PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
To Be Held August 1, 2007**

This Proxy Statement is furnished in connection with the solicitation, on behalf of the Board of Directors of ITLA Capital Corporation (we, our, us, ITLA Capital or the Company), of proxies to be used at the Annual Meeting of Shareholders of ITLA Capital (the Meeting), and all adjournments or postponements of the Meeting. The Meeting will be held at the Loews Coronado Bay Resort, located at 4000 Coronado Bay Road, Coronado, California, on August 1, 2007 at 2:00 p.m., California time. The accompanying Notice of Annual Meeting of Shareholders and form of proxy and this Proxy Statement are first being mailed to shareholders on or about June 26, 2007. Certain of the information provided herein relates to Imperial Capital Bank, a wholly owned subsidiary of ITLA Capital (sometimes referred to below as the Bank).

At the Meeting, our shareholders are being asked to consider and vote upon: (i) the election of two directors of ITLA Capital; (ii) a proposal to amend our certificate of incorporation to change our name to Imperial Capital Bancorp, Inc. (the Name Change Proposal); and (iii) the ratification of the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2007.

VOTING RIGHTS AND PROXY INFORMATION

All shares of our common stock, par value \$.01 per share (Common Stock), represented at the Meeting by properly executed proxies received prior to or at the Meeting and not revoked will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted FOR the election of the nominees named in this Proxy Statement, FOR the Name Change Proposal and FOR the ratification of the appointment of Ernst & Young LLP. We do not know of any matters, other than as described in the Notice of Annual Meeting of Shareholders, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, our Board of Directors, as proxy for the shareholder, will have the discretion to vote on such matters in accordance with its best judgment.

Directors will be elected by a plurality of the votes cast. Approval of the Name Change Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of our Common Stock. The ratification of the

appointment of Ernst & Young LLP as our independent auditors requires the affirmative vote of a majority of the votes cast on the matter. In the election of directors, shareholders may vote FOR both nominees for election or withhold their votes from either or both nominees for election. Votes that are withheld and shares held by a broker, as nominee, that are not voted (so-called broker non-votes) in the election of directors will not be included in determining the number of votes cast. For the Name Change Proposal and the proposal to ratify the appointment of the independent auditors, shareholders may vote FOR, AGAINST or ABSTAIN with respect to these proposals. Proxies marked to abstain will have the same effect as votes against these proposals. Broker non-votes will have the effect of votes against the Name Change Proposal and no effect on the proposal to ratify the appointment of the independent auditors. The holders of at least one-third of the outstanding shares of our Common Stock, present in person or represented by proxy, will constitute a quorum for purposes of the Meeting. Proxies marked to abstain and broker non-votes will be counted for purposes of determining a quorum.

A proxy given pursuant to this solicitation may be revoked at any time before it is voted. Proxies may be revoked by: (i) duly executing and delivering to the Secretary of ITLA Capital a subsequent proxy relating to the same shares prior to the exercise of such proxy; (ii) filing with the Secretary of ITLA Capital at or before the Meeting a written notice of revocation bearing a later date than the proxy; or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered to Anthony A. Rusnak, Esq., General Counsel and Secretary of ITLA Capital, at ITLA Capital Corporation, 888 Prospect Street, Suite 110, La Jolla, California 92037.

**BOARD MEETINGS, BOARD COMMITTEES
AND CORPORATE GOVERNANCE MATTERS**

Our Board of Directors generally meets every other month and may have additional special meetings from time to time. During the year ended December 31, 2006, our Board of Directors met six times. No current director attended fewer than 75% of the aggregate of (i) the total number of Board meetings held during the period for which he was a director and (ii) the total number of meetings held by all committees of the Board on which he served during the periods that he served. In addition, all of our Board members are expected to attend our annual meeting of shareholders, although we do not have any written policy as to Board members' attendance at the annual meeting of shareholders. Last year's annual meeting of shareholders was attended by the entire Board of Directors.

Director Independence

Our Board of Directors has affirmatively determined that the following directors, representing a majority of the Board, are independent for purposes of Section 303A of the Listed Company Manual of the New York Stock Exchange (the NYSE Manual): Jeffrey L. Lipscomb, Sandor X. Mayuga, Hirotaka Oribe and Robert R. Reed. Preston Martin, who was a director until his death on May 30, 2007, was also determined by our Board of Directors to be independent for purposes of Section 303A of the NYSE Manual.

To assist it in making its independence determinations under Section 303A of the NYSE Manual, our Board of Directors has adopted the categorical standards described below, which are set forth in our corporate governance guidelines (see Availability of Committee Charters, Code of Business Conduct and Ethics and Corporate Governance Guidelines below). Any of the following relationships will be deemed not to be material and therefore will not impair a director's independence under Section 303A of the NYSE Manual, unless our Board of Directors determines otherwise:

1. Lending relationships, deposit relationships, other customer relationships (such as, for example, custodial, cash management and similar services), and other business relationships between ITLA Capital and its subsidiaries, on the one hand, and a director, an immediate family member of the director, or an entity with which the director or immediate family member is affiliated by reason of being a director, officer or similar position or an owner of a 10%

or greater equity interest therein (a Director-Related Entity), on the other hand, that meet the following criteria:

- i. such relationship is in the ordinary course of business of ITLA Capital and its subsidiaries, and is at arms-length and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons;
- ii. with respect to an extension of credit by a subsidiary of ITLA Capital: (A) such extension of credit has been made in compliance with applicable laws and regulations, including Regulation O of the Board of Governors of the Federal Reserve System and Section 13(k) of the Securities Exchange Act of

Table of Contents

1934, as amended (the Exchange Act); and (B) such credit has not been criticized or classified (under our internal loan grading system), placed on non-accrual status, is not past due, has not been restructured or is not otherwise a potential problem credit;

iii. in the event that the relationship did not exist or was terminated in the normal course of business, that action would not reasonably be expected to have a material and adverse effect on our consolidated financial condition, earnings or business, a Director-Related Entity or a director; and

iv. in the case of a director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, ITLA Capital for property or services in an amount which, in any single fiscal year during the last three years, does not exceed the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

2. In the case of contributions by ITLA Capital or any of its subsidiaries or to a charitable organization of which a director (or a director's immediate family member) serves as an officer, director or trustee, the annual amount of such contributions were less than the greater of \$1 million or 2% of such charitable organization's gross revenues for its last fiscal year.

For business or other relationships not covered by the above categories, our Board of Directors, after considering all of the relevant circumstances, may make a determination as to whether the relationship is not material and whether the director may therefore be considered independent under Section 303A of the NYSE Manual.

In making its independence determination as to Director Mayuga, the Board considered our relationship with Director Mayuga as disclosed under Transactions with Certain Related Persons and determined that this relationship satisfied the categorical standards outlined above.

Board Committees

The principal standing committees of our Board of Directors are described below.

Audit Committee. The Audit Committee is currently comprised of Messrs. Reed (Chairman), Lipscomb and Oribe, each of whom is independent both for purposes of Section 303A of the NYSE Manual and for purposes of the additional independence requirements for Audit Committee members set forth in Rule 10A-3 under the Exchange Act. As indicated above, Director Preston Martin, who was also Chairman of the Audit Committee and our audit committee financial expert (as defined in Item 407(d)(5) of Regulation S-K of the Securities and Exchange Commission), passed away on May 30, 2007. Due to the sudden passing of Mr. Martin the Board has not yet designated a financial expert.

The Audit Committee met eight times during 2006. The Audit Committee assists our Board in its oversight responsibility relating to the integrity of our financial statements and the financial reporting process, the systems of internal accounting and financial controls and compliance with legal and regulatory requirements. The Audit Committee, among other things:

oversees the entire audit function for ITLA Capital, both internal and independent;

hires, terminates and/or reappoints our independent auditors;

ensures the existence of effective accounting and internal control systems;

approves non-audit and audit services to be performed by the independent auditors; and
reviews and assesses the adequacy of the Audit Committee charter on an annual basis.

The report of the Audit Committee is set forth below under Audit Committee Report.

