*As Co-representatives of the several Underwriters named in Schedule I hereto (the **Representatives**),
Ladies and Gentlemen:*

AngloGold Ashanti Limited, a public company with limited liability incorporated under the laws of the Republic of South Africa (the **Company**), intends to seek the authorization of its Shareholders (as defined below) to grant authority to the Board of Directors of the Company to allot and issue up to a maximum of 71,000,000 additional ordinary shares, par value ZAR 25 cents per share (**Shares**) in the authorized but unissued share capital of the Company by way of a renounceable rights offer of up to a maximum of 71,000,000 Shares, at a general meeting of the Shareholders for such purpose (such general meeting, the **GM** , and such shareholder authorization, **Shareholder Issuance Approval**).

The Company intends, subject to the terms and conditions stated herein, to offer up to a maximum of 71,000,000 Shares, in the form of Shares or American depositary shares representing Shares (**ADSs**) (the exact number of such Shares to be offered as specified on the front cover of the Rights Prospectus Supplement (as defined below), which shall not be more than 71,000,000 Shares, the **Offered Shares**). The Offered Shares will be offered in a rights offering (the **Rights Offering**) scheduled to commence (A) on June 4, 2008 (such date, or such other commencement date agreed between the Company and the Representatives, the

Rights Offering Commencement Date) to holders of its ADSs (the **ADS Holders**) who are holders of record on June 3, 2008 (the **ADS Record Date**) and (B) on June 9, 2008 (the **Share Rights Offering Commencement Date**) to holders of its Shares (the **Stockholders** , and together with the ADS Holders, the **Shareholders**) who are holders of record on June 6, 2008 (the **Share Record Date** , and together with the ADS Record Date, the **Record Dates**).

The Company is granting (A) Stockholders rights in the form of renounceable (nil paid) letters of allocation to subscribe at the subscription price per share set forth in Section 2(a) (the **Subscription Price**) for their *pro rata* share of the Offered Shares in the form of Shares (**Share Rights**) and (B), through the ADS Rights Agent (as defined below) acting pursuant to the ADS Rights Agency Agreement (as defined below), ADS Holders rights to subscribe at the Subscription Price for their *pro rata* share of the Offered Shares in the form of ADSs (the **ADS Rights** and, together with the Share Rights, the **Rights**). In addition, the Company will permit Shareholders and transferees of Rights who have subscribed for Offered Shares to subscribe at the Subscription Price for any Offered Shares, in the form of Shares or ADSs, depending on whether Share Rights or ADS Rights are exercised, that are not subscribed for pursuant to the exercise of Rights (the **Secondary Allocations**). After allocation of all Rights subscribed in the Rights Offering, the Company will allocate Offered Shares pursuant to the Secondary Allocations as follows: first, to subscribers of the Rights that apply for a greater number of Offered Shares than their Rights otherwise entitle them, such excess allocations to be made on the basis described in the Pricing Prospectus and the Rights Circular, and thereafter, to the extent that any Secondary Allocations remain available for subscription, to subscribers procured by the Underwriters or, failing that, the Underwriters, on the terms and conditions set forth in this Agreement. Each holder of ADS Rights that applies for a greater number of Offered Shares than its ADS Rights otherwise entitle it will receive its Secondary Allocation, in the form of ADSs, of the Offered Shares allocated to the Depositary (as defined below), *pro rata* based on the total number of such excess applications made by all holders of ADS Rights. The allocation priority described in the preceding two sentences is referred to herein as the **Agreed Allocation Priority** .

Share Rights may be exercised by the holders thereof during the period from 9:00 a.m. (Johannesburg time) on June 9, 2008 through 12:00 p.m. (Johannesburg time) on July 4, 2008 (the **Subscription Period Expiration**); ADS Rights may be exercised by the holders thereof during the period from 9.00 a.m. (New York City time) on the Rights Offering Commencement Date through 5:00 p.m. (New York City time) on June 23, 2008. The Share Rights are expected to trade on the JSE Limited during the period from June 2, 2008 (the **JSE Trading Commencement Date**) through June 27, 2008 (the **JSE Trading End Date**); the ADS Rights are expected to trade on the New York Stock Exchange during the period from the May 29, 2008 (the **NYSE Trading Commencement**

Date) through June 20, 2008 (the **NYSE Trading End Date**). All periods in this paragraph are inclusive of the commencement and end dates.

