QUESTIONS AND ANSWERS

Voting and Proxies

The following questions and answers provide guidance on how to vote your shares.

Who can vote?

Shareholders who are registered as at the close of business on March 9, 2009 (the “record date”), will be entitled to vote at the Meeting or at any adjournment or postponement thereof, either in person or by proxy.

As of the close of business on February 27, 2009, the Company had outstanding 468,280,344 common shares without par value. Subject to the voting restrictions described below, each common share carries the right to one vote.

What will I be voting on?

Shareholders will be voting (i) to elect directors of the Company, and (ii) to appoint KPMG LLP as auditors of the Company. Our board of directors and our management are recommending that shareholders vote FOR items (i) and (ii).

How will these matters be decided at the Meeting?

A simple majority of the votes cast, in person or by proxy, will constitute approval of these matters.

Who is soliciting my proxy?

Management of the Company is soliciting your proxy. The solicitation is being made primarily by mail, but our directors, officers or employees may also solicit proxies at a nominal cost to the Company. The Company has retained the services of Kingsdale Shareholder Services Inc. for the solicitation of proxies in Canada and the United States, at an aggregate cost estimated to be CAD\$30,000 plus additional costs relating to out-of-pocket expenses.

Who can I call with questions?

If you have questions about the information contained in this Information Circular or require assistance in completing your form of proxy, please call Kingsdale Shareholder Services Inc., the Company’s proxy solicitation agent, toll-free at 1-866-851-3217.

How can I contact the transfer agent?

You can contact the transfer agent either by mail at Computershare Trust Company of Canada, 100 University Ave, 9th Floor, North Tower, Toronto, Ontario M5J 2Y1, by telephone at 1-800-564-6253, by fax at 1-888-453-0330 or by email at service@computershare.com.

How do I vote?

If you are eligible to vote and your common shares are registered in your name, you can vote your common shares in person at the Meeting or by proxy, as explained below. If your common shares are held in the name of a nominee, please see the instructions below under “How do I vote if I am a non-registered shareholder?”.

What are the voting restrictions?

Our articles of incorporation, as amended, provide that no person, together with his or her associates, shall hold, beneficially own or control, directly or indirectly, voting shares to which are attached more than 15% in the aggregate of the votes attached to all our voting shares that may ordinarily be cast to elect directors of the Company. In addition, where the total number of voting shares held, beneficially owned or controlled, directly or indirectly, by any one person together with his or her associates exceeds such 15% maximum, no person shall, in person or by proxy, exercise the voting rights attached to the voting shares held, beneficially owned or controlled, directly or indirectly, by such person or his or her associates.

How do I vote if I am a registered shareholder?

1. VOTING BY PROXY

You are a registered shareholder if your name appears on your share certificate. If this is the case, you may appoint someone else to vote for you as your proxy holder by using the enclosed form of proxy. The persons currently named as proxies in such form of proxy are the Board chair and the President and Chief Executive Officer of the Company.

However, you have the right to appoint any other person or company (who need not be a shareholder) to attend and act on your behalf at the Meeting. That right may be exercised by writing the name of such person or company in the blank space provided in the form of proxy or by completing another proper form of proxy. Make sure that the person you appoint is aware that he or she is appointed and attends the Meeting.

- How can I send my form of proxy?

You can either return a duly completed and executed form of proxy to the transfer agent and registrar for the Company's common shares, Computershare Trust Company of Canada, in the envelope provided, or you can vote over the Internet by following the instructions on the form of proxy.

- What is the deadline for receiving the form of proxy?
The deadline for receiving duly completed forms of proxy or a vote over the Internet is 5:00 p.m. (Eastern time) on April 20, 2009, or if the Meeting is adjourned or postponed, by no later than 5:00 p.m. (Eastern time) on the business day prior to the day fixed for the adjourned or postponed meeting.
- How will my common shares be voted if I give my proxy?
Your common shares will be voted or withheld from voting in accordance with your instructions indicated on the proxy. If no instructions are indicated, your common shares represented by proxies in favour of the Board chair or the President and Chief Executive Officer will be voted FOR the election of management's nominees as directors and FOR the appointment of KPMG LLP as auditors and at the discretion of the proxy holder in respect of amendments to any of the foregoing matters or on such other business as may properly be brought before the Meeting. Should any nominee named herein for election as a director become unable to accept nomination for election, it is intended that the person acting under proxy in favour of management will vote for the election in his or her stead for such other person as management of the Company may recommend. Management has no reason to believe that any of the nominees for election as directors will be unable to serve if elected to office and management is not aware of any amendment or other business likely to be brought before the Meeting.
- If I change my mind, how can I revoke my proxy?
You may revoke your proxy at any time by an instrument in writing (which includes another form of proxy with a later date) executed by you, or by your attorney (duly authorized in writing), and (i) deposited with the Corporate Secretary of the Company at the registered office of the Company (935 de La Gauchetière Street West, Montréal, Québec, Canada, H3B 2M9) at any time up to and including 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment or postponement thereof, or (ii) filed with the chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof, or in any other manner permitted by law or in the case of a vote over the Internet, by way of a subsequent Internet vote.

