PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 17, 2005

April 11, 2005

Information Regarding Proxies

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Berkshire Bancorp Inc. (the "Company") for use at the Company's 2005 Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 17, 2005, at 10:00 A.M. (eastern time), at the offices of Blank Rome LLP, The Chrysler Building, 24th Floor, Boardroom, 405 Lexington Avenue, New York, New York 10174 and at any adjournment(s) or postponement(s) thereof for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement and the accompanying proxy card are first being mailed to stockholders of the Company on or about April 18, 2005.

The principal executive offices of the Company are located at 160 Broadway, New York, New York 10038.

The cost of solicitation of proxies will be borne by the Company. In addition to the solicitation of proxies principally by the use of the mail, directors, officers and other employees of the Company, acting on its behalf and without special compensation, may solicit proxies by telephone, facsimile, email or personal interview. The Company will, at its expense, request brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares held of record by such persons. It is estimated that said solicitation costs will be nominal.

Outstanding Stock and Voting Rights

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

The Board of Directors has fixed the close of business on April 8, 2005 as the record date (the "Record Date") for the determination of stockholders of the Company who are entitled to receive notice of, and to vote at, the Annual Meeting. Only stockholders of record on the Record Date shall be entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, an aggregate of 6,733,104 shares of the Company's common stock were outstanding, each of which is entitled to one vote on each matter to be voted upon at the Annual Meeting. The Company's stockholders do not have cumulative voting rights. The Company has no other class of securities entitled to vote at the Annual Meeting.

Voting Procedures; Revocations

When a proxy card in the form enclosed with this Proxy Statement is returned properly executed, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions indicated thereon. If a proxy card is properly executed but no directions are indicated thereon, the shares will be voted FOR the election of each of the nominees for director named herein as shown on the form of proxy card.

The Board of Directors does not know of any other business to come before the Annual Meeting. However, if any other matters should properly come before the Annual Meeting or any adjournment or postponement thereof for which specific authority has not been solicited from the stockholders, then, to the extent permissible by law, the persons named in the proxies will vote the proxies (which confer authority upon them to vote on any such matters) in accordance with their judgment. A stockholder who executes and returns the enclosed proxy card may revoke it at any time prior to its exercise by giving written notice of such revocation to the Secretary or Assistant Secretary of the Company, by executing a subsequently dated proxy card or by voting in person at the Annual Meeting. Attendance at the Annual Meeting by a stockholder who has executed and returned a proxy card does not alone revoke such proxy. Votes will be counted and certified by one or more Inspectors of Election who are expected to be employees of American Stock Transfer & Trust Company, the Company's transfer agent. If your shares are held in the name of a bank or broker, you must obtain a legal proxy from the bank or broker to attend the Annual Meeting and vote in person.

Proxies in the accompanying form are being solicited by, and on behalf of, the Company's Board of Directors. The persons named in the proxy have been designated as proxies by the Company's Board of Directors. Pursuant to Delaware corporate law, the presence of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote, represented at the Annual Meeting in person or by proxy, will constitute a quorum.

Directions to withhold authority, abstentions and broker non-votes, if any, will be counted for purposes of determining the existence of a quorum at the Annual Meeting. The Company does not expect to receive any broker non-votes because the uncontested election of directors is the only matter to be presented for action at the Annual Meeting. Broker non-votes occur when a broker or other nominee does not have discretionary authority to vote on the proposal and has not received voting instructions from the beneficial owner.

If a quorum is present at the Annual Meeting, the nominees for director shall be elected by a plurality of the votes present (in person or by proxy) at the Annual Meeting and entitled to vote thereon, meaning that the five nominees

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

receiving the highest vote totals will be elected as Directors of the Company; and all other matters will be approved by a majority of votes cast and entitled to vote at the meeting.

PROPOSAL 1 - ELECTION OF DIRECTORS

The entire Board of Directors is to be elected at the Annual Meeting. The Company's by-laws presently limits the size of the Board of Directors to not less than three (3) nor more than eleven (11) persons. The Board currently has been set at five (5) persons. Accordingly, at the Annual Meeting, five (5) nominees will be elected to hold office as directors. The five persons listed below have been nominated to serve as directors of the Company until the next annual meeting of stockholders and until their respective successors have been duly elected and qualified. All of the nominees are currently directors of the Company. In the unexpected event that any of such nominees should become unable or decline to serve, proxies may be voted for the election of substitute nominees as are designated by the Company's Board of Directors.