Compensation Committee. The Compensation Committee currently consists of Messrs. Lipscomb, Mayuga and Oribe, each of whom is independent for purposes of Section 303A of the NYSE Manual. The Compensation Committee met two times during 2006. The responsibilities of the Compensation Committee include:

reviewing from time to time our compensation plans and, if the committee believes it to be appropriate, recommending that the Board amend these plans or adopt new plans;

Table of Contents

annually reviewing and approving corporate goals and objectives relevant to our Chief Executive Officer's compensation, evaluating the Chief Executive Officer's performance in light of these goals and objectives and recommending to the Board the Chief Executive Officer's compensation level based on this evaluation;

overseeing the evaluation of our management, and recommending to the Board the compensation for our executive officers and other key members of management. This includes evaluating performance and recommending to the Board specific awards for executive officers;

recommending to the Board the appropriate level of compensation and the appropriate mix of cash and equity compensation for directors;

administering any benefit plan which the Board has determined should be administered by the committee; and

reviewing, monitoring and reporting to the Board, at least annually, on management development efforts to ensure a pool of candidates for adequate and orderly management succession.

The Compensation Committee's charter authorizes the committee to delegate its authority to subcommittees to the extent permitted by applicable laws, regulations and exchange listing standards. The Compensation Committee's charter also authorizes the committee to retain a compensation consultant to assist the committee in carrying out its responsibilities. As described under *Executive Compensation Compensation Discussion and Analysis-Determination of Appropriate Pay Levels-In General*, the Committee has utilized the assistance of a compensation consultant in setting the compensation of Mr. Haligowski, our Chief Executive Officer. Mr. Haligowski's role in the determination of executive compensation is described under *Executive Compensation Compensation Discussion and Analysis-Role of Executive Officers in Determining Compensation*.

The report of the Compensation Committee is set forth below under *Executive Compensation Compensation Committee Report*.

Corporate Governance/Nominating Committee. The Corporate Governance/Nominating Committee is comprised of Directors Mayuga (Chairman), Reed, Oribe and Lipscomb, each of whom is independent for purposes of Section 303A of the NYSE Manual. The Corporate Governance/Nominating Committee met once during 2006.

The responsibilities of the Corporate Governance/Nominating Committee include:

develop and recommend to the Board a set of corporate governance guidelines, review these guidelines at least annually and recommend changes as necessary;

recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;

recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in our certificate of incorporation and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable organizations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to ITLA Capital's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole. Final approval of director nominees is

determined by the full Board, based on the recommendations of the Corporate Governance/Nominating Committee. The nominees for election at the Meeting identified in this Proxy Statement were recommended to the Board by the Corporate Governance/Nominating Committee;

review nominations submitted by shareholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of our certificate of incorporation and bylaws. Nominations from shareholders will be considered and evaluated using the same criteria as all other nominations;

annually recommend to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary;

Table of Contents

recommend to the Board a process for the evaluation of the Board, its committees and management, and oversee this process; and

perform any other duties or responsibilities expressly delegated to the Committee by the Board.

Director nominations must be made pursuant to timely notice in writing to the Corporate Secretary as set forth in Article I, Section 6(c) of our bylaws. Shareholders may recommend candidates for consideration by the Corporate Governance/Nominating Committee by following the procedures set forth in Article I, Section 6(c). As noted above, shareholder-recommended candidates will be considered and evaluated using the same criteria set forth above.

Article I, Section 6(c) of our bylaws provides that nominations for election as directors by shareholders must be made in writing and delivered to the Secretary of ITLA Capital at least 90 days prior to the annual meeting date. If, however, the date of the meeting is first publicly disclosed less than 100 days prior to the date of the meeting, nominations must be received by ITLA Capital not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed to shareholders or the day on which public disclosure of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Article I, Section 6(c) of our bylaws. This information includes the following:

(i) as to each person whom a shareholder proposes to nominate for election as a director, all information relating to the proposed nominee that is required to be disclosed in the solicitation of proxies for election as directors or is otherwise required pursuant to Regulation 14A under the Exchange Act, including the proposed nominee's written consent to serve as a director, if elected; and

(ii) as to the shareholder giving the notice:

the name and address, as they appear on our books, of the shareholder; and

the number of shares of our Common Stock beneficially owned by the shareholder.

The foregoing description is a summary of our nominating process. Any shareholder wishing to nominate a candidate or recommend a nominee to our Corporate Governance/Nominating Committee for its consideration should review and must comply in full with the procedures set forth in our certificate of incorporation and bylaws, and Delaware law.

Executive Committee. The primary responsibilities of the Executive Committee are to advise our management on matters when the full Board of Directors is unavailable or to conduct business as specifically designated by the full Board. The current members of the Executive Committee are Messrs. Haligowski, Oribe and Bruce. The Executive Committee held ten meetings in 2006.

Availability of Committee Charters, Code of Business Conduct and Ethics and Corporate Governance Guidelines

Each of the Audit, Compensation and Corporate Governance/Nominating Committees operates under a written charter approved by our Board of Directors. Our Board of Directors has also adopted a Code of Business Conduct and Ethics, which applies to all directors and employees of ITLA Capital and its subsidiaries, and corporate governance guidelines, which are primarily intended to provide guidelines for the governance of the Board and the Board's committees. These documents are available on our website, www.itlacapital.com, by clicking Investor Relations and

then clicking Governance. These documents are also available in print to any shareholder who requests them, by writing to ITLA Capital Corporation, Attn: Anthony A. Rusnak, Esq., General Counsel and Secretary, 888 Prospect Street, Suite 110, La Jolla, California 92037.

Executive Sessions of Non-Management Directors

Our corporate governance guidelines require that our non-management directors regularly meet in executive session outside the presence of management and that these sessions be chaired by the Chairman of the Corporate Governance/Nominating Committee (currently Mr. Mayuga).

AUDIT COMMITTEE REPORT

The following report of the Audit Committee of our Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent ITLA Capital specifically incorporates this report therein, and shall not otherwise be deemed filed under such Acts.

Management is responsible for ITLA Capital's internal controls, financial reporting process and compliance with laws and regulations. The independent auditors are responsible for performing an independent audit of ITLA Capital's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon and annually attesting to management's assessment of the effectiveness of our internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

As required by its charter, the Audit Committee received and reviewed the report of Ernst & Young LLP regarding the results of their audit, as well as the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit Committee reviewed and discussed the audited financial statements with ITLA Capital's management. A representative of Ernst & Young LLP also discussed with the Audit Committee the independence of Ernst & Young LLP from ITLA Capital, as well as the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

In fulfilling its oversight responsibility of reviewing the services performed by ITLA Capital's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent auditors. The Audit Committee met with the independent auditors to discuss the results of their examinations, the evaluation of ITLA Capital's internal controls and the overall quality of ITLA Capital's financial reporting. The Audit Committee also reviewed and discussed with the independent auditors the fees paid to the independent auditors; these fees are described under "Relationship with Independent Auditors" below.

ITLA Capital's Chief Executive Officer and Principal Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the Securities and Exchange Commission (the "SEC") pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002. Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

Based on the Audit Committee's review and discussions noted above, it recommended to the Board of Directors that the audited financial statements be included in ITLA Capital's Annual Report on Form 10-K for the year ended December 31, 2006, for filing with the SEC.

Respectfully submitted by the members of the Audit Committee of the Board of Directors of ITLA Capital Corporation.

Director Compensation Arrangements. During 2006, each non-employee director was paid a monthly fee of \$2,250 for serving on our Board of Directors and \$1,000 for each Board or Committee meeting attended for service on such committee. In addition, Director Reed received an honorarium of \$5,000 for his active assistance in legislative matters during 2006, Director Lipscomb received an honorarium of \$5,000 for his active assistance with compensation matters and chairmanship of the Compensation Committee, and Director Oribe received an honorarium of \$15,000 for his extensive work with the Executive Committee and large loan approvals. In 2006, Director Martin received an annual retainer fee of \$15,000 for his service as Chairman of the Audit Committee. Directors are also eligible to receive stock options under the Director Stock Option Plan (see Executive Compensation Additional Information Regarding Executive Compensation Outstanding Equity Awards at December 31, 2006 Stock Incentive Plans). Mr. Martin, who received an automatic anniversary award under the Director Stock Option Plan described in footnote 2 to the table above, was the only non-employee director who received an option grant in 2006.