2. VOTING IN PERSON

If you wish to vote in person, you may present yourself to a representative of Computershare Trust Company of Canada at the registration table. Your vote will be taken and counted at the Meeting. If you wish to vote in person at the Meeting, do not complete or return the form of proxy.

How do I vote if I am a non-registered shareholder?

If your common shares are not registered in your name and are held in the name of a nominee such as a trustee, financial institution or securities broker, you are a "non-registered shareholder". If your common shares are listed in an account statement provided to you by your broker, those common shares will, in all likelihood, not be registered in your name. Such common shares will more likely be registered under the name of your broker or an agent of that broker. Without specific instructions, Canadian brokers and their agents or nominees are prohibited from voting shares for the broker's client. If you are a non-registered shareholder, there are two ways, listed below, that you can vote your common shares:

1. GIVING YOUR VOTING INSTRUCTIONS

Applicable securities laws require your nominee to seek voting instructions from you in advance of the Meeting. Accordingly, you will receive or have already received from your nominee a request for voting instructions for the number of common shares you hold. Every nominee has its own mailing procedures and provides its own signature and return instructions, which should be carefully followed by non-registered shareholders to ensure that their common shares are voted at the Meeting.

2. VOTING IN PERSON

However, if you wish to vote in person at the Meeting, insert your own name in the space provided on the request for voting instructions provided by your nominee to appoint yourself as proxy holder and follow the signature and return instructions of your nominee. Non-registered shareholders who appoint themselves as proxy holders should present themselves at the Meeting to a representative of Computershare Trust Company of Canada. Do not otherwise complete the request for voting instructions sent to you as you will be voting at the Meeting.

How do I vote if I am an employee shareholder?

Common shares purchased by employees of the Company under its Canadian and U.S. Employee Share Investment Plans and its Union and Management Savings Plans for U.S. Operations (the “Plans”), are known as “Employee Shares”. Employee Shares remain registered in the name of the Plans’ custodian (the “custodian”), unless the employees have withdrawn their common shares from the Plans in accordance with their provisions.

Voting rights attached to the Employee Shares that are registered in the name of the custodian can be exercised by employees, or their attorneys authorized in writing, by indicating on the enclosed voting instruction form the necessary directions to the custodian or any other person or company (who need not be a shareholder) as to how they wish their Employee Shares to be voted at the Meeting. Beneficial owners of Employee Shares may also give such voting instructions by telephone or over the Internet. The Employee Shares will be voted pursuant to the directions of the beneficial owner. If no choice is specified for an item, the Employee Shares will be voted in accordance with management’s recommendations mentioned above and at the discretion of the custodian or such other person indicated, in respect of amendments to the items mentioned on the enclosed voting instruction form or on such other business as may properly be brought before the Meeting. Only Employee Shares in respect of which a voting instruction form has been signed and returned (or in respect of which the employee has given voting instructions by telephone or over the Internet) will be voted.

A holder of Employee Shares may revoke his or her directions, as indicated on a voting instruction form, at any time by an instrument in writing executed by the holder of Employee Shares, or by the holder’s attorney duly authorized in writing, provided such written instrument indicating the holder’s intention to revoke is (i) deposited with the Corporate Secretary of CN at the registered office of CN at any time up to and including 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment or postponement thereof, or (ii) filed with the chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof, or in any other manner permitted by law, or in the case of directions given by telephone or over the Internet, by way of subsequent telephone or Internet directions.

The voting instruction form must be used only with respect to Employee Shares. In the event that an employee holds common shares outside the Plans, he or she must also complete the enclosed form of proxy with respect to such additional common shares. No form of proxy is to be completed with respect to Employee Shares.