The names of the nominees for election as directors are listed below, together with certain personal information, including the present principal occupation and recent business experience of each nominee (based solely upon information furnished by such persons). Each of the persons named below has indicated to the Board of Directors of the Company that he will be able to serve as a director if elected and each has consented to be named in this Proxy Statement.

2

Proxies in the accompanying form will be voted at the Annual Meeting in favor of the election of each of the nominees listed below, unless authority to do so is specifically withheld as to an individual nominee or nominees or all nominees as a group. Proxies cannot be voted for a greater number of persons than the number of nominees named. Directors will be elected by a plurality of the votes present at the Annual Meeting in person or by proxy and entitled to vote thereon (assuming a quorum exists).

Board Committees, Meetings and Compensation

The Board of Directors of the Company has established two Committees, the Audit Committee and the Stock Incentive Committee. Committee membership is determined by the Board, and all committee members are independent directors as determined by the Board in accordance with the independence requirements under corporate governance rules for companies whose securities are quoted on NASDAQ. Where appropriate, each Committee maintains a written charter detailing its authority and responsibilities. Charters are reviewed periodically as legislative and regulatory developments and business circumstances warrant. Charters are available without cost to any stockholder requesting a copy in writing to the Company's executive offices.

(i) The Audit Committee is responsible for (a) the quality and integrity of the Company's financial statements, (b) the Company's compliance with legal and regulatory requirements regarding accounting matters, (c) the selection, qualification and monitoring of independence of the independent accounting firm serving as auditors of the Company and (d) the performance of the Company's internal audit function and the work of the independent auditors. The Committee advises and makes recommendations to the Board of Directors regarding the financial, investment and accounting procedures and practices followed by the Company. The Committee operates under a written charter adopted by the Board of Directors. The members of the Committee are Messrs. Stockwell (Chair), Cohen and Guarino. The Board has determined that Messrs. Stockwell and Guarino are both deemed to be financial experts.

(ii) The Stock Incentive Committee is responsible for the administration of the Company's 1999 Stock Incentive Plan. The members of the Committee are Messrs. Cohen (Chair), Guarino and Stockwell.

4

The Company does not have a nominating committee. In accordance with NASD rules, nominations of persons to serve on the Company's Board of Directors are made by the Board based upon the recommendation of at least a majority of the independent members of the Board.

Considering the regulatory requirements and taking into account its limited size, the Board believes that it is appropriate for the independent members of the Board, Messrs. Cohen, Guarino and Stockwell, acting outside of a formal committee structure, to identify, screen, and recommend all nominees for Directors of the Company to the full Board for selection and to fulfill all of the functions of a formal nominating committee. The Board has adopted the following formal procedures for the consideration by the independent Board members responsible for identifying, screening and recommending Director nominees, to receive and consider any such nominees that may be made by stockholders of the Company.

Stockholders must submit their recommendations in writing to the Company at its executive offices within the time period and in accordance with the procedure specified below. The independent members of the Company's Board who

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

are responsible for selecting Board nominees will consider nominees recommended by the Company's stockholders provided that the recommendation contains sufficient information for them to assess the suitability of the candidate, including the candidate's qualifications. Candidates recommended by stockholders that comply with these procedures will receive the same consideration that candidates recommended by members of the Board receive. Each recommendation for nomination is required to set forth:

- o the name and address of the stockholder making the nomination and the person or persons nominated;
- o a representation that the stockholder is a holder of record of capital stock of the Company entitled to vote at such a meeting and intends to appear in person or by proxy at the meeting to vote for the person or persons nominated and the number of shares owned of record or beneficially owned by the stockholder;
- o a description of all arrangements and understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination was made by the stockholder;
- o such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U.S. Securities and Exchange Commission ("SEC") had the nominee been nominated by the Company's Board of Directors; and
- o the written consent of each nominee to serve as a director of the Company if so elected.

