PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of The Aristotle Corporation (the 'Company') of proxies to be used at the 2005 Annual Meeting of Stockholders to be held at the Hyatt Regency Greenwich, 1800 E. Putnam Avenue, Old Greenwich, Connecticut on August 31, 2005 at 9:30 A.M., EDT. In addition to solicitation of proxies by mail, the directors, officers and employees of the Company may solicit proxies personally, by telephone, facsimile, or telegram. The expense of all such solicitation, including the cost of preparing, printing and mailing this Proxy Statement, will be borne by the Company. The Company will, upon request, reimburse brokers, banks, or other persons for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of the Company's shares. This Proxy Statement and the accompanying proxy and the Company's Annual Report to Stockholders, which contains financial statements for the fiscal year ended December 31, 2004, will first be mailed to stockholders of the Company on or about July 28, 2005.

If the enclosed form(s) of proxy are signed and returned, they will be voted as directed by the stockholder. If no directions are given, proxies will be voted FOR the election as directors of all of the nominees specified therein. A proxy may be revoked at any time, insofar as the authority granted thereby has not been exercised at the meeting, by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. Any stockholder present at the meeting may vote personally on all matters brought before the meeting and, in that event, such stockholder's proxy will not be used at the meeting by holders of the proxy.

Edgar Filing: ARISTOTLE CORP - Form DEF 14A

Only stockholders of record as of the close of business on July 22, 2005 will be entitled to vote at the meeting. On June 30, 2005, the Company had outstanding and entitled to one vote per share, 17,157,829 shares of Common Stock, par value \$.01 per share ('Common Stock'). The Company also had outstanding as of June 30, 2005, 1,096,622 shares of Series I Preferred Stock, par value \$.01 per share ('Series I Preferred Stock'), currently entitled to one-half (.5) of a vote per share. Shares representing a majority of votes entitled to be cast will constitute a quorum at the meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

If no contrary instruction is indicated, shares represented by properly executed proxies in the accompanying form(s) of proxy will be voted by the persons designated in the printed portion thereof FOR the election of the nominees named below to serve as directors until the next annual meeting of stockholders and until such director's successor shall be elected and shall qualify, or until such director's earlier resignation or removal. Each director must be elected by the affirmative vote of a plurality of the votes cast at the meeting by the holders of shares of Common Stock and Series I Preferred Stock, voting together as a single class, represented in person or by proxy.

Management does not know of any other matters to be brought before the meeting at this time; however, if any other matters may properly be brought before the meeting, the proxy holder shall vote in his discretion with respect to the matter. In the event a stockholder specifies a different choice on the proxy, such stockholder's shares will be voted or withheld in accordance with the specifications so made. Should any nominee for director named herein become unable or unwilling to accept nomination or election, it is intended that the persons acting under proxy will vote for the election of such other person as the Board of Directors of the Company may recommend unless the number of directors is reduced by the Board of Directors. Each person named as a nominee has consented to his nomination and the Company has no reason to believe that any nominee will be unable or unwilling to serve if elected.

Edgar Filing: ARISTOTLE CORP - Form DEF 14A

Executive Officer and President of AMIC since November 2002.

JOHN A. WHRITNER has been a Senior Associate with Hazard, Young, Attea & Associates, a school superintendent search firm, since 1997. Prior thereto, Mr. Whritner spent more than forty years in the education field including as a teacher and school administrator, and as the Superintendent of Schools in East Lyme, Connecticut, Grosse Pointe, Michigan, and Greenwich, Connecticut. Mr. Whritner was a director of Nasco International, Inc. ('Nasco') from April 1998 until the merger (the 'Merger') of the Company and Nasco on June 17, 2002.

BOARD OF DIRECTORS AND COMMITTEES AND SELECTION PROCESS

The Company's Board of Directors held eight meetings in 2004. Each director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board of Directors held during the period in which such person was a director; and (ii) the total number of meetings held by all committees of the Board of Directors on which such person served.

Directors are elected annually and serve until their successors are duly elected and qualified, or until their earlier resignation or removal. Officers serve at the discretion of the Board of Directors.

The Company qualifies as a 'controlled company' as defined in Rule 4350(c)(5) of the NASDAQ Marketplace Rules because more than 50% of the Company's voting power is held by Geneve. Please see 'Stock Owned by Management and Principal Stockholders of the Company' above. Therefore, the Company is not subject to the requirements of Rule 4350(c) that would otherwise require the Company to have (i) a majority of independent directors on the Board of Directors; (ii) compensation of the Company's executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; (iii) director nominees selected, or recommended for the Board of Director's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors; and (iv) adopted a formal written charter or board resolution addressing the nominations process and related matters.

