Important Notice to Fund Shareholders

OCTOBER 19, 2009

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Proxy Statement?

A. You are receiving this Proxy Statement as a Fund shareholder in connection with the annual shareholders meeting for the Nuveen closed-end funds listed at the top of the Notice of Annual Meeting of Shareholders.

You are being asked to vote on a number of important matters:

- (i) Updated Investment Policies (all Affected Municipal Funds (as defined in the Proxy Statement)). Nuveen's municipal closed-end funds are seeking to adopt a uniform, up to date set of investment policies (the New Investment Policies). In general, these funds currently have a somewhat diverse set of policies, reflecting when the funds were launched over the past 20 years as well as developments over time in the municipal market, including new types of securities as well as investment strategies.
- (ii) Elimination of Fundamental Investment Policies and Approval of New Fundamental Investment Policy (Insured Funds (as defined in the Proxy Statement)). Fund shareholders are being asked to approve the elimination of certain fundamental investment policies and to approve a new fundamental policy or policies (also referred to as, the New Investment Policy or New Investment Policies). These changes are designed to give the Insured Funds important flexibility to respond to on-going developments in the bond insurance market while maintaining their current focus on insured bonds backed by insurers with solid credit ratings. In addition, the Insured Funds are seeking to adopt a uniform, up to date set of investment policies.
- (iii) Approval of Fund Board Nominees (all Funds). Each year, you and other Fund shareholders must approve the election of Board members to serve on your Fund's Board. This is a requirement for all funds that list their common shares on a stock exchange. The Funds described in this Proxy Statement are holding their annual shareholders meetings at which Board members will be elected. The list of specific nominees is contained in the enclosed Proxy Statement.

Your Fund's Board of Trustees/Directors, including your Board's independent members, unanimously recommends that you vote **FOR** each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders don't cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

Q. What are the potential benefits of the New Investment Policies for common shareholders of the Affected Municipal Funds?

A. The potential benefits to common shareholders are:

Enhanced ability of the Affected Municipal Funds to generate attractive tax-free income while retaining their orientation on investment grade quality municipal securities;

Increased flexibility in diversifying portfolio risks and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation and possible growth of capital, which, if successful, will help to sustain and build net asset value; and

Improved secondary market competitiveness that may lead to a higher relative market price and/or stronger premium/discount performance.

Q. What are the potential benefits of the New Investment Policies for preferred shareholders of the Affected Municipal Funds?

A. The potential benefits to preferred shareholders are increased flexibility in diversifying portfolio risks and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation and possible growth of capital, which, if successful, will help to sustain and build net asset value and therefore asset coverage levels for preferred shares.

Q. What actions are required in order to implement the New Investment Policies?

A. In order to implement the New Investment Policies and obtain the potential benefits described above, each Affected Municipal Fund or Insured Fund must make certain changes to its existing policies, including certain fundamental policies that require approval of shareholders. In some cases, this may require shareholder approval of the elimination of an existing fundamental policy as well as the implementation of a new replacement fundamental policy. Because each Affected Municipal Fund or Insured Fund tends to be situated somewhat differently, the specific changes required to implement the New Investment Policies often vary from fund to fund.

Q. Why are shareholders of the Insured Funds being asked to approve the elimination of fundamental investment policies and to approve a New Investment Policy?

A. As a result of conditions facing the bond insurance market, shareholders are being asked to approve the elimination of certain fundamental investment policies that are restricting, or may be expected in the future to restrict, each Insured Fund's ability to effectively maintain its existing focus on insured bonds backed by insurers with solid credit ratings. In connection with eliminating the respective fundamental investment policies, shareholders are being asked to approve a new fundamental investment policy that will provide the Insured Funds with flexibility to respond to on-going developments in the bond insurance market, while ensuring that the Insured Funds continue to invest substantially all (at least 80%) of their investments in insured bonds backed by insurers with solid credit ratings.

Q. What happens if shareholders don't approve the elimination of the fundamental investment policies and/or don't approve the New Investment Policy or Policies?

A. An Affected Municipal Fund or Insured Fund will not be able to implement the New Investment Policies as discussed above. The Affected Municipal Fund or Insured Fund would likely incur further expenses to solicit additional shareholder participation, and may experience potential disruptions to its investment operations. The Boards of the Affected Municipal Funds and Insured Funds urge you to vote without delay in order to avoid the potential for higher costs and/or disruptions to portfolio operations.

Q. Who do I call if I have questions?

- A.** If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services, your Fund's proxy solicitor, at [(866) 864-0471]. Please have your proxy material available when you call.

Q. How do I vote my shares?

- A.** You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope. Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

Q. Will anyone contact me?

- A.** You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important and in the best interests of the Funds. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor's follow-up contact list.

- (1) Taxable Auctioned Preferred Shares for Senior Income; Fund Preferred Shares for Floating Rate, Floating Rate Income Opportunity and Tax-Advantaged Floating Rate; Variable Rate Demand Preferred Shares for Insured California Tax-Free Advantage; and Municipal Auction Rate Cumulative Preferred Shares for each Municipal Fund, except California Value, are referred to as Preferred Shares. California Value has not issued Preferred Shares.

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting, except that for the election of the two Board Member nominees to be elected by holders of Preferred Shares of each Fund (except California Value), 33 1/3% of the Preferred Shares entitled to vote and represented in person or by proxy will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policies for the Affected Municipal Funds and Insured Funds, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund's Common Shares and Preferred Shares, voting together as a single class, and by the affirmative vote of a majority of the Fund's outstanding Preferred Shares, voting as a separate class. For this purpose, a majority of the outstanding shares means, as defined in the Investment Company Act of 1940, as amended (the 1940 Act), (a) 67% or more of the voting securities present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities are present or represented by proxy; or (b) more than 50% of the outstanding voting securities, whichever is less. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policies, abstentions and broker non-votes will have the same effect as shares voted against the proposal.

Preferred Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Annual

Meeting, or, if adjourned, one business day before the day to which the Annual Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of Preferred Shares as a class who have voted on the proposal or in the same proportion as the votes cast by all holders of Preferred Shares of the Fund who have voted on that item. Rule 452 permits proportionate voting of Preferred Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Those persons who were shareholders of record at the close of business on October 2, 2009 will be entitled to one vote for each share held and a proportionate fractional vote for each fractional share held. As of October 2, 2009, the shares of the Funds were issued and outstanding as follows:
