Item 2.02. Results of Operations and Financial Condition.

On February 24, 2010, Ormat Technologies, Inc. (the Company) reported its earnings for the fourth fiscal quarter and fiscal year ended December 31, 2009. A copy of the Company s press release containing this information is furnished as Exhibit 99.1 to this report on Form 8-K and is incorporated herein by reference.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities under that Section, or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

The Company is making reference to non-GAAP financial measures in the press release. A reconciliation of these non-GAAP financial measures to the comparable GAAP financial measures is contained in the attached press release.

Item 4.02(a). Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review

On February 23, 2010, the Board of Directors and Audit Committee of the Company, upon recommendation of management, concluded that the Company s financial statements for the year ended December 31, 2008 (the 2008 Financial Statements) contained in its Annual Report on Form 10-K for the year then ended require restatement and should no longer be relied upon. In addition, the Company s prior related earnings and news releases and similar communications should no longer be relied on to the extent they related to the 2008 Financial Statements.

The Company plans to include the restatement of the 2008 Financial Statements in its Annual Report on Form 10-K for the year ended December 31, 2009. The restatement will show a change in the Company s accounting treatment for certain exploration and development costs. These costs were capitalized on an area-of-interest basis as described in Note 1 of the 2008 Financial Statements using an accounting method that is analogous to the full cost method. In reviewing this accounting treatment in response to comment letters from the Staff of the Securities and Exchange Commission (SEC) as part of its periodic review of the reports the Company files with the SEC, the Company concluded that this accounting treatment was inappropriate in certain respects. As a result, the Company will no longer continue to capitalize these costs for any individual project after it decides to abandon further exploration and development of that project, and will instead expense those costs in the period in which any such determination is made. The 2008 Financial Statements will be restated to write-off unsuccessful exploration and development costs for sites where we determined not to pursue further development during 2008.

The effect of this restatement on the 2008 Financial Statements is as follows:

Table of Contents

	(U.S. dollars in millions)
Consolidated balance sheet as of December 31, 2008:	
Decrease in construction-in-process	\$ 9.8
Decrease in deferred tax liability	3.6
Decrease in equity	6.2

Consolidated statement of operations and comprehensive income for the year ended December 31, 2008:

Decrease in net income	6.2
Decrease in comprehensive income	6.2

The Company also plans to revise its consolidated financial statements as of and for the three and nine months ended September 30, 2009 to reduce net income by approximately \$1.5 million to expense previously capitalized exploration and development costs related to a project for which the Company determined it would abandon further exploration and development during the third quarter of 2009. In connection with the filing of its Annual Report on Form 10-K for the year ended December 31, 2009, the Company will revise the third quarter unaudited financial information included in the notes to the financial statements included therein to reflect the expensing of such costs in that interim period.

The Company's management, Audit Committee and Board of Directors have discussed the matters disclosed in this Item 4.02(a) filing on Form 8-K with the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP.
