PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 15, 2003

April 8, 2003

Information Regarding Proxies

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Berkshire Bancorp Inc. (the "Company") for use at the Company's 2003 Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 15, 2003, at 10:00 A.M. (eastern time), at the offices of Blank Rome LLP, The Chrysler Building, 14th Floor, Boardroom, 405 Lexington Avenue, New York, New York 10174 and at any adjournment(s) or postponement(s) thereof for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement and the accompanying proxy card are first being mailed to stockholders of the Company on or about April 8, 2003.

The principal executive offices of the Company are located at 160 Broadway, New York, New York 10038.

The cost of solicitation of proxies will be borne by the Company. In addition to the solicitation of proxies principally by the use of the mail, directors, officers and other employees of the Company, acting on its behalf and without special compensation, may solicit proxies by telephone, facsimile, email or personal interview. The Company will, at its expense, request brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares held of record by such persons. It is estimated that said solicitation costs will be nominal.

Outstanding Stock and Voting Rights

The Board of Directors has fixed the close of business on March 27, 2003 as the record date (the "Record Date") for the determination of stockholders of the Company who are entitled to receive notice of, and to vote at, the Annual Meeting. Only stockholders of record on the Record Date shall be entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, an aggregate of 2,237,976 shares of the Company's Common Stock were outstanding, each of which is entitled to one vote on each matter to be voted upon at the Annual Meeting. The Company's stockholders do not have cumulative

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

voting rights. The Company has no other class of securities entitled to vote at the Annual Meeting.

Voting Procedures; Revocations

When a proxy card in the form enclosed with this Proxy Statement is returned properly executed, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions indicated thereon. If a proxy card is properly executed but no directions are indicated thereon, the shares will be voted FOR the election of each of the nominees for director named herein as shown on the form of proxy card.

The Board of Directors does not know of any other business to come before the Annual Meeting. However, if any other matters should properly come before the Annual Meeting or any adjournment or postponement thereof for which specific authority has not been solicited from the stockholders, then, to the extent permissible by law, the persons named in the proxies will vote the proxies (which confer authority upon them to vote on any such matters) in accordance with their judgment. A stockholder who executes and returns the enclosed proxy card may revoke it at any time prior to its exercise by giving written notice of such revocation to the Secretary or Assistant Secretary of the Company, by executing a subsequently dated proxy card or by voting in person at the Annual Meeting. Attendance at the Annual Meeting by a stockholder who has executed and returned a proxy card does not alone revoke such proxy. Votes will be counted and certified by one or more Inspectors of Election who are expected to be employees of American Stock Transfer & Trust Company, the Company's transfer agent.

Proxies in the accompanying form are being solicited by, and on behalf of, the Company's Board of Directors. The persons named in the proxy have been designated as proxies by the Company's Board of Directors. Pursuant to Delaware corporate law, the presence of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote, represented at the Annual Meeting in person or by proxy, will constitute a quorum. If a quorum is present at the Annual Meeting, the nominees for director shall be elected by a plurality of the votes present (in person or by proxy) at the Annual Meeting and entitled to vote thereon. Shares represented by proxies that are marked "abstain" will be counted as shares present for purposes of determining the presence of a quorum on all matters. Proxies relating to "street name" shares that are voted by brokers on some but not all of the matters will be treated as shares present for purposes of determining the presence of a quorum on all matters, but they will not be treated as shares entitled to vote at the Annual Meeting on those matters as to which authority to vote is withheld by the broker because the broker has not received instructions from the beneficial owners on how to vote on such proposals ("Broker Non-Votes"). The five nominees receiving the highest vote totals will be elected as Directors of the Company. Accordingly, abstentions and Broker Non-Votes will not affect the outcome of the election.

