EXPLANATORY NOTE

Ranger Governance, Ltd., a Texas limited partnership ("Ranger"), is filing the materials contained in this Schedule 14A with the Securities and Exchange Commission in connection with a solicitation of proxies (the "Solicitation") in support of electing Ranger nominees to the board of directors of Computer Associates International, Inc. ("Computer Associates") at the 2001 annual meeting of stockholders of Computer Associates.

Dear Fellow Computer Associates Stockholder:

Late last month, Ranger Governance, Ltd. mailed a proxy statement to the stockholders of Computer Associates International, Inc., asking them to support a slate of director nominees assembled by Ranger.

We believe that our efforts to revitalize Computer Associates have been well-received by independent Computer Associates stockholders. In addition, Institutional Shareholder Services, described by Computer Associates as the nation's leading proxy voting advisory service,¹ noted that Ranger has mounted a credible case for change at CA, and now offer[s] shareholders a business model that . . . appears well-tailored to remedy some of the fundamental weaknesses of CA's business in the past.²

In spite of the high quality of Ranger's business plan and the high caliber of Ranger's nominees (who were described by ISS as an all-star² board), some institutional stockholders are understandably hesitant to replace the entire board of Computer Associates in a single election. Some of those stockholders, as well as some corporate governance experts, have urged us to consider supporting a short slate of nominees who, if elected, would constitute a minority of Computer Associates' directors.

We continue to believe that the right plan and the right leadership can release the untapped value of Computer Associates. We also believe that patience is often necessary to accomplish a task as significant as reforming a large public company. Moreover, as ISS stated, . . . [Computer Associates] shareholders would almost certainly be even better served by the addition to the board of persons chosen by a party totally unaffiliated with (and skeptical of) management.²

Under these circumstances, we believe the interests of Computer Associates and its stockholders are best served by running a short slate of nominees. Accordingly, we are asking for your vote to replace four of Computer Associates' ten incumbent directors with four Ranger nominees. Our four nominees are Richard J. Agnich, Stephen R. Perkins, Cece Smith and Elizabeth Ann VanStory. We are seeking to replace Charles B. Wang, the chairman of Computer Associates' incumbent board, Alfonse M. D'Amato, Russell M. Artzt and Willem F.P. de Vogel.

Ranger remains committed to the program which we have presented to you in our definitive proxy statement and other solicitation materials which we have filed with the Securities and Exchange Commission. Ranger's nominees are committed to its core principles of strong corporate governance, enhanced customer focus, empowered employees and accelerated growth. They have pledged to work toward implementing the Ranger plan in cooperation with the remaining members of Computer Associates' board, as well as with existing management. Because the Ranger nominees, if elected, will hold only four of Computer Associates' ten directorships, the extent to which they will be able to bring about change is uncertain. Minority status may also affect the Ranger nominees' procedural approach to certain issues; for example, they expect to propose submitting the Computer Associates poison pill to a stockholder (rather than a board) vote. Nevertheless, we believe that electing them is a significant step toward achieving Ranger's goal of improving Computer Associates, as well as providing much needed independent oversight

of Computer Associates management.

A proxy given to us on the enclosed GREEN proxy card will, unless you instruct otherwise, cause your shares to be voted in favor of our four nominees and in favor of the persons who are expected to be nominated by Computer Associates, other than the four who we are seeking to replace. The names, backgrounds and qualifications of the Computer Associates nominees, and other information about them, can be found in the proxy statement distributed by Computer Associates. There is no assurance that any of the Computer Associates nominees will serve as directors if any of the Ranger nominees are elected.

¹ Press release of Computer Associates dated August 10, 2001. Permission to use quote neither sought nor obtained.

² Institutional Shareholder Services Proxy Analysis, dated August 10, 2001 and written by Ram Kumar. Permission to use quotes neither sought nor obtained.

If you have already submitted the original version of the green proxy card, Ranger's representatives will vote your shares as indicated on the proxy card that you submitted. Because the earlier form of the green proxy card indicates that Ranger's representatives will vote in favor of all ten original Ranger nominees, Ranger will nominate all ten at the upcoming Computer Associates stockholders meeting. However, because we are no longer soliciting proxies in support of six of the nominees identified on that proxy card, it is unlikely that any of those six nominees will be elected. **Therefore, as a practical matter, any stockholder who granted us authority to vote his or her shares in favor of any of those six nominees and who does not submit a new proxy card will lose the opportunity to cast a meaningful vote with respect to as many as six of Computer Associates ten directorships. Consequently, we encourage you to fully exercise your right to vote by signing, dating and returning the enclosed GREEN proxy card, which will allow us to vote your shares in favor of Ranger's four present nominees and in favor of six persons expected to be nominated by Computer Associates.**

Your vote is extremely important. Whether or not you plan to attend the upcoming stockholders meeting, and whether or not you have already submitted a proxy, you are urged to sign and date the enclosed GREEN proxy card and return it in the postage-paid envelope provided. Your latest-dated proxy is the only one that counts. We urge you *not* to return any proxy sent to you by Computer Associates.

A proxy may be given by any person who held shares of Computer Associates common stock on July 5, 2001, the record date for the upcoming stockholders meeting.

Ranger believes that it is in the best interest of stockholders to elect the Ranger nominees at the upcoming meeting. We strongly recommend that you vote for the election of the Ranger nominees.

Even if you have sent a white proxy card to Computer Associates, you have every right to change your vote. You may revoke that proxy, and vote for the Ranger Governance slate by signing, dating and mailing the GREEN proxy card. If you have any questions on how to vote your shares, please call our proxy solicitor, MORROW & CO., INC. at (800) 607-0088.

Sincerely,

Ranger Governance, Ltd.

Ranger urges all stockholders to read its definitive proxy statement, which contains important information. Ranger's definitive proxy statement was filed with the Securities and Exchange Commission on July 27, 2001, and is available on Ranger's website at www.rangergov.com.