We pay for or reimburse our directors travel, lodging and other reasonable out-of-pocket expenses in connection with attendance at board, committee and stockholder meetings, and for other reasonable expenses related to board service such as director education.

Voluntary Retainer Stock and Deferred Compensation Plan. In 1996, we adopted the Voluntary Retainer Stock and Deferred Compensation Plan for Outside Directors (the Outside Director Plan). The Outside Director Plan provides for the deferral of compensation earned by non-employee directors in the form of Stock Units (Stock Units) in a Stock Unit account (Stock Unit Account). Directors may elect to have up to 100% of their fees converted into stock units.

For dividends paid with respect to our common stock, each non-employee director has credited to his Stock Unit Account an additional number of Stock Units in an amount determined under the Outside Director Plan. Each non-employee director s Stock Unit Account will be settled by delivering to the non-employee director (or his beneficiary) the number of shares of our common stock equal to the number of whole Stock Units then credited to the non-employee director s Stock Unit Account, in either (i) a lump sum or (ii) substantially equal annual installments over a period not to exceed ten years.

To date, no amounts have been deferred under the Outside Director Plan.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In this section, we provide an overview and analysis of our compensation program and policies, the material compensation decisions we have made under those programs and policies, and the material factors that we considered in making those decisions. Following this section, under the heading Additional Information Regarding Executive Compensation, you will find a series of tables containing specific information about compensation paid or payable to the following individuals, whom we refer to as our named executive officers:

George W. Haligowski, Chairman, President and Chief Executive Officer

Norval L. Bruce, Vice Chairman and Chief Credit Officer

Timothy M. Doyle, Executive Managing Director and Chief Financial Officer

Lyle C. Lodwick, Executive Managing Director and Chief Operating Officer

Phillip E. Lombardi, Senior Managing Director and Chief of Lending Operations

The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Compensation Philosophy and Objectives

The policies of the Compensation Committee of our Board of Directors, or the Committee, with respect to the compensation of executive officers, including the Chief Executive Officer, or CEO, are designed to provide compensation sufficient to attract, motivate and retain executives of outstanding ability and potential. Overall, we seek to provide total compensation packages that are competitive in terms of total potential value to our executives, in order to create a compensation program that will adequately reward our executives for their roles in creating value

Table of Contents

for our shareholders. We intend to be competitive with other similarly situated companies in the banking and financial services industries.

Our compensation decisions with respect to executive officer salaries, annual incentives, and long-term incentive compensation opportunities are influenced by (a) the executive's level of responsibility and function within ITLA Capital, (b) the performance and profitability of ITLA Capital and the individual's performance, and (c) our assessment of the competitive marketplace, including peer companies. Our philosophy is to focus on total direct compensation opportunities through a mix of base salary, annual cash bonus, and long-term incentives, including equity-based awards in the form of stock options, other benefits and perquisites, post-termination severance and acceleration of stock option vesting for certain named executive officers upon termination and/or a change in control. Our other benefits and perquisites for our named executive officers primarily consist of life and health insurance benefits, a qualified 401(k) savings plan, non-qualified deferred compensation plans, reimbursement for certain club memberships, use of a Company-owned automobile or automobile allowance and payment of a preferential interest rate on interest-bearing deposit accounts (available to all employees). Mr. Haligowski also receives an allowance for housing related expenses and chartered air travel. Our philosophy is to position the aggregate of these elements at a level that is commensurate with our size and sustained performance, and we believe it is important to maintain a strong link between executive incentives and the creation of shareholder value. The use of these programs enables us to reinforce our pay for performance philosophy, as well as strengthen our ability to attract and retain highly qualified executives. We believe that this combination of programs provides an appropriate mix of fixed and variable pay, balances short-term operational performance with long-term shareholder value, and encourages executive recruitment, motivation and retention.

During February 2006, the Committee conducted an overall review of our compensation plans and agreements. This review was prompted by the requirement to conform our compensation plans to Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and by the fact that all shares of restricted stock under our Recognition and Retention Plan (the "RRP"), originally adopted in 1995, were allocated as of December 31, 2005. All shares allocated were also fully vested as of December 31, 2005. Our supplemental executive retirement plan (the "SERP") provided for allocations of restricted stock issued under the RRP on a tax deferred basis through the SERP. Under his employment agreement with us dated January 28, 2000 (the "Original Employment Agreement") and the SERP, Mr. Haligowski was entitled to receive annually an allocation under our SERP of a RRP restricted stock award equal to one-third of his base salary and an additional contribution to his SERP account following a change in control equal to 3.95 times his base salary. The SERP entitled all other SERP participants to receive an annual award equal to one-fifth of base salary. In order to provide our executive officers, including Mr. Haligowski, with a benefit comparable to what we had been providing under the SERP prior to the utilization of all remaining RRP shares in 2005, and to maximize the tax deductibility of compensation payments, we entered into (1) an amendment and restatement of Mr. Haligowski's employment agreement, and executed a non-competition and non-solicitation agreement, with Mr. Haligowski; (2) executed change in control severance agreements with nine executive officers, including: Messrs. Bruce, Doyle, Lodwick and Lombardi (in the case of Messrs. Bruce and Doyle these agreements replaced their existing change in control severance agreements with us); (3) amended and restated our employer securities and non-employer securities non-qualified deferred compensation plans (the "Deferred Compensation Plans") and our SERP primarily to conform those plans with Section 409A of the Code; (4) amended and restated our salary continuation plan (the "Salary Continuation Plan") to conform that plan with Section 409A of the Code and to make certain other changes described below; and (5) made a clarifying amendment to our 2005 Re-Designated, Amended and Restated Employee Stock Incentive Plan (the "ESIP") intended to ensure the deductibility under Section 162(m) of the Code of compensation attributable to stock options or stock appreciation rights that may be granted under that plan to executive officers.

Mr. Haligowski's employment agreement was amended and the non-competition and non-solicitation agreement was entered into so that the change in control benefits he would have received under the Original Employment Agreement inclusive of the SERP change in control benefit described above under the Original Employment Agreement, together

with the payments to be made to Mr. Haligowski under the non-competition and non-solicitation agreement, would not be substantially greater or less. The Salary Continuation Plan, which was originally adopted by us in March 2000 and in which Mr. Haligowski is currently the only participant, was amended to eliminate an enhanced change in control benefit, which was to provide for an increased monthly payout over ten years instead of over 15 years as with other types of termination, and to eliminate the reduction in benefit that was to

Table of Contents

occur if the participant voluntarily terminated his employment before retirement age. In addition, a number of other amendments were made to the Salary Continuation Plan to conform the plan to Section 409A of the Code, including changes to definitions, the elimination of our ability to accelerate benefits and changes to plan termination provisions. All of these plans and agreements are summarized below under Additional Information Regarding Executive Compensation.

Determination of Appropriate Pay Levels

In General. Generally, the compensation of our executive officers is currently composed of a base salary, an annual cash incentive award and equity awards in the form of stock options. For each of our named executive officers, the Committee reviews and approves all elements of compensation, taking into consideration recommendations from Mr. Haligowski (for compensation other than his own), and the individual contributions of the particular executive. With respect to Mr. Haligowski, the Committee utilizes the assistance of an independent compensation consultant, Nash and Company, Inc., which provides competitive market data every year with respect to CEO salary compensation. The comparison group includes other banks and thrifts in California with assets ranging from \$1.0 to \$10.0 billion. In addition to information provided by Nash and Company, Inc., the Committee has historically taken into account information from other sources in setting the compensation for Mr. Haligowski and other executive officers, including information from other independent members of the Board of Directors and publicly available data relating to the compensation practices and policies of other companies within our industry.

The annual executive bonus plan is a discretionary incentive compensation award determined by the Committee based on the achievement of the goals set forth in our annual strategic plan, including but not limited to goals relating to annual loan production, asset quality, performance and earnings goals (which may fluctuate from year-to-year) and individual performance. In addition, stock options are granted to provide the opportunity for long-term compensation based upon the performance of our Common Stock over time.

