Audit Committee is set forth below under **Audit Committee Report**.

Compensation Committee. The Compensation Committee currently consists of Messrs. Lipscomb and Oribe. The Compensation Committee met once during fiscal year 2003. The Compensation Committee is responsible for:

- determining compensation to be paid to our executive officers and directors;
- overseeing the administration of our employee benefit plans covering employees generally; and
- reviewing our compensation policies and plans.

The report of the Compensation Committee is set forth below under **Compensation Committee Report on Executive Compensation**.

Executive Committee. The primary responsibilities of the Executive Committee are to advise our management on matters when the full Board of Directors is unavailable or to conduct business as specifically designated by the full Board. The current members of the Executive Committee are Messrs. Haligowski, Oribe and Bruce. The Executive Committee held twelve meetings in fiscal 2003.

Director Nominations

Director nominees are recommended by a majority of our independent directors in accordance with the NASD's listing standards. Our full Board of Directors nominates individuals for election after receiving and considering the recommendations of the independent directors. Our Board of Directors has not deemed it necessary to formally designate a separate nominating committee because the Board is relatively small and a substantial majority of our directors (five out of seven) are independent. In addition, each of our independent directors participates in the process of recommending candidates to the full Board.

Candidates for election to our Board of Directors are considered based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of

other directorships and commitments (including charitable obligations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to ITLA Capital's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole.

Nominations must be made pursuant to timely notice in writing to the Corporate Secretary as set forth in Article II, Section 6(c) of our bylaws. Shareholders may recommend candidates for consideration by our independent directors by following the procedures set forth in Article II, Section 6(c). Shareholder recommended candidates will be considered and evaluated using the same criteria set forth above.

Article II, Section 6(c) of our bylaws provides that nominations for election as directors by shareholders must be made in writing and delivered to the Secretary of ITLA Capital at least 90 days prior to the annual meeting date. If, however, the date of the meeting is first publicly disclosed less than 100 days prior to the date of the meeting, nominations must be received by ITLA Capital not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed to shareholders or the day on which public disclosure of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Article II, Section 6(c) of our bylaws. This information includes the following:

(i) as to each person whom a shareholder proposes to nominate for election as a director, all information relating to the proposed nominee that is required to be disclosed in the solicitation of proxies for election as directors or is otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934, including the proposed nominee's written consent to serve as a director, if elected; and

(ii) as to the shareholder giving the notice:

the name and address, as they appear on our books, of the shareholder; and

the number of shares of our Common Stock beneficially owned by the shareholder.

The foregoing description is a summary of our nominating process. Any shareholder wishing to nominate a candidate or recommend a nominee to our Board of Directors for its consideration should review and must comply in full with the procedures set forth in our certificate of incorporation and bylaws, and Delaware law.

As stated above, during 2003 our Board of Directors was responsible for nominating directors and met one time with respect to the selection of director nominees.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee of our Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent ITLA Capital specifically incorporates this Report therein, and shall not otherwise be deemed filed under such Acts.

Management is responsible for ITLA Capital's internal controls, financial reporting process and compliance with laws and regulations. The independent accountants are responsible for performing an independent audit of ITLA Capital's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

As required by its charter, the Audit Committee received and reviewed the report of Ernst & Young LLP regarding the results of their audit, as well as the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit Committee reviewed and discussed the audited financial statements with ITLA Capital's management. A representative of Ernst & Young LLP also discussed with the Audit Committee the

independence of Ernst & Young LLP from ITLA Capital, as well as the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

In fulfilling its oversight responsibility of reviewing the services performed by ITLA Capital's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent auditors. The Audit Committee met with the independent auditors to discuss the results of their examinations, the evaluation of ITLA Capital's internal controls and the overall quality of ITLA Capital's financial reporting. The Audit Committee also reviewed and discussed with the independent auditors the fees paid to the independent auditors; these fees are described under Relationship with Independent Auditors below.

ITLA Capital's Chief Executive Officer and Principal Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the SEC pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 (Sarbanes). Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

Based on the Audit Committee's review and discussions noted above, it recommended to the Board of Directors that the audited financial statements be included in ITLA Capital's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the SEC.