Each recommendation must also include information regarding the recommended candidate relevant to a determination of whether the recommended candidate would be barred from being considered independent under NASD Marketplace Rule 4200 or, alternatively, a statement that the recommended candidate would not be so barred. Moreover, no candidate will be considered if the candidate (i) is involved as a plaintiff in on-going litigation with the Company or is employed by an entity which is involved as a plaintiff in on-going litigation with the Company or (ii) is the subject of any on-going criminal investigation or any investigation of any regulatory authority, including any investigations for fraud or financial misconduct or (iii) is affiliated with a competitor of the Company. A nomination which does not comply with the above requirements or is not submitted within the time period specified below will not be considered.

5

A stockholder wishing to nominate a candidate for election to the Board at a meeting of stockholders at which directors are to be elected is required to give the written notice containing the required information specified above and addressed to the President of the Company so that it is received by the Company's Chief Executive Officer/President no later than (i) the latest date upon which stockholder proposals must be submitted to the Company for inclusion in its proxy statement relating to such meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, or other applicable rules or regulations under the federal securities laws or, if no such rules apply, at least 90 days prior to the date one year from the date of the immediately

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

preceding annual meeting of stockholders, and (ii) with respect to an election to be held at a special meeting of stockholders, 30 days prior to the printing of the Company's proxy materials with respect to such meeting or if no proxy materials are being distributed to stockholders, at least the close of business on the fifth day following the date on which notice of such meeting is first given to stockholders.

The qualities and skills sought in prospective members of the Board generally require that director candidates be qualified individuals who, if added to the Board, would provide the mix of director characteristics, experience, perspectives and skills appropriate for the Company. Criteria for selection of candidates include, but are not limited to: (i) business and financial acumen, as determined by the independent directors in their discretion, (ii) qualities reflecting a proven record of accomplishment and ability to work with others, (iii) knowledge of the Company's industry, (iv) relevant experience and knowledge of corporate governance practices, and (v) expertise in an area relevant to the Company. Such persons should not have commitments that would conflict with the time commitments of a Director of the Company. Such persons shall have other characteristics considered appropriate for membership on the Board of Directors, as determined by the independent directors.

The Company does not have a compensation committee. Executive compensation, except compensation governed by the terms of an employment or such other agreement, is determined by the independent directors and submitted for approval by the disinterested members of the Board.

During the fiscal year ended December 31, 2004, the Board met seven times and acted two times by unanimous written consent. The Audit Committee met five times during fiscal year 2004. The Stock Incentive Committee did not meet during fiscal year 2004. Each director attended all of the total number of meetings of the Board and not less than 75% of the committees of the Board on which he served. The Company does not have a policy requiring the directors to attend Annual Meetings of Stockholders. However, each director attended the Company's 2004 Annual Meeting of Stockholders.

For a description of compensation paid to Directors, see "Management Compensation - Compensation of Directors."

Corporate Governance

The Company has an ongoing commitment to good governance and business practices. In furtherance of this commitment the Company regularly monitors developments in the area of corporate governance, and review its processes and procedures in light of such developments. The Company reviews changes in federal law and the rules and regulations promulgated by the SEC and NASD regulations applicable to companies whose securities are quoted on NASDAQ. The Company complies with new laws and rules and implements other corporate governance practices as it believes are in the best interest of the Company and its stockholders. The Company believes that it has in place policies which are designed to enhance its stockholders' interests. Although the Company qualifies as a Controlled Company under applicable NASD rules by virtue of more than 50% of the voting power of the Company being controlled by one individual as set forth below in "Securities Held By Management," and therefore is exempt from the

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

requirement of NASD Rule 4350(c) that a majority of the Board of Directors must be comprised of independent directors as well as the requirements of Rule 4350(c) regarding determination of compensation of officers and nomination of directors, the Company currently complies with these rules.

Corporate Code of Ethics. In 2004, the Company adopted a Corporate Code of Ethics Policy (the "Ethics Policy"), which is available without cost to any stockholder of the Company requesting a copy, which request shall be in writing addressed to the Company's Chief Executive Officer at the Company's principal executive office. All Company employees, officers, and directors, including the Chief Executive Officer and Chief Financial Officer, are required to adhere to the Ethics Policy in discharging their work-related responsibilities. Employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Ethics Policy.