In order to facilitate the successful completion of the Rights Offering, the underwriters named in Schedule I hereto (the **Underwriters**) propose, subject to the terms and conditions stated herein, to subscribe for up to all of the Offered Shares at the Subscription Price, and the Company proposes to issue to the subscribers procured by the Underwriters or the Underwriters up to the number of Offered Shares that are not otherwise subscribed for in the Rights Offering, including Offered Shares subscribed for in connection with the Secondary Allocations (the **Underwriting Commitment**).

The parties hereto understand and agree that the aggregate number of Offered Shares to be allocated to the Underwriters pursuant to the Underwriting Commitment (the **Allotted Shares**) will be the number of Offered Shares notified to the Underwriters by the Company in accordance with Section 2(d) hereof as soon as practicable after the close of business on the Subscription Period Expiration and, in any event, by not later than 4:00 p.m. Johannesburg time on Monday, July 7, 2008 (the **Determination Time**). Such number shall be equal to the aggregate number of Offered Shares less the Exercised Amount. The **Exercised Amount** shall be equal to the aggregate of (1) any Offered Shares, whether in the form of Shares or ADSs, that have been subscribed and paid for by Shareholders, or transferees of Rights, pursuant to the exercise of the Rights prior to the Subscription Period Expiration in the case of holders of Share Rights and prior to 5.00 p.m. (New York City time) on June 23, 2008 in the case of holders of ADS Rights and (2) any Offered Shares that have been determined by the Company prior to the Determination Time to be allocated to subscribers other than the Underwriters pursuant to the Secondary Allocations. The parties hereto acknowledge that by their mutual agreement they may change the Determination Time but that nothing herein shall obligate any party to agree to such an amendment.

The Underwriters may elect to direct delivery of the Allotted Shares, or take delivery of the Allotted Shares themselves, in the form of Shares or in the form of ADSs.

The ADSs are to be issued pursuant to a deposit agreement, dated as of June 26, 1998, (as amended) among the Company, Bank of New York, as depositary (the **Depositary**), and holders from time to time of the American Depositary Receipts (the **ADRs**) issued by the Depositary and evidencing the ADSs (as amended and as may be further amended from time to time, the **Deposit Agreement**). Each ADS will initially represent the right to receive one Share deposited pursuant to the Deposit Agreement. In addition, the Company intends to enter into a rights agency agreement (the **ADS Rights Agency Agreement**) among the Company and The Bank of New York, as ADS rights

agent (in such capacity, the **ADS Rights Agent**), in relation to the Rights Offering to ADS Holders.

In connection with the Rights Offering and any offering by the Underwriters of Allotted Shares, the Company will prepare a prospectus supplement describing, *inter alia*, the Rights and the Offered Shares (the **Rights Prospectus Supplement**) and a prospectus supplement relating only to offers and sales of the Allotted Shares, if required, each to be filed with the Commission (as defined below) pursuant to Rule 424(b) under the Act (as defined below). In connection with the Rights Offering, pursuant to applicable JSE Limited listing requirements and the South African Companies Act No. 61 1973, as amended, the Company will prepare a shareholder circular describing, *inter alia*, the Share Rights (the **Rights Circular**).

Except as used in Section 4 herein, and except as the context may otherwise require, references hereinafter to the Offered Shares shall refer to the Offered Shares, whether in the form of Shares or ADSs. For the avoidance of doubt, except as the context may otherwise require, references to the Offered Shares shall include the Allotted Shares, whether in the form of Shares or ADSs (except in the case of Section 4 hereof).

Such number shall be the aggregate number of Offered Shares less the Exercised Amount and such number stated in the notice from the Company shall be final and binding on the Company and the Underwriters for all purposes.

