ANNUAL MEETING OF SHAREHOLDERS
To be Held on _____, 2004

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of BCB Bancorp, Inc. (the "Company") to be used at the Annual Meeting of Shareholders of the Company (the "Annual Meeting"), which will be held at _____, Bayonne, New Jersey, on _____, 2004, at 10:00 a.m., Eastern Time, and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Shareholders and this Proxy Statement are first being mailed to shareholders on or about _____, 2004.

At the Annual Meeting shareholders will vote on the election of directors of the Company, the ratification of the appointment of Radics & Co., LLC as independent auditors for the Company for the year ending December 31, 2004 and such other matters as may properly come before the Annual Meeting, or any adjournments thereof.

On March 5, 2004, directors Cymbor, Doria, Garelick, Hughes, Maita, McCabe, Poesl and Tagliareni joined with others acting as a group in filing a Beneficial Ownership Report on Schedule 13D ("Schedule 13D") with the Securities and Exchange Commission. The Schedule 13D states that this group, which calls itself the Committee for Sound Corporate Governance, beneficially owns in the aggregate 431,283 shares, or 20.3% of the Company's outstanding common stock. The Schedule 13D states that the Committee intends to propose an alternative slate of directors for election at the Annual Meeting of Shareholders. By letter dated March 8, 2004, Directors Cymbor, Garelick, Poesl and Tagliareni stated that each would decline to stand for re-election to the Board of Directors as nominees of the Board of Directors, claiming that they believed the Board acted arbitrarily regarding its consideration of Board matters relating to strategic alternatives and disagreeing with certain Board actions regarding the classification and composition of the Board. The Company strongly disagrees with the characterizations of Board actions contained in the March 8, 2004 letter and believes that the actions undertaken to date by the Board of Directors have been taken after deliberation and consideration of available information, and are believed to be in the best interests of the Company and its shareholders.

REVOCATION OF PROXIES

Edgar Filing: BCB BANCORP INC - Form PRER14A

Shareholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. Where no instructions are indicated, validly executed WHITE proxies will be voted "FOR" the proposals set forth in this Proxy Statement for consideration at the Annual Meeting.

Proxies may be revoked by sending written notice of revocation to the Secretary of the Company, at the address of the Company shown above, the submission of a later dated proxy or by voting in person at the Annual Meeting. The presence at 5 the Annual Meeting of any shareholder who had returned a proxy

shall not revoke such proxy unless the shareholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

----- VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF -----

Holders of record of the Company Common Stock as of the close of business on _____, 2004 (the "Record Date") are entitled to one vote for each share then held. As of the Record Date, the Company had [2,296,984] shares of Company Common Stock issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of Company Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Directors are elected by a plurality of votes cast. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present.

Persons and groups who beneficially own in excess of five percent of the Company Common Stock are required to file certain reports with the Securities and Exchange Commission ("SEC") regarding such ownership. Other than as set forth below, the Company is not aware of any person or group who beneficially owned in excess of five percent of the Company Common Stock on the Record Date.

----- VOTING PROCEDURES AND METHOD OF COUNTING VOTES -----

As to the election of directors, the proxy card being provided by the Board of Directors enables a stockholder to vote "FOR" the election of the ten nominees proposed by the Board of Directors, or to "WITHHOLD AUTHORITY" to vote for the nominees being proposed. Under New Jersey law and the Company's Certificate of Incorporation and Bylaws, directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which authority to vote for the nominees being proposed is withheld.

As to the ratification of Radics & Co., LLC as independent auditors of the Company and the adjournment of the Annual Meeting, by checking the appropriate box, a stockholder may: (i) vote "FOR" the item; (ii) vote "AGAINST" the item; or (iii) "ABSTAIN" from voting on such item. Under the Company's Certificate of Incorporation and Bylaws, the ratification of these matters shall be determined by a majority of the votes cast, without regard to broker non-votes, or proxies marked "ABSTAIN."