In light of Geneve's voting power, the Board of Directors has determined that the Board of Directors, rather than a nominating committee, is the most appropriate body for identifying director candidates and selecting nominees to be presented at the annual meeting. The Board of Directors seeks candidates who will bring outstanding business experience that will benefit all of the stockholders of the

6

Company. The Board of Directors has further determined that a policy with respect to consideration of candidates recommended by security holders would not be appropriate.

Geneve, the Company's majority stockholder, recommended Messrs. Harkavy and Whritner to the Company's Board of Directors for consideration as nominees for election as directors of the Company at the annual meeting.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has an Executive Committee, an Audit Committee, an Investment Committee and a Compensation Committee. The Executive Committee and

Edgar Filing: ARISTOTLE CORP - Form DEF 14A

the Audit Committee were established in June 2002, immediately following the Merger. The Compensation Committee was established in January 2004 and the Investment Committee was established in June 2004. The Executive Committee is comprised of one independent director, one non-employee director and one employee director. The Audit Committee is comprised exclusively of independent directors. The Compensation Committee and the Investment Committee are each comprised of two independent directors and one non-employee director. The Company does not have a standing nominating committee or a nominating committee charter.

EXECUTIVE COMMITTEE. The Executive Committee, which has all powers and authority of the Board of Directors with respect to the management of the business and affairs of the Company, currently consists of Messrs. Lapin, Edward Netter and Tatum. The Executive Committee did not hold any meetings or take any action by written consent in 2004.

COMPENSATION COMMITTEE. The principal functions of the Compensation Committee are to: (i) develop corporate goals and objectives relevant to the compensation of the Company's President and Chief Operating Officer, evaluate the President and Chief Operating Officer's performance in light of such goals and objectives, and exercise sole authority to determine the President and Chief Operating Officer's compensation based upon such evaluation; (ii) make recommendations to the Board of Directors with respect to the compensation of the Company's other executive officers; and (iii) administer the Company's 2002 Employee, Director and Consultant Stock Plan (the '2002 Stock Plan').

Ms. Oster and Messrs. Crawford and Tatum are the current members of the Compensation Committee. Mr. Crawford is the Company's former Chief Executive Officer. A copy of the Compensation Committee Charter adopted by the Board of Directors in March 2004 was attached to the proxy statement issued in connection with the 2004 Annual Meeting of Stockholders. The Compensation Committee held two meetings in 2004. The entire Board of Directors made decisions regarding the compensation of the Company's executive officers for 2003 and 2002 and with respect to the administration of the 2002 Stock Plan.

INVESTMENT COMMITTEE. The principal function of the Investment Committee is to consider and make recommendations to the Board of Directors regarding investment opportunities and strategies for the Company with respect to the utilization of excess cash generated by the Company's normal business operations. Messrs. Lahey, Edward Netter and Tatum are the current members of the Investment Committee, which did not hold any meetings or take any actions by written consent in 2004.

AUDIT COMMITTEE. The Audit Committee operates under an amended and restated Audit Committee Charter adopted by the Board of Directors in March 2004, which was attached to the proxy statement issued in connection with the 2004 Annual Meeting of Stockholders. The principal functions

of the Audit Committee are to: (i) select and engage the Company's independent registered public accounting firm ('independent auditors'); (ii) review and approve management's plan for engaging the Company's independent auditors during the year to perform non-audit services and consider what effect these services will have on the independence of the Company's independent auditors; (iii) review the Company's annual financial statements and other financial reports which require approval by the Board of Directors; (iv) oversee the

Edgar Filing: ARISTOTLE CORP - Form DEF 14A

integrity of the Company's financial statements, the Company's systems of disclosure controls and internal controls and the Company's compliance with legal and regulatory requirements; (v) review the scope of the Company's independent auditors' audit plans and the results of their audit; and (vi) evaluate the performance of the Company's internal audit function and independent auditors.

The Audit Committee met five times during 2004. The current members of the Audit Committee are Ms. Oster and Messrs. Lahey and Tatum. Each of these individuals meets the independence requirements of NASDAQ and applicable SEC rules and regulations. The Audit Committee and the Board of Directors have determined that each member of the Company's Audit Committee is financially literate and that Mr. Tatum qualifies as an 'audit committee financial expert' as defined by applicable SEC rules.

COMPENSATION OF DIRECTORS

Each of the three independent members of the Board of Directors, Ms. Oster and Messrs. Lahey and Tatum, as well as Mr. Crawford, the Company's former Chief Executive Officer, receives an annual retainer of \$10,000. The Chairperson of the Audit Committee, Ms. Oster, receives an additional annual retainer of \$5,000. In addition to the retainer, the members of the Board of Directors receive \$500 for each board or committee meeting attended.