Base Salary. We provide the opportunity for our named executive officers and other executives to earn a competitive annual base salary. We provide this opportunity to attract and retain an appropriate caliber of talent for the position, and to provide a base wage that is not subject to our performance risk.

Our base salary levels reflect a combination of factors, including competitive pay levels, the executive's experience and tenure, our overall annual strategic plan for salary increases, the executive's individual performance, and changes in responsibility. We review salary levels annually to recognize these factors. We do not target base salary at any particular percent of total compensation.

Base salary increases in 2006 for our named executive officers other than our CEO were generally consistent with the aggregate 4.75% pay increase approved by the Committee for our departments for 2006. For 2006, the average increase in the salaries of the executive officers, excluding the CEO, from 2005 salaries was 5.65%. Base salary increases granted to Messrs. Bruce, Lodwick and Lombardi for 2006 ranged from 3.0 to 5.0% and were established after considering job performance, internal pay alignment and equity, and marketplace competitiveness. Mr. Doyle's base salary for 2006 was increased by 10.0% after taking into account the above factors plus the fact that his base salary in 2005 was below base salaries paid to peers at similar size companies and his contributions to our growth over the last three years. The salary of our CEO is set by the Committee, but in accordance with his employment agreement, was established at \$590,000 for 2006, the same as for 2005. Although it is generally customary for the Committee to adjust Mr. Haligowski's base salary on a bi-annual basis, and despite Nash and Company, Inc. stating that a 10% salary increase would be in line with the practices of a peer group of companies, the Committee determined not to adjust Mr. Haligowski's base salary for 2007. As noted below, in order to make a greater proportion of Mr. Haligowski's compensation based on our performance, the Committee instead determined to increase Mr. Haligowski's targeted cash incentive opportunity for 2007.

Annual Executive Bonus Plan. We provide the opportunity for our named executive officers and other executives to earn an annual cash incentive award. We provide this opportunity to attract and retain an appropriate caliber of talent for the position and to motivate executives to achieve our annual business goals. We establish annual target cash incentive opportunities annually in December or January expressed as a percentage of base salary to be paid during the ensuing fiscal year. For 2006, annual target cash incentive opportunities for the named executive officers other than Mr. Haligowski were set at up to 50% of base salary and at up to 150% of base salary for Mr. Haligowski. The 2007 target established by the Committee is the same except that Mr. Haligowski's annual

Table of Contents

cash incentive opportunity was set at up to 200% of base salary. The Committee increased Mr. Haligowski's targeted cash incentive opportunity since his base salary was not increased in 2006, as discussed above.

Our awards are subject to the Committee's discretion and may take into account the achievement of goals set forth in our annual strategic plan, individual performance and the recommendation of the CEO (for awards other than his own). As a result, actual bonuses may be above or below target bonus levels, at the discretion of the Committee. Bonus payments under our annual bonus plan are contingent on continued employment with us at the end of the year. In 2005, the corporate goals identified by the Committee and the Board for 2006 included meeting various objectives relating generally to loan production, asset quality, pre-tax earnings and net income. In December 2006, the Committee and the Board determined that applicable corporate performance goals that were achieved in 2006 merited a bonus award of 100% of the target bonus award for the named executive officers other than Mr. Haligowski and 110% of the target bonus award for Mr. Haligowski. The Committee and the Board determined that Mr. Haligowski should receive an award of 164% of his base salary due to his continued outstanding leadership and contributions to the Company's accomplishments in 2006.

In exercising its discretion, the Committee may take into account factors affecting our overall corporate performance goals and our actual performance results that may cause differences between the numbers used for our performance goals and the numbers reported in our financial statements. These factors may exclude all or a portion of both the positive or negative effect of external events that are outside the control of our executives, such as natural disasters, litigation, or regulatory changes in accounting, taxation or capital standards. These adjustments may also exclude all or a portion of both the positive or negative effect of unusual or significant strategic events that are within the control of our executives but that are undertaken with an expectation of improving our long-term financial performance, such as restructurings, acquisitions, or divestitures.

Equity Awards. We provide the opportunity for our named executive officers and other executives to earn long-term equity incentive awards. Long-term equity incentive awards provide employees with the incentive to stay with us for longer periods of time, which in turn, provides us with greater stability. Stock options and other equity awards also align the incentives of our executives with the interests of our shareholders and with our long-term success. The Committee and Board develop their equity award determinations based on their judgments as to whether the complete compensation packages provided to our executives, including prior equity awards, are sufficient to retain, motivate and adequately award the executives. We have traditionally used stock options as our form of equity compensation because stock options provide a relatively straightforward incentive for our executives, result in less immediate dilution of existing shareholders' interests and, prior to our adoption of SFAS No. 123(R), resulted in less compensation expense for us relative to other types of equity awards.

We generally review long-term equity incentives for our named executive officers and other executives annually in December or January. We grant equity awards to employees through our ESIP, which was adopted by our Board and shareholders to permit the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares and performance units. The material terms of the ESIP are further described below under *Additional Information Regarding Executive Compensation - Outstanding Equity Awards at December 31, 2006-Stock Incentive Plans.*

For the last completed fiscal year, the Committee determined that our named executive officers had a sufficient equity stake in us, consisting of shares of Common Stock and/or existing options, to align their interests with ours and our stockholders and consequently there were no new equity award grants in 2006 to our named executive officers.

We do not coordinate the timing of equity award grants with the release of material non-public information. The exercise price for stock options is established at the fair market value of the closing price of our stock on the date the Committee approves for grant. Our stock options generally have a 10-year contractual exercise term. All of our

outstanding stock options and other equity awards to our named executive officers are fully vested.

Table of Contents

In general, option grants are also subject to the following post-termination and change in control provisions:

Event	Award Vesting	Exercise Term
Termination by Us Other than Cause, Disability, Retirement or Death	Forfeit Unvested	Earlier of: (1) three (3) months or (2) Remaining Option Period
Disability, Retirement or Death	Forfeit Unvested	Earlier of: (1) six (6) months or (2) Remaining Option Period
Termination for Cause	Forfeit Vested and Unvested	Expire
Other Termination	Forfeit Unvested	Earlier of: (1) Remaining Option Period or (2) 30 Days from Date of Termination
Change in Control	Accelerated*	*

* In the event of a change in control as defined in the ESIP, any outstanding awards that are unexercisable or otherwise unvested will become fully vested and immediately exercisable. If there is a termination of employment, the applicable termination provisions regarding exercise term will apply.

Executive Benefits and Perquisites

Our named executive officers and other executives participate in our broad based employee benefit plans, including medical, dental, vision, insurance and our 401(k) plan (including matching contributions) and, like all other employees, may receive a preferential interest rate on interest-bearing deposit accounts. These plans and benefits are available to all salaried employees and do not discriminate in favor of executive officers. We also make the SERP available to our named executive officers and the Deferred Compensation Plans available to our named executive officers and other highly compensated employees. Mr. Haligowski is currently the only participant in our Salary Continuation Plan. The material terms of these plans are further described below under Additional Information Regarding Executive Compensation Agreements with Mr. Haligowski Salary Continuation Plan, Nonqualified Deferred Compensation and Supplemental Executive Retirement Plan.

We also provide additional personal benefits and perquisites as an additional incentive for our executives, to remain competitive in the general marketplace for executive talent and to minimize distractions from the executive's attention to important ITLA Capital initiatives. The Committee periodically reviews the levels of perquisites and other personal benefits provided to executive officers. We have no current plans to make material changes to levels of benefits and perquisites provided to our executives.