BUSINESS OF THE MEETING

Financial Statements

Our consolidated financial statements for the year ended December 31, 2008, together with the auditors' reports thereon, are included in the 2008 Annual Report of the Company, available on our website at www.cn.ca, on SEDAR at www.sedar.com, on EDGAR at www.sec.gov and in print, free of charge, to any shareholder who requests copies by contacting our Corporate Secretary.

Election of Directors

Our articles of incorporation, as amended, provide that our board of directors shall consist of a minimum of seven and a maximum of 21 directors (hereinafter the "Board" or "Board of Directors"). Pursuant to a resolution of the Board of Directors, 11 persons are to be elected as directors for the current year, each to hold office until the next annual meeting of shareholders or until such person's successor is elected or appointed.

The term of office of each of the present directors expires at the close of the Meeting. The persons named in the section entitled "Nominees for Election to the Board – Description of Nominees" will be presented for election at the Meeting as management's nominees. Unless authority is withheld, the persons designated in the accompanying form of proxy or voting instruction form intend to vote FOR the election of these nominees. The persons nominated are, in the opinion of the Board of Directors and management, well qualified to act as directors of the Company for the ensuing year. The Board of Directors and management do not contemplate that any of these nominees will be unable to serve as a director, but should that occur for any reason before the Meeting, the persons designated in the accompanying form of proxy or voting instruction form reserve the right to vote for another nominee at their discretion unless the shareholder who has given such proxy or voting instruction form has directed that the common shares be withheld from voting on the election of any of the directors.

Appointment of Auditors

The Board of Directors and the Audit Committee recommend that KPMG LLP be appointed to serve as our auditors until the next annual meeting of shareholders. Unless authority is withheld, the persons designated in the accompanying form of proxy or voting instruction form intend to vote FOR the appointment of KPMG LLP as auditors of the Company to hold office until the next annual meeting of shareholders.

Board of Directors Compensation

The directors of the Company play a central role in enhancing shareholder value. As indicated under "Nominees for Election to the Board – Board of Directors Compensation – Share Ownership" on page 14, the directors have a substantial investment in the Company. In addition, approximately 75% of the total annual remuneration of the non-executive directors for 2008 was in the form of common shares or Directors Restricted Share Units ("DRSUs"). Subject to the Minimum Shareholding Requirement as defined on page 14 of the Information Circular, directors may elect to receive all or part of their director, committee member, Board chair and committee chair cash retainers either in cash, common shares of the Company purchased on the open market or DRSUs. They may also elect to receive their

common share retainers in DRSUs. Each DRSU entitles the beneficiary thereof to receive upon resignation, retirement or death, one common share of the Company purchased on the open market, plus additional DRSUs reflecting dividend equivalents.

The directors' compensation program is designed to attract and retain the most qualified people to serve on CN's Board and committees and takes into account the risks and responsibilities of being an effective director. To reflect the Company's extensive operations in the United States, four of the non-executive director nominees are from the United States and the compensation of the non-executive directors of the Company tends to be comparable to that of large U.S.-based companies.

In consideration for serving on the Board of Directors in 2008, it was determined that each director be compensated as indicated in the table below:

TYPE OF FEE	AMOUNT AND NUMBER OF SHARES
Board Chair Retainer(1)	US\$120,000(2) and 12,000 Shares(2)
Director Retainer(3)	US\$15,000(2) and 4,500 Shares(2)
Committee Chair Retainer(4)	US\$15,000(2)
Committee Member Retainer	US\$3,500(2)
Board Meeting Attendance Fee	US\$1,500
Committee Meeting Attendance Fee	US\$1,500
Travel Attendance Fee	US\$1,500

- (1) The Board chair receives no additional Director Retainer nor Committee Chair or Committee Member Retainer.
- (2) The directors may choose to receive all or part of their cash retainer in common shares or DRSUs and their common share retainer can also be received in DRSUs. The common shares are purchased on the open market.
- (3) Mr. Harrison does not receive any compensation to serve as director because he is an officer of the Company.
- (4) The committee chairs (other than the Board chair) also receive, as members of a committee, a retainer of US\$3,500.

The table below reflects in detail the compensation earned by non-employee directors in the 12-month period ended December 31, 2008.

