Item 1.01. Entry into a Material Definitive Agreement

On February 17, 2010, Portfolio Recovery Associates, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with William Blair & Company, L.L.C., as representative of the several underwriters named therein (the Underwriters), related to the public offering and sale of 1,250,000 shares (the Shares) of the Company s common stock, par value \$0.01 per share (the Offering). The price to the public in the Offering is \$52.50 per share, and the Underwriters have agreed to purchase the Shares from the Company at a price of \$50.006 per share. Pursuant to the Underwriting Agreement, the Company has granted the Underwriters a 30-day option to purchase up to an additional 187,500 shares of its common stock at the public offering price to cover over-allotments, if any. The closing of the Offering is expected to take place on or about February 22, 2010, subject to the satisfaction or waiver of customary closing conditions.

The Company expects to receive net proceeds from the Offering of approximately \$62.2 million (or approximately \$71.6 million if the Underwriters exercise their over-allotment option in full), after deducting the underwriting discounts and commissions and estimated offering expenses. The Company intends to use the net proceeds of the Offering primarily to repay a portion of the debt outstanding under its \$365 million revolving credit facility. Repaying a portion of the debt outstanding under its revolving credit facility will increase the Company s gross availability under the facility which, in turn, will allow the Company to draw down on the line of credit available thereunder for portfolio acquisitions and/or business acquisitions and for general corporate purposes including, but not limited to, organic growth, working capital and capital expenditures.

The Offering is being conducted as a public offering pursuant to the Company s effective shelf registration statement on Form S-3 (File No. 333-162224) under the Securities Act of 1933, as amended, and a related prospectus supplement dated February 17, 2010, as filed with the Securities and Exchange Commission on February 18, 2010. The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 hereto and incorporated herein by reference. A copy of the opinion of Dechert LLP, counsel to the Company, relating to the legality of the Shares to be issued and sold in the Offering is filed as Exhibit 5.1 hereto.

The information in this Current Report on Form 8-K does not constitute an offer to sell, or the solicitation of an offer to buy, these securities, nor will there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale is not permitted.