For the last completed fiscal year, we provided the following personal benefits and perquisites to our named executive officers:

Executive Benefit	Description
Automobile Plan	Certain executives are provided with a Company-owned automobile or an automobile allowance pursuant to our automobile policy
Reimbursed Life Insurance Premiums	We reimburse certain executives for certain life insurance premium payments

Computer Equipment and Internet
Connection Service
Club Memberships

We provide certain executives with computer equipment and an internet connection for use in their homes.
Certain executives have their club membership dues reimbursed

In addition, ITLA Capital makes available a corporate limousine and driver to certain executive officers for business use only. Mr. Haligowski also receives a housing allowance, reimbursement for financial counseling and tax preparation, the use of a chartered aircraft for up to 35 hours per year, reimbursement for a non-equity membership in one private club in an initial amount not to exceed \$7,500 with monthly dues of \$400 (as may be increased or decreased by the club), reimbursement for his reasonable expenses and costs associated with his memberships in the Young Presidents Organization and the Harvard Business School Alumni Association, and tax reimbursement payments. The cost for chartered aircraft use is based on the duration of the flight, not on the number of passengers. We do not incur any additional costs for adding passengers when there are seats available on the

Table of Contents

aircraft. Accordingly, we do not assign any cost for family members accompanying Mr. Haligowski on any of those flights. We gross-up his compensation or otherwise reimburse his taxes on any income imputed as a result of personal aircraft usage. However, as a result of Internal Revenue Service rules, executives are imputed income for any family members or other personal guests who may accompany the executive officer on any flights. In instances where family member or other personal guest attendance has been related to the business purpose of the trip, we have grossed-up Mr. Haligowski's compensation to cover taxes on any income imputed as a result of their attendance. The Committee believes that such benefits are appropriate and often assist with Mr. Haligowski fulfilling his employment obligations.

Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended December 31, 2006, are included in the "All Other Compensation" column of the Summary Compensation Table.

Change in Control and Severance Benefits

We provide the opportunity for Mr. Haligowski and our executive officers to be protected in the event of a change of control and/or an involuntary termination of employment following a change of control of ITLA Capital. Mr. Haligowski may also receive certain payments and benefits pursuant to his employment agreement if his employment is involuntarily terminated not in connection with a change in control. The purpose of providing these change in control payments and benefits is to attract and retain executives of the highest caliber and mitigate the risk to these executives that their employment will be involuntarily terminated in the event we are acquired.

Mr. Haligowski's employment agreement and his non-competition and non-solicitation agreement, and Mr. Bruce's and Mr. Doyle's change of control agreements provide for certain payments and benefits upon a change of control. Each of these agreements was entered into in 2006 and was individually negotiated by the Committee and management. In Mr. Haligowski's case these agreements were negotiated to be generally consistent with the amount of benefits and terms of his prior severance benefits under his original employment agreement. In the case of Messrs. Bruce and Doyle, these agreements replaced the requirement contained in their prior change of control agreements that an involuntary termination occur with any termination of employment (other than for cause) as a trigger for payment. The Committee eliminated this requirement in recognition of their years of service to us relative to the other executive officers, and that these individuals are not receiving any substituted benefit to make up for the lack of SERP allocations in 2006 and thereafter. A cap was placed on the amount of their cash payment.

The change of control agreements for Messrs. Lodwick and Lombardi provide for certain payments and benefits if their employment is involuntarily terminated in connection with or within 24 months after a change in control of ITLA Capital. Each of these change in control severance agreements thus requires a "double trigger" in order for any payments or benefits to be provided to the named executive officer in connection with or following a change in control—in other words, both a change in control and an involuntary termination of employment (which includes a voluntary termination by the executive following a material reduction in his duties, responsibilities or benefits) must occur. At the same time, the mere sale of ITLA Capital will not automatically trigger a payout, as our intention is to induce the executive to remain employed following a change in control so long as the acquiring Company so desires without a material reduction in the executive's duties, responsibilities or benefits. Our severance and change in control provisions for the named executive officers are summarized in "Additional Information Regarding Executive Compensation Agreements with Mr. Haligowski and Change of Control Agreements."

We believe these severance and change in control benefits are an essential element of our executive compensation package and assist us in recruiting and retaining talented individuals. We also believe that our severance and change in control provisions are consistent with the provisions and benefit levels of other companies disclosing such provisions as reported in public SEC filings. Information regarding applicable severance and change in control benefits for the named executive officers is provided under the heading "Additional Information Regarding Executive Compensation Potential Payments Upon Termination of Employment."

Impact of Accounting and Tax Treatments of Compensation

Section 162(m) of the Internal Revenue Code generally eliminates the deductibility of compensation over \$1 million paid to certain highly compensated executive officers of publicly held corporations, excluding certain qualified performance-based compensation. The Committee has reviewed and will continue to review on an

Table of Contents

ongoing basis our executive compensation programs, and propose appropriate modifications to these programs, if the Committee deems them necessary, with a view toward implementing our compensation programs in a manner that avoids or minimizes any disallowance of tax deductions under Section 162(m). The Committee will balance these considerations against the need to be able to compensate executives in a manner commensurate with performance and the competitive environment for executive talent. While stock options and stock appreciation rights as a general matter automatically constitute qualified performance-based compensation (provided that the certain plan content and grant procedure requirements are met), cash and other equity-based awards (including but not limited to restricted stock) must be subject to stockholder-approved performance criteria in order to so qualify. In this regard, the ESIP approved by stockholders authorizes the awarding of equity-based performance awards that constitute qualified performance-based compensation exempt from the \$1 million deductibility limit of Section 162(m).

With our adoption, effective January 1, 2006, of SFAS No. 123(R), which requires the recognition of compensation expense for stock options, we do not expect the accounting treatment of differing forms of equity awards to vary significantly. Accordingly, accounting treatment is not expected to have a material effect on the selection of forms of equity compensation in the foreseeable future.

Role of Executive Officers in Determining Compensation

Our Chief Executive Officer, Mr. Haligowski, recommends to the Committee base salary, target annual incentive compensation bonus levels, actual bonus payments and long-term incentive grants for our executive officers (other than himself). Mr. Haligowski makes these recommendations to the Committee based on publicly available industry data and qualitative judgments regarding individual performance. Mr. Haligowski is not involved with any aspect of determining his own compensation.

Agreements with Mr. Haligowski

Employment Agreement. On February 24, 2006, we entered into an amended and restated employment agreement with Mr. Haligowski, which constituted an amendment and restatement of his Original Employment Agreement with ITLA Capital dated January 28, 2000 (the "Employment Agreement"). The Employment Agreement has a five-year term which commenced effective as of January 1, 2006 and is renewable on each subsequent January 1st, as long as neither ITLA Capital, nor the Bank, has notified Mr. Haligowski at least 90 days in advance that the term will not be so extended. If a change in control (as defined in the Employment Agreement) occurs during the term of the Employment Agreement, then notwithstanding the delivery of any notice of non-renewal to Mr. Haligowski, the employment term will automatically be extended until five years after the date of the change in control.

The Employment Agreement entitles Mr. Haligowski to: (1) an annual base salary of not less than \$590,000; (2) participate in any performance-based awards and discretionary bonuses paid to executive officers; (3) receive a minimum monthly housing allowance of \$3,500 and, at his election, a minimum monthly automobile allowance of \$2,600 or the use of a vehicle pursuant to our automobile policy; (4) receive a personal life insurance policy, with premiums paid by us, providing a death benefit of at least four times his annual base salary; (5) receive memberships paid by us in certain organizations and clubs; (6) up to \$6,500 per year, plus imputed taxes, for the maintenance of his personal estate and tax planning; and (7) participate in benefit plans and receive other fringe benefits provided by us.

The Employment Agreement provides that if Mr. Haligowski is involuntarily terminated prior to a change in control, then he will: (1) receive a prorated lump sum payment based on the amount of cash bonus and other cash incentive compensation paid to him for our last completed fiscal year; (2) either (a) continue to receive monthly through the remaining term of the agreement one-twelfth of his base salary at the highest annual rate in effect during the three years before the termination date and one-twelfth of the average amount of cash bonus and cash incentive compensation earned by him during the two fiscal years preceding the termination date or (b) at his election, receive the amount of all payments described in (a) in a lump sum; (3) either (a) continue to receive for himself and his dependents substantially the same medical, dental and disability benefits at the same cost to him for five years after

Table of Contents

the date of termination, reduced to the extent he receives substantially the same coverage at substantially the same cost to him from another employer, or (b) at his election (or at our election, if coverage under our group plan is not available to Mr. Haligowski and his dependents), receive an amount in cash equal to the premium cost being paid by us before the termination date; (4) be provided with office space and secretarial support of the same type provided during his employment for 18 months after the termination date; (5) receive title to owned or leased vehicle being used by him; (6) receive all interests maintained by us in life insurance policies maintained on his life, including the cash surrender values; and (7) become vested in all of his outstanding unvested stock options and unvested restricted stock awards held in the SERP.