- (1) Shows information regarding options held by non-executive directors under the Management Long-Term Incentive Plan as of December 31, 2008. As of the date hereof, all these options are exercisable. On March 8, 2005, the Management Long-Term Incentive Plan was amended to provide that option grants under the Plan could no longer be made to non-executive directors. While they remain participants in the Plan for previous grants, the last time non-executive directors received options was in 2002. Mr. Baillie, Mr. Bolton and Mr. Lee were not members of the Board when options were granted under the Management Long-Term Incentive Plan.
- (2) The value of unexercised in-the-money options at financial year-end is the difference between the average closing price of the common shares on December 31, 2008 on the New York and Toronto stock exchanges (CAD\$44.78) and the exercise price, using the December 31, 2008 closing exchange rate (1.2180).
- (3) Shows information regarding Directors Restricted Share Units held by non-executive directors as of December 31, 2008. The directors may choose to receive all or part of their cash retainer in common shares or DRSUs and their common share retainer can also be received in DRSUs. Pursuant to the terms of the Directors Restricted Share Units, directors or their estates can only access their DRSUs upon retirement, resignation or death.
- (4) The value of outstanding DRSUs is based on the average closing price of the common shares on December 31, 2008 on the New York and Toronto stock exchanges (CAD\$44.78), using the December 31, 2008 closing exchange rate (1.2180).

Share Ownership

The Board has adopted a guideline stating that each non-executive director should own, within three (3) years of joining the Board, common shares, DRSUs or similar share equivalents of CN, if any, with a value of at least the higher of: (i) CAD\$250,000, or (ii) three (3) times the aggregate of the annual Director retainer in cash and the annual common share or DRSU grant (and for the Board chair, the aggregate of the Board Chair annual retainer in cash and the annual common share or DRSU grant) (the "Minimum Shareholding Requirement"). Each director shall continue to hold such value throughout his or her tenure as a director and the common shares, DRSUs or similar share equivalent of CN held to comply with the Minimum Shareholding Requirement shall not be the object of specific monetization procedures or other hedging procedures to reduce the exposure related to his or her holding.

Each director is required to receive at least fifty percent (50%) of his or her annual Director, committee, Board chair and committee chair cash retainers in common shares or DRSUs of CN and may elect to receive up to one hundred percent (100%) of such retainers in common shares or DRSUs of CN until his or her Minimum Shareholding Requirement is met. Once the Minimum Shareholding Requirement is met, directors may elect to receive up to one hundred percent (100%) of such retainers in common shares or DRSUs of CN. As of the date hereof, the average value of common shares (including DRSUs) of the Company owned by non-executive directors is approximately CAD\$3,284,836 (based on the February 27, 2009, average closing price of the common shares of the Company on the Toronto and New York stock exchanges of CAD\$41.00).

The following table provides information on the value of common shares and DRSUs owned by the Company's current directors, the value at risk as a multiple of each director's annual retainer and the amount needed to meet the Minimum Shareholding Requirement.

Our Corporate Governance Manual forms part of the documentation given to all persons elected or appointed to the Board of Directors.

As a Canadian reporting issuer with securities listed on the Toronto Stock Exchange (“TSX”) and the New York Stock Exchange (“NYSE”), our corporate governance practices comply with applicable rules adopted by the Canadian Securities Administrators (the “CSA”) and applicable provisions of the U.S. Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”) and related rules of the U.S. Securities and Exchange Commission (“SEC”). We are exempted from complying with many of the NYSE corporate governance rules, provided that we comply with Canadian governance requirements. Except as summarized on our website at www.cn.ca/governance, our governance practices, however, comply with the NYSE corporate governance rules in all significant respects.

The CSA adopted, in June 2005, National Instrument 58-101 - Disclosure of Corporate Governance Practices (the “Disclosure Instrument”) and National Policy 58-201 – Corporate Governance Guidelines (the “Governance Policy”). The Governance Policy provides guidance on governance practices to Canadian issuers, while the Disclosure Instrument requires issuers to make the prescribed disclosure regarding their own governance practices. The Company believes that its corporate governance practices meet and exceed the requirements of the Disclosure Instrument and the Governance Policy. The text and footnotes set forth hereunder refer to the items of the Disclosure Instrument as well as to the guidelines of the Governance Policy, where applicable. The Company also refers, where appropriate, to the NYSE Corporate Governance Standards (the “NYSE Standards”).