Edgar Filing: BCB BANCORP INC - Form PRER14A

Proxies solicited hereby will be returned to the Company, and will be tabulated by inspectors of election designated by the Board of Directors.

Regardless of the number of shares of common stock owned, it is important that recordholders of a majority of the shares be represented by proxy or present in person at the meeting. Stockholders are requested to vote by completing the enclosed WHITE proxy card and returning it signed and dated in the enclosed postage-paid envelope. Stockholders are urged to indicate their vote in the spaces provided on the proxy card. PROXIES SOLICITED BY THE BOARD OF DIRECTORS OF THE COMPANY WILL BE VOTED IN ACCORDANCE WITH THE DIRECTIONS GIVEN THEREIN. WHERE NO INSTRUCTIONS ARE INDICATED, SIGNED PROXIES WILL BE VOTED "FOR" THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTORS SET FORTH IN THIS PROXY STATEMENT AND "FOR" THE RATIFICATION OF RADICS & CO., LLC AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2004.

SUMMARY OF RECENT EVENTS

The BCB Bancorp, Inc. Board of Directors is comprised of 18 persons. Over the latter half of 2003, the Board of Directors became deeply divided over whether to pursue the sale of the Company or to remain independent and continue implementing the Company's business plan. In connection with the Board's review of strategic alternatives, Mickey McCabe, a member of the Committee and at the time the Chairman of the Board, requested the Company's financial advisor to conduct an analysis of the market for mergers and acquisitions generally and with respect to a specific potential transaction with another financial institution. This was done at the October 2003 meeting of the Board of Directors. As part of the financial advisor's discussion with the Board, a review of the Company's execution of its business plan and forward looking strategy was also undertaken. After review and discussion, a majority of the Board voted not to pursue a sale of the Company or to seek a business combination with the other financial institution, but rather to proceed with its business plan. Subsequently, at the November 12, 2003 and November 18, 2003 Board meeting, directors who are members of the Committee sought to have a third party meet with the Board to discuss the possible acquisition of the Company by the same financial institution that was the subject of the October Board meeting. A majority of the Board concluded that a meeting of this nature was unnecessary in light of the earlier decision not to proceed with a sale of the Company or to engage in any business combination, including a business combination with this specific institution. Notwithstanding the Board vote on November 12, Chairman McCabe called an informal meeting of the Board to hear a presentation by this third party regarding a potential acquisition of the Company. At a special meeting of the Board of Directors held on November 18, 2003, Mickey McCabe resigned as Chairman of the Board and Mark D. Hogan was appointed as Chairman of the Board.

By letter dated December 9, 2003, Virginia Kemp, a member of the Committee, through her attorney, indicated a desire to propose a "sell the bank" proposal

Edgar Filing: BCB BANCORP INC - Form PRER14A

for consideration by shareholders. Since Ms. Kemp is not a member of the Board, there was serious concern among directors that a possible breach of fiduciary duty by certain board members had occurred in that confidential board deliberations were discussed with third parties.

On January 15, 2004, the Company received a written proposal by the President and Chief Executive Officer of a financial institution addressed to the Board of Directors proposing a business combination. This was the same financial institution for which the Company's financial advisor provided a specific merger analysis in October 2003 at the request of Mr. McCabe. The Board of Directors discussed the written proposal at its next regularly scheduled meeting on February 11, 2004, and did not take action on the January 15, 2004 written proposal in light of the Board's prior affirmations to pursue its business plan, and the fact that the proposal by its terms had expired. On February 12, 2004, the President and Chief Executive Officer of the financial institution reaffirmed the proposal and extended the time period for the Company's response, until the Board had an opportunity to review the proposal. In light of the Board's prior decision to remain independent and following a discussion of the February 12, 2004 correspondence at a February 18, 2004 Board meeting, the Chairman of the Board responded in writing to the President and Chief Executive Officer of the other financial institution that the Board of Directors had determined to maintain the Company as an independent entity, and to continue to pursue the Company's business plan.