The Employment Agreement provides that if Mr. Haligowski is involuntarily terminated in connection with or within five years after a change in control of ITLA Capital, then he will receive a lump sum payment equal to 299% of his base amount, as defined in Section 280G of the Code, less the present value of the benefits to be received by him under ITLA Capital's Salary Continuation Plan and the accelerated vesting present value of stock options and restricted stock, to the extent such amounts are required to be considered in the calculation of parachute payments under Section 280G of the Code (the "Lump Sum Change in Control Payment"). Instead of receiving the full amount of the Lump Sum Change in Control Payment, however, Mr. Haligowski may elect to receive the continued health, medical and disability insurance benefits, 18 months of office space and secretarial support, title to his Company-owned or leased vehicle and ITLA Capital's interests in the life insurance policies on his life, each as described in the immediately preceding paragraph, in which case the amount of the Lump Sum Change in Control Payment will be reduced by the present value of these elected benefits (the "Elective Benefits"). In no event may the Lump Sum Change in Control Payment, prior to reduction for Elective Benefits, exceed the aggregate of 100% of the total value of the payments and benefits Mr. Haligowski would receive under the Employment Agreement if the involuntary termination occurred prior to a change in control, plus 150% of his annual base salary in effect before the change in control. This resulting aggregate amount is equal to the value of Mr. Haligowski's change in control benefits under the Original Employment Agreement, excluding the SERP change in control benefit referred to in the Original Employment Agreement of 3.95 times his annual base salary but inclusive of the life insurance benefit described in the preceding paragraph (the "Original Agreement Adjusted Change in Control Benefit"). The Employment Agreement provides that if a change in control occurs on or after January 1, 2008, the Lump Sum Change in Control Payment prior to reduction for Elective Benefits may not be less than the Original Agreement Adjusted Change in Control Benefit less \$1.0 million, notwithstanding the fact that this amount exceeds 299% of Mr. Haligowski's base amount.

The Employment Agreement provides that if any of the change in control payments or benefits to be provided under the agreement in combination with any payments or benefits under other plans or arrangements constitute "excess parachute payments" under Section 280G of the Code, Mr. Haligowski will be paid an additional amount (referred to as a "gross up payment") that will offset, on an after tax basis, the effect of any excise tax consequently imposed upon him under Section 4999 of the Code.

The term "Change in Control" means the occurrence of any of the following events with respect to ITLA Capital, or with respect to the Bank: (1) any person (as the term is used in Section 13(d) and 14(d) of the Securities Exchange Act of 1934 (the "Exchange Act")) is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly of securities of ITLA Capital, or the Bank representing 33.33% or more of ITLA Capital's or the Bank's outstanding securities; (2) individuals who are members of the Board of Directors of ITLA Capital or the Bank on the date hereof (the "Incumbent Board") cease for any reason to constitute at least a majority thereof, provided that any person becoming a director subsequent to the date hereof whose election was approved by a vote of at least two-thirds of the directors comprising the Incumbent Board, or whose nomination for election by ITLA Capital's or the Bank's stockholders was approved by the Corporate Governance/Nominating Committee serving under an Incumbent Board, shall be considered a member of the Incumbent Board; (3) a reorganization, merger, consolidation, sale of all or substantially all of the assets of ITLA Capital or the Bank, or a similar transaction in which ITLA Capital or the

Bank is not the resulting entity (unless the continuing ownership requirements clause (4) below are met with respect to the resulting entity); or (4) a merger or consolidation of ITLA Capital or the Bank with any other corporation other than a merger or consolidation in which the voting securities of ITLA Capital or the Bank outstanding immediately prior thereto represent at least 66.67% of the total voting power represented by the voting securities of ITLA Capital or the Bank or the surviving entity outstanding immediately after such merger or consolidation. The term "Change in Control" shall not include: (1) an acquisition of securities

Table of Contents

by an employee benefit plan of ITLA Capital or the Bank; (2) any of the above mentioned events or occurrences involving any other subsidiary of ITLA Capital or the Bank, although this may be amended at a later date; or (3) any of the above mentioned events or occurrences which require but do not receive the requisite government or regulatory approval to bring the event or occurrence to fruition. The term *involuntary termination* is defined to include termination of Mr. Haligowski's employment by ITLA Capital or the Bank (other than for cause or due to retirement after attaining age 65) without his consent, by Mr. Haligowski following a material reduction of or interference with his duties, responsibilities or benefits without his consent or by ITLA Capital or the Bank (or their successors) or by Mr. Haligowski at the time of or within five years after a Change in Control.

Under the Employment Agreement, if Mr. Haligowski is terminated due to disability or death, then he or his estate will be entitled to the same payments and benefits to which he would have been entitled if he were involuntarily terminated prior to a change in control, other than the continued use of office space and secretarial support, plus a prorated amount of any bonus or other incentive compensation for the year in which the termination occurs. If Mr. Haligowski voluntarily terminates his employment other than for a reason that constitutes involuntary termination or other than in connection with or within five years after a change in control, he will receive his base salary and benefits earned through the date of termination plus any benefit continuation required by law. If Mr. Haligowski's employment is terminated for cause, ITLA Capital will have no obligations to him under the Employment Agreement, other than any benefit continuation required by law.

Non-competition and Non-solicitation Agreement. We entered into a non-competition and non-solicitation agreement (the *Non-Competition Agreement*) with Mr. Haligowski on February 24, 2006. Like the Employment Agreement, the Non-Competition Agreement has a five-year term which commenced effective as of January 1, 2006. Mr. Haligowski's forbearance obligations under the Non-Competition Agreement begin on his employment termination in connection with or following an acquisition of ITLA Capital or the Bank and continue for three years thereafter (the *Restricted Period*). Mr. Haligowski will receive aggregate payments of \$3.5 million during the Restricted Period in consideration of his compliance with his obligations under the Non-Competition Agreement during the Restricted Period. ITLA Capital has the unilateral right to extend the term of the Non-Competition Agreement for an additional five year term by adjusting the compensation to be paid to Mr. Haligowski under that agreement.

Salary Continuation Plan. The Salary Continuation Plan, which was originally adopted by ITLA Capital in March 2000 and in which Mr. Haligowski is currently the only participant, provides that if the participant's employment is terminated for any reason other than cause, or if the participant retires after attaining age 65, the participant will begin receiving an annual salary continuation benefit six months thereafter (or starting on the first day of the next calendar month, if termination is due to death or disability), payable monthly over 15 years. The amount of Mr. Haligowski's annual salary continuation benefit is 75% of his average annual base salary for the three full calendar years preceding the year in which termination occurs or in which he attains age 65.

Information regarding applicable severance and change in control benefits for Mr. Haligowski is provided under the heading *Potential Payments Upon Termination of Employment*.

Stock Incentive Plans. On July 27, 2005, ITLA Capital's shareholders approved amendments and restatements of the ESIP and the Stock Option Plan For Nonemployee Directors (the Director Option Plan and together with the ESIP the Stock Option Plans). The Stock Option Plans were originally approved by shareholders on October 18, 1995.

In accordance with the Stock Option Plans, officers, directors and our employees are eligible to receive options to purchase common stock. Under the ESIP, officers and employees are also eligible for awards of stock appreciation rights, restricted stock, restricted stock units, performance shares and performance units. The purpose of the Stock Option Plans is to enable us to attract, retain and motivate employees by providing for or increasing their proprietary interests in ITLA Capital, and in the case of nonemployee directors, to attract such directors and further align their interests with our interests. Every one of our employees is eligible to be considered for the grant of awards under the ESIP. The maximum number of shares of common stock that may be issued pursuant to awards granted under the ESIP is 1,561,000 shares, provided that each share issued pursuant to awards of stock appreciation rights, restricted stock, restricted stock units, performance shares and performance units counts against this limit as two shares. The maximum number of shares of common stock that may be issued pursuant to awards granted under the Director Option Plan is 70,000 shares. The maximum number of shares of common stock and shares with respect to outstanding awards under the Stock Option Plan are subject to adjustment in the event of a stock dividend, stock split, recapitalization or similar event.

The Stock Option Plans are administered by the Committee and, other than with respect to formula awards under the Director Option Plan described below, the Committee has full authority to select the employees and directors to receive awards and to grant such awards. Subject to provisions of the Stock Option Plans, the

Table of Contents

Committee has a wide degree of flexibility in determining the terms and conditions of awards and the number of shares to be issued pursuant thereto. The expenses of administering the Stock Option Plans are borne by us.

The ESIP authorizes the Committee to enter into any type of arrangement with an eligible employee that, by its terms, involves or might involve the issuance of common stock or any other security or benefit with a value derived from the value of common stock. Awards to employees are not restricted to any specified form or structure and may include but are not limited to stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares and performance units. Under the Director Option Plan, each person who was a non-employee director on the original effective date of the plan (October 18, 1995) automatically received as of that date, and each person who became or becomes a non-employee director after the original effective date of the plan automatically received or will receive, as of the date such person became or becomes a non-employee director, non-qualified stock options to acquire 5,000 shares of common stock, subject to adjustment as described above, vesting in full on the one-year anniversary of the date of grant (referred to as the initial award). On the first, second, third, fourth and fifth anniversaries of the initial award, each non-employee director automatically received or will receive non-qualified stock options to acquire 1,000 shares of common stock, subject to adjustment as described above, vesting in full on the one-year anniversary of the date of grant (referred to as the anniversary awards). In addition to the anniversary awards, each non-employee director is eligible to receive grants of non-qualified stock options from time to time in the sole discretion of the Committee.

In the event of a change in control of ITLA Capital all awards under the Stock Option Plans shall vest 100%. For purposes of the Stock Option Plans, a change in control shall mean any of the following events:

- (a) we receive a report on Schedule 13D filed with the Securities and Exchange Commission pursuant to Section 13(d) of the Exchange Act disclosing that any person, group, corporation or other entity is the beneficial owner directly or indirectly of 30% or more of our outstanding common stock;

The ITLA Capital Corporation Supplemental Salary Savings Plan (the Supplemental Plan) and Nonqualified Deferred Compensation Plan (the Deferral Plan) are designed to provide additional retirement benefits for certain officers and highly compensated employees. The Supplemental Plan provides participating employees with an opportunity to make

up benefits not available under the 401(k) Plan due to any application of limitations on compensation and maximum benefits under the 401(k) Plan. Benefits under the Supplemental Plan are provided at the same time and in the same form as benefits under the 401(k) Plan, and become taxable to the participant at that point. None of the named executive officers currently participates in the Supplemental Plan. The Deferral Plan allows a participant to defer receipt of, and current taxation upon, designated portions of the participant's direct cash compensation until a future date specified by the participant. Both of these plans are unfunded plans, meaning that all benefits payable thereunder are payable from our general assets, and funds available to pay benefits are subject to the claims of our general creditors. We have established a Rabbi Trust with a third party FDIC insured financial institution which holds the contributions to the Supplemental Plan and Deferral Plan, for the purpose of providing the benefits set forth under the terms of the plans. Participants only have the rights of unsecured creditors with respect to the Rabbi Trust assets.

Supplemental Executive Retirement Plan

Pursuant to the SERP, the Committee allocated to participants on a tax-deferred basis shares of restricted stock issued to the SERP under our RRP. The last remaining RRP shares held in the SERP were allocated to SERP participants in 2005. Under the terms of the SERP, Mr. Haligowski received an annual restricted stock allocation equal to one-third of his base salary and all other participants received an annual restricted stock allocation equal to

Table of Contents

one-fifth of base salary, subject to the approval of the Committee, which could also allocate a greater or lesser award or no award in its discretion. For this purpose, each share of common stock issued to the SERP has been valued at \$9.00 per share, the fair market value of the common stock on the date of issuance from the RRP to the SERP. All awards made under the SERP are now fully vested. The following table sets forth information about the SERP benefits payable to each named executive officer:

Name	Executive Contributions in Last FY	Registrant Contributions in Last FY	Aggregate Earnings in Last FY(1)	Aggregate Withdrawals/ Distributions	Aggregate Balance at Last FYE
George W. Haligowski	\$	\$	\$ 1,546,185	\$	\$ 9,460,178

Timothy M. Doyle	\$	\$	\$ 299,178	\$	\$ 1,831,114
Lyle C. Lodwick	\$	\$	\$ 30,893	\$	\$ 189,655
Phillip E. Lombardi	\$	\$	\$ 26,336	\$	\$ 162,090

- (1) Includes value of additional shares allocated pursuant to dividend reinvestment, as well as the change in fair value during the year related to SERP shares maintained within each participants' respective trust account. None of these amounts were reported as compensation for 2006 in the Summary Compensation Table.

Change of Control Agreements

We have entered into change in control severance agreements with Messrs. Bruce, Doyle and Lodwick and Lombardi. In the case of Messrs. Bruce and Doyle, these agreements replaced their existing change in control severance agreements with ITLA Capital. The terms of the agreements are three years for the agreements with Messrs. Bruce and Doyle and one year for the agreements with Messrs. Lodwick and Lombardi, beginning effective as of February 1, 2006 and renewable on each subsequent February 1st, as long as neither ITLA Capital nor the officer gives notice to the other at least 90 days in advance that the term will not be so extended. If a change in control occurs during the term of the agreement, then notwithstanding the delivery of any non-renewal notice, the agreement term will automatically be extended until three years, in the case of the agreements with Messrs. Bruce and Doyle, or two years, in the case of the agreements with Messrs. Lodwick and Lombardi, after the date of the change in control.

The agreements with Messrs. Bruce and Doyle provides that if their employment is terminated without cause which means a termination for any reason other than cause within six months before or within three years after a change in control, or if the officer terminates his employment for any reason within one year after a change in control, he will: (1) receive a lump sum payment equal to 299% of his base amount (not to exceed \$1.0 million in the case of Mr. Bruce and \$1.25 million in the case of Mr. Doyle); (2) either (a) continue to receive substantially the same health, dental and life insurance benefits for two years after the termination date, in the case of Mr. Bruce, and three years after the termination date, in the case of Mr. Doyle, or (b) at his election, (or at ITLA Capital's election, if coverage under ITLA Capital's group plan is not available to the officer) receive an amount in cash equal to the premium cost being paid by ITLA Capital before the termination date; (3) receive title to the Company-owned or leased vehicle being used by him or, if the officer receives a monthly car allowance in lieu of a Company vehicle, an amount in cash equal to 24 times, in the case of Mr. Bruce, and 36 times, in the case of Mr. Doyle, the greater of the monthly allowance on the date of the change in control or on the termination date; and (4) become vested in all of his outstanding unvested stock options and restricted stock awards.