The Board of Directors is of the opinion that the Company’s corporate governance practices are well designed to assist the Company in achieving its principal corporate objective, which is the enhancement of shareholder value. The mandate of the Board is set out in Schedule “A” to this Information Circular.(1) The Board of Directors has approved the disclosure of the Company’s governance practices described below, on the recommendation of the Corporate Governance and Nominating Committee.

Code of Business Conduct(2)

This year, the Board of Directors has reviewed and updated its Code of Business Conduct to ensure that it is consistent with current industry trends and standards; clearly communicates CN’s organizational mission, values, and principles; and most importantly, serves as a ready reference guide for any employees to support everyday decision making. The Code is applicable to directors, officers and employees of CN. It addresses several matters, including conflict of interests, protection and proper use of corporate assets and opportunities, confidentiality of corporate information, fair dealing, compliance with laws and reporting of any illegal or unethical behaviour. No waiver has ever been granted to a director or executive officer in connection therewith. The Code is available on our website at www.cn.ca/governance and in print to any shareholder who requests copies by contacting our Corporate Secretary. The Code has also been filed with the Canadian and U.S. securities regulatory authorities.

THE CODE
OF
BUSINESS

CONDUCT
WAS
REVIEWED
AND
UPDATED
IN 2008.

The Board, through its Corporate Governance and Nominating Committee, reviews, monitors and oversees the disclosure relating to the Company's Code of Business Conduct. Each year, management reports to such committee on the implementation of the Code within the organization and on any material contravention by employees of the Company to the provisions of the Code. No material change report has ever been filed or required to be filed pertaining to any conduct of a director or executive officer constituting a departure from the Code.

The Board requests every director to disclose any direct or indirect interest he or she has in any organization, business or association, which could place the director in a conflict of interest. Every year, a questionnaire is sent to each director to make sure that the director is in no such conflict that has not been disclosed. Should there be a discussion or decision relating to an organization, business or association in which a director has an interest, the Board would request such director not to participate or vote in any such discussion or decision.

(2) Form 58-101F1, section 5; Governance Policy, sections 3.8 and 3.9.

The Company believes that ethical business conduct is an important part of its success. Hence, the mandate of the Board attached as Schedule “A” to this Information Circular states that the Board has the responsibility for overseeing management in the competent and ethical operation of the Company. As part of the Company’s Code of Business Conduct, the employees are also required to avoid outside interests that may impair or appear to impair the effective performance of their responsibilities to the Company and be fair and impartial in all dealings with customers, suppliers and partners. A key person in the implementation of the Company’s Code of Business Conduct is CN’s Ombudsman, who presents reports to the Corporate Governance and Nominating Committee. The office of the Ombudsman offers a confidential, neutral and informal avenue which facilitates fair and equitable resolutions to concerns arising within the Company.

The Board of Directors also adopted procedures allowing interested parties (i) to submit accounting and auditing complaints or concerns to us and (ii) to communicate directly with the Chairman, who presides over all non-management director sessions. These procedures are described on our website at www.cn.ca/governance. The Code of Business Conduct provides that concerns of employees regarding any potential or real wrongdoing in terms of accounting or auditing matters may be submitted confidentially through CN’s Hot Line.

Independence of Directors(1)

To better align the interests of the Board of Directors with those of our shareholders, the substantial majority of the nominees for election to the Board of Directors are independent. In determining whether a director is an independent director, the Board of Directors applies the standards developed by the Canadian securities regulatory authorities and the NYSE and the additional standards adopted by the Board. These standards are set out in CN’s Corporate Governance Manual which is available on our website at www.cn.ca/governance.

Independent Chairman of the Board(2)

The Company’s Board is led by a non-executive Chairman since its privatisation in 1995 and we believe that the separation of the positions of CEO and Chairman contributes to allowing the Board to function independently of management. Hence, our Corporate Governance Manual provides that the Board chair must be an independent director who is designated by the Board. Mr. David G.A. McLean, who has been a director of the Company since 1994, is the independent Board chair. The Corporate Governance Manual describes the responsibilities of the Chairman. The key role of the Board chair is to take all reasonable measures to ensure that the Board (i) has structures and procedures in place to enable it to function independently of management, (ii) carries out its responsibilities effectively and (iii) clearly understands and respects the boundaries between the responsibilities of the Board and those of management.

Position Descriptions(3)

Our Corporate Governance Manual includes position descriptions for the Board chair and the Board committee chairs, as well as a position description for the President and Chief Executive Officer of the Company.