Given the size of the Board of Directors and the increasingly unwieldy and contentious nature of the Board deliberations a decision was made at the February 11, 2004 meeting of the Board of Directors to establish the size of the Board at 14 directors effective at the annual meeting, rather than 18 directors. The nominees consisted of the ten nominees set forth in these proxy materials plus directors Cymbor, Garelick, Poesl and Tagliareni. At the February 18th meeting of the Board of Directors, each nominated director confirmed their agreement to run as nominees of the Board of Directors. However, by letter dated March 8, 2004, directors Cymbor, Garelick, Poesl and Tagliareni informed the Company that they had decided to decline to stand for election as nominees of the Board of Directors. On March 10, 2004, the Committee filed a Schedule 13D announcing the formation of their group.

Other than discussions with directors who are members of the Committee, and the Committee's request for a shareholders list, there has been no contact with the members of the Committee.

Board Independence

The Board has determined that, except as to Messrs. Coughlin, Collins and Mindiak, each member of the Board is an "independent director" within the meaning of the Nasdaq corporate governance listing standards. Messrs. Coughlin and Mindiak are not considered independent because they are executive officers of the Company. Mr. Collins is not considered independent because he was an executive officer of a company acquired by the Company in January 2003.

Meetings and Committees of the Board of Directors

The Company became the parent holding company of the Bank on May 1, 2003. The Company's Board of Directors meets on a monthly basis and may hold additional special meetings. During the year ended December 31, 2003, our board of directors held six regular meetings and three special meetings, and no director attended fewer than 75% of such meetings. The Company's Committees include an Asset/Liability Management Committee, an Audit Committee, a Loan Committee, an Investment Committee and a Budget Committee. The Company's full board acts as the nominating and compensation committee.

In 2003 the Company's audit committee consisted of Directors Pellegrini, Doria, McCabe, Bielan and Cymbor, all of whom are nonemployee directors. The Audit Committee meets with the internal auditor to review audit programs and the results of audits of specific areas as well as other regulatory compliance issues. Following Mr. Doria's resignation, the Audit Committee designated Director Hogan as the Audit Committee's financial expert pursuant to guidelines specified in the Sarbanes-Oxley Act. Mr. Hogan is a certified public accountant and financial planner.

The Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, which was established in March 2004, consists of directors Ballance, Lyga and Pellegrini. Each member of the Nominating and Corporate Governance Committee is considered "independent" as defined in the Nasdaq corporate governance listing standards. The Company's Board of Directors has adopted a written charter for the Committee, which is attached hereto as Appendix A. The full Board of Directors, acting as a nominating committee, met one time during 2003.

The functions of the Nominating and Corporate Governance Committee include the following:

- o to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for stockholder approval;
- o to review and monitor compliance with the requirements for board independence;
- o to review the committee structure and make recommendations to the Board regarding committee membership;
- o to develop and recommend to the Board for its approval a set of corporate governance guidelines; and
- o to develop and recommend to the Board for its approval a self-evaluation process for the Board and its committees.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for director candidates from all Board members. In addition, the Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating and Corporate Governance Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

- o has the highest personal and professional ethics and integrity and whose values are compatible with the Company's;
- o has had experiences and achievements that have given them the ability

Edgar Filing: BCB BANCORP INC - Form PRER14A

to exercise and develop good business judgment;

- o is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings
- o is familiar with the communities in which the Company operates and/or is actively engaged in community activities;
- o is involved in other activities or interests that do not create a conflict with their responsibilities to the Company and its stockholders; and
- o has the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a group, and not primarily a special interest group or constituency.

9

The Nominating and Corporate Governance Committee will also take into account whether a candidate satisfies the criteria for "independence" under the Rules of the NASD, and if a nominee is sought for service on the audit committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an audit committee financial expert.