The agreements with Messrs. Lodwick and Lombardi provide that if the officer's employment is involuntarily terminated in connection with or within two years after a change in control, he will: (1) receive a lump sum payment equal to the sum of (a) 1.5 times his base salary on the date of the change in control or the date of termination, whichever is greater and (b) a prorated bonus amount for the year in which the termination occurs based on the officer's prior year annual bonus, (2) either (a) continue to receive substantially the same health, dental and life insurance benefits for 18 months after the termination date or (b) at his election (or at ITLA Capital's election, if coverage under ITLA Capital's group plan is not available to the officer), receive an amount in cash equal to the premium cost being paid by ITLA Capital before the termination date; (3) receive title to the Company-owned or leased vehicle being used by him or, if the officer receives a monthly car allowance in lieu of a Company vehicle, an amount in cash equal to 18 times the greater of the monthly allowance on the date of the change in

Table of Contents

control or on the termination date; and (4) become vested in all of his outstanding unvested stock options and restricted stock awards. The term **Involuntary Termination** means the termination of the employment of the executive without his express written consent or a material diminution of or interference with the executive's duties, responsibilities and benefits as these same duties, responsibilities and benefits exist the day prior to the Change of Control, including (without limitation) any of the following actions unless consented to in writing by the executive: (1) a requirement that the executive be based at a place other than the executive's work location immediately prior to the Change of Control or within 35 miles thereof, except for reasonable business travel; (2) a material demotion of the executive; (3) a material reduction in the number or seniority of other personnel reporting to the executive or a material reduction in the frequency with which, or in the nature of the matters with respect to which, such personnel are to report to the executive, other than as part of a company-wide reduction in staff; (4) a material adverse change in the executive's salary, other than as part of an overall program applied uniformly and with equitable effect to all members of the senior management of the company; (5) a material permanent increase in the required hours of work or the workload of the executive; (6) a material change in the reporting relationship to which the executive reports prior to the Change of Control; or (7) a material increase or decrease in business responsibilities and duties, such that the executive's qualifications as utilized prior to the Change of Control are no longer consistent with the qualifications needed for the revised position. The term **Involuntary Termination** does not include termination for cause, termination of employment due to retirement on or after the executive attains age 65, death, or termination of employment by us due to disability.

Each agreement provides that to the extent the value and amounts of benefits under the agreement, together with any other amounts and the value of other benefits received by the officer in connection with a change in control would cause any amount to be non-deductible by ITLA Capital pursuant to Section 280G of the Code, then the amounts and benefits under the agreement will be reduced to the extent necessary to avoid the non-deductibility of any such amounts and benefits under Section 280G, assuming a change in control.

A **Change of Control** means the occurrence of any of the following events with respect to the Company: (1) any person (as the term is used in section 13(d) and 14(d) of the Exchange Act) is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly of securities of ITLA Capital representing 33.33% or more of ITLA Capital's outstanding securities; (2) individuals who are members of the Board of Directors of ITLA Capital on the date hereof (the **Incumbent Board**) cease for any reason to constitute at least a majority thereof, provided that any person becoming a director subsequent to the date hereof whose election was approved by a vote of at least two thirds of the directors comprising the Incumbent Board, or whose nomination for election by ITLA Capital's stockholders was approved by the Corporate Governance/Nominating Committee serving under an Incumbent Board, shall be considered a member of the Incumbent Board; (3) a reorganization, merger, consolidation, sale of all or substantially all of the assets of ITLA Capital or a similar transaction in which ITLA Capital is not the resulting entity (unless the continuing ownership requirements clause (4) below are met with respect to the resulting entity); or (4) a merger or consolidation of ITLA Capital with any other corporation other than a merger or consolidation in which the voting securities of ITLA Capital outstanding immediately prior thereto represent at least 66.67% of the total voting power represented by the voting securities of ITLA Capital or the surviving entity outstanding immediately after such merger or consolidation. The term **Change in Control** shall not include: (1) an acquisition of securities by an employee benefit plan of ITLA Capital; or (2) any of the above mentioned events or occurrences which require but do not receive the requisite government or regulatory approval to bring the event or occurrence to fruition.

No member of the Compensation Committee is a current or former officer or employee of ITLA Capital or any of its subsidiaries. TRANSACTIONS WITH CERTAIN RELATED PERSONS

Our Code of Business Conduct and Ethics provides that all related party transactions (defined as transactions requiring disclosure under Item 404 of Securities and Exchange Commission Regulation S-K) must be approved reviewed and approved by a majority of our disinterested independent directors.

During 2006, we utilized the services of Keesal, Young & Logan. Director Mayuga is of counsel to that law firm. During 2006, this law firm received \$16,000 in legal fees from ITLA Capital and the Bank.

ITLA Capital entered into a lending agreement with Mr. Haligowski as of January 20, 2000 for a seven hundred thousand dollar (\$700,000) line of credit. To date, no funds have been drawn down from this line.

The Bank may from time to time make loans and other extensions of credit to our directors and executive officers and members of their immediate families and affiliated entities. All of such currently outstanding loans or extensions of credit were made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans to persons not related to the Bank, and do not involve more than the normal risk of collectibility or present other unfavorable features.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2006, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with, except for the inadvertent failure of Mr. Haligowski to timely report two transactions (which occurred on the same day) and of each of Messrs. Bruce, Doyle, Lodwick, Lombardi and Officer Scott A. Wallace to report one transaction.

PROPOSAL II PROPOSAL TO AMEND CERTIFICATE OF INCORPORATION TO CHANGE NAME TO IMPERIAL CAPITAL BANCORP, INC.

Our legal name since our incorporation in May 1996 has been ITLA Capital Corporation. The ITLA initials were chosen because our subsidiary bank was at that time named Imperial Thrift and Loan Association. The initials also reflected our four letter ticker symbol on the NASDAQ Stock Market. In January 2000, our subsidiary bank changed its name to Imperial Capital Bank and in January 2003 converted its charter from a California industrial bank to a California commercial bank. On December 29, 2006, our Common Stock began trading on the New York Stock Exchange under the new three letter ticker symbol IMP. In order to better reflect the name of our subsidiary bank and our new stock ticker symbol, our Board of Directors has proposed, and recommends that shareholders approve, an amendment to our certificate of incorporation to change our legal name to Imperial Capital Bancorp, Inc.

The amendment would be accomplished by amending the first article of our certificate of incorporation to read as follows:

FIRST: The name of the Corporation is Imperial Capital Bancorp, Inc. (hereinafter sometimes referred to as the Corporation).

If approved by shareholders at the Meeting, the amendment would become effective following the filing of a certificate of amendment to our certificate of incorporation with the Secretary of State of the State of Delaware.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR APPROVAL OF THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO CHANGE OUR NAME TO IMPERIAL CAPITAL BANCORP, INC.

PROPOSAL III RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has reappointed Ernst & Young LLP as the independent registered public accounting firm to audit our financial statements for the year ending December 31, 2007. In making its determination to reappoint Ernst & Young LLP as our independent auditors for the 2007 fiscal year, the Audit Committee considered whether the providing of services (and the aggregate fees billed for those services) by Ernst & Young LLP, other than audit services, is compatible with maintaining the independence of the outside accountants. Our shareholders are being asked to ratify this appointment at the Meeting. If the appointment of Ernst & Young LLP is not ratified by the shareholders, the Audit Committee may appoint other independent auditors or may decide to maintain its appointment of Ernst & Young LLP.

A representative of Ernst & Young LLP is expected to attend the Meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2007.

SHAREHOLDER PROPOSALS

In order to be eligible for inclusion in our proxy materials for next year's Annual Meeting of Shareholders, any shareholder proposal to take action at such meeting must be received at our executive office at 888 Prospect Street, Suite 110, La Jolla, California 92037 no later than February 27, 2008. Any such proposal will be subject to the requirements of the proxy rules adopted under the Exchange Act, and as with any shareholder proposal (regardless of whether included in our proxy materials), our certificate of incorporation and bylaws and Delaware law. To be considered for presentation at the next annual meeting, but not for inclusion in our proxy materials for the meeting, a shareholder proposal must be received at our executive office by May 3, 2008; however, if the date of the next annual meeting is held before July 12, 2008 or after September 30, 2008, the proposal must be received by the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which notice of the date of the annual meeting is mailed or public disclosure of the date of such meeting is first made.

OTHER MATTERS

As of the date of this Proxy Statement, our Board of Directors is not aware of any business to come before the Meeting other than the matters described above in this Proxy Statement. If, however, any other matters should properly come before the Meeting, it is intended that our Board of Directors, as proxy for the shareholder, will act in accordance with its best judgment.

The cost of solicitation of proxies will be borne by ITLA Capital. ITLA Capital will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of our Common Stock. In addition to solicitation by mail, directors, officers and regular employees of ITLA Capital may solicit proxies personally or by telegraph or telephone, without additional compensation. ITLA Capital has retained Regan & Associates, Inc. to assist in the solicitation of proxies for a fee estimated to be approximately \$6,000, which includes reasonable out of pocket expenses.