Election of Directors

The Board of Directors has adopted a policy, which is part of our Corporate Governance Manual, to the effect that a nominee for election as a director of the Company who receives a greater number of votes “withheld” than votes “for”, with respect to the election of directors by shareholders, will be expected to offer to tender his or her resignation to the Chairman promptly following the meeting of shareholders at which the director is elected. The Corporate Governance and Nominating Committee will consider such offer and make a recommendation to the Board of Directors whether to accept it or not. The Board of Directors will make its decision and announce it in a press release within 90 days following the meeting of shareholders. The director who offered to tender his or her resignation should not be part of any committee or Board of Directors deliberations pertaining to the resignation offer. This policy only applies in circumstances involving an uncontested election of directors. An “uncontested election of directors” means that the number of director nominees is the same as the number of directors to be elected to the Board and that no proxy material is circulated in support of one or more nominees who are not part of the candidates supported by the Board of Directors.

Committees of the Board(1)

Given our size, the nature and geographical scope of our activities and the great number of laws and regulations to which we are subject, the Board of Directors has subdivided its supervision mandate into six areas and has established committees that have certain responsibilities for such areas. These committees are the Audit Committee, the Finance Committee, the Corporate Governance and Nominating Committee, the Human Resources and Compensation Committee, the Environment, Safety and Security Committee and the Strategic Planning Committee and their charters are available as part of CN’s Corporate Governance Manual. The Board of Directors also established the Investment Committee of CN’s Pension Trust Funds which is a mixed committee composed of members of the Board of Directors as well as officers of the Company. All committees report to the Board of Directors and, subject to certain limited exceptions, there are no standing delegations of the Board of Directors’ decision-making authority to committees.

The following is a brief summary of the mandate of each committee of the Board of Directors.

Audit Committee

The Audit Committee has the responsibility of overseeing the Company’s financial reporting, monitoring risk management, internal controls and internal and external auditors. The mandate of the Audit Committee and its 2008 main activities are further described in the section entitled “Statement of Corporate Governance Practices – Audit Committee Disclosure” at page 25 of this Information Circular.

Finance Committee

The Finance Committee has the responsibility of overseeing the Company’s financial policies, reviewing financings and authorizing, approving and recommending certain financial activities. As part of these responsibilities, the Finance Committee provides oversight with respect to our capital structure, cash flows and key financial ratios, reviews the opportunities and parameters for debt or equity financing, reviews financing documents and, within the scope of its authority levels established by the Board, may authorize the borrowing of money, the issuing of debt securities or the engaging in other forms of financing, or makes recommendations to the Board thereon. This

Committee was created in April 2005 as a result of the division of the former Audit, Finance and Risk Committee into two separate Committees. The responsibilities, powers and operation of the Finance Committee are further described in the charter of such committee which is included in our Corporate Governance Manual.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee has the responsibility of monitoring the composition of the Board of Directors and its committees and overseeing corporate governance matters. As part of its responsibilities, the Corporate Governance and Nominating Committee develops, reviews and monitors criteria for selecting directors, including required or desired competencies and skills to improve the Board of Directors and, in consultation with the Board chair, identifies candidates qualified to become Board members.(2) This Committee reviews the corporate governance guidelines applicable to the Company, recommends any change that should be made thereto and monitors the disclosure of its practices. The responsibilities, powers and operation of the Corporate Governance and Nominating Committee are further described in the charter of such committee which is included in our Corporate Governance Manual.(3)

The charter of the Corporate Governance and Nominating Committee provides that such committee must be composed solely of independent directors. As at March 3, 2009, all members of the Corporate Governance and Nominating Committee are independent.(4)

(1) Form 58-101F1, section 8.

(2) Governance Policy, section 3.13.

(3) Form 58-101F1, section 6(c); Governance Policy, section 3.11.

(4) Form 58-101F1, section 6(b); Governance Policy, section 3.10. The NYSE Standards state that a board should appoint a nominating committee composed entirely of independent directors and that such committee should have a written charter. The Board has adopted a written mandate for the Corporate Governance and Nominating Committee pursuant to which such committee must be composed solely of independent directors.

