## Section 8 - Other Events

### Item 8.01 Other Events.

On May 23, 2006, the Registrant announced that management had been granted the authority to spend an additional \$500,000 to repurchase shares of its common stock in open-market or privately-negotiated transactions from time to time. The new authorization is in addition to \$1,200,000 authorized in 1998 and the \$250,000 increase authorized in 2002, of which \$1,350,267 has been expended. Prices paid will not exceed the most recent book value of the common stock. Management will determine the number of shares to be purchased and the timing of purchases in its discretion based upon a number of factors, including the common stock's market price and market conditions, and is not limited by a timetable or minimum price policy. The Registrant may commence, discontinue, suspend and resume the repurchase program at any time, subject to the Registrant's Insider Trading Policy. Open-market purchases will be conducted in accordance with applicable SEC rules. Repurchased shares will be used for general corporate purposes. The new authorization required approval from the Registrant's bank lender. On May 22, 2006, the Registrant's bank lender amended its loan agreement with the Registrant to permit the additional common stock repurchases described above.
