**Item 8.01. Other Events.**

In response to current market conditions, DUSA Pharmaceuticals, Inc. issued a press release today attached hereto as Exhibit 99 to update anticipated sales for the quarter ending June 30, 2005 and to clarify the status of negotiations with PhotoCure and Galderma and of its Phase II clinical studies for the treatment of acne.

Except for historical information, this report and news release contain certain forward-looking statements that involve known and unknown risks and uncertainties, which may cause actual results to differ materially from any future results, performance or achievements expressed or implied by the statements made. These forward-looking statements relate to expectations for lower sales for the June 30, 2005 quarter, beliefs regarding physicians' supplies of Kerastick units, belief regarding effect of BLU-U pricing, timing of results of its Phase II acne clinical trials and intention and timing of release of sales results for the period ending June 30, 2005. Such risks and uncertainties include the Company's ability to continue to penetrate the market, uncertainties in the clinical trial process, maintenance of its patent portfolio, and other risks identified in DUSA's SEC filings from time to time, including those contained in DUSA's Form 10-K for the year ended December 31, 2004.

**Item 9.01. Financial Statements and Exhibits.**