Procedures for the Nomination of Directors by Shareholders

The Board has adopted procedures for the submission of director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board, the Nominating and Corporate Governance Committee will consider candidates submitted by the Company's stockholders. Stockholders can submit qualified the names of candidates for Director by writing to our Corporate Secretary, at 104-110 Avenue C, Bayonne, New Jersey 07002. The Chairman of the Board must receive a submission not less than ninety (90) days prior to the date of the Company's proxy materials for the preceding year's annual meeting. If the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than thirty (30) days after the anniversary of the preceding year's annual meeting, the stockholder's suggestion must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made. The submission must include the following information:

- o the name and address of the stockholder as they appear on the Company's books, and number of shares of the Company's common stock that are owned beneficially by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);
- o the name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);
- o a statement of the candidate's business and educational experience;
- o such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;
- o a statement detailing any relationship between the candidate and the Company;

Edgar Filing: BCB BANCORP INC - Form PRER14A

- o a statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company;
- o detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- o a statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

The Company has no procedural or informational requirements for the presentation of a stockholder nomination at the Annual Meeting of Stockholders.

Stockholder Communications with the Board

A stockholder of the Company who wants to communicate with the Board or with any individual Director can write to the President and Chief Executive Officer of the Company, 104-110 Avenue C, Bayonne, New Jersey 07002, Attention: Board Administration. The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, management will:

- o forward the communication to the Director or Directors to whom it is addressed;

10

- o attempt to handle the inquiry directly, for example where it is a request for information about the company or it is a stock-related matter; or
- o not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, management shall present a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the Directors.

Code of Ethics

The Company has adopted a code of ethics that is applicable to the officers, directors and employees of the Company, including the Company's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions.

The Audit Committee

In 2003 the Audit Committee consisted of directors Bielan, Cymbor, Doria, McCabe and Pellegrini. Mr. Doria resigned from the Audit Committee in February 2004 and the Audit Committee was reconstituted in March 2004 to consist of Directors Hogan, Bielan, Brogan and Pellegrini. Each current member of the Audit Committee is considered "independent" as defined in the Nasdaq corporate governance listing standards and under SEC Rule 10A-3. The duties and responsibilities of the Audit Committee include, among other things:

- o retaining, overseeing and evaluating a firm of independent certified public accountants to audit the annual financial statements;

Edgar Filing: BCB BANCORP INC - Form PRER14A

- o in consultation with the independent auditors and the internal auditor, reviewing the integrity of the Company's financial reporting processes, both internal and external;
- o approving the scope of the audit in advance;
- o reviewing the financial statements and the audit report with management and the independent auditors;
- o considering whether the provision by the external auditors of services not related to the annual audit and quarterly reviews is consistent with maintaining the auditor's independence;
- o reviewing earnings and financial releases and quarterly reports filed with the SEC;
- o consulting with the internal audit staff and reviewing management's administration of the system of internal accounting controls;
- o approving all engagements for audit and non-audit services by the independent auditors; and
- o reviewing the adequacy of the audit committee charter.

The Audit Committee met five times during 2003. The Audit Committee reports to the Board on its activities and findings. The Board of Directors believes that Mr. Hogan qualifies as an "audit committee financial expert" as that term is used in the rules and regulations of the SEC.

Audit Committee Report

In accordance with SEC regulations, the Audit Committee has prepared the following report. The Board of Directors has adopted a written charter for the Audit Committee.

As part of its ongoing activities, the Audit Committee has:

11

- o Reviewed and discussed with management the Company's audited consolidated financial statements for the year ended December 31, 2003;
- o Discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended; and
- o Received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent auditors their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such

Acts.

The Audit Committee:
Mark D. Hogan, (Chairman)
Judith Q. Bielan
Joseph J. Brogan
Dr. August D. Pellegrini, Jr.

The Audit Committee has approved a list of procedures for the engagement of outside auditors to perform non-audit tasks. The following services cannot be provided by the auditor: financial information systems design and implementation; internal audit outsourcing; appraisal or valuation services, fairness opinions, and contribution in kind reports; management functions or human resources; bookkeeping; broker or dealer or investment banking services; legal services unrelated to the audit; actuarial services; and services determined by the Audit Committee to be impermissible. All permissible non-audit services must be pre-approved by the Audit Committee. The authority to approve audit and non-audit services may be delegated by the committee to one or more of its members, provided that any delegated approvals must be reported to the full Audit Committee and all approvals of non-audit services will be disclosed in the Company's periodic reports.