(e) It is understood and agreed that the Agreed Allocation Priority will give priority to subscribers other than the Underwriters. Accordingly, no Offered Shares will be allocated to the Underwriters unless the Company has allocated Offered Shares, to the extent possible, to fulfill the subscriptions of subscribers other than the Underwriters. If all the Offered Shares have been subscribed for either pursuant to the exercise of Rights or pursuant to the Secondary Allocation, by persons other than the Underwriters or subscribers procured by the Underwriters, the obligations of the Underwriters to procure subscribers for, or failing that, subscribe for Offered Shares under this Agreement shall be deemed satisfied as of the Determination Time.

The Underwriters may elect to direct delivery of or take delivery of, as applicable, the Allotted Shares in the form of Shares or ADSs.

(g) (i) As compensation in full to the Underwriters for their commitments hereunder, the Company at the Time of Delivery will pay to the Representatives, for the accounts of the several Underwriters, an amount in South African rands, or such other currency as the parties may agree, equal to 2% (the **Commissions Rate**) *multiplied* by the Subscription Price *multiplied* by the number of Offered Shares (such amount, the **Underwriting Commissions**) *provided* that the Company may, entirely in its discretion, elect to increase the Commissions Rate to up to 2.25% by notice to the Representatives. The Representatives may accept payment of the Underwriting Commissions by offsetting the amount thereof against any payment due by the Underwriters in respect of Allotted Shares, if any. Subject to Section 2(g)(ii) hereof, the Underwriting Commissions shall be paid to

the Underwriters pursuant to Section 4 hereof whether or not the Underwriters shall be allotted and issued the full number of Offered Shares or any part thereof.

(i) If prior to the receipt by the Company of any proceeds of the sale of Offered Shares in connection with the Rights Offer (A) the Company (x) before the public announcement of the Rights Offering, notifies the Representatives in writing that it has terminated the Rights Offering or (y) after the public announcement of the Rights Offering, publicly announces the termination of the Rights Offering and, in each such case, the Company shall have delivered to the Underwriters a complete release of the Underwriters' obligations hereunder to the Representatives' satisfaction (the

If such a payment is required under this Section 2(g)(ii) at any time before the Rights Prospectus Supplement is first made public, for the purposes of this Section 2(g)(ii) only, the term Offered Shares shall mean the number of Shares specified on the front cover of the draft Rights Prospectus Supplement attached as Annex II(a). Nothing in this paragraph shall affect the Company's obligations under Section 7 hereof.

(n) To use its best efforts to have the Share Rights and ADS Rights listed and trading on the JSE Limited from the JSE Trading Commencement Date through to the JSE Trading End Date and on the New York Stock Exchange from the NYSE Trading Commencement Date through to the NYSE Trading End Date, as applicable (each inclusive);

(o) To use its commercially reasonable efforts to have the Offered Shares approved for listing and admitted for trading on each Stock Exchange on or before the earlier of (i) the applicable time when such Stock Exchange requires such listing and admission to trading to occur and (ii) 12 months from the date of the Rights Settlement Date;

Section 6. (a) The Company represents and agrees that, without the prior consent of the Representatives, it has not made and will not make any offer relating to the Rights or the Offered Shares that would constitute a free writing prospectus as defined in Rule 405 under the Act (a **Free Writing Prospectus**); each Underwriter represents and agrees that, without the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Rights or the Offered Shares that would constitute a Free Writing Prospectus; any such Free Writing Prospectus the use of which has been consented to by the Company and the Representatives is listed on Schedule II(a) or Schedule II(b) hereto (provided that the Company and the Representatives may agree in writing to add further Free Writing Prospectuses to Schedule II(a) or Schedule II(b), which shall be deemed to be listed on such schedule from the date of such agreement, and agree that any Free Writing Prospectus used in connection with the Rights Offering and approved by the Company and the Representatives shall be so added unless agreed otherwise);

(c) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances then prevailing, not misleading, the Company will give prompt notice thereof to the Representatives and, if requested by the Representatives, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; *provided, however*, that the foregoing shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter through the Representatives expressly for use therein.

