Proxy Statement For Annual Meeting of

Shareholders to be Held on May 18, 2005

Our board of directors is soliciting proxies for the 2005 Annual Meeting of Shareholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. We encourage you to read it carefully.

Voting Information

The board set April 1, 2005 as the record date for the meeting. Shareholders owning our common stock at the close of business on that date are entitled to attend and vote at the meeting, with each share entitled to one vote. There were 2,830,962 shares of common stock outstanding on the record date. A majority of the outstanding shares of common stock represented at the meeting will constitute a quorum. We will count abstentions and broker non-votes, which are described below, in determining whether a quorum exists.

Many of our shareholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. If you hold our shares in a stock brokerage account or by a bank or other nominee, you are considered the *beneficial owner* of shares held in street name, and these materials are being forwarded to you by your broker or nominee, which is considered the *shareholder of record* with respect to those shares. As the *beneficial owner*, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the *shareholder of record* giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use to direct your broker or nominee how to vote these shares.

When you sign the proxy card, you appoint David K. Proctor and Joseph G. Sawyer as your representatives at the meeting. Messrs. Proctor and Sawyer will vote your proxy as you have instructed them on the proxy card. If you submit a proxy but do not specify how you would like it to be voted, Messrs. Proctor and Sawyer will vote your proxy for the election to the Board of Directors of all nominees listed below under Election of Directors. We are not aware of any other matters to be considered at the meeting. However, if any other matters come before the meeting, Messrs. Proctor and Sawyer will vote your proxy on such matters in accordance with their judgment.

You may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by signing and delivering another proxy with a later date or by voting in person at the meeting.

Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proxies that brokers do not vote on some proposals but that they do vote on others are referred to as "broker non-votes" with respect to the proposals not voted upon. A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, if a shareholder abstains from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

We are paying for the costs of preparing and mailing the proxy materials and of reimbursing brokers and others for their expenses of forwarding copies of the proxy materials to our shareholders. Our officers and employees may assist in soliciting proxies but will not receive additional compensation for doing so. We are distributing this proxy statement on or about April 15, 2005.

Proposal No. 1 and 2: Election of Directors

The board of directors is divided into three classes with staggered terms, so that the terms of only approximately one-third of the board members expire at each annual meeting. The current terms of the Class II directors will expire at the meeting. With the exception noted below, the terms of the Class III directors will expire at the 2006 Annual Shareholders Meeting. The terms of the Class I directors will expire at the 2007 Annual Shareholders Meeting. In addition, in connection with our merger with DutchFork Bancshares, Inc. and its wholly owned subsidiary, Newberry Federal Savings Bank, which was consummated on October 1, 2004, Steve P. Sligh was appointed to the board of directors as a Class II director and J. Thomas Johnson was appointed to the board of directors as a Class III director. In accordance with our bylaws and the provisions of the South Carolina Business Corporation Act of 1988, both Messrs. Sligh and Johnson are up for re-election as directors at the 2005 annual meeting.

Our directors and their classes are:

Class I

Richard K. Bogan, MD
 Michael C. Crapps
 Hinton G. Davis
 Anita B. Easter
 George H. Fann, Jr., D.M.D.

Class II

Thomas C. Brown
 O.A. Ethridge, D.M.D.
 W. James Kitchens, Jr.
 Mitchell M. Willoughby
 Steve P. Sligh

Class III

Chimin J. Chao
 James C. Leventis
 Loretta R. Whitehead
 J. Thomas Johnson
 Alexander Snipes, Jr.

There are currently five directors in Class II. Shareholders will elect five nominees as Class II directors at the meeting to serve a three-year term, expiring at the 2008 annual meeting of shareholders. The directors will be elected by a plurality of the votes cast at the meeting. This means that the five nominees receiving the highest number of votes will be elected. The board of directors recommends that you elect Thomas C. Brown, O.A. Ethridge, D.M.D., W. James Kitchens, Jr., Mitchell M. Willoughby, and Steve P. Sligh as Class II directors.

In addition, the board of directors recommends that you elect J. Thomas Johnson and Alexander Snipes, Jr. as Class III directors to serve a one-year term expiring at the 2006 annual meeting of shareholders. As noted above, in connection with our merger with DutchFork Bancshares, Mr. Johnson was appointed to the board of directors as a Class III director. In addition, the nominating committee met twice during 2004 and discussed increasing the size of the board to 15 directors and reviewed various candidates to fill the new position. At the February 15, 2005 board meeting, the nominating committee presented a motion to increase the size of the board from the current 14 to 15 directors. The motion was approved unanimously by the board. The nominating committee then presented a motion that Alexander Snipes, Jr. be nominated to the board as a Class III director, and presented for election at the 2005 annual shareholders meeting. If elected, Mr. Snipes term would begin immediately following the meeting. The board of directors recommends that you elect J. Thomas Johnson and Alexander Snipes, Jr. as Class III directors.