ELECTION OF DIRECTORS

The entire Board of Directors is to be elected at the Annual Meeting. The Company's by-laws presently set the size of the Board of Directors at not less than three (3) nor more than eleven (11). Accordingly, at the Annual Meeting, five (5) nominees will be elected to hold office as directors. The five persons listed below have been nominated to serve as directors of the Company until the next annual meeting of stockholders and until their respective successors have been duly elected and qualified. All of the nominees are currently directors of

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

the Company. In the unexpected event that any of such nominees should become unable or decline to serve, proxies may be voted for the election of substitute nominees as are designated by the Company's Board of Directors.

The names of the nominees for election as directors are listed below, together with certain personal information, including the present principal occupation and recent business experience of each nominee (based solely upon information furnished by such persons). Each of the persons named below has indicated to the Board of Directors of the Company that he will be able to serve as a director if elected and each has consented to be named in this Proxy Statement.

Proxies in the accompanying form will be voted at the Annual Meeting in favor of the election of each of the nominees listed below, unless authority to do so is specifically withheld as to an individual nominee or nominees or all nominees as a group. Proxies cannot be voted for a greater number of persons than the number of nominees named. In the unexpected event that any such nominee

2

should become unable to or will not serve, the persons named in the accompanying proxy have discretionary authority to select and vote for the election of substitute management nominees. Directors will be elected by a plurality of the votes present at the Annual Meeting in person or by proxy and entitled to vote thereon (assuming a quorum exists).

Section 16(a) Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers (as defined therein), directors and persons owning more than ten (10%) percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership of all equity and derivative securities of the Company with the SEC. SEC regulations also require that a copy of all such Section 16(a) forms filed be furnished to the Company by its executive officers, directors and greater than ten (10%) percent stockholders.

Based solely on a review of the copies of such forms and amendments thereto received by the Company, or on written representations from the Company's executive officers and directors that no Forms 5 were required to be filed, the Company believes that during fiscal 2002 all Section 16(a) filing requirements applicable to its executive officers, directors and beneficial owners of more than ten (10%) percent of its Common Stock were met.

Certain Relationships and Related Transactions

In January 2000, the Bank entered into a lease agreement with Bowling Green Associates, LP, the principal owner of which is Mr. Moses Marx, a director of the Company, for commercial space to open a bank branch. The Company obtained an appraisal of the market rental value of the space from an independent appraisal firm and management believes that the terms of the lease, including the annual rent paid, \$237,000 in fiscal 2002 and 2001, is comparable to the terms and annual rent that would be paid to non-affiliated parties in a similar commercial transaction for similar commercial space.

In June 1999 and April 2001, the Company made term loans in the principal amount of \$2,000,000 and \$2,000,000, respectively, to Pharmaceutical Holdings Corp., a Delaware corporation, a principal stockholder of which is Momar Corporation ("Momar"). Mr. Marx is the principal stockholder of Momar. Such loans were made on substantially the same terms, including interest rate, as those prevailing at that time for comparable loans to unrelated parties and did not involve more than normal risk of collectibility or present other unfavorable features. The notes, which bear interest at prime plus 0.50%, are due in March 2003 and June 2003.

In December 1999, the Bank loaned \$1,500,000 to Ecogen, Inc., a corporation in which Mr. Marx may be deemed a principal stockholder. The loan was guaranteed by Momar. Contemporaneously with the making of the loan, Momar purchased a 100% interest in such loan on a non-recourse basis for a purchase price equal to the outstanding balance of the loan. The Bank serviced such loan on behalf of Momar for no additional consideration. Such loan was made on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable loans to unrelated parties and did not involve more than normal risk of collectibility or present other unfavorable features. In July 2002, the loan was repaid in full.

Aggregated Option Exercises and Fiscal Year-End Option Values

The following table sets forth information concerning options exercised during the fiscal year ended December 31, 2002, and the number of options owned and the value of any in-the-money unexercised options as of December 31, 2002 by any of the individuals named in the Summary Compensation Table.

