## Edgar Filing: XTO ENERGY INC - Form 425

### Cautionary Statement

#### Important Information for Investors and Stockholders

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval. ExxonMobil will file with the Securities and Exchange Commission ("SEC") a registration statement on Form S-4 that will include a proxy statement of XTO Energy Inc. ("XTO") that also constitutes a prospectus of ExxonMobil. ExxonMobil and XTO also plan to file other documents with the SEC regarding the proposed agreement. A definitive proxy statement/prospectus will be mailed to stockholders of XTO. INVESTORS AND SECURITY HOLDERS OF XTO ARE URGED TO READ THE PROXY STATEMENT/PROSPECTUS AND OTHER DOCUMENTS THAT WILL BE FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION. Investors and stockholders will be able to obtain free copies of the proxy statement/prospectus and other documents containing important information about ExxonMobil and XTO, once such documents are filed with the SEC, through the Web site maintained by the SEC at [www.sec.gov](http://www.sec.gov). Copies of the documents filed with the SEC by ExxonMobil will be available free of charge on ExxonMobil's internet Web site at [www.exxonmobil.com](http://www.exxonmobil.com) under the tab "Investors" and then under the tab "SEC Filings" or by contacting ExxonMobil's Investor Relations Department at 972-444-1156. Copies of the documents filed with the SEC by XTO will be available free of charge on XTO's internet Web site at [www.xtoenergy.com](http://www.xtoenergy.com) under the tab "Investor Relations" and then under the tab "SEC Filings" or by contacting XTO's Investor Relations Department at 817-870-2800.

ExxonMobil, XTO, their respective directors and certain of their executive officers may be deemed to be participants in the solicitation of proxies from the stockholders of XTO in connection with the proposed transaction. Information about the directors and executive officers of XTO is set forth in its proxy statement for its 2009 annual meeting of stockholders, which was filed with the SEC on April 17, 2009. Information about the directors and executive officers of ExxonMobil is set forth in its proxy statement for its 2009 annual meeting of stockholders, which was filed with the SEC on April 13, 2009. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the proxy statement/prospectus and other relevant materials to be filed with the SEC when they become available.

Cautionary Statement

Cautionary Statement Regarding Forward-Looking Statements

Statements in this document relating to future plans, projections, events or conditions are forward-looking statements. Actual results could differ materially as a result of a variety of risks and uncertainties, including: the timing to consummate the proposed agreement; the risk that a condition to closing of the proposed agreement may not be satisfied; the risk that a regulatory approval that may be required for the proposed agreement is not obtained or is obtained subject to conditions that are not anticipated; ExxonMobil's ability to achieve the synergies and value creation contemplated by the proposed agreement; ExxonMobil's ability to promptly and effectively integrate XTO's businesses; and the diversion of management time on agreement-related issues. Other factors that could materially affect ExxonMobil's and XTO's actual results, including project plans, costs, timing, and capacities; capital and exploration expenditures; and share purchase levels, include: changes in long-term oil or gas prices or other market or economic conditions affecting the oil and gas industry; completion of repair projects as planned; unforeseen technical difficulties; political events or disturbances; reservoir performance; the outcome of commercial negotiations; wars and acts of terrorism or sabotage; changes in technical or operating conditions; and other factors discussed under the heading "Factors Affecting Future Results" available through the "Investors" section on ExxonMobil's Web site, in Item 1A of ExxonMobil's 2008 Form 10-K and in Item 1A of XTO's 2008 Form 10-K. No assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what impact they will have on the results of operations or financial condition of ExxonMobil or XTO. Neither ExxonMobil nor XTO assumes any duty to update these statements as of any future date. References to quantities of oil or natural gas may include amounts that ExxonMobil or XTO believe will ultimately be produced, but that are not yet classified as "proved reserves" under SEC definitions.