The Company's Audit Committee charter is attached hereto as Appendix B.

Director Compensation

During the year ended December 31, 2003, the Company paid no board fees but the Bank's Board of Directors received fees totaling \$214,900. Each non-employee director received \$15,350 in director's fees during 2003. Directors Coughlin, Mindiak and Collins, as members of executive management, do not receive directors' fees.

Section 16(a) Beneficial Ownership Reporting Compliance

The Company's Common Stock is registered pursuant to Section 12(g) of the Exchange Act. Prior to completion of Bayonne Community Bank's holding company formation, executive officers and directors of the Company and beneficial owners of greater than 10% of the Company Common Stock ("10% beneficial owners") filed reports with the FDIC disclosing beneficial ownership and changes in beneficial ownership of Company Common Stock. Upon completion of the holding company formation executive officers, directors and 10% beneficial owners were required to file beneficial ownership reports with the SEC. SEC rules require disclosure in the Company's Proxy Statement and Annual Report on Form 10-K of the failure of an executive officer, director or 10% beneficial owner to file such forms on a timely basis. Directors and executive officers failed to file Forms 4 to report the grant of options in July 2003. Such option grants were included in the Beneficial Ownership forms filed on Form 5 for directors and executive officers of the Bank who became directors or executive officers of the Company. Directors Hughes and Collins, who were not directors of the Bank, failed to file their Forms 3 timely. They have subsequently filed their Forms 3.

Compensation Committee Interlocks and Insider Participation. During the fiscal year ended December 31, 2003, the Compensation Committee, which consisted of Robert Ballance, Joseph Brogan, Phyllis Garelick, Mark D. Hogan, Joseph Lyga and Alexander Pasiechnik, met to review the performance of the executive officers and determine compensation programs and adjustments. Messrs. Mindiak and Coughlin do not participate in the Board of Director's determination of their respective compensation as executive officers.

Report of the Compensation Committee on Executive Compensation. The Compensation Committee evaluates the performance of the Chief Executive Officer and other executive officers, and reviews and approves increases to base compensation as well as the level of bonus, if any, to be awarded. The Compensation Committee also approves any perquisites payable to such officers.

Edgar Filing: BCB BANCORP INC - Form PRER14A

In addition, the Compensation Committee determines the budget for salaries for other executive officers, and reviews the report of the Chief Executive Officer regarding the allocation of compensation of such other officers. In determining whether the base salary of the Chief Executive Officer and other executive officers should be increased, the budget for other executive officers and whether to approve the Chief Executive Officer's allocation of such amounts, the Compensation Committee takes into account individual performance and information regarding compensation paid to executives performing similar duties for financial institutions in the Company's market area. The Compensation Committee uses a peer comparison employing at least two published compensation surveys in determining the salary and benefits of the Chief Executive Officer.

13

While the Compensation Committee does not use strict numerical formulas to determine changes in compensation for the Chief Executive Officer and other executive officers, it weighs a variety of different factors in its deliberations. Factors considered by the Committee in fiscal 2003 included operating performance, general management oversight of the Company, the quality of communication with the Board of Directors, and the productivity of employees. Finally, the Committee considered the standing of the Company with customers and the community, as evidenced by the level of customer/community complaints and compliments. While each of the quantitative and nonquantitative factors described above was considered by the Committee, such factors were not assigned a specific weight in evaluating the performance of each of the Company's executive officers. Rather, all factors were considered, and based upon the effectiveness of such officers in addressing each of the factors, as well as the lack of inflation generally, and the range of compensation paid to officers of peer institutions.

This report has been provided by the Compensation Committee: Robert Ballance, Joseph Brogan, Phyllis Garelick, Mark D. Hogan, Joseph Lyga and Alexander Pasiechnik.