The Company has also established a confidential hotline through which employees may report concerns about the Company's business practices. In keeping with the Sarbanes-Oxley Act of 2002, the Audit Committee has established procedures for receipt and handling of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and to allow for the confidential, anonymous submission by Company employees of concerns regarding accounting or auditing matters.

The Board of Directors

The Company's Board is elected annually, and each director stands for election every year. The Company does not have a classified or staggered board. Presently the Board is comprised of five Directors, of which one is an employee, one is a significant stockholder of the Company and three have been affirmatively determined by the Board to be independent, meeting the objective requirements set forth by the NASD and the SEC, and having no other relationship to the Company other than their service on the Board of Directors.

Stockholders wishing to communicate with the Board of Directors or with a specific Board member may do so by writing to the Board, or to the particular Board member, and delivering the communication in person or mailing it to: Steven Rosenberg, Chief Executive Officer, Berkshire Bancorp Inc., 160 Broadway, New York, New York 10038.

Certain Relationships and Related Transactions

In January 2000, the Bank entered into a lease agreement with Bowling Green Associates, LP, the principal owner of which is Mr. Moses Marx, a director of the Company, for commercial space to open a bank branch. The Company obtained an appraisal of the market rental value of the space from an independent appraisal firm and management believes that the terms of the lease, including the annual rent of \$298,000 paid in fiscal 2004, is comparable to the terms and annual rent that would be paid to non-affiliated parties in a similar commercial transaction for similar commercial space. The Company currently pays annual rent of \$275,000 pursuant to this lease.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Company does not have a Compensation Committee of its Board of Directors, although it does have a Stock Incentive Committee. Decisions as to compensation for the fiscal year ended December 31, 2004 were made as set forth in the Report on Executive Compensation below. In accordance with NASD rules, compensation of the Company's officers may be made either by or recommended to the Board by a compensation committee of the Board of Directors consisting solely of independent directors or made by or recommended to the Board by the independent members of the Board. During the Company's fiscal year ended December 31, 2004, none of the executive officers of the Company served on the board of directors of any other entity, any of whose executive officers has served on the Board of Directors of the Company.

Compensation of Directors

Each director who is not also an employee of the Company (a "Non-Employee

Director") receives a stipend of \$18,000 per annum and \$1,500 for each meeting held in person. Each Non-Employee Director also receives a fee of \$1,000 for telephonic meetings of the Board of Directors or Committee on which he serves. In addition, see -- "Stock Plans" below.

Benefit Plans

Except as set forth below under "Stock Plans" and "Retirement Income Plan", the Company does not maintain any pension, profit-sharing or other incentive compensation plans for the benefit of any of its current employees.

12

Stock Plans

In 1999, the Board of Directors of the Company adopted a Stock Incentive Plan (the "1999 Stock Incentive Plan"). The 1999 Stock Incentive Plan was approved by the Company's stockholders at a meeting held on March 23, 1999. A brief description of the 1999 Stock Incentive Plan is as follows:

The 1999 Stock Incentive Plan permits the granting of awards in the forms of nonqualified stock options, incentive stock options, restricted stock, deferred stock, and other stock-based incentives. Up to 600,000 shares of Common Stock of the Company may be issued pursuant to the 1999 Stock Incentive Plan (subject to appropriate adjustment in the event of stock splits, combinations or changes in the corporate structure of the Company). Officers, directors and other key employees of the Company or any subsidiary are eligible to receive awards under the 1999 Stock Incentive Plan. The option exercise price of all options which are granted under the 1999 Stock Incentive Plan must be at least equal to 100% of the fair market value of a share of Common Stock of the Company on the date of grant.

Retirement Income Plan

In April 1985, the Company adopted its Retirement Income Plan (the "Plan"), a noncontributory plan, and as of September 15, 1988, froze benefit accruals resulting in a plan curtailment. Effective as of January 1, 2000, the Company reinstated the Plan to cover substantially all full-time, non-union United States employees of the Company and its subsidiaries. A participant in the Plan accumulates a balance in his or her retirement account by receiving: (i) an annual retirement credit of 5% of gross wages paid during the year, but not in excess of the applicable annual maximum compensation permitted to be taken into account under Internal Revenue Service guidelines for each year of service; and (ii) an annual interest credit based upon the 30-year U. S. Treasury securities rate. The Company pays the entire cost of the Plan for its employees and funds such costs as they accrue.

