An Open Letter to All PBG and PAS Associates:

I wanted to let you know how proud I was of the PepsiCo system sales force during the recent Ring of Honor event, where we honored PBG, PepsiAmericas, PBV and other independent bottlers and PepsiCo associates from around the world. Representing the “best of the best” – the top one quarter of one percent of the worldwide sales force – your incredible stories of concern and service for your customers, consumers, communities and teammates is an inspiration to us all and we enjoyed shining a spotlight on you and the loved ones you brought to the event.

As you know, PepsiCo has proposed to acquire both PBG and PepsiAmericas. While I cannot discuss our pending proposal, including where the process stands, timing, or potential next steps, I can assure you that we care deeply about our and your businesses. Given the sensitivity of this process, I’m sorry to say that I’ll be out of communication with you for the time being, although we’ll be sharing information along the way as it is appropriate to do so. Please know that whatever the outcome of the current discussions, you, the associates of our public anchor bottlers, will always be part of the larger PepsiCo family. Our fortunes and future success are closely intertwined.

In the meantime, all of us are committed to quality of service and share a common focus on operational excellence and customer satisfaction heading into the critical summer selling season. We are excited about our enhanced product offerings and value initiatives hitting the market and we're confident our collective contributions will make a difference. For any questions or comments, please email us at pepsico@transactioninfo.com.

Keep up the great work and thank you for your dedication.

Sincerely,

Indra K. Nooyi
Chairman and Chief Executive Officer
PepsiCo