Evaluation of disclosure controls and procedures

The Company has adopted controls and other procedures which are designed to ensure that information required to be disclosed in this Proxy Statement and other reports filed with the SEC is recorded, processed, summarized and reported within time periods specified by the SEC. Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we evaluated the effectiveness of the design and operation of our disclosure controls and procedures as of the end of the fiscal year (the "Evaluation Date"). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that, as of the Evaluation Date, our disclosure controls and procedures were effective in timely alerting them to the material information relating to us (or our consolidated subsidiaries) required to be included in this Proxy Statement.

Related Party Transactions

The Company leases its headquarters from a limited liability company owned by all Directors and executive officers other than Mr. Mindiak. The negotiations with respect to the lease were conducted at arms-length and the Board of Directors of the Company believes that the terms and conditions of the lease are comparable to terms that would have been available from a third party that was unaffiliated with the Company. Payments under the lease currently total \$9,270

Edgar Filing: BCB BANCORP INC - Form PRER14A

per month. The Company paid approximately \$89,900 for printing services provided by a company of which Director Tagliareni is the president. No determination was made as to whether the payments to Director Tagliareni's company were on terms comparable to those available from an unaffiliated third party. John J. Hughes is a principal in the law firm of Hughes and Finnerty, P.C., which performed legal services for the Bank in 2003 and received aggregate fees of \$10,655 therefor. In addition, Mr. Hughes received legal fees totaling \$143,775 paid by borrowers in connection with loan transactions in which Mr. Hughes represented the Bank.

Other than as described in the preceding paragraph, no Directors, executive officers or immediate family members of such individuals have engaged in transactions with the Company involving more than \$60,000 (other than through a loan) during the preceding year. In addition, no Directors, executive officers or immediate family members of such individuals were involved in loans from the Company involving more than \$60,000 which were not made in the ordinary course of business and on substantially the same terms and conditions, including interest rate and collateral, as those of comparable transactions prevailing at the time with other persons, and do not include more than the normal risk of collectability or present other unfavorable features.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to the Company. Sarbanes-Oxley does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's directors and officers are made in conformity with the Federal Reserve Act regulations.

Benefit Plans

2003 Stock Option Plan. During the year ended December 31, 2003, the Company adopted, and the stockholders approved, the 2003 Stock Option Plan. The

14

2003 Stock Option Plan provided for the grant of options to purchase 229,702 shares of common stock, adjusted for the stock dividend. Pursuant to the 2003 Stock Option Plan, options to purchase shares of Common Stock were each granted to each director at an exercise price of \$14.59 per share, the fair market value of the underlying shares on the date of the award (as adjusted for the stock dividend). The term of the options is ten years from the date of grant, and the number of shares subject to awards will be adjusted in the event of any merger, consolidation, reorganization, recapitalization, stock dividend, stock split, combination or exchange of shares or other change in the corporate structure of the Company. The stock options granted vested 20% upon grant and at the annual rate of 20% per year thereafter. To the extent described below, the awards include an equal number of reload options ("Reload Options"), limited stock appreciation rights ("Limited Rights") and dividend equivalent rights ("Dividend Equivalent Rights"). A Limited Right gives the option holder the right, upon a change in control of the Company, to receive the excess of the market value of the shares represented by the Limited Rights on the date exercised over the exercise price. The Limited Rights are subject to the same terms and conditions as the stock options. Payment upon exercise of Limited Rights will be in cash, or in the event of a merger transaction, for shares of the acquiring corporation or its parent, as applicable. Limited Rights have been granted to employees only. The Dividend Equivalent Rights entitle the option holder to receive an amount of cash at the time that certain extraordinary dividends are declared equal to the amount of the extraordinary dividend multiplied by the number of

