## **Appointment of Proxy**

### **How to complete this proxy form**

If you are unable to attend the Annual General Meeting of BHP Billiton Plc to be held in London on Thursday, 20 October 2005 at 10.30 am, you are encouraged to appoint a person who will attend as your proxy and exercise your right to vote at the Meeting.

### **Appointment of additional proxies**

A shareholder is entitled to appoint more than one person (whether shareholders or not) to attend the meeting and vote. A separate proxy form should be used for each proxy appointment. If you intend appointing additional proxies, please contact the Company's Registrar for additional proxy forms.

### **Any questions?**

Telephone: +44 (0)870 899 3148 for an additional form or if you have any questions on how to complete this form.

### **Directing your proxy how to vote**

If you wish to direct your proxy how to vote (or not to vote) on any resolution, place a mark ( X ) in the For , Against or Vote Withheld box for each resolution.

### **CRESTCo electronic proxy appointment service**

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by following the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction ) must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instructions given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Computershare Investor Services PLC (CREST participant 3RA50) by 10.30 am (UK local time) on Tuesday, 18 October 2005. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) takes(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