An Option is "in-the-money" if the fiscal year end fair market value of the Common Stock exceeds the option exercise price.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Company does not have a Compensation Committee of its Board of Directors, although it does have a Stock Incentive Committee. Decisions as to compensation are made by the Company's Board of Directors. During the Company's fiscal year ended December 31, 2002, none of the executive officers of the Company served on the board of directors of any other entity, any of whose executive officers has served on the Board of Directors of the Company.

Report on Executive Compensation

There is no Compensation Committee of the Board of Directors or other committee of the Board performing equivalent functions. As noted above, compensation of the Company's executive officers is determined by the Board of Directors. There is no formal policy for determining the salaries of the Company's executive officers. However, the annual salaries of Messrs. Krausz and Lukens are governed by the terms of their respective employment agreements.

The Board of Directors has appointed a Stock Option Committee which makes grants under and administers the 1999 Stock Incentive Plan. The Committee will continue to make grants and administer the 1999 Stock Incentive Plan for the duration of the plan.

Total compensation for executive officers consists of a combination of salaries and stock option awards. Executive officers are entitled to receive such annual bonuses as the Board of Directors may in its discretion determine to be appropriate under the circumstances, based upon, with respect to each fiscal year, the Company's results of operations and progress with respect to the achievement of its strategic goals, the executive officers' performance, and such other factors as the Board of Directors deems to be relevant. Stock option awards under the Company's 1999 Stock Incentive Plan are intended to attract, motivate and retain senior management personnel by affording them an opportunity to receive additional compensation based upon the performance of the Company's Common Stock.

Compensation of Directors

Each director who is not also an employee of the Company (a "Non-Employee Director") receives a stipend of \$12,000 per annum and \$1,000 for each meeting held in person. Each Non-Employee Director also receives fees ranging from \$100 for telephonic meetings lasting one hour or less, up to a maximum of \$1,000 for telephonic meetings of four hours or more. In addition, see -- "Stock Plans" below.

Benefit Plans

Except as set forth below under "Stock Plans" and "Retirement Income Plan", the Company does not maintain any pension, profit-sharing or other incentive compensation plans for the benefit of any of its current employees.

8

Stock Plans

In 1999, the Board of Directors of the Company adopted a Stock Incentive Plan (the "1999 Stock Incentive Plan"). The Plan was approved by the Company's stockholders at a meeting held on March 23, 1999. A brief description of the 1999 Stock Incentive Plan is as follows:

The 1999 Stock Incentive Plan permits the granting of awards in the forms of nonqualified stock options, incentive stock options, restricted stock, deferred stock, and other stock-based incentives. Up to 200,000 shares of Common Stock of the Company may be issued pursuant to the 1999 Stock Incentive Plan (subject to appropriate adjustment in the event of stock splits, combinations or changes in the corporate structure of the Company). Officers, directors and other key employees of the Company or any subsidiary are eligible to receive awards under the 1999 Stock Incentive Plan. The option exercise price of all options which are granted under the 1999 Stock Incentive Plan must be at least equal to 100% of the fair market value of a share of Common Stock of the Company on the date of grant.

Retirement Income Plan

In April 1985, the Company adopted its Retirement Income Plan (the "Plan"), a noncontributory plan, and as of September 15, 1988, froze benefit accruals resulting in a plan curtailment. Effective as of January 1, 2000, the Company reinstated the Plan to cover substantially all full-time, non-union United States employees of the Company and its subsidiaries. A participant in the Plan accumulates a balance in his or her retirement account by receiving: (i) an annual retirement credit of 5% of gross wages paid during the year, but not in excess of the applicable annual maximum compensation permitted to be taken into account under Internal Revenue Service guidelines for each year of service; and (ii) an annual interest credit based upon the 30-year U. S. Treasury securities rate. The Company pays the entire cost of the Plan for its employees and funds such costs as they accrue.