Non-employee directors are eligible to receive grants of stock options under the 2002 Stock Plan. The 2002 Stock Plan provides for the automatic grant of non-qualified options to non-employee directors. Each non-employee director, upon first being elected to the Board of Directors, receives an option to purchase 2,500 shares of Common Stock, which will vest one year after the date of the grant of the option, assuming uninterrupted service on the Board of Directors. Additionally, the 2002 Stock Plan provides for a grant to each non-employee director on the date of his or her reelection (provided that the director has served as a director since his or her initial election) of an option to purchase 500 shares of Common Stock, which will vest one year after the date of the grant of the option, assuming uninterrupted service on the Board of Directors.

Messrs. Donald T. Netter, Edward Netter and Thung, due to their positions with Geneve, have elected to waive their rights to compensation as directors of the Company.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Compensation Committee, other than Mr. Crawford, has ever been an officer or employee of the Company. Mr. Crawford retired as an officer of the Company in December 2002. During 2004, (i) no executive officer of the Company served as a member of a board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Compensation Committee; and (ii) no executive officer of the Company served as a member of a compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors.

DEFINED BENEFIT PENSION PLAN

The Company has a noncontributory defined benefit pension plan (the 'Pension Plan') covering a significant number of its employees, including certain Named Officers. The Pension Plan's benefits are computed based on years of service and average compensation. Average compensation is computed by averaging the employee's highest five consecutive annual salaries, up to a maximum of \$180,000, in the ten years immediately before retirement. Compensation under the Pension Plan is defined as base salary including overtime, bonuses and commissions. As of December 31, 2004, the credited years of service for Messrs. Niemeyer and Johnson were 33 years and 11 years, respectively. The remaining Named Officers are not eligible to participate in the Pension Plan. The Pension Plan benefits for single and married participants are computed as a 10-year certain and life annuity and joint-and-survivor annuity, respectively. Benefits payable under the Pension Plan are not reduced for Social Security or other offsets.

COMPENSATION COMMITTEE'S REPORT ON EXECUTIVE COMPENSATION

GENERAL

The purpose of the Company's compensation policy is to offer compensation packages to attract, retain and motivate the Company's executive officers over the long term. The primary components of the Company's executive compensation program are base salary and bonuses, and long-term incentive compensation in the

Edgar Filing: ARISTOTLE CORP - Form DEF 14A

form of stock options and other awards offered under the 2002 Stock Plan. The Compensation Committee did not retain a compensation consultant.

BASE SALARIES AND BONUSES

Annual base salaries paid to the Company's executive officers have historically been at levels comparable to those generally paid to executive officers with comparable experience and responsibilities in industries similar to that of the Company or other similarly-sized companies. The Compensation Committee makes compensation adjustments based on a review of each individual's performance, the individual's success in achieving Company and personal goals and planned changes in responsibilities. The Compensation Committee also considers an individual's extraordinary efforts resulting in tangible increases in corporate, division or department success in recommending increases in base salary and annual bonuses.

INCENTIVE COMPENSATION

The Compensation Committee believes that executive officers who are able to contribute to the Company's long-term success and help build incremental stockholder value should have a stake in that future success and value. This stake focuses the executive officers' attention on managing the Company as owners with equity positions in the Company and aligns their interests with the long-term interests of the Company's stockholders. Stock options therefore represent an important and significant component of the Company's compensation program for executive officers.

Standard awards under the 2002 Stock Plan are based on a review of the individual employee's performance, years of service, position with the Company and long-term potential contribution to the Company. The number of options to be granted at any one time is based upon consideration of the foregoing factors, the employee's level of responsibility and the number of options previously granted to the employee. The Company does not assign specific weights to these factors, although the employee's position and a subjective evaluation of the employee's performance are considered most important. To

14

encourage executive officers to remain in the Company's employ, options granted under the 2002 Stock Plan generally vest on a quarterly basis over a period of three years and have exercise prices not less than the fair market value of the Company's Common Stock on the date of the grant.

COMPENSATION OF PRESIDENT AND CHIEF OPERATING OFFICER

Compensation paid to Mr. Lapin for 2004 was primarily based on the achievement of individual performance criteria established by the Compensation Committee including merging the Company's defined benefit pension plans, identifying and acquiring attractive complementary businesses and matters relating to the Company's revenues and earnings.