Respectfully submitted by the members of the Audit Committee of the Board of Directors of ITLA Capital Corporation.

Robert R. Reed

RELATIONSHIP WITH INDEPENDENT AUDITORS

General

The Audit Committee has reappointed Ernst & Young LLP as the independent public accounting firm to audit our consolidated financial statements for the year ending December 31, 2004, subject to the ratification of the appointment by ITLA Capital's shareholders. See Proposal 2 Ratification of the Appointment of Auditors below.

Independent Auditing Firm Fees

During the years ended December 31, 2003 and 2002, Ernst & Young LLP provided various audit, audit related and non-audit services to us. Set forth below are the aggregate fees billed for these services:

(a) Audit Fees: Aggregate fees billed for professional services rendered for the audit of our annual financial statements and reviews of financial statements included in our Quarterly Reports on Form 10-Q for those fiscal years: \$225,250 2003; \$181,000 2002.

(b) Audit Related Fees: Aggregate fees billed for professional services rendered related to audits of employee benefit plans, and consultation on accounting matters: \$70,000 2003; \$17,250 2002.

(c) Tax Fees: Aggregate fees billed for professional services rendered related to tax compliance, tax advice and tax return preparation: \$101,000 2003; \$91,600 2002.

(d) All other fees: None 2003; None 2002.

The Audit Committee pre-approves all audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. Prior to engaging our independent auditors to render an audit or permissible non-audit service, the Audit Committee specifically approves the engagement to render that service. Accordingly, we do not engage

Table of Contents

our independent auditors to render audit or permissible non-audit services pursuant to pre-approval policies or procedures or otherwise, unless the engagement to provide such services has been approved by the Audit Committee in advance. The engagement of Ernst & Young LLP to render 100 percent of the services described in the categories above was approved by the Audit Committee in advance of the rendering of those services.

DIRECTOR COMPENSATION

Fee Arrangements. During 2003, each non-employee director was paid a monthly fee of \$2,250 for serving on ITLA Capital's Board of Directors and \$750 for each Board or Committee meeting attended for service on such committee. In addition, Director Reed received an honorarium of \$5,000 for his active participation during 2003 in legislative matters and Director Oribe received an honorarium of \$15,000 for his time and assistance with Japanese business matters and his extensive work with the Executive Committee. In 2003, Director Martin received a monthly retainer fee of \$1,250 for his service as Chairman of the Audit Committee.

Voluntary Retainer Stock and Deferred Compensation Plan. In 1996, ITLA Capital adopted the Voluntary Retainer Stock and Deferred Compensation Plan for Outside Directors (the Outside Director Plan). The Outside Director Plan provides for the deferral of compensation earned by non-employee directors in the form of Stock Units (Stock Units) in a Stock Unit account (Stock Unit Account). Directors may elect to have up to 100% of their fees converted into stock units.

For dividends paid with respect to our Common Stock, each non-employee director has credited to his Stock Unit Account an additional number of Stock Units in an amount determined under the Outside Director Plan. Each non-employee director's Stock Unit Account will be settled by delivering to the non-employee director (or his beneficiary) the number of shares of our common stock equal to the number of whole Stock Units then credited to the non-employee director's Stock Unit Account, in either (i) a lump sum or (ii) substantially equal annual installments over a period not to exceed ten years.

To date, no amounts have been deferred under the Outside Director Plan.

Stock Options. Directors are also eligible to receive stock option grants. Non-employee directors may receive option grants under our 1995 Stock Option Plan for Non-Employee Directors, and directors who are also employees (Messrs. Haligowski and Bruce) may receive option grants under our 1995 Employee Stock Incentive Plan (the Employee Stock Incentive Plan). On October 30, 2003, Preston Martin was granted an option to purchase 1,000 shares of common stock with an exercise price of \$46.69 per share. The option vests in full on October 30, 2004 and will expire on October 30, 2013. No other options were granted to directors during 2003.