The Corporate Governance and Nominating Committee annually reviews with the Board chair and makes recommendations to the Board on the adequacy and form of compensation for non-executive directors. See the section entitled “Nominees for Election to the Board – Board of Directors Compensation” of this Information Circular for additional information on compensation received by directors in 2008.(1)

Human Resources and Compensation Committee

The Human Resources and Compensation Committee has the responsibility of monitoring executive management’s performance assessment and succession planning. This Committee also has the mandate to review human resources practices by ensuring, amongst other things, that appropriate human resources systems are in place so that the Company can attract, motivate and retain the quality of personnel required to meet its business objectives. The mandate of the Human Resources and Compensation Committee and its 2008 main activities are further described in the section entitled “Statement of Executive Compensation – Human Resources and Compensation Committee” at page 29 of this Information Circular and in the charter of such committee which is included in our Corporate Governance Manual. The Human Resources and Compensation Committee must be composed solely of independent directors. As at March 3, 2009, all members of the Human Resources and Compensation Committee are independent.(2)

Reference is also made to the subsection entitled “Statement of Executive Compensation – Human Resources and Compensation Committee - Executive Compensation Consultants” at page 30 of this Information Circular for disclosure in respect of executive compensation consultants.(3)

Environment, Safety and Security Committee

The Environment, Safety and Security Committee has the responsibility, amongst other things, of overseeing the development and implementation of environmental, safety and security policies, assessing environmental, safety and security practices, and reviewing the Company’s business plan to ascertain whether environmental, safety and security issues are adequately taken into consideration. The responsibilities, powers and operation of the Environment, Safety and Security Committee are further described in the charter of such committee which is included in our Corporate Governance Manual.

Strategic Planning Committee

The Strategic Planning Committee focuses on financial and strategic issues, including the review of the key assumptions underlying the Company’s business plan. It also reviews, with the President and Chief Executive Officer and other appropriate executive officers, the Company’s business plan and capital budget prior to their formal approval by the Board of Directors. The responsibilities, powers and operation of the Strategic Planning Committee are further described in the charter of such committee which is included in our Corporate Governance Manual.

Investment Committee of CN’s Pension Trust Funds

The Investment Committee of CN’s Pension Trust Funds, which is a mixed committee composed of directors and officers, has the responsibility, amongst other things, of reviewing the activities of the Investment Division, advising the Investment Division on investment of assets of CN’s Pension Trust Funds and approving certain of the investments made by CN’s Pension Trust Funds. The responsibilities, powers and operation of the Investment Committee of CN’s Pension Trust Funds are further described in the charter of such committee which is included in our Corporate Governance Manual.

Board and Committee Meetings

Process

The Board chair, in collaboration with the Corporate Secretary, has the responsibility of establishing a schedule for the meetings of the Board of Directors and its committees. During such process, the Corporate Secretary, in collaboration with the committee chairs and the appropriate executive officers, establishes committee working plans for the year.

We believe that proceeding in this manner helps in the preparation of in-depth presentations conducive to meaningful information sessions and discussions while allowing management to plan ahead. If during the course of the year events or circumstances require Board or committee action or consideration, additional meetings are called. The total number of meetings and the attendance record for each director for all board and committee meetings held during the course of 2008 are set out in the section entitled “Nominees for Election to the Board – Board and Committee Attendance” of this Information Circular.(4)

The NYSE Standards state that the CEO’s compensation should be determined by the corporation’s compensation committee or by all independent directors of the corporation. Our Corporate Governance Manual provides that the CEO’s compensation is determined by the Company’s independent directors only. The NYSE Standards state that a board should appoint a compensation committee composed entirely of independent directors and that such committee should have a written charter. The Board has adopted a written mandate for the Human Resources and Compensation Committee pursuant to which such committee must be composed solely of independent directors.

Communication regularly takes place between the Board chair and the President and Chief Executive Officer and, through the Office of the Corporate Secretary, between executive officers having responsibilities for matters placed under the supervision of particular committees and the chairs of such committees. This open communication ensures that all meaningful information concerning the affairs and progress of the Company are transmitted to those members of the Board of Directors or committees having special supervisory responsibilities.