The report of the Compensation Committee and the information contained therein shall not be deemed to be 'solicited material' or 'filed' or incorporated by reference in any filing the Company makes under the Securities Act of 1933 (the 'Securities Act') or under the Exchange Act, irrespective of any general statement incorporating by reference this Proxy Statement into any such filing, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates this information by reference into a document the Company files under the Securities Act or the Exchange Act.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Company's Board of Directors in its oversight of the Company's financial reporting process, as is more fully described in its charter, which the Board of Directors has adopted and which is attached to the proxy statement issued in connection with the 2004 Annual Meeting of Stockholders. The Company's management is responsible for its financial reporting process, including its system of internal controls, and for the preparation and presentation of its consolidated financial statements in accordance with U.S. generally accepted accounting principles ('GAAP'). The Company's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with GAAP. The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the Audit Committee are not and may not be employees of the Company. Therefore, the Audit Committee has relied without independent verification on representations by the Company's management that its financial statements have been prepared with integrity and objectivity and in conformity with GAAP. The Audit Committee has also relied on representations of the Company's independent auditors included in their report on its financial statements. The Audit Committee's oversight does not provide the Audit Committee with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure

15

compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with the Company's management and independent auditors do not assure that the Company's financial statements are presented in accordance with GAAP, that the audit of the Company's financial statements has been carried out in accordance with standards of the Public Company Accounting Oversight Board or that the Company's independent auditors are in fact 'independent.'

In the performance of its oversight function, the Audit Committee reviewed and discussed with the Company's management its audited financial statements for the fiscal year ended December 31, 2004. The Audit Committee also discussed these financial statements with the Company's independent auditors, KPMG LLP ('KPMG'). The Audit Committee's discussions with the independent auditors included the matters required to be discussed by Statement of Auditing Standards No. 61, 'Communication with Audit Committees,' as currently in effect. The Audit Committee also discussed with them their independence and any relationship that might affect their objectivity or independence. In connection with these discussions, the Audit Committee received and reviewed the written disclosures

Edgar Filing: ARISTOTLE CORP - Form DEF 14A

from KPMG required by Independence Standards Board Standard No. 1, 'Independence Discussions with Audit Committees.' Finally, the Audit Committee considered whether the non-audit services provided by the independent auditors are compatible with maintaining their independence.

Based on the reviews and discussions referred to above, the Audit Committee is not aware of any relationship between the independent auditors and the Company that affects the objectivity or independence of the independent auditors. Based on these discussions and the Audit Committee's review discussed above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Company's Board of Directors that its audited financial statements for fiscal 2004 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the SEC.

Renaissance Learning, Inc. (RLRN), Scholastic Corporation (SCHL) and School Specialty, Inc. (SCHS). RELATED PARTY TRANSACTIONS

The Company and Geneve operate under cost-sharing arrangements pursuant to which certain administrative items, such as certain executive officer compensation and benefits, are allocated between the companies. During fiscal 2004, the Company accrued and paid to Geneve approximately \$843,000 under such arrangements, and accrued approximately an additional \$217,500 for the first quarter of fiscal 2005. Included in these amounts is consideration paid by the Company to Geneve for the Company's use of office space at Geneve's corporate headquarters. The foregoing is subject to approval of the Audit Committee of the Board of Directors at least annually, and management of the Company believes that the terms thereof are no less favorable than could be obtained by the Company from

17

unrelated parties on an arm's length basis. In addition, certain directors, officers and/or employees of the Company or its subsidiaries, who are also directors, officers and/or employees of Geneve, received compensation and benefits from Geneve for services rendered thereto since January 1, 2004.

The Company (including certain qualifying domestic subsidiaries) is included in the Federal income tax return and certain State income tax returns of Geneve. The provision for income taxes for the Company is determined on a separate return basis in accordance with the terms of a tax sharing agreement with Geneve, and payments for Federal and certain State income taxes are made to Geneve. The Company made income tax payments to Geneve under such arrangement of \$690,000 and \$160,000 in fiscal 2004 and the first quarter of fiscal 2005, respectively.

During fiscal 2004, the Company invested \$4,000,000 in an investment limited partnership, the substantial portion of which was made at the end of the fourth

Edgar Filing: ARISTOTLE CORP - Form DEF 14A

quarter of fiscal 2004. The general partner of the limited partnership is an affiliate of the Company. The limited partnership invested its funds with a pool of money managers that followed diversified investment strategies. In February 2005, the then-balance of the investment, approximately \$4,055,000, was transferred to another limited partnership, the general partner of which is an affiliate of the Company; the assets of the limited partnership are managed exclusively by a non-affiliate of the Company. None of the Company's affiliates received material compensation in connection with such investment activities.