If you submit a proxy but do not specify how you would like it to be voted, Messrs. Proctor and Sawyer will vote your proxy to elect Mr. Brown, Dr. Ethridge, Mr. Kitchens, Mr. Willoughby, Mr. Sligh, Mr. Snipes and Mr. Johnson. If any of these nominees is unable or fails to accept nomination or election (which we do not anticipate), Messrs. Proctor and Sawyer will vote instead for a replacement to be recommended by the board of directors, unless you specifically instruct otherwise in the proxy.

Employment Agreements

Michael C. Crapps and James C. Leventis Upon its formation, the company entered into employment agreements with Michael C. Crapps, as the President and Chief Executive Officer of the company, and James C. Leventis, as the Chairman of the Board of the company. Both employment agreements provided for an initial term of three years, to be extended automatically each day for an additional day so that the remaining term of the agreement will continue to be three years. The term may be fixed at three years without additional extension by notice of either party to the other. The term of each agreement is currently three years. The agreement with Mr. Crapps provided for a starting annual salary of \$90,000, and the agreement with Mr. Leventis provided for an annual salary of \$25,000 per year, and the amounts have been reviewed annually by the board of directors and

increased from time to time based on the board's recommendation. Both Mr. Crapps and Mr. Leventis are also eligible to receive annual payments based upon achievement criteria established by the board of directors. Since the company's formation through 2002, Mr. Leventis devoted approximately 25% of his time to the company. In 2003, Mr. Leventis began devoting a greater percentage of his time to the company (currently approximately 75% of his time), and the company increased his salary proportionately.

Both agreements provide that if the company terminates the executive's employment without cause or if the executive's employment is terminated due to a sale, merger, or dissolution of the company or First Community Bank, the company will be obligated to continue his salary and bonus for the first 12 months thereafter plus one-half of his salary and bonus for the second 12 months thereafter. Furthermore, the company must remove any restrictions on outstanding incentive awards so that all such awards vest immediately and the company must continue to provide his life insurance and medical benefits until he reaches the age of 65.

In addition, both employment agreements provide that following termination of the executive's employment with the company and for a period of 12 months thereafter, the executive may not (i) be employed in the banking business as a director, officer at the vice president level or higher, or organizer or promoter of, or provide executive management services to, any financial institution within Richland or Lexington counties, (ii) solicit major customers of the company for the purpose of providing financial services, or (iii) solicit employees of the company for employment.

David K. Proctor, and Joseph G. Sawyer The company has entered into employment agreements with David K. Proctor, as Senior Vice President and Senior Credit Officer, and Joseph G. Sawyer, as Senior Vice President and Chief Financial Officer. Both employment agreements provide for an initial term of three years, to be extended automatically each day for an additional day so that the remaining term of the agreement will continue to be three years. The term may be fixed at three years without extension by notice of either party to the other.

The term of each agreement is currently three years. The agreement with Mr. Proctor provided for a starting annual salary of \$89,278, and the agreement with Mr. Sawyer provided for an annual salary of \$91,260 per year, and the amounts have been reviewed annually and increased from time to time. Both Mr. Proctor and Mr. Sawyer are also eligible to receive annual payments based upon achievement criteria established by the board of directors.

Both agreements provide that if the company terminates the executive's employment without cause the company shall be obligated to pay the employee compensation in an amount equal to 100% of his then current monthly base salary each month for three months from the date of termination, plus any bonus earned or accrued through the date of termination. If the executive terminates his employment or the company terminates the executive's employment after a change in control without cause, the company will pay the employee an amount equal to two times the then current annual base salary. In addition, the company will pay the employee any bonus earned or accrued through the date of termination. The company will remove any restrictions on outstanding incentive awards so that all such awards vest immediately. The company must continue to pay at its expense medical and life insurance benefits for a period of two years after termination.

In addition, each agreement provides that during the employee's employment and for a period of 12 months thereafter, the employee may not (without prior written consent of the company) compete with the company or any of its affiliates by, directly or indirectly, forming, serving as an organizer, director or officer of, or consultant to, or acquiring or maintaining more than a 1% passive investment in, a financial institution which has one or more offices or branches located within a radius of 10 miles from the bank's main office or any of its branch offices. This restriction does not apply after a change in control.

Meetings and Committees of the Board of Directors

During the year ended December 31, 2004, the board of directors of the company held 12 meetings and the board of directors of the bank held 12 meetings. All of the directors of the company and the bank attended at least 75% of the aggregate of such board meetings and the meetings of each committee on which they served, with the exception of Hinton G. Davis who attended 58% of the meetings.

