Item 1.01 Entry into a Material Definitive Agreement.

Revolving Credit Agreement

On October 29, 2009, Western Gas Partners, LP (the Partnership) entered into a three-year senior unsecured revolving credit agreement among the Partnership as the borrower, Wells Fargo Bank National Association, as the administrative agent and the lenders party thereto (the Credit Agreement). The aggregate initial commitments of the lenders under the Credit Agreement are \$350,000,000 and are expandable to a maximum of \$450,000,000. The Credit Agreement matures on October 29, 2012 and bears interest at the applicable London Interbank Offered Rate or LIBOR, plus applicable margins ranging from 2.375% to 3.250%, or an alternate base rate, based upon (i) the greater of the Prime Rate, the Federal Funds Rate plus 0.5%, and LIBOR plus 0.5% plus (ii) applicable margins ranging from 1.375% to 2.250%.

The Credit Agreement contains various covenants that limit, among other things, the Partnership s, and certain of the Partnership s subsidiaries , ability to incur indebtedness, grant liens, merge, consolidate or allow any material change in the character of its business, sell all or substantially all of the Partnership s assets, make certain transfers, enter into certain affiliate transactions, make distributions or other payments other than distributions of available cash under certain conditions and use proceeds other than for partnership purposes (not to include the purchase or carrying of margin stock). If the Partnership obtains two of the following three ratings: BBB- or better by S&P, Baa3 or better by Moody s, or BBB- or better by Fitch (the date of such rating being the Investment Grade Rating Date), then the Partnership will no longer be required to comply with certain of the foregoing covenants. The Credit Agreement also contains customary events of default, including (i) nonpayment of principal when due or nonpayment of interest or other amounts within three business days of when due; (ii) bankruptcy or insolvency with respect to the Borrower or any material subsidiary; or (iii) a change of control. All amounts due by the Partnership under the Credit Agreement are unconditionally guaranteed by the Partnership s wholly-owned subsidiaries. The guarantees of the subsidiary guarantors will terminate on the Investment Grade Rating Date. On October 30, 2009, the Partnership used \$100.0 million of its capacity under the Credit Agreement to retire its \$101.5 million, 7.00% fixed-rate, three-year term loan agreement with Anadarko Petroleum Corporation (Anadarko) entered into in July 2009 to finance a portion of the consideration paid for the acquisition of a 51% membership interest in Chipeta Processing LLC and related assets from Anadarko.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full and complete terms of the Credit Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1.