Table of Contents**EXECUTIVE COMPENSATION**

The following table sets forth summary information concerning compensation earned by or paid to our Chief Executive Officer and to our four highest earning other executive officers, based on salary and bonus for 2003. Each of these officers received perquisites and other personal benefits in addition to salary and bonus during the periods stated. The aggregate amount of these perquisites and other personal benefits, however, did not exceed the lesser of \$50,000 or 10% of the total of their annual salary and bonus and, therefore, has been omitted as permitted by the rules of the SEC. The term "named executive officers" is used from time to time in this proxy statement to refer to the officers listed in the table below.

Agreements With Mr. Haligowski

We have entered into an employment agreement with Mr. Haligowski. The employment agreement provides for an initial employment term of five years, with the agreement automatically annually extending for an additional one-year period each year unless either party provides the other with at least 90 days notice of the non-extension or termination. The employment agreement provides that we may terminate Mr. Haligowski for cause, as defined in the employment agreement. In the event Mr. Haligowski is involuntarily terminated, as defined in the employment agreement, including following a change of control, as defined in the employment agreement, Mr. Haligowski will be entitled to receive during the remaining term of the agreement his base salary calculated at the highest annual rate during the three years prior to his involuntary termination and the average amount of cash bonus and incentive compensation paid for the two years prior to his involuntary termination, if any, the continuation of all employment related benefits for the 60 months following the date of termination and the immediate vesting of any stock options and

Table of Contents

restricted stock awards previously granted and outstanding. As a result of a change of control, Mr. Haligowski will also be retained as a consultant for an eighteen month period following the change in control at a monthly consulting fee equal to 75% of his base salary and an additional contribution to his account in our Supplemental Executive Retirement Plan equal to 3.95 times his base salary. In addition, the terms of the employment agreement shall be extended 60 months and stock options and restricted stock awards previously granted and outstanding, salary continuation plans, equity club memberships and other fringe benefits shall immediately vest following a change of control. The annual base salary for Mr. Haligowski under the employment agreement is currently \$498,750 (which may be increased from time to time by the Board of Directors). The employment agreement also provides for, among other things, annual incentive compensation, disability pay, participation in stock benefit and salary continuation plans, and other fringe benefits, including a supplemental housing payment of not less than \$2,500 per month, an automobile allowance of not less than \$1,950 per month, and life insurance coverage in an amount not less than four times Mr. Haligowski's annual salary. In addition we shall maintain health, dental and life insurance benefits for the 60 months following an involuntary termination and transfer title to our owned vehicle currently used by Mr. Haligowski. In March 2000, we adopted a Salary Continuation Plan for the benefit of Mr. Haligowski. Under the terms of this plan, Mr. Haligowski will be entitled to receive monthly payments, based on 75% of his average monthly base salary for the three years preceding the year in which the plan benefits become payable, for a 15 year period. The benefits under the plan become payable on the earlier of Mr. Haligowski's retirement upon reaching age 65, or his death, disability, or involuntary termination (other than a termination for cause, as defined in the agreement). If Mr. Haligowski voluntarily terminates his employment prior to reaching age 65, the benefit payable to him under the plan will be prorated based on the ratio of the actual period that he worked while the plan is in effect to the scheduled period of time that he would have worked if he had continued to work until reaching age 65. If we undergo a change of control, the vesting of plan benefits accelerates and become payable monthly over a ten-year period, with an increased monthly payment to reflect the shorter payment period.

Change of Control Agreements

We have entered into change of control agreements with Messrs. Bruce, Doyle, Nickbarg and Wallace. The change in control agreements have initial terms of one year and shall automatically extend for additional one-year periods upon a change of control, as defined in the agreement, or upon their anniversary date, unless either party provides the other with at least 90 days notice of termination. These agreements provide that in the event the officer is involuntarily terminated within 24 months following a change of control, as defined in the agreement, the officer shall be entitled to receive upon such termination an amount equal to the greater of the annualized salary as in effect on the date of the change of control or the date of termination for a period of up to 18 months and a pro rata portion of his bonus from the previous year. In addition we will maintain health, dental and life insurance benefits for up to the next 18 months for each officer and transfer title to our owned vehicle currently used by the officer or, in the event the officer receives a monthly cash car allowance in lieu of the use of our vehicle, we shall pay an amount equal to up to 18 times the monthly allowance. Stock options and restricted stock awards previously granted and outstanding will also immediately vest. The annual base salary for Messrs. Bruce, Doyle, Nickbarg and Wallace is currently \$230,000, \$195,000, \$175,000 and \$150,000, respectively.