In Camera Meetings

The non-management Board members meet before or after every in-person meeting of the Board of Directors in in camera sessions, without the presence of management and under the chairmanship of the Board chair. An in camera session including only independent directors is also held at least once a year. During the financial year ended December 31, 2008, there was one session that was attended only by independent directors.(1)

Board Performance Assessment(2)

The Board of Directors has implemented, and reviews, from time to time, a process to annually assess its effectiveness, the effectiveness of its committees, the Board chair, the committee chairs and individual directors. This process is under the supervision of the Corporate Governance and Nominating Committee and the Board chair and is comprised of the following steps:

The following questionnaires are prepared by the Office of the Corporate Secretary and approved by the Corporate Governance and Nominating Committee and the Board chair, taking into account current issues, the findings of previous years and input from the Board of Directors:

- Board and committee performance evaluation questionnaires, including a self-assessment by individual directors;
- a Board chair evaluation questionnaire; and
- committee chair evaluation questionnaires.

Each questionnaire is then sent to every director and a complete set of the responses is forwarded to the Board chair, except for the responses to the Board chair and Corporate Governance and Nominating Committee chair evaluation questionnaires, which are forwarded directly to each of the chairs of the Audit Committee and the Human Resources and Compensation Committee.

Following receipt of the completed questionnaires, the Board chair contacts every director to discuss the answers received from and in respect of such director and any comments to the questionnaires which the director may have and to review the self-evaluation of each director. One of the Audit Committee or Human Resources and Compensation Committee chairs also discusses individually with each director his or her responses and comments on the Board chair and Corporate Governance and Nominating Committee chair evaluation questionnaires.

Reports are then made by the Board chair and the Audit Committee and Human Resources and Compensation Committee chairs to the Board of Directors, with suggestions to improve the effectiveness of the Board of Directors, Board committees, Board and committee chairs and separately to individual directors in respect of their personal performance.

The Board chair and committee chairs take into consideration the overall results and suggestions derived from the annual Board performance assessment in order to improve the functioning and activities of the Board and Board committees.

THE BOARD
ASSESSMENT
PROCESS IS
CONDUCTED
ANNUALLY AND
IS COMPRISED OF
VARIOUS
ASSESSMENT
TOOLS.

Independent Advisor

In addition to the above-mentioned process, the Board may, from time to time, hire an independent advisor to assess or assist the Board of Directors in independently assessing the performance of the Board of Directors, Board committees, Board and committee chairs and individual directors.

Peer Assessment

At the end of 2007, the Corporate Governance and Nominating Committee and the Board carried out an individual director peer assessment with the assistance of an independent advisor, as it was done in 2004. In 2008, no such assessment was deemed necessary given the fact that one was carried out in 2007 and that there had been no change in the composition of the Board. However, the Corporate Governance and Nominating Committee will reconsider on an annual basis the appropriateness of conducting another peer assessment. In 2007, the process involved peer assessment questionnaires which were completed by each director and forwarded directly and confidentially to the advisor. Responses were then consolidated in an individual director report and distributed by the advisor directly to each director, as well as to the Board chair, and a report was made by the Board chair to the Board of Directors.

The Board performance assessment process is further described in CN's Corporate Governance Manual which is available on our website at www.cn.ca/governance.

Director Selection(3)

Review of Credentials

In consultation with the Board chair, the Corporate Governance and Nominating Committee annually reviews the credentials of nominees for election or re-election as members of the Board of Directors. It considers their qualifications under applicable law,

-
- (1) Form 58-101F1, section 1(e); Governance Policy, section 3.3.
 - (2) Form 58-101F1, section 9; Governance Policy, section 3.18.
 - (3) Form 58-101F1, section 6(a); Governance Policy, sections 3.12, 3.13 and 3.14.

the validity of the credentials underlying each nomination, and, for nominees who are already directors of the Company, an evaluation of their effectiveness and performance as members of the Board of Directors, including their attendance at Board and committee meetings.

Competency Matrix

In proposing the list of Board nominees, the Board of Directors is guided by the process described in our Corporate Governance Manual, which is posted on our website at www.cn.ca/governance. As part of the process, the Board chair, in consultation with the Corporate Governance and Nominating Committee, develops a competency matrix based on knowledge areas, types of expertise and geographical representation and identifies any gaps to be addressed in the director nomination process. The Board ensures that the skill set developed by directors, through their business expertise and experience, meets the needs of the Board. The Board also takes into consideration the representativity, both in terms of experience and geographical location, of each candidate to the Board. This competency matrix is reviewed regularly by the Board chair with Board members, and is updated as may be required.

The following table identifies some of the skills and other factors considered as part of the competency matrix developed by the Board chair and the Corporate Governance and Nominating Committee:

	Number of current directors who meet the criteria
Sale/Marketing	11
Finance	12
Accounting	6
Legal	5
Strategy