Section 7. The Company covenants and agrees with the several Underwriters that the Company will, subject to as expressly stated otherwise in Section 5(e) hereof, pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Offered Shares under the Act and all other expenses in connection with the preparation, printing, reproduction and filing of

It is further understood that, except as expressly stated in Section 5(e) hereof, any costs and expenses incurred in connection with sales by any Underwriter of any Allotted Shares at any time after the date that is five business days after the Oversubscription Settlement Date shall be paid by such Underwriter.

In respect of any payments due to the Underwriters, payment shall be made by or on behalf of the Company within fourteen days of the date of the invoice from the Representatives, but in no event prior to the Time of Delivery.

Section 9. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Rights Circular, the ADS Registration Statement, the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Prospectus Supplement, the Pricing Prospectus, the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any issuer information filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Rights Circular, the ADS Registration Statement, the Registration Statement, the Basic Prospectus, any Prospectus Supplement, the Pricing Prospectus, any Preliminary Prospectus, the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein.

(b) Each Underwriter will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Rights Circular, the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Prospectus Supplement, the Pricing Prospectus, the Prospectus, the ADS Registration Statement, or any amendment or supplement thereto, or any

Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Rights Circular, the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, any Prospectus Supplement, the Pricing Prospectus, the Prospectus, the ADS Registration Statement, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a), or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (which shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect

thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Shares. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the Offered Shares contemplated by this Agreement (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters with respect to the Offered Shares contemplated by this Agreement, in each case as determined in accordance with this Agreement. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this subsection (d) were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which any Allotted Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Company under this Section 9 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act and each broker-dealer affiliate of any Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company (including any person who, with his or her consent, is named in the Registration Statement as about to become a director of the Company) and to each person, if any, who controls the Company within the meaning of the Act.

Section 10. (a) If any Underwriter shall default in its obligation to procure subscribe for or, failing that, refuse to subscribe for any Allotted Shares which it has agreed to purchase hereunder at a Time of Delivery, you may in your discretion arrange for you or another party or other parties to purchase such Allotted Shares on the terms contained herein. If within thirty six hours after such default you do not make arrangements satisfactory to you and the Company for the subscription for such Allotted Shares, then the Company shall be entitled to a further period of thirty six hours within which to procure another party or other parties satisfactory to you to subscribe for such Allotted Shares on such terms. In the event that, within the respective prescribed periods, you notify the Company that you have so arranged for the subscription for such Allotted Shares, or the Company notify you that they have so arranged for the subscription for such Allotted Shares, you or the Company shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in your opinion may thereby be made necessary. The term **Underwriter** as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to this Agreement with respect to such Offered Shares.

(b) If, after giving effect to any arrangements for the subscription for Allotted Shares of a defaulting Underwriter or Underwriters by you and the Company as provided in subsection (a) above, the aggregate number of such Allotted Shares which remain unsubscribed for do not exceed one-eleventh of the aggregate number of all of the Allotted Shares to be subscribed for at the Time of Delivery, then the Company shall have the right to require each nondefaulting Underwriter to subscribe for the number of Allotted Shares which such Underwriter agreed to subscribe for hereunder at the Time of Delivery and, in addition, to require each nondefaulting Underwriter to purchase its *pro rata* share (based on the number of Allotted Shares which such Underwriter agreed to procure subscribers for or, failing that, subscribe hereunder) of the Allotted Shares of such defaulting Underwriter or Underwriters for which such

arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the subscription for the Allotted Shares of a defaulting Underwriter or Underwriters by you and the Company as provided in subsection (a) above, the aggregate number of such Allotted Shares which remain unsubscribed exceeds one-eleventh of the aggregate number of all of the Allotted Shares to be subscribed for at the Time of Delivery, or if the Company shall not exercise the right described in subsection (b) above to require nondefaulting Underwriters to procure subscribers for or to subscribe for Allotted Shares of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate, without liability on the part of any nondefaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

Section 11. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company or any officer or director and shall survive delivery of and payment for the Allotted Shares.

Section 12. If this Agreement shall be terminated pursuant to Section 10 hereof, the Company shall not be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason some or all the transactions contemplated by this Agreement are not executed, the Company will reimburse the Underwriters through you for all out of pocket expenses approved in writing by you, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the execution of the transactions contemplated by this Agreement, but the Company shall then be under no further liability to any Underwriter in respect of the transactions contemplated by this Agreement except as provided in Sections 7 and 9 hereof.