Both Mr. Haligowski's employment agreement and the change of control agreements also provide that to the extent any payments made may be considered excess parachute payments under Section 280G of the Internal Revenue Code that are subject to excise tax, we will pay an additional amount needed to insure that the amount of payments and value of benefits received equals the same amount in the absence of any excise tax.

Supplemental Executive Retirement Plan (SERP)

The SERP provides that the compensation committee may make restricted stock awards under ITLA Capital's Recognition and Retention Plan (RRP) on a tax deferred basis through the SERP. The SERP further provides that Mr. Haligowski shall receive an allocation annually, subject to the performance terms of

Table of Contents

the RRP, of a restricted stock award equal to one-third of his base salary and all other participants shall receive an award equal to one-fifth of base salary subject to the approval of the compensation committee, which may also allocate a greater or lesser award or no award in its discretion. For this purpose, each share of common stock has been valued at \$9.00 per share, the fair market value of the common stock on the date of issuance to the SERP. A participant shall only have a vested right to amounts allocated to his or her account if the participant is employed on the last day of a three year vesting cycle or earlier at the discretion of the compensation committee. Upon a change in control (as defined in the SERP), the participant shall have an accelerated vesting of all shares allocated to his or her account. The participant shall only have a right to vested shares in his or her account upon normal retirement, death, disability or termination. The last day of the next vesting cycle for shares allocated to the SERP accounts for the benefit of the participants for the years 2003, 2004 and 2005 is December 31, 2005.

Nonqualified Deferred Compensation Plan

The ITLA Capital Corporation Supplemental Salary Savings Plan (the Supplemental Plan) and Nonqualified Deferred Compensation Plan (the Deferral Plan) are designed to provide additional retirement benefits for certain officers and highly compensated employees. The Supplemental Plan provides participating employees with an opportunity to make up benefits not available under our 401(k) Plan due to any application of limitations on compensation and maximum benefits under the 401(k) Plan. Benefits under the Supplemental Plan are provided at the same time and in the same form as benefits under the 401(k) Plan, and become taxable to the participant at that point. The Deferral Plan allows a participant to defer receipt of, and current taxation upon, designated portions of the participant's direct cash compensation until a future date specified by the participant. Both of these plans are unfunded plans, meaning that all benefits payable thereunder are payable from our general assets, and funds available to pay benefits are subject to the claims of our general creditors. We have established a Rabbi Trust with a third party FDIC insured financial institution which holds the contributions to the Supplemental Plan and Deferral Plan, for the purpose of providing the benefits set forth under the terms of the plans. Participants only have the rights of unsecured creditors with respect to the Rabbi Trust assets.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2003, the Compensation Committee was comprised of Directors Lipscomb and Oribe.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation:

Compensation Policies. Under the supervision of the Board of Directors, ITLA Capital has developed and implemented compensation policies, plans and programs which seek to enhance the profitability of ITLA Capital, and thus shareholder value, by closely aligning the financial interests of ITLA Capital's employees, including its Chief Executive Officer and ITLA Capital's other senior management, with those of its shareholders.

The executive compensation program of ITLA Capital is designed to:

Support a pay-for-performance policy that differentiates compensation based on corporate and individual performance;

Motivate employees to assume increased responsibility and reward them for their achievements;

Provide compensation opportunities that are comparable to those offered by other leading companies, allowing ITLA Capital to compete for and retain talented executives who are critical to ITLA Capital's long-term success; and

Table of Contents

Align the interests of executives with the long-term interests of shareholders through award opportunities that can result in ownership of Common Stock.

At present, the executive compensation program is comprised of salary, annual cash bonus incentive opportunities, long-term incentive opportunities in the form of stock options and restricted stock awards, and miscellaneous benefits typically offered to executives by major corporations. The Committee considers the total compensation (earned or potentially available) in establishing each element of compensation so that total compensation paid is competitive with the market place, based on an independent compensation consultant's survey of salary competitiveness of other financial institutions.