The estimated annual benefits payable under the Plan upon retirement (at the normal retirement age of 65) for Messrs. Rosenberg and Lukens are approximately \$160,000 and \$15,000, respectively. In accordance with the laws currently governing the Plan, the estimated annual benefit payable to Mr. Rosenberg is not expected to increase. Mr. Krausz is not a participant in the Plan.

Employment Contracts

The Company has entered into employment agreements with Messrs. Krausz and Lukens. Mr. Krausz currently serves as President and Chief Executive Officer of the Bank for a term expiring on April 30, 2006, subject to three automatic one year extensions unless earlier terminated. His annual base salary is

REPORT OF THE AUDIT COMMITTEE

The Audit Committee (the "Audit Committee") of Berkshire Bancorp Inc. is comprised of three independent directors and operates under a written charter adopted by the Board of Directors. The members of the Audit Committee are Randolph B. Stockwell (Chair), William L. Cohen and Thomas V. Guarino.

The primary function of the Audit Committee is to provide advice with respect to the Company's financial matters and to assist the Board of Directors in fulfilling its oversight responsibilities regarding finance, accounting, tax and legal compliance. The Audit Committee's primary duties and responsibilities are to:

- a. Periodically assess the integrity of the Company's financial reporting process and systems of internal control regarding accounting.
- b. Periodically assess the independence and performance of the Company's outside auditors.
- c. Provide an avenue of communication among the outside auditors, management and the Board of Directors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee held six meetings during fiscal 2002. During these meetings, the Audit Committee reviewed and discussed the Company's financial statements with management and Grant Thornton LLP ("Grant Thornton"), its independent certified public accountants.

The Audit Committee reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2002 with the Company's management and management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit

Committee discussed with Grant Thornton matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee received the written disclosures and conforming letter from Grant Thornton required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), and the Audit Committee discussed with Grant Thornton their independence from the Company. It considered the non-audit services provided by Grant Thornton and determined that the services provided are compatible with maintaining Grant Thornton's independence. The total fees paid to Grant Thornton for the last two fiscal years are as follows:

| | Fiscal Year Ended December 31, 2002 ----- | Fiscal Year Ended December 31, 2001 ----- |
|--|---|---|
| Audit Fees: Professional services rendered for the audit of the Company's annual financial statements and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q. | \$ 111,399 | \$ 86,500 |
| Audit Related Fees: Professional services rendered for employee benefit plan audits, accounting assistance in connection with acquisitions and consultations related to financial accounting and reporting standards | 6,498 | 12,381 |
| 10 | | |
| Tax Fees: | 71,009 | 59,478 |
| All Other Fees: Professional services rendered for corporate support | -- | -- |

No financial information systems design work was performed during 2002 and 2001, therefore, the Company was not billed for the professional services described in Paragraph (c) (4) (ii) of Rule 2-01 of the SEC's Regulation S-X (in general, information technology services) rendered by the Company's principal accountant during the years ended December 31, 2002 and 2001. The Committee has considered whether the provision of the other non-audit services is compatible with maintaining the independence of the Company's principal accountant. Of the time expended by the Company's principal accountant to audit the Company's financial statements for the years ended December 31, 2002 and 2001, less than 50% of such time involved work performed by persons other than the principal accountant's full-time, permanent employees.

Based on the Audit Committee's discussions with management and the

independent accountants and the Audit Committee's review of the representations of management and the report of Grant Thornton to the Audit Committee, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission.

PERFORMANCE GRAPH

In January 1999, the Company completed the acquisition of The Berkshire Bank and became a Bank Holding Company. Prior to said acquisition, the Company had not had significant operating businesses or operations in a primary business segment to which a meaningful comparison of the Company's performance could be made. Accordingly, the following graph compares the cumulative total return on the Company's Common Stock with the cumulative total return of The Nasdaq Stock Market Bank Stocks Index and the Nasdaq Market Total Return Index for the five-year period ended December 31, 2002. The graph assumes that the value of the investment in the Company and the index was \$100 on December 31, 1997 and assumes that all dividends were reinvested.