Section 13. In all dealings hereunder, you shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by either of you.

All statements, requests, notices, agreements and other communications hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to you, as the representatives for the several Underwriters listed in Schedule I hereto, at each of (A) Goldman Sachs

Any such statements, requests, notices, agreements and other communications shall, if sent by fax, conclusively be deemed to have been given or served at the time of dispatch upon generation of transmission confirmation and, if sent by post, be conclusively deemed to have been received 48 hours from the time of posting.

Section 14. This Agreement and the rights and benefits hereunder may not be assigned by any Underwriter except with the prior written consent of the Company provided that nothing in this paragraph shall limit any Underwriter from (A) assigning this Agreement or the rights, benefits or obligations hereunder to its affiliates or (B) entering into any sub-underwriting or other arrangements designed to hedge any Underwriter's commitment hereunder; *provided that*, in respect of clause (A) of this sentence, if an Underwriter assigns any of its obligations hereunder to any of its affiliates and the assignee of those obligations fails to perform such obligations, such Underwriter shall duly perform, or procure the performance of, such obligations that were assigned by it. No subscriber of any of the Allotted Shares from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

Section 15. Each of the parties hereto irrevocably (i) agrees that any legal suit, action or proceeding against the Company brought by any Underwriter or by any person who controls any Underwriter arising out of or based upon this Agreement or the transactions contemplated hereby may be instituted in any federal or state court in the Borough of Manhattan, The City of New York (each a **New York Court**); (ii) waives, to the fullest extent permitted by law any objection which it may now or hereafter have to the laying of venue of any such proceeding; and (iii) submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. The Company has appointed AngloGold Ashanti North America Inc., 7400 East Orchard Road, Suite 350, Greenwood Village,

Colorado 80111 as its authorized agent (the **Authorized Agent**) upon whom process may be served in any such action arising out of or based on this Agreement or the transactions contemplated hereby which may be instituted in any New York Court by any Underwriter or by any person who controls any Underwriter, expressly consents to the jurisdiction of any such court in respect of any such action, and waives any other requirements of or objections to personal jurisdiction with respect thereto. Such appointment shall be irrevocable for five years from the date of this Agreement. The Company represents and warrants that its Authorized Agent has agreed to act as such agent for service of process and agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Company, as applicable, shall be deemed, in every respect, effective service of process upon the Company, as applicable.

Section 16. In respect of any judgment or order given or made for any amount due hereunder that is expressed and paid in a currency (the **judgment currency**) other than United States dollars, the Company indemnify each Underwriter against any loss incurred by such Underwriter as a result of any variation as between (i) the rate of exchange at which the United States dollar amount is converted into the judgment currency for the purpose of such judgment or order; and (ii) the rate of exchange at which an Underwriter is able to purchase United States dollars with the amount of the judgment currency actually received by such Underwriter. The foregoing indemnity shall constitute a separate and independent obligation of the Company shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term **rate of exchange** shall include any premiums and costs of exchange payable in connection with the purchase of or conversion of the judgment currency into United States dollars.

Section 17. Time shall be of the essence of this Agreement, both as regards any dates, times or periods mentioned and as regards any dates, times or periods which may be substituted for them in accordance with this Agreement or by agreement in writing between the parties.

Section 18. The Company acknowledges and agrees that (i) the procurement of subscribers for or, failing that, the subscription for and sale of the Allotted Shares pursuant to this Agreement and the other transactions contemplated hereby is an arm's-length commercial transaction between the Company on the one hand, and the several Underwriters, on the other; (ii) solely in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company; (iii) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to the offerings contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters)

or any other obligation to the Company except the obligations expressly set forth in this Agreement; and (iv) the Company has consulted and will consult its own legal and financial advisors to the extent deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

Section 19. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

Section 20. The Company and each of the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

Section 21. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

If the foregoing is in accordance with your understanding, please sign and return to us six counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Underwriters, this letter and such acceptance hereof shall constitute a binding agreement among each of the Underwriters and the Company.