For Mr. Haligowski and the other executive officers, as an executive's level of responsibility increases, a greater portion of his or her potential total compensation opportunity is based on ITLA Capital performance incentives rather than on salary. Reliance on ITLA Capital performance causes greater variability in the individual's total compensation from year to year. By varying annual and long-term compensation and basing both on corporate performance, ITLA Capital believes executive officers are encouraged to continue focusing on building profitability and shareholder value.

Salary and Bonus. With respect to Mr. Haligowski's base salary, the Committee took into account a comparison of salaries of chief executive officers of financial institutions statewide and established Mr. Haligowski's salary at \$498,750 as of January 1, 2003. Likewise, each executive officer's base salary was determined utilizing financial institution compensation surveys. Mr. Haligowski's cash bonus for 2003 was determined by the Committee after considering Mr. Haligowski's individual performance and the performance of ITLA Capital during 2003, as well as the recommendation of the independent compensation consultant. The 2003 cash bonuses for the other executive officers were also determined by the Committee based on the individual performance of each officer and the performance of ITLA Capital during 2003, as well as the recommendations of Mr. Haligowski.

Stock Option Awards. The Employee Stock Incentive Plan is designed to align a significant portion of the executive compensation program with shareholder interests. The Employee Stock Incentive Plan provides for the granting of stock-based awards. To date, stock options are the only awards granted under the Employee Stock Incentive Plan to executive officers and other key employees.

Restricted Stock Awards. In 1996, the Committee adopted a policy relating to the granting of restricted stock awards to executive officers and certain key employees under the RRP to be carried out by the Committee. Under this policy, awards may be granted to plan participants by the Committee utilizing objective criteria adopted by the Committee and approved by the Board of Directors, after taking into account the proposed allocations under ITLA Capital's SERP, the practices of other publicly traded financial institutions and such other factors as deemed appropriate. In addition, under the formula, no awards under the proposed RRP may be granted in any year in which Imperial Capital Bank does not achieve a return on average assets of at least .50% and remain adequately capitalized under FDIC rules.

The following Stock Performance Graph shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this graph therein, and shall not otherwise be deemed filed under such Acts.

The following graph, prepared by SNL Securities, L.C., compares the performance of our Common Stock with that of the Nasdaq Composite Index (U.S. Companies), the SNL Bank Index and the SNL Thrift Index over a five year period through December 31, 2003. The SNL Thrift Index was used in our last annual meeting proxy statement, and is used again in this proxy statement, because Imperial Capital Bank was a California-chartered thrift and loan until its conversion to a California-chartered commercial bank on January 1, 2003. The comparison assumes \$100 was invested on December 31, 1998 in our Common Stock and in each of the foregoing indices and assumes the reinvestment of all dividends. Historical stock price performance is not necessarily indicative of future stock price performance.

During 2003, this law firm received \$151,130 in legal fees from us, which was not in excess of 5% of the firm's total revenues for the year. ITLA Capital has entered into a lending agreement with Mr. Haligowski as of January 20, 2000 for a seven hundred thousand dollar (\$700,000) line of credit. To date, no funds have been drawn down from this line.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the year ended December 31, 2003, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with, except for the inadvertent failure to timely file a Form 3 by Joseph Ursino, a former officer of ITLA Capital.

PROPOSAL II RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

On May 29, 2002, the Board of Directors of ITLA Capital dismissed our independent auditors, Arthur Andersen LLP, and upon recommendation by our Audit Committee, approved the engagement of Ernst & Young LLP as our independent auditors for the year ending December 31, 2002.

The reports of Arthur Andersen LLP on our financial statements as of and for the years ending December 31, 2001 and 2000, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During our fiscal years ended December 31, 2001 and 2000, and the subsequent interim period from January 1, 2002 through May 29, 2002, there were no disagreements with Arthur Andersen LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Arthur Andersen LLP would have caused Arthur Andersen LLP to make reference to the matter in their report. There were no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

Prior to the dismissal of Arthur Andersen LLP, we did not consult with Ernst & Young LLP regarding: (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on our financial statements; or (iii) a reportable event (as defined in paragraph 304(a)(1)(v) of Regulation S-K).