The estimated annual benefits payable under the Plan upon retirement (at the normal retirement age of 65) for Messrs. Rosenberg and Lukens are approximately \$160,000 and \$15,000, respectively. In accordance with the laws currently governing the Plan, the estimated annual benefit payable to Mr. Rosenberg is not expected to increase. Mr. Krausz is not a participant in the Plan.

Employment Contracts

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

The Company has entered into employment agreements with Messrs. Krausz and Lukens. Mr. Krausz currently serves as President and Chief Executive Officer of the Bank for a term expiring on April 30, 2008, subject to three automatic one year extensions unless earlier terminated. His annual base salary is \$382,886 for the year ended April 30, 2005 and increases 5% annually thereafter. Mr. Krausz is also entitled to receive bonuses at the discretion of the Board of Directors.

Mr. Lukens currently serves as the Senior Vice President and Chief Financial Officer of the Bank for a term expiring on June 30, 2005, subject to up to three automatic one year extensions unless earlier terminated. His annual salary is \$155,000 and he may receive, as incentive compensation, an annual bonus as may be determined by the Board of Directors. Mr. Luken's agreement contains certain non compete provisions.

13

Each of Mr. Krausz and Mr. Lukens is, in addition to salary, entitled to payment of certain business expenses and, under certain circumstances, entitled to receive their annual base salary for the remaining term of their respective agreements if their employment is terminated prior to the then current term. The employment agreements do not provide for special payments to be made to either Mr. Krausz or Mr. Lukens in the event of a change of control of the Company.

Report on Executive Compensation

The Company does not have a compensation committee. Executive compensation, except compensation governed by the terms of an employment or such other agreement, is determined by the independent directors and submitted for approval by the disinterested members of the Board.

The Board of Directors has appointed a Stock Option Committee which makes grants under and administers the 1999 Stock Incentive Plan. The Committee will continue to make grants and administer the 1999 Stock Incentive Plan for the duration of the plan.

Total compensation for executive officers consists of a combination of salaries and periodic stock option awards. The Board of Directors determines the compensation of the Company's executive officers, including the Chief Executive Officer, and oversees the administration of all executive compensation programs. In doing so, the Board of Directors periodically reviews trends in compensation practices. The executive compensation policy for the Company was reviewed and approved during 2004 as follows:

Berkshire Bancorp Inc. offers executive compensation programs that align individuals' financial incentives with our strategic direction and corporate values. Our programs are designed to attract and retain key talent needed to manage our business and enhance stockholder value. Our executive compensation program includes cash, (base pay and short term incentive) and non-cash (equity based long term incentive) components. These programs aim to provide our executives with:

- o base pay generally consistent with similarly situated executives in the industry,
- o an opportunity for total cash to exceed average market compensation when

Edgar Filing: BERKSHIRE BANCORP INC /DE/ - Form DEF 14A

exceptional individual and business performance is achieved, and

- o equity to ensure alignment of individual performance with the Company's long term business objectives.

Base Salary. The base salaries of the Company's executives, including the Chief Executive Officer, are determined taking into account the Board's understanding of similarly situated executives in the industry. The base salary of Mr. Krausz is provided for in his employment agreement and that of Mr. Lukens was determined based on his employment agreement.

Short Term Incentives - Bonuses. Executive officers, including the Chief Executive Officer, are entitled to receive such annual bonuses as the Board of Directors may, in its discretion, determine to be appropriate under the circumstances, based upon, with respect to each fiscal year, the Company's results of operations and progress with respect to the achievement of its strategic goals, the executive officer's performance, and such other factors as the Board of Directors deems to be relevant. In general, qualitative factors, such as leadership in the Company's achievement of its goals, plays a greater role in the Board of Director's determination than quantitative factors.

14

Long Term Incentives - Equity (Stock Options). Stock option awards under the Company's 1999 Stock Incentive Plan are intended to attract, motivate and retain senior management personnel by affording them an opportunity to receive additional compensation based upon the performance of the Company's common stock. No stock option awards were made during 2004.
