On June 19, 2009, the Board of Directors of Myers Industries, Inc. (the Company), upon the recommendation of the Compensation Committee of the Company (the Compensation Committee) approved the execution of an employment agreement (the Employment Agreement) for David B. Knowles to join the Company as the Executive Vice President and Chief Operating Officer, effective as of June 19, 2009, for a term of two years with automatic renewal for successive one year terms thereafter, unless earlier terminated. Under the terms of the Employment Agreement, Mr. Knowles will receive a base salary of \$400,000 per year, subject to annual review by the Compensation Committee. For 2009, Mr. Knowles will receive an annual bonus of not less than \$150,000. Thereafter, any annual bonus shall be determined by the Compensation Committee pursuant to metrics established by the Compensation Committee, with a target annual bonus opportunity for each year that is not less than 75% of Mr. Knowles then current base salary. In connection with the Employment Agreement, Mr. Knowles will also be granted stock options to acquire 30,000 shares of the Company's common stock. In addition, Mr. Knowles will receive the following benefits under the Employment Agreement: (1) participation in all other benefit plans in which the other executive officers of the Company are eligible to participate; (2) a \$1,500 per month automobile allowance; (3) four weeks of vacation each year; (4) reimbursement of moving expenses and a one time payment of \$50,000 for closing costs and other expenses relating to the sale of his current home and/or purchase of a new home in the Akron, Ohio area; (5) a \$1,500 per month housing allowance until Mr. Knowles purchases a permanent residence in the Akron, Ohio area (not to exceed 12 months); and (6) a supplemental retirement benefit of \$75,000 per year for a period of ten years commencing on the later of his retirement or attainment of age 65.

In the event that Mr. Knowles' employment is terminated by the Company other than for cause or is terminated by Mr. Knowles for good reason, then the Company will provide to Mr. Knowles in addition to any base salary and annual bonus accrued and unpaid as of the date of termination: (1) continuation of Mr. Knowles' annual base salary as in effect on the date of his termination for a period of one year after such termination; (2) an amount equal to his annual bonus at the highest rate in effect during the prior three year period payable in lump sum within ninety (90) days after such termination; (3) COBRA health coverage at the Company's expense for a period of one year; (4) continuation of the automobile allowance for a period of one year; (5) long term disability protection for a period of one year; (6) life insurance protection for a period of one year; and (7) outplacement services for one year.

In the event that Mr. Knowles is terminated due to his death or disability, then Mr. Knowles or his spouse will be entitled to receive: (1) any base salary and annual bonus accrued and unpaid; (2) any amounts payable under any Company employee benefit plan; and (3) COBRA coverage at the Company's expense for the longer of (A) the applicable period under 4980B of the Internal Revenue Code of 1986, as amended or (B) thirty-six (36) months. If Mr. Knowles' employment is terminated by the Company with cause or by Mr. Knowles without good reason, then no further compensation is payable to Mr. Knowles other than compensation earned prior to the termination but unpaid at the time of termination.

---

In the event Mr. Knowles is terminated in connection with, or within thirty (30) days following, the occurrence of a specified change in control event, Mr. Knowles will be provided with the following benefits in addition to any base salary and annual bonus accrued and unpaid as of the date of termination: (1) an amount equal to the sum of (A) one and one half (1 1/2) times his annual base salary as in effect on the date of his termination, plus (B) one and a half (1 1/2) times his annual bonus at the highest rate in effect during the prior three year period, payable within thirty (30) days after such termination; and (2) full vesting of all outstanding stock options, restricted stock or similar awards and any option shall become fully exercisable within 90 days of such termination date.