Edgar Filing: BCB BANCORP INC - Form PRER14A

options that the person holds. For these purposes, an extraordinary dividend is defined as any dividend where the rate of dividend exceeds the Company's weighted average cost of funds on interest-bearing liabilities for the current and preceding three quarters. The Reload Options entitle the option holder, who has delivered shares that he or she owns as payment of the exercise price for option stock, to a new option to acquire additional shares equal in amount to the shares he or she has delivered. Reload Options may also be granted to replace option shares retained by the employer for payment of the option holder's withholding tax. The option price at which additional shares of stock can be purchased by the option holder through the exercise of a Reload Option is equal to the market value of the previously owned stock at the time it was surrendered. The option period during which the Reload Option may be exercised expires at the same time as that of the original option that the holder has exercised.

Set forth below are the option grants to directors and exercise price of such grants during the year ended December 31, 2003.

DIVIDEND POLICY

The Company currently has no intention of paying cash dividends in the foreseeable future, and may not be permitted to do so by state and Federal regulations and regulatory policy. Payment of cash dividends is conditioned on earnings, financial condition, cash needs, the discretion of the Board of Directors and compliance with state corporate law requirements. Under New Jersey law, the Company is not permitted to declare dividends on common stock only if, after payment of the dividend, the Company is unable to pay its debts as they become due in the usual course of business or total assts would be less than total liabilities.

PROPOSAL II - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Company's independent auditors for the year ended December 31, 2003 were Radics & Co., LLC ("Radics"). The Audit Committee of the Board of Directors has approved the engagement of Radics to be the Company's auditors for the year ending December 31, 2004, subject to the ratification of the engagement by the Company's stockholders at this Annual Meeting. Representatives of Radics are expected to attend the Annual Meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions. Stockholder ratification of the selection of Radics is not required

18

by the Company's bylaws or otherwise. However, the Board is submitting the selection of the independent auditors to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection of Radics, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its stockholders.

Fees Paid to Radics

Set forth below is certain information concerning aggregate fees billed for professional services rendered by Radics during 2003 and 2002:

Audit Fees. The aggregate fees billed to the Company by Radics for professional services rendered by Radics for the audit of the Company's annual financial statements, review of the financial statements included in the Company's Quarterly Reports on Form 10-Q and services that are normally provided by Radics in connection with statutory and regulatory filings and engagements was \$28,750 and \$16,700 during the fiscal years ended December 31, 2003 and 2002, respectively.

Audit Related Fees. The aggregate fees billed to the Company by Radics for assurance and related services rendered by Radics that are reasonably related to

Edgar Filing: BCB BANCORP INC - Form PRER14A

the performance of the audit of and review of the financial statements and that are not already reported in "--Audit Fees," above, was \$600 and \$1,450 during the fiscal years ended December 31, 2003 and 2002, respectively. These services included a review of the Bank's Form 10-KSB filing for the year ended December 31, 2002 and review of information related to the common stock offering by the Bank in 2002.

Tax Fees. The aggregate fees billed to the Company by Radics for professional services rendered by Radics for tax compliance, tax advice and tax planning was \$3,000 and \$2,500 during the fiscal years ended December 31, 2003 and 2002, respectively. These services include but are not limited to the calculation of and preparation of all pertinent federal and state tax forms relative to the Company and its subsidiaries, and the maintenance of all applicable schedules and workpapers relative to same.

All Other Fees. There were no fees billed to the Company by Radics that are not described above during the fiscal years ended December 31, 2003 and 2002, respectively.

The Audit Committee has considered whether the provision of non-audit services, which relate primarily to costs incurred with the Company's second-step stock offering and management consulting services rendered, is compatible with maintaining Radics' independence. The Audit Committee concluded that performing such services does not affect Radics' independence in performing its function as auditor of the Company.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. All of the fees paid in the audit-related, tax and all other categories were approved per the pre-approval policies.

Required Vote and Recommendation of the Board of Directors

In order to ratify the selection of Radics as independent auditors for the 2004 fiscal year, the proposal must receive the affirmative vote of at least a majority of the votes cast at the Annual Meeting, either in person or by proxy.