Although we do not have a formal policy regarding attendance by members of our board at our annual shareholders meetings, directors are encouraged to attend our annual meeting. Six directors attended the 2004 annual meeting of shareholders.

Our board of directors has implemented a process for shareholders of the company to send communications to the board. Any shareholder desiring to communicate with the board, or with specific individual directors, may so do by writing to the secretary of the company, at First Community Corporation, 5455 Sunset Boulevard, Lexington, South Carolina 29072. The secretary has been instructed by the board to promptly forward all such communications to the addressees indicated thereon.

Our board of directors has appointed a number of committees, including an audit committee, an executive committee, a nominating committee, and a human resources committee. The audit committee is composed of Dr. Ethridge, Mr. Kitchens, Mr. Willoughby, Ms. Whitehead, and Ms. Easter. Each of these members is considered independent under Rule 4350 of the National Association of Securities Dealers listing standards. Our board has determined that Mr. Kitchens, who was appointed to the audit committee on March 16, 2004, qualifies as an audit committee financial expert under the SEC rules. The audit committee met four times in 2004.

The audit committee has the responsibility of reviewing the company's financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all audits and examinations required by law are performed. The committee recommends to the board the appointment of the independent auditors for the next fiscal year, reviews and approves the auditor's audit plans, and reviews with the independent auditors the results of the audit and management's responses. The audit committee has a written charter which was adopted on March 18, 2003. The charter outlines the committee's responsibilities for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts and may be amended by the board at any time. The audit committee reports its findings to the board of directors.

Our board of directors recently appointed a nominating committee which is responsible for nominating individuals for election to our board. Prior to establishing this committee, our executive committee acted in this capacity. The executive committee, which is composed of Mr. Leventis, Mr. Crapps, Dr. Fann, Mr. Kitchens, Mr. Willoughby, and Mr. Johnson, met one time during 2004 and the nominating committee met two times during 2004. The nominating committee is composed of Dr. Fann, Jr., Mr. Chao, and Mr. Willoughby. Each of these members is considered independent under Rule 4350 of the National Association of Securities Dealers listing standards.

On March 16, 2004, our board adopted a nominating committee charter. The charter provides that the responsibilities of the committee include: (a) reviewing the qualifications and independence of the members of the board and its various committee assignments; (b) evaluating incumbent directors in determining consideration for reelection; (c) recommending board nominees for election as officers; (d) providing guidance on board and corporate governance issues; and (e) considering director candidates recommended by shareholders who submit nominations in accordance with our bylaws. A copy of the nominating committee charter is available on our website at www.firstcommunitysc.com.

Shareholders who submit candidates for nomination must deliver nominations in writing to the secretary of the company no later than (i) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting; and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, seven days after notice of the special meeting is given to shareholder. Each notice must set forth: (i) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (ii) a representation that the shareholder is a holder of record of stock of the company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings

between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (iv) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the board of directors; and (v) the consent of each nominee to serve as a director of the company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

In evaluating such recommendations, the committee uses a variety of criteria to evaluate the qualifications and skills necessary for members of our board of directors. Under these criteria, members of the board of directors should have the highest professional and personal ethics and values, consistent with our longstanding values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of our shareholders.

Our committee uses a variety of methods for identifying and evaluating nominees for director. They regularly assess the appropriate size of the board of directors, and whether any vacancies are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the committee considers various potential candidates for director. Candidates may come to their attention through current members of the board, shareholders, or other persons. These candidates are evaluated at regular or special meetings of the board, and may be considered at any point during the year. The committee considers properly submitted shareholder recommendations for candidates. In evaluating such recommendations, the committee uses the qualifications and standards discussed above and seeks to achieve a balance of knowledge, experience and capability on the board of directors.

Our human resources committee is responsible for establishing the compensation plans for the company. The committee's duties include the development with management of all benefit plans for employees of the company, the formulation of bonus plans, incentive compensation packages, and medical and other benefit plans. This committee met three times during the year ended December 31, 2004. The human resources committee is composed of the following members: Thomas C. Brown, Hinton G. Davis, Loretta R. Whitehead, and Chimin J. Chao.

Interests of Management and Others in Certain Transactions

It is our policy that these loans and other transactions be on substantially the same terms (including price or interest rates and collateral) as those prevailing at the time for comparable transactions with unrelated parties. policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of the loan application. As required by Section 16(a) of the Securities Exchange Act of 1934, our directors and executive officers and certain other individuals are required to report periodically their ownership of our common stock and any changes in ownership to the SEC.