The Audit Committee has reappointed Ernst & Young LLP as the independent public accounting firm to audit our financial statements for the year ending December 31, 2004. In making its determination to reappoint Ernst & Young LLP as our independent auditors for the 2004 fiscal year, the Audit Committee considered whether the providing of services (and the aggregate fees billed for those services) by Ernst & Young LLP, other than audit services, is compatible with maintaining the independence of the outside accountants. Our shareholders are asked to ratify this appointment at the annual meeting. If the appointment of Ernst & Young LLP is not ratified by the shareholders, the Audit Committee may appoint other independent auditors or may decide to maintain its appointment of Ernst & Young LLP.

A representative of Ernst & Young LLP is expected to attend the meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2003.

**CHARTER OF THE AUDIT COMMITTEE OF THE BOARD
OF DIRECTORS OF ITLA CAPITAL CORPORATION**

I. Statement of Policy

The Audit Committee (the **Committee**) is appointed by the Board of Directors (the **Board**) of ITLA Capital Corporation (the **Corporation**) to represent and provide assistance to the Board in fulfilling its oversight responsibility relating to the integrity of the Corporation's financial statements and the financial reporting processes; the systems of internal accounting and financial controls; the Corporation's compliance with legal and regulatory requirements; the annual independent audit of the Corporation's financial statements; the independent auditors' qualifications and independence; the performance of the Corporation's internal audit function and independent auditors and any other areas specified by the Board of potential financial risks to the Corporation. The Committee shall annually prepare a report to shareholders as required by the Securities and Exchange Commission (the **SEC**) for inclusion in the Corporation's annual proxy statement. In discharging its duties and responsibilities, the Committee is empowered to investigate any matter brought to its attention, with full access to all necessary books, records, facilities and personnel of the Corporation, and has the authority to retain at the Corporation's expense special legal, accounting or other advisors, consultants or experts as it deems appropriate.

In fulfilling its responsibilities, it is recognized that members of the Committee are not employees of the Corporation. The Corporation's management is responsible for preparing the Corporation's financial statements. The independent auditors are responsible for auditing the Corporation's annual financial statements and reviewing the Corporation's quarterly financial statements prior to the filing of the Corporation's annual and quarterly reports on Forms 10-K and 10-Q with the SEC. It is not the duty or responsibility of the Committee or its members to conduct auditing or accounting reviews or procedures or to determine that the Corporation's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles (**GAAP**) and applicable rules and regulations. These are the responsibilities of management and the independent auditors. Each member of the Committee shall be entitled to rely on the integrity of those persons and organizations within and outside the Corporation from whom and from which he or she receives information and the accuracy of the financial and other information provided to the Committee by such persons or organizations, absent actual knowledge to the contrary (which shall be promptly reported to the Board).

II. Committee Composition and Meetings

The Committee composition shall be in accordance with the NASDAQ Stock Market (the **NASDAQ**) listing standards. The Committee shall be comprised of three or more directors (including a chairperson) as appointed annually by the Board, considering the recommendation of the Nominating Committee, each of whom shall meet the independence requirements of the NASDAQ and SEC for audit committee members, and each of whom shall be free from any relationship that would interfere with the exercise of his or her independent judgment. Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment. At least one member of the Committee may be designated annually by the Board as an audit committee financial expert, as the SEC defines that term and as the Board interprets such qualification in its business judgment consistent with such definition. The Board shall have the power at any time to change the membership of the Committee and to fill vacancies, subject to the qualification requirements of this Charter.

The Committee shall meet at least quarterly. The Committee chairperson shall prepare and/or approve an agenda in advance of each meeting. If the chairperson is not available for a meeting, the other members of the Committee may appoint a temporary chairperson for such meeting. The Committee may ask members of management or others to attend meetings and provide pertinent information as necessary. The Committee shall meet separately, periodically, with management, the chief internal auditor and/or other members of the Corporation's Internal Audit Department and the independent auditors, to discuss any matters that the

Committee or any of these persons believes should be discussed. The Committee may also meet separately with regulatory examiners.

III. Committee Duties, Responsibilities and Processes

The processes are set forth as a guide with the understanding that the Committee may supplement them as appropriate. As part of its oversight responsibility, the Committee shall:
